Item 9. Regulation FD Disclosure

Federated Department Stores, Inc. ("Federated"), today posted the following weekly sales update on its Internet website:

"This is the update for the first week of April 2003 including sales from Sunday April 6th through Saturday April 12th. The four week fiscal month of April runs from April 6th through May 3rd this year.

While April is particularly difficult to read, given the timing of the Easter holiday, our current expectation is for comp store sales to be down in the range of -2 to -3% for the month of April as a whole."

This release contains certain forward-looking statements that reflect current views of the financial performance and future events of Federated. The words "expect", "plan", "anticipate", "believe" and other similar expressions identify forward-looking statements. Any such forward-looking statements are subject to risks and uncertainties. Future results of the operations of Federated could differ materially from historical results or current expectations due to a variety of factors that affect Federated, including competitive pressures from specialty stores, general merchandise stores, manufacturers' outlets, off-price and discount stores, new and established forms of home shopping (including the Internet, mail-order catalogues and television) and general consumer spending levels, including the impact of the availability and level of consumer debt, and the effect of weather.
