ANNUAL MEETING OF SHAREHOLDERS, MARCH 11, 2004

Your proxy in the enclosed form is solicited by the Board of Directors of CREDO Petroleum Corporation for use at the Annual Meeting of Shareholders to be held on Thursday, March 11, 2004 at 2:30 p.m., MST, at the Wells Fargo Center, J. D. Hershner Room, (Lobby), 1700 Lincoln Street, Denver, Colorado, and any adjournment thereof. These proxy materials were first mailed to shareholders on or about February 6, 2004.

Only shareholders of record at the close of business on January 30, 2004 will be entitled to vote at the meeting. On that date, there were 4,014,121 shares of common stock outstanding and entitled to vote, excluding 320,088 shares held in the Company's treasury.

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

All shares represented by properly executed, unrevoked proxies timely received in proper form will be voted in accordance with the directions specified thereon. Any such proxy on which no direction is specified will be voted in favor of the election of the nominees named herein to the Board of Directors and for ratification of the appointment of Hein + Associates LLP as independent auditors for the Company for fiscal 2004. In addition, all proxies will be voted in accordance with the judgement of the proxy holders with respect to any other matter which may properly come before the meeting. Any shareholder giving a proxy may revoke that proxy at any time before it is voted at the meeting by executing a later dated proxy, by voting by ballot at the meeting, or by filing with the Election Judge an instrument of revocation.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The \$.10 par value common stock of the Company is the only class of capital stock outstanding. Each outstanding share of common stock is entitled to one vote with respect to each matter to be voted on by the shareholders, which vote may be given in person or by proxy duly authorized in writing. Cumulative voting is not permitted. A majority of the shares of outstanding common stock will constitute a quorum for transaction of business at the meeting. The affirmative vote of the majority of the total number of shares represented and voted at the meeting, assuming a quorum is present, is necessary for the approval of each of the matters being voted upon. Shares that withhold votes for a nominee for director or shares that either abstain from voting on other proposals presented or which lack authority to vote will have no effect in the tabulation of votes although they will be counted toward the presence of a quorum.

The only persons known to own of record or beneficially more than 5% of the Company's common stock as of January 30, 2004 are set forth below.

DIRECTORS AND OFFICERS  
Election of Directors (Item 1 on Proxy Card)

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

The Articles of Incorporation, as amended, classify members of the Board of Directors into three classes having staggered terms of three years each. The Board of Directors consists of six directors, including five outside directors, who have particular expertise in areas considered essential to the Company's business--namely geology, land, petroleum engineering, legal and accounting.

The directors to be elected to the Board in Class I at the 2004 Annual Meeting of Shareholders will serve until the 2007 Annual Meeting and until their successors are duly elected and qualified. Class III and Class II directors will continue to serve until the 2005 and 2006 Annual Meetings of Shareholders, respectively, and until their successors are duly elected and qualified.

The Class I nominees named below are presently members of the Board of Directors. Unless your proxy contains contrary instructions, it will be voted for the nominees. Should the nominees become unable to serve, which is not anticipated, the proxies will vote for such substitute nominee as recommended by the Board of Directors. Any vacancy occurring in a class following the election of that class may be filled by the Board of Directors. A director selected to fill a vacancy in a class will hold office for a term expiring at the annual meeting at which the term of that class expires and until a successor is duly elected and qualified.

The following table sets forth certain information with respect to each nominee and each director whose term of office will continue after the meeting.

## Information Concerning Meetings of the Board of Directors and Board Committees

The Board of Directors met five times during fiscal 2003. All directors were present for 80% of the meetings. It is Company policy that Board members attend the Annual Meeting of Shareholders unless health, family or other important personal matters prohibit such attendance. All members of the Board of Directors attended the Company's 2003 Annual Meeting.

The Board has an Executive Committee consisting of Messrs. Hall, Huffman and Skewes. The Executive Committee did not meet during fiscal 2003. There are no compensation or nominating committees because such matters are considered by the Executive Committee or the entire Board of Directors. The Board of Directors consists of only six members and the Executive Committee consists of only three members. The Board believes that, due to their size and/or composition, either body is capable and qualified to fulfill the function of a separate

## Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

nominating committee or compensation committee.

