Item 2. Identity and Background

(a), (f) This Schedule 13D is being filed by Charles B. Johnson ("C. Johnson"), Rupert H. Johnson, Jr. ("R. (b) The address of the principal business office of each of the Reporting Persons is One Franklin Parkway, San Mateo, California 94403-1906. The directors and principal executive officers of FRI and FAV, their present principal occupations, citizenship and business addresses are listed on Exhibit A.

(c) The principal business of FRI is to act as a holding company for various subsidiaries engaged in the investment management and related services business. The principal business of FAV is to act as an investment adviser. The principal businesses of C. Johnson and R. Johnson, Jr. are listed on Exhibit A.

Edgar Filing: GOODRICH PETROLEUM CORP - Form SC 13D

(d) During the last five years, none of the Reporting Persons, and to the best knowledge of the Reporting Persons, none of the persons listed on Exhibit A has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, none of the Reporting Persons, and to the best knowledge of the Reporting Persons, none of the persons listed on Exhibit A was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

As described in Item 4 herein, on the Effective Date (as defined below), pursuant to the Plan (as defined below) the Old Secured Notes (as defined below) held by the Funds (as defined below) were cancelled and the Issuer issued to the Funds an aggregate of 4,469,465 Shares in exchange for such Old Secured Notes. No borrowed funds were used to purchase the Shares.

The funds used to purchase the Notes and Warrants were provided out of the working capital of the following funds, each managed by FAV: (a) Franklin High Income Fund, as series of Franklin High Income Trust, an investment company registered under the Investment Company Act of 1940 and (b) FT Opportunistic Stress Fund, Ltd., a Cayman Islands company.

Item 4. Purpose of Transaction

On April 15, 2016, the Issuer and certain of its subsidiaries (together with the Issuer, the "Debtors") filed voluntary petitions in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") seeking reorganization relief under the provisions of Chapter 11 of Title 11 of the United States Bankruptcy Code. On August 18, 2016, the Bankruptcy Court entered a written order confirming the Debtors' First Amended Joint Plan of Reorganization (as amended, modified, or supplemented from time to time, the "Plan"). On October 12, 2016 (the "Effective Date"), the Plan became effective and

Edgar Filing: GOODRICH PETROLEUM CORP - Form SC 13D

the Debtors emerged from reorganization proceedings under the United States Bankruptcy Code.

On the Effective Date, by operation of the Plan, (a) the Issuer's old common stock, par value \$0.20 per share, and other equity interests existing immediately prior to the Effective Date were deemed surrendered and cancelled and (b) the Issuer's 3.25% Convertible Senior Notes due 2026, 5.00% Convertible Senior Notes due 2029, 5.00% Convertible Senior Notes due 2032, 8.875% Senior Notes due 2019, 8.00% Second Lien Senior Secured Notes due 2018, 5.00% Convertible Exchange Senior Notes due 2032 and 8.875% Second Lien Senior Secured Notes due 2018 (together with the 8.00% Second Lien Senior Notes due 2018, the "Old Secured Notes"), were deemed surrendered and cancelled. Holders of the Old Secured Notes received, in exchange for the surrender and cancellation of such Old Secured Notes, their pro rata share of approximately 72.9% of the Issuer's new common stock issued and outstanding pursuant to the Plan as of the Effective Date, subject to dilution. Accordingly, the Old Secured Notes held by the certain funds and accounts managed by FAV (collectively, the "Funds") were exchanged for an aggregate of 4,469,465 Shares. The Issuer will issue an additional 117,500 Shares under the Plan to the Issuer's former unsecured noteholders and former holders of general unsecured claims.

In accordance with the Plan and the Notes Purchase Agreement (defined below), FAV was issued 10-year costless warrants (the "Warrants") to purchase 546,875 Shares and \$8,750,000 principal amount of 13.50% Convertible Second Lien Senior Secured Notes due 2019 (the "Notes") on the Effective Date. The Notes are convertible at the option of the holders at any time prior to the scheduled maturity date, at a conversion rate equal to approximately 0.046875 Shares per dollar of principal amount, provided that no fractional shares will be issued upon conversion.

CUSIP NO. 382410843

Page 7 of 17

The Shares issued to the Funds on the Effective Date and any Shares issued to the Funds upon the exercise of Warrants or the conversion of Notes will be held for investment purposes.

