Item 8.01 Other Events.

On April 1, 2019, the Ally Financial Inc. (Ally) Board of Directors authorized the repurchase of up to \$1.25 billion of Ally's common stock from time to time from the third quarter of 2019 through the second quarter of 2020. This authorization is in addition to the previously announced authorization to repurchase up to \$1.0 billion of Ally's common stock from time to time from the third quarter of 2018 through the second quarter of 2019.

The repurchase program enables Ally to acquire shares through open market purchases or privately negotiated transactions, including through a Rule 10b5-1 plan, at the discretion of management and on terms (including quantity, timing, and price) that management determines to be advisable. Actions in connection with the repurchase program will be subject to various factors, including Ally's capital and liquidity positions, regulatory and accounting considerations (including Accounting Standards Update 2016-13, Financial Instruments - Credit Losses, commonly known as CECL), Ally's financial and operational performance, alternative uses of capital, the trading price of Ally's common stock, and market conditions. The repurchase program does not obligate Ally to acquire a specific dollar amount or number of shares and may be extended, modified, or discontinued at any time.

A copy of the press release announcing the authorization is attached as Exhibit 99.1.
