-

**Item 5.03 Amendments to Articles of Incorporation or By-laws; Change in Fiscal Year.**

On August 8, 2006, the Securities and Exchange Commission approved an amendment to Nasdaq Marketplace Rule 4350(l), which requires securities listed on the NASDAQ Stock Market, such as our common stock, to be eligible for a Direct Registration System, or DRS. A DRS permits an investor's ownership of listed companies' equity securities to be recorded and maintained on the books of the issuers or their transfer agents without the physical issuance of a stock certificate. The new rule does not require companies to participate in a DRS, but it requires all NASDAQ-listed equity securities to be eligible to participate by January 1, 2008.

In order to ensure that our common stock is DRS eligible, effective December 18, 2007 our Board approved amendments to Article VII of our Bylaws to allow for issuance of shares in either certificated or book entry form. Our registered office and registered agent were also amended.

Our Bylaws as amended are filed as Exhibit 3.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