Under the Plan, FAV was entitled to designate three members of the Issuer's board of directors (the "Board") upon its emergence from reorganization proceedings. FAV appointed Ronald F. Coleman, K. Adam Leight and Thomas M. Souers. The Board consists of three classes of directors. Until the date that FAV and its affiliates collectively cease to hold at least 10.0% of the outstanding Shares, FAV will be entitled to designate a replacement of any of its designated directors that resigns, dies or is otherwise unable to serve as a director for any reason and will be entitled to designate three nominees to serve as the Class II Directors. The Board (or an authorized Board committee) will nominate such nominees for election to the Board.

None of the directors appointed by FAV is affiliated with the Reporting Persons or their affiliates, and no such director is a representative of, reports to, or provides information to, any of such persons. FAV's decision as to whether to vote for any such director when such director next stands for election will be based on the same factors as it considers for any director that was not originally designated to serve on the board by FAV.

Additionally on the Effective Date, the Issuer entered into (1) a registration rights agreement with FAV under which it agreed to file with the Securities and Exchange Commission (the "SEC") within 60 days following the Effective Date a registration statement for the offer and resale of the Shares, (2) a registration rights agreement with FAV, among others, under which it agreed to file with the SEC within 120 days following the Effective Date a registration statement for the offer and resale of the Notes and (3) a registration rights agreement with FAV, among others, under which it agreed to file with the SEC within 120 days following the Effective Date a registration statement for the offer and resale of the Warrants. Each of these registration rights agreements are further described in Item 6.

Except as set forth herein, the Reporting Person has no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D. FAV intends to review the Funds' investment in the Issuer on a continuing basis and will continue to evaluate the Issuer's business, prospects and financial condition, the market for the Shares, Warrants and Notes monetary and stock market conditions, and other further developments relating to the Issuer and the Shares, Warrants and Notes and participate in meetings or hold discussions with the Issuer's management, other stockholders, and others, regarding the operations, assets, capital structure, or the Funds' investment in the Issuer. Such discussions may relate to one or more of the transactions specified in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons may determine to acquire additional Shares, Warrants, Notes or other securities of the Issuer through open market purchases, in privately negotiated transactions or otherwise, or to dispose of all or part of the Shares, Warrants or Notes in one or more transactions through the open market, in privately negotiated transactions or otherwise. FAV may, on behalf of the Funds, exercise any and all rights as a stockholder of the Issuer in a manner consistent with such equity interests or otherwise engage or participate in a transaction with the purpose or effect of changing or influencing the control of the Issuer. Such transactions may take place at any time and without prior notice. There can be no assurance, however, that FAV or any Reporting Person will take any such actions. The Reporting Persons reserve the right to change their intentions and to develop plans or proposals that could result in any of the transactions described in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D, or any other transaction which the Reporting Persons believe could enhance stockholder value.

Item 5. Interest in Securities of the Issuer

(a-b) The Shares may be deemed to be beneficially owned by FAV for purposes of Rule 13d-3 under the Act in their capacity as the investment advisers to the Funds pursuant to investment management contracts that grant them investment and/or voting power. When an investment management contract (including a sub-advisory agreement) delegates to an investment management subsidiary investment discretion or voting power over the securities held in the investment advisory accounts that are subject to that agreement, FRI treats the investment management subsidiary as having sole investment discretion or voting authority, as the case may be, unless the agreement specifies otherwise. Accordingly, FAV, as an investment management subsidiary, reports on Schedule 13D that it has sole investment discretion and voting authority over the securities covered by any such investment management agreement.

Beneficial ownership by FRI and the investment management subsidiaries, including FAV, is being reported in conformity with the guidelines articulated by the SEC staff in Release No. 34 39538 (January 12, 1998) relating to organizations, such as FRI, where related entities exercise voting and investment powers over the securities being reported independently from each other. The voting and investment powers held by Franklin Mutual Advisers, LLC ("FMA"), an indirect wholly owned investment management subsidiary of FRI, are exercised independently from FRI, the investment management subsidiaries and their other affiliates. Furthermore, internal policies and procedures of FMA and FRI establish informational barriers that prevent the flow between FMA and FRI and its other affiliates of information that relates to the voting and investment powers over the securities owned by their investment management clients. Consequently, FMA, on the one hand, and FRI and its other affiliates, on the other hand, report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Act.

