Questions and Answers About Voting

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on April 29, 2006, the record date for our meeting. A total of 13,383,524 shares of common stock can vote at the annual meeting. You have one vote for each share of common stock. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

You have four voting options:

INTERNET: You can vote over the Internet at the web address shown on your proxy card. Internet voting is available 24 hours per day. If you have access to the Internet, we encourage you to vote this way. **IF YOU VOTE OVER THE INTERNET, DO NOT RETURN YOUR PROXY CARD.**

TELEPHONE: You can vote by telephone by calling the toll-free telephone number on your proxy card. Telephone voting is available 24 hours per day. Voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. **IF YOU VOTE OVER THE TELEPHONE, DO NOT RETURN YOUR PROXY CARD.**

PROXY CARD: You can vote by mail by signing, dating and mailing your proxy card in the postage-paid envelope provided. Follow the instructions on the enclosed proxy card to vote on the proposal to be considered at the annual meeting. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on the proposal, the proxyholders will vote for you on the proposal. Unless you instruct otherwise, the proxyholders will vote for each of the eleven director nominees.

VOTE IN PERSON: You can attend the Annual Meeting and vote at that meeting.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

Can I change my vote?

Yes. At any time before the vote on a proposal, you can change your vote. If you originally voted by Internet or telephone, merely access the website or call the toll-free telephone number originally used, and follow the instructions to change your vote. If you originally voted by mail, you may change your vote either by giving the Company's secretary a written notice revoking your proxy or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. You also may attend the annual meeting and revoke your proxy card at that meeting. Your attendance alone does not automatically revoke your proxy card.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, your shares are held in "street name" and that party should give you instructions for voting your shares. The availability of Internet and telephone voting depends on that party's voting process. Please follow the instructions on the voting instruction form they send you.

If you are a participant in the Gottschalks Inc. Retirement Savings Plan (the "401(k) Plan"), you will receive separate voting instructions from the trustee of the 401(k) Plan. Internet and telephone voting **will not** be available to you.

Please follow the instructions on the voting instruction form they send to you.

How are votes counted?

We will hold the annual meeting, if holders of a majority of the shares of common stock entitled to vote are represented at the annual meeting, in person or by proxy. If you properly executed your proxy, your shares will be counted to determine whether we have a quorum, even if you abstain or fail to vote on the proposal listed on the proxy card.

"Broker non-votes" will be counted as present to determine if a quorum exists but will not be counted as present and entitled to vote on any non-routine proposal. A "broker non-vote" occurs with respect to a proposal when a broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares, and no instruction is given.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. We also have asked registered banks and brokers to forward copies of these materials to shareholders for whom they act as nominees at our expense.

MANAGEMENT PROPOSAL
Election of Directors

The entire Board of Directors, consisting of eleven members, will be elected at the annual meeting. The eleven nominees receiving the highest number of votes will be elected. The directors elected will hold office until their successors are elected, which should occur at the next annual meeting. All of the nominees are currently directors of the Company.

At the annual meeting, the persons named in this proxy statement will be nominated as directors. Each of the nominees has agreed to be named in this proxy statement and to serve as director if elected. Although we know of no reason why one or more of these nominees might not be able to serve, the Board of Directors will propose a substitute nominee if any nominee is not available for election.

Agreements With Nominees

Mr. Famalette

. Under the terms of Mr. Famalette's employment agreement, the Company must cause Mr. Famalette to continue to be elected as a member of the Board of Directors during his term of employment. (See "Employment and Severance Agreements -- Employment Agreement.")

Mr. Pont

Sánchez and Mr. McPeters. The Company, Mr. Joseph Levy, Mr. Bret Levy, El Corte Ingles and Harris are parties to a Stockholders' Agreement. Pursuant to the First Amendment to the Stockholders' Agreement, El Corte Ingles and Harris nominated Mr. Pont Sánchez and Mr. McPeters to the Gottschalks Board.

On August 20, 1998, the Company acquired substantially all of the assets and business of Harris pursuant to an Asset Purchase Agreement entered into with Harris and El Corte Ingles. Mr. Pont Sánchez is the President and Chief Executive Officer of Harris and is the International Division Director of El Corte Ingles. Mr. McPeters is the Chief Financial Officer and Secretary of Harris. As consideration for such assets and business, Gottschalks issued to Harris 2,095,900 shares of Gottschalks common stock and an 8% Non-Negotiable Extendable Subordinated Note, and assumed certain liabilities. As a condition to closing the acquisition, on the same day:

- Gottschalks, Harris, El Corte Ingles, Joseph Levy and Bret Levy entered into a Stockholders' Agreement (described below),
- Gottschalks and Harris entered into a Registration Rights Agreement granting Harris certain rights to participate in a registration statement filed by Gottschalks with the Securities and Exchange Commission, and
- Gottschalks and El Corte Ingles entered into a Standstill Agreement restricting El Corte Ingles' activities as an owner (through Harris) of Gottschalks common stock.