The Audit Committee of the Board of Directors consists of three members: Mr. Hall, a CPA; Mr. Brown, a former oil company executive; and Mr. Skewes, an attorney. Mr. Hall is a CPA and is a retired PricewaterhouseCoopers audit partner. He is Chairman of the Audit Committee and is qualified as an "audit committee financial expert" under the applicable Commission rules. Mr. Hall and Mr. Brown are "independent" directors under the applicable National Association of Securities Dealers' listing standards ("NASD Independent Director Standards"). Mr. Skewes, an attorney in private practice, serves as the Company's General Counsel and Corporate Secretary although he is not an employee of the Company and has not received consulting services compensation from the Company for the past three years. Because he is an officer of the Company, Mr. Skewes does not technically meet the definition of an "independent" director under the NASD Independent Director Standards. Nevertheless, the Board of Directors believes that Mr. Skewes is independent from management of the Company and that his legal background and his knowledge of financial statements qualify him for membership on the Audit Committee.

### Audit Committee Report

The responsibilities of the Audit Committee are set forth in the Audit Committee Charter which has been adopted by the Board of Directors and is attached to this Proxy Statement as Appendix "A". A copy of the Charter was included as an Appendix to the 2001 Proxy Statement and will be included at least once every three years in future Proxy Statements.

The Audit Committee met four times during fiscal 2003 and has met once since fiscal 2003 year-end. The Committee reviewed and discussed the Company's audited financial statements for fiscal 2003 with management and the Company's independent auditors, and discussed with the Company's independent auditors the matters required by Statement of Auditing Standards No. 61. The Committee has received from the independent auditors appropriate disclosures regarding the auditors' independence as required by Independence Standards Board Standard No. 1. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the year ended October 31, 2003 be included in the Company's Annual Report on Form 10-KSB.

### Compensation of and Agreements with Non-Employee Directors

Non-employee directors receive \$2,000 plus reimbursement for out-of-pocket expenses for each meeting of the Board of Directors attended and may be paid \$100 per hour for committee meeting attendance or for consulting services provided at the request of the majority of the Board of Directors.

## Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

Non-employee directors also receive director compensation in the form of stock options granted under the Company's Stock Option Plan. The option exercise price is the price of the Company's common stock on the option grant date. The options vest in one-third increments beginning on the date of grant and then on each anniversary thereafter until fully vested, and they expire on the fifth anniversary of the date of grant except for options granted on June 13, 2003 which expire on their tenth anniversary date. Mr. Brown was granted a stock option on July 27, 2000 to purchase 30,000 shares at \$4.11. He has exercised 17,520 stock options and has 12,480 currently exercisable stock options. Mr. Hall was granted a stock option on December 21, 2000 to purchase 30,000 shares at \$4.17 and has exercised all of them. Amounts reported above are adjusted for a 20% stock dividend made during 2003. Each non-employee director was granted a stock option on June 13, 2003 to purchase 13,000 shares at \$13.34. None of the options have been exercised.

The Company has entered into indemnification agreements with each of its non-employee directors. Those agreements require the Company to indemnify such directors to the fullest extent permitted by Colorado Law and to advance expenses in connection with certain claims against the directors.

Representatives of Hein + Associates LLP will be present at the Annual Meeting to make any statement they so desire and to answer appropriate shareholder questions.

In the absence of contrary instructions by a shareholder, the shares represented by the proxies will be voted FOR the ratification of the appointment of Hein + Associates LLP as the Company's independent auditors for fiscal 2004.

#### Audit Fees

The aggregate fees billed for professional services rendered by Hein + Associates LLP for its audit of the Company's annual financial statements and its reviews of the financial statements included in the Company's Form 10-QSB were \$36,500 and \$37,100 for fiscal 2002 and 2003 respectively.

#### Audit Related Fees

The aggregate fees billed for assurance and related services by Hein + Associates LLP totaled \$700 and \$1,600 in fiscal 2002 and 2003, respectively.

#### Tax Fees

The aggregate fees billed for tax services by Hein + Associates LLP were none and \$400 in fiscal 2002 and 2003, respectively.

#### All Other Fees

Hein + Associates LLP provided no services during fiscal 2002 and 2003 other than the services described above, and thus, no fees for such services were billed. The Audit Committee has reviewed such fees and found that the provision of such other services is compatible with maintaining the principal accountant's independence.

#### Policies and Procedures for Approval of Audit and Non-Audit Services

The Audit Committee pre-approves estimates of audit and non-audit services expected to be performed by Hein + Associates LLP in any fiscal year. In addition, the Audit Committee may delegate authority to its Chairman to pre-approve additional audit and non-audit services by Hein + Associates LLP, and ensures that the independent auditors shall not be engaged to perform the specific non-audit services that are prohibited by law or regulation. The Audit Committee Chairman must report the amount of any such additional pre-approved services at the next scheduled Audit Committee Meeting. The Audit Committee pre-approved 100% of Hein + Associates LLP fees for audit and non-audit services in fiscal 2002 and 2003. There were no hours expended on the Hein + Associates LLP audit of the Company's most recent financial statements by persons other than Hein + Associates LLP's full-time, permanent employees.

## Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

The Audit Committee has concluded that services rendered by Hein + Associates LLP and the related fees paid to Hein + Associates LLP are compatible with maintaining Hein + Associates LLP's independence.

The Board of Directors recommends a vote FOR this proposal and will be governed by the decision of a majority of shares voting.

### CODE OF ETHICS

The Company is in the process of adopting a Code of Ethics that applies to, among others, its executive officers, principal financial officer, and other persons, if any, performing similar functions. Once adopted the Company's Code of Ethics will be posted on its Internet website ([www.credopetroleum.com](http://www.credopetroleum.com)). Solicitation of proxies may be made by telephone or oral communication by regular employees of the Company who will not be directly compensated. In addition, the Company may employ a proxy solicitor. Costs of a proxy solicitor, if any, will be paid by the Company and will not exceed \$100,000.

### SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING AND SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any proposal which a shareholder intends to present for consideration and action at the next annual meeting of shareholders must be received in writing by the Company no later than October 11, 2004 and must conform to applicable Securities and Exchange Commission rules and regulations.

The Board of Directors attends each Annual Meeting and the individual directors are available to answer appropriate questions. Appropriate questions generally relate to the Board's responsibility to establish overall policy and direction for the Company, its responsibility to retain and evaluate management, and its responsibilities related to certain functions related to the Audit Committee. In the past five years, the Company has not received formal shareholder communications addressed to the Board, and has not adopted a formal process for shareholder communications to the Board, or its individual members. If such communications are received, the Company's informal policy is for the Chairman of the Board to review them and to present those that he deems, in his sole judgement, to be within the scope of the Board's responsibility to the Board at its next regular meeting. The Board will then determine, in its sole judgement, whether a response to any such communication is appropriate. Pursuant to recently issued SEC rules, the Board will formalize a policy and guidelines regarding shareholder communications to

directors in the near future.

OTHER MATTERS

The Company knows of no other matters to be brought before the Annual Meeting. However, if other matters come to their attention before the meeting, it is the intention of the persons named in the proxy to vote such proxy in accordance with their judgement on such matters.

A copy of the Company's Annual Report for the fiscal year ended October 31, 2003, which includes financial statements, is enclosed for your information. The Annual Report is not a part of the proxy solicitation material.

A majority of the members of the Audit Committee shall constitute a quorum. Minutes of all Audit Committee meetings will be prepared and filed with the minutes of the Board of Directors.

Statement of Policy

The Audit Committee will provide assistance to the directors in fulfilling their responsibilities to the shareholders and to the investment community relating to accounting, reporting practices and the quality and integrity of the financial reports of the Company. - (c) Pre-approve all audit and not-audit services to be rendered by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. - (d) Review with the independent auditors and the Company's financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations from the independent auditors regarding the improvement of those internal control procedures or particular areas where new or more detailed controls or procedures might be necessary to protect material assets of the Company.
- (e) Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without members of management present. Items which could be discussed at such meetings include the independent auditors' evaluation of the Company's financial and accounting personnel, and the cooperation that the independent auditors received during the course of any current or recently completed audit.
- (f) Review and approve in advance all related party transactions as defined by SEC regulations with the Company.
- (g) Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each Audit Committee meeting with, the Board of Directors.
- (h) Investigate any matter brought to its attention within the scope of its duties, with the power to retain, at the Company's expense, outside legal counsel and other advisors for this purpose if, in its judgment, that is appropriate.
- (i) Establish procedures for (i) the receipt, retention and treatment of complaints received by the Company

regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

- (j) Review and reassess the adequacy of this Charter on an annual basis.

The Board of Directors and the Audit Committee will have ultimate authority and responsibility to select, evaluate and replace the independent auditors. The independent auditors are ultimately accountable to the Board of Directors and the Audit Committee. The Audit Committee is responsible for (i) ensuring that the independent auditors, on a periodic basis, submit a formal written statement delineating all relationships between the Company and the independent auditors; (ii) actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors; and (iii) recommending that the Board of Directors take appropriate action to ensure the independence of the independent auditors. In addition, the Audit Committee shall set clear hiring policies with respect to the Company's hiring of employees or former employees of the independent auditors that meet the applicable federal securities laws, SEC regulations and NASDAQ standards.

In addition to the above responsibilities, the Audit Committee shall undertake such other duties as the Board of Directors delegates to it.

Revised: January 29, 2004