CUSIP NO.
382410843
Page 8 of 17

Charles B. Johnson and Rupert H. Johnson, Jr. (the "Principal Shareholders") each own in excess of 10% of FRI's outstanding common stock and are the principal stockholders of FRI. FRI and the Principal Shareholders may be deemed to be, for purposes of Rule 13d 3 under the Act, the beneficial owners of securities held by persons and entities for whom or for which FRI's subsidiaries provide investment management services. The number of shares that may be deemed to be beneficially owned and the percentage of the class of which such shares are a part are reported in Items 11 and 13 of the cover pages for FRI and each of the Principal Shareholders. FRI, the Principal Shareholders and FAV disclaim any pecuniary interest in any of the Shares, Warrants and Notes. In addition, the filing of the Schedule 13D on behalf of the Principal Shareholders, FRI and FAV should not be construed as an admission that any of them is, and each disclaims that it is, the beneficial owner, as defined in Rule 13d 3, of any of the Shares, Warrants or Notes.

FRI, the Principal Shareholders and FAV believe that they are not a "group" within the meaning of Rule 13d 5 under the Act and that they are not otherwise required to attribute to each other the beneficial ownership of the Shares, Warrants and Notes held by any of them or by any persons or entities for whom or for which FAV provides investment management services.

The number of Shares as to which each reporting person on this Schedule 13D has:

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the

Issuer

The information set forth in Items 3, 4 and 5 of this Schedule 13D is incorporated by reference in its entirety into this Item 6.

FAV may, from time to time, in the ordinary course of business, including as investment advisor, (a) be party to, enter into or unwind certain cash settled equity derivatives or similar contractual

arrangements which provide indirect economic exposure to, but do not give the Reporting Persons direct or indirect voting, investment or dispositive power over, securities of the Issuer (the "Contracts"),

and/or (b) buy, sell and/or hold debt securities of the Issuer, which, in each of (a) and (b), may be significant in amount. The profit, loss and/or return on such Contracts may be wholly or partially

dependent on the market value of the securities of the Issuer, the relative value of securities of the Issuer in comparison to one or more other financial instruments, indexes or securities, a basket or group

of securities in which the securities of the Issuer may be included, or a combination of any of the foregoing. Accordingly, the Reporting Person disclaims any beneficial ownership in the securities that may be

referenced in such Contracts.

Other than as described herein, there are no contracts, arrangements, understandings or relationships among the Reporting Persons and between the Reporting Persons and any other Person with respect to

securities of the Issuer.

Franklin Registration Rights Agreement

On the Effective Date, the Issuer and FAV, as investment manager on behalf of certain funds and accounts, entered into a registration rights agreement (the "Franklin Registration Rights Agreement"), pursuant

to which the Issuer agreed to file with the SEC within 60 days after the Effective Date a registration statement for a shelf registration for the offer and resale of all Registrable Securities (as defined in

including, without limitation, provisions with respect to blackout periods and indemnification.

The foregoing description of the Franklin Registration Rights Agreement is qualified in its entirety by reference to such Franklin Registration Rights Agreement, a copy of which is filed herewith as Exhibit

J and is incorporated herein by reference.

Notes Purchase Agreement and Indenture

On the Effective Date, the Issuer and certain subsidiaries entered into a purchase agreement (the "Notes Purchase Agreement") with FAV, as investment manager on behalf of certain funds and accounts, and other

Edgar Filing: GOODRICH PETROLEUM CORP - Form SC 13D

purchasers party thereto (collectively with FAV, the "Purchasers"), in connection with the issuance of \$40.0 million aggregate principal amount of Notes.

The Notes were issued pursuant to and are governed by the Indenture (the "Indenture"), dated as of the Effective Date, among the Issuer, as issuer, the Subsidiary Guarantor (as defined in the Indenture), and

Wilmington Trust, National Association, as trustee and collateral agent (the "Trustee"). The Notes are guaranteed on a senior secured basis by the Subsidiary Guarantor.

At any time until maturity at the election of the holder, the Notes are convertible at the conversion rate, which is the sum of the outstanding principal amount of Notes to be converted, including any

accrued and unpaid interest, divided by the conversion price, which shall initially be \$21.3333, subject to certain adjustments as described in the Indenture.

The Notes mature on August 30, 2019, or such later date as set forth in the Notes, but in no event later than March 30, 2020. The Notes bear interest at the rate of 13.50% per annum, payable quarterly in arrears on January 15, April 15, July 15 and October 15 of each year. The Issuer may elect to pay all or any portion of interest in kind on the then outstanding principal amount of the Notes by increasing the

principal amount of the outstanding Notes or by issuing additional Second Lien Notes ("PIK Interest Notes"). The PIK Interest Notes will not be convertible.