In the Stockholders' Agreement, El Corte Ingles, Harris, Joseph Levy and Bret Levy agreed, among other things, to do the following for the term of the Stockholders' Agreement:

- Initially, cause two El Corte Ingles nominees to be added to the Gottschalks Board. As a result, Mr. A Ivarez A Ivarez and Mr. Pont Sánchez were added to the Gottschalks Board during fiscal 1998. Upon the resignation of Mr. A Ivarez A Ivarez in September 2002, Mr. McPeters was added to the Gottschalks Board.
- Cause the Gottschalks Board to be structured to consist of not more than eleven members, of which two members will be El Corte Ingles nominees and the remaining nine members will be management nominees and independent nominees. Joe Levy chooses the management nominees from management or persons affiliated with management.
- Vote all Gottschalks common stock they own or have the power to vote in favor of the El Corte Ingles nominees, the management nominees and the independent nominees. Gottschalks also agreed to solicit proxies in favor of such nominees.

The Stockholders' Agreement provides for the El Corte Ingles nominees to be increased or decreased as a result of changes in the amount of Gottschalks common stock that El Corte Ingles owns (through Harris) as follows:

<u>Impact of Changes In Ownership of Gottschalks' Outstanding Common Stock or Disposal of Common Stock (In Either Case Fully Diluted)</u>	<u>Change to Number of El Corte Ingles Nominees</u>	<u>Change to Size of Board</u>
El Corte Ingles, directly or indirectly, beneficially owns at least 30% of common stock		

Increased to 3

Increased to 12

El Corte Ingles disposes of more than 700,000 shares of common stock or El Corte Ingles and its affiliates beneficially own less than 10% of common stock

Decreased to 1

Decreased by number of El Corte Ingles nominees that must resign

El Corte Ingles disposes of more than 1,350,000 shares of common stock or El Corte Ingles and its affiliates beneficially own less than 5% of common stock

Decreased to 0

Decreased by number of El Corte Ingles nominees that must resign

The Stockholders' Agreement also:

- provides for proportional adjustments to the number of El Corte Ingles nominees in the event of an increase in the Board size (other than as the result of an acquisition transaction approved by the Board),
- contains other agreements between the parties regarding voting on change in control transactions and participation by Mr. Levy's family in a Gottschalks registration statement, and
- includes a non-compete agreement from Harris and El Corte Ingles.

The Stockholders' Agreement term (other than the provisions relating to restrictions on transfer by Harris of its shares, which terminated on August 20, 2003) lasts until the date El Corte Ingles is no longer entitled to nominees on the Gottschalks Board. The Standstill Agreement was terminated on December 7, 2004. Gottschalks has previously filed the Stockholders' Agreement, the First Amendment to the Stockholders Agreement, the 8% Non-Negotiable Extendable Subordinated Note, the New Non-Negotiable Subordinated Note, the Registration Rights Agreement, the Standstill Agreement, and the Termination of the Standstill Agreement with the Securities and Exchange Commission.

If a quorum is present, the eleven nominees for director receiving the highest number of votes will be elected.

The Board of Directors of the Company recommends that you vote for the nominees listed above. If you send in your proxy (either by Internet, telephone or by mail), it will be voted in favor of these nominees unless you specify otherwise.

Compensation Program

The Company's executive compensation program consists primarily of three components: (1) a base salary that is designed to attract and retain qualified employees for the Company; (2) annual incentives which are tied to the performance of the Company; and (3) stock options.

Base Salary

. The base salary of the Chief Executive Officer was originally determined by the Compensation Committee based on factors such as scope of responsibility, current performance and the overall financial performance of the Company. In making such determination, the Compensation Committee also considered salary ranges of chief executive officers of certain competitors of the Company. The annual base salary paid to Mr. James Famalette, as President and Chief Executive Officer for fiscal 2005, was \$560,000. This amount was paid pursuant to Mr. Famalette's employment contract (See "Employment and Severance Agreements - Employment Agreement"). The Chief Executive Officer, in turn, recommends an original annual base salary for the senior executive officers of the Company based on factors such as the scope of responsibility and base salary ranges of similarly positioned executives of the Company. Annual adjustments to such base salaries are determined based on factors including, but not limited to, the executive's individual performance, the performance of areas within the executive's scope of responsibility and the overall performance of the Company. The Compensation Committee reviews the Chief Executive Officer's recommendations for such officers' annual base salary levels and makes the final determination of such levels based on the factors referred to above and such other factors as it may consider relevant in the circumstances.

