(1) Pursuant to Rule 416(a) under the Securities Act of 1933, this Registration Statement shall be deemed to cover such additional shares of common stock, par value \$1.00 per share (“Common Stock”), of KB Home (“Registrant”) as may be issued pursuant to the above-named plans to prevent dilution resulting from stock splits, stock dividends or similar transactions.

(2) Each share of Common Stock is associated with a preferred stock purchase right under the Rights Agreement, dated January 22, 2009, between the Registrant and Computershare Shareowner Services Inc. (as successor-in-interest to Mellon Investor Services LLC), as Rights Agent. The preferred stock purchase rights are not presently exercisable and do not trade separately from the Common Stock. The preferred stock purchase rights will be issued for no additional consideration and, therefore, no additional registration fee is required.

(3) Covers shares of Common Stock issuable under the Amended KB Home 2014 Equity Incentive Plan (“Amended 2014 Plan”), including 9,119,955 shares of Common Stock initially authorized for issuance under the Amended 2014 Plan, plus an estimate of the aggregate number of additional shares that have become or may become available for issuance in the future pursuant to the terms of the Amended 2014 Plan.

(4) Covers shares of Common Stock issuable under the KB Home 401(k) Savings Plan.

(5) Calculated pursuant to Rule 457(c) and (h) under the Securities Act of 1933 on the basis of \$16.34 per share, which was the average of the high and low prices of the Common Stock as reported on the New York Stock Exchange on July 12, 2016.

## EXPLANATORY NOTE

The Registrant is registering shares of Common Stock that may be issued under the Amended KB Home 2014 Equity Incentive Plan. In addition, in accordance with General Instruction E of Form S-8, the Registrant is registering additional shares of Common Stock pursuant to the KB Home 401(k) Savings Plan ("401(k) Plan"). The Registrant currently has effective registration statements filed on Form S-8 relating to the 401(k) Plan, which registered securities of the same class as those being registered herewith, and which were filed with the Securities and Exchange Commission on October 27, 2005, July 16, 2010 and July 18, 2014, respectively. The Registrant incorporates by reference those registration statements on Form S-8 (File No. 333-129273, File No. 333-168179 and File No. 333-197521), which are made a part hereof.

#### Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law provides, among other things, that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation — a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

Article 6(d) of the Registrant's certificate of incorporation provides that the Registrant will indemnify its directors and officers and may indemnify any other employees or agents to the full extent permitted by the Delaware General Corporation Law.

Article 6(c) of the Registrant's certificate of incorporation provides that its directors will not be personally liable to the Registrant or its stockholders for monetary damages resulting from breaches of their fiduciary duty as directors to the full extent permitted by the Delaware General Corporation Law.

The Registrant has purchased directors' and officers' liability insurance policies which insure against certain liabilities incurred by its directors and officers. The Registrant has also entered into indemnification agreements with its non-employee directors, its executive officers and certain other senior officers and agents, in each case based on a form of indemnification agreement approved by the Registrant's Board of Directors. The form of indemnification agreement includes provisions for indemnification and advancement of expenses to supplement that provided under the Registrant's Restated Certificate of Incorporation and insurance policies, subject to certain requirements and limitations.

The foregoing summaries are necessarily subject to the complete text of the statute, the Registrant's Certificate of Incorporation and By-Laws, and the arrangements referred to above, and in each case are qualified in their entirety by reference thereto.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See the Index to Exhibits attached hereto.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a

fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
