Summarized Financial Information

Company or group of companies for which report is filed:

CHAMPIONS Sports, Inc. and Subsidiaries

The consolidated balance sheet as of July 31, 2003, the consolidated statements of operations and the consolidated statements of cash flows for the three months ended July 31, 2003 and July 31, 2002 have been prepared by the company, without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flow at July 31, 2003 and for all periods presented have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. It is suggested that these consolidated financial statements be read in conjunction with the financial statements and notes thereto included in the Company's 10-KSB as of April 30, 2003. The results of operations for the period ended July 31, 2003 are not necessarily indicative of the operating results for the full year.

The Company's independent auditor has expressed substantial doubt the Company can continue as a going concern, as of April 30, 2003. The Company is facing a most severe liquidity problem and has reduced its general and administrative expense to conserve cash. The Company continues to review and evaluate its operations and priorities. The Company is actively pursuing merger or acquisition candidates to meet its liquidity needs. There is no assurance