Annual Incentives

. The Company's bonus program currently in effect ("Bonus Program") offers the Chief Executive Officer and key executives of the Company a bonus opportunity linked to Company performance. Under the Bonus Program, the Board of Directors establishes a goal at the beginning of each fiscal year to achieve a targeted earnings per share ("EPS") amount. If the Company achieves the EPS goal for the year, the Chief Executive Officer may be paid a bonus in the following fiscal year of up to 50% of his base salary, and key executives may be paid a bonus in the following fiscal year ranging from 10% to 50% of their respective base salaries. With respect to the bonus awarded to the Chief

Executive Officer, the Compensation Committee determines the actual bonus amounts within these ranges based on the guidelines described below and based on its analysis of the Company's actual performance and each individual's performance. The Chief Executive Officer, in turn, recommends bonus amounts for the senior executive officers of the Company. Generally, 75% of the potential bonus is based solely on the Company's performance and 25% of the potential bonus is based on the key executive's performance measured against the key executive's goals. Bonuses are generally not paid if the Company does not achieve its EPS goal for the applicable year.

Stock Options

. Stock options are granted to the senior executive officers and other employees of the Company at the discretion of the Compensation Committee. The Compensation Committee believes the grant of stock options

reinforces the importance of improving stockholder value over the long term, and encourages and facilitates executive and key employee stock ownership of the Company. The determination to grant options is also based on factors such as the current number of unexercised options held by the senior executive officers and employees, the expiration dates of those options and the current financial performance of the Company. Option grants for the Chief Executive Officer are determined by the Compensation Committee. Option grants for the senior executives and other employees of the Company are recommended by the Chief Executive Officer and reviewed and approved by the Compensation Committee. In fiscal 2005, an aggregate of 55,000 options were granted to Messrs. Famalette, Gladding, Ambro and Schmidt under the 2005 Stock Option Plan at an exercise price of \$10.48 per share. In fiscal 2005, a total of 190,000 options were also granted to 132 other officers and key employees of the Company under the 2005 Stock Option Plan at an exercise price of \$10.48 per share. The exercise price for these grants was the closing market price of the Company's common stock on the date of the grant. Such options vest at a rate of 25% per year beginning on the first anniversary after the date of the grant and expire in ten years.

Other

. Compensation for other officers and managers of the Company was paid during fiscal 2005 based upon an evaluation of such individuals' performance, responsibilities and the level of compensation of similarly positioned managers at the Company and its competitors. Bonuses in the aggregate amount of \$289,385 were paid to 71 store managers, merchandising and operations personnel of the Company during fiscal 2005 based primarily upon the fiscal 2004 performance of the particular individual's unit, department, division or store.

Employment and Severance Agreements

Employment Agreement

. The Company has an employment agreement with James R. Famalette as the Company's President and Chief Executive Officer. The term of the agreement automatically renews annually each July 1 for successive one-year terms unless terminated by either party upon written notice. The agreement provides that Mr. Famalette will be a member of the Board of Directors during his term of employment. The agreement, as amended, further provides for the payment of an annual base salary of at least \$560,000, and for the payment of an annual bonus under the Company's Bonus Program, under which Mr. Famalette has the ability to earn an annual bonus of up to 50% of Base Salary if specific goals and objectives adopted by the Board are achieved. Mr. Famalette also receives a car allowance and receives other benefits typically offered to all employees of the Company. The compensation payable pursuant to the agreement will be terminated if Mr. Famalette terminates his employment with the Company through retirement, disability or death, if Mr. Famalette is terminated for cause (as defined) or the Company sells all or part of its business and Mr. Famalette is able to continue his employment with the buyer at or above his then base salary. With the exception of the employment agreement with Mr. Famalette, the Company has no employment agreements with any of the other Named Officers, including the Company's Chairman.

In light of the Company's reduced operating results for fiscal years 2001 and 2002, Mr. Famalette took voluntary reductions in his annual base salary of \$30,000 from the period of March 1, 2002 through June 26, 2004. The agreements also provide for continuing coverage in the Company's group medical plan at the Company's expense for one year in the event the officer is terminated by written notice by the Company other than for cause (as defined). The agreements require the officer to continue to report to work and perform the duties of his or her employment until the date set forth as the officer's date of termination in order to receive such continuing payments. The officer is not entitled to receive a severance benefit under certain conditions including: (i) the termination of employment occurs by other than written notice of termination by the Company; (ii) if the Company sells all or part of its business and the officer has the opportunity to continue his or her employment with the buyer at or above the officer's base rate of pay; and (iii) the termination of employment for cause (as defined). In the event of a change in control, the severance benefits are extended to a period of twenty-four months in the case of Messrs.
