Item 2.02 Results of Operations and Financial Condition.

On November 9, 2005, Penn Treaty American Corporation (the Company) announced its financial results for the three and nine month periods ended September 30, 2005. The Company issued a press release, dated November 9, 2005, which is furnished as an exhibit hereto and incorporated by reference herein.

The press release referred to fully converted book value, which is a non-GAAP financial measure. The press release included a reconciliation of fully converted book value to GAAP book value. The Company believes that the presentation and discussion of this non-GAAP financial measure, which is consistent with past disclosure, in conjunction with disclosure of all reconciling items, provides a better understanding of the Company's current value in light of future items which the Company believes are likely to be significantly dilutive to current shareholders.

The Company held an investor conference call on November 9, 2005. The Company disclosed on the call that it anticipated it would close 2005 with sales levels between \$20 million and \$21 million in new annualized premium. In addition, the Company reiterated its earnings guidance for the second half of this year.
