Proxy materials being sent to stockholders of Reading International, Inc. (the “company,” “Reading,” “we,” “us,” or “our”) are being amended prior to printing to reflect a correction from the definitive proxy statement previously filed on April 22, 2009 with the Securities and Exchange Commission. The change reflects the correct number of shares of class A nonvoting common stock (“Class A Stock”) owned by James J. Cotter, our Chairman and Chief Executive Officer. Below is a fully revised beneficial ownership table with footnotes, which replace the corresponding table on pages 4 and 5 of the previously filed proxy statement.

Beneficial Ownership of Securities

The following table sets forth the shares of Class A Stock and Class B Stock beneficially owned as of April 16, 2009 by:

- each of our incumbent directors and each director nominee;
- each of our named executive officers set forth in the Summary Compensation Table of this Proxy Statement;
- each person known to us to be the beneficial owner of more than 5% of our Class B Stock; and
- all of our directors and executive officers as a group.

Except as noted, we believe that the indicated beneficial owner of the shares has sole voting power and sole investment power.
