**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders To Be Held on February 4, 2015:** This Proxy Statement is also available at our website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com).

**GENERAL INFORMATION**

At the Annual Meeting, the stockholders will act upon the matters outlined in the accompanying Notice of Annual Meeting and this Proxy Statement, including:

1.

Election of seven directors of the Company;

2.

To ratify the appointment of Hein & Associates LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2015; and

3.

To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

### **Who is entitled to attend and vote at the Annual Meeting?**

Only stockholders of record at the close of business on the record date of December 11, 2014, or their duly appointed proxies, are entitled to receive notice of the Annual Meeting, attend the meeting, and vote their shares at the Annual Meeting or any adjournment or postponement thereof. At the close of business on December 11, 2014, there were 9,443,080 shares of our common stock, par value \$0.001 per share ( Common Stock ), outstanding. Each outstanding share of our Common Stock is entitled to one vote. Our Bylaws do not allow holders to accumulate votes in the election of directors.

### **How do I vote?**

You may vote on matters to come before the Annual Meeting in two ways: (i) you can attend the Annual Meeting and cast your vote in person, or (ii) you can vote by completing, signing, and dating the enclosed proxy card and returning it to us in the enclosed business reply envelope or via facsimile to Boyd E. Hoback, our President and Chief Executive Officer, at (303) 273-0177. If you return the proxy card, you will authorize the individuals named on the proxy card, referred to as proxy holders, to vote your shares according to your instructions or, if you provide no instructions, according to the recommendations of our Board. If your shares are held by a broker in street name, you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted.

**What if I vote and then change my mind?**

You may revoke a proxy at any time before the vote is taken at the Annual Meeting by either (i) filing with our corporate secretary a written notice of revocation, (ii) sending in another duly executed proxy bearing a later date, or (iii) attending the meeting and casting your vote in person. Your last vote will be the vote that is counted.

**How can I get more information about attending the Annual Meeting and voting in person?**

The Annual Meeting will be held on Wednesday, February 4, 2015, at 9:00 a.m., local time, at the Company's corporate offices, which are located at 601 Corporate Circle, Golden, Colorado 80401, or at such other time and place to which the Annual Meeting may be adjourned or postponed. For additional details about the Annual Meeting, including directions to the meeting site and information about how you may vote in person if you so desire, please call or email Boyd E. Hoback, our President and Chief Executive Officer, at (303) 384-1400 or at [bhoback@gtrestaurants.com](mailto:bhoback@gtrestaurants.com).

**What are the Board's recommendations?**

Unless you give other instructions on your proxy card, the persons named on the proxy card will vote in accordance with the recommendations of our Board, which are described in this Proxy Statement. Our Board recommends a vote FOR each of the proposals described in the accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by our Board or, if no recommendation is given, in their own discretion.

**What constitutes a quorum?**

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the issued and outstanding shares of our Common Stock on the record date will constitute a quorum at the Annual Meeting, permitting us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions and broker non-votes (defined below) will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether a quorum is present. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

**What vote is required to approve each proposal?**

*Vote Required.* Approval of each proposal to be considered and voted upon at the Annual Meeting will require the affirmative vote of a majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the Annual Meeting (assuming we have a quorum as described above). A properly executed proxy marked **ABSTAIN** with respect to a proposal will not be voted for that proposal but will be counted for purposes of whether there is a quorum at the meeting. Abstentions will result in the respective proposal receiving fewer votes.

*Effect of Broker Non-Votes.* If your shares are held by your broker in street name, you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent. No postage is necessary if mailed in the United States. If you do not instruct your broker how to vote, your broker may vote your shares at its discretion or, on some matters, may not be permitted to exercise voting discretion. Votes that could have been cast on the matter in question if the brokers have received their customers' instructions, and as to which the broker has notified us on a proxy form in accordance with industry practice or has otherwise advised us that it lacks voting authority, are referred to as broker non-votes. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted as a vote cast in determining the number of shares necessary for approval of those matters. Shares represented by such broker non-votes, however, will be counted in determining whether there is a quorum. Accordingly, broker non-votes will result in the respective proposal receiving fewer votes.

**Can I dissent or exercise rights of appraisal?**

Neither Nevada law nor our Articles of Incorporation or Bylaws provide our stockholders with dissenters' or appraisal rights in connection with the proposals to be voted on at the Annual Meeting. If the proposals are approved at the Annual Meeting, stockholders voting against such proposals will not be entitled to seek appraisal for their shares.

**Who pays for this proxy solicitation?**

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy card, and any additional solicitation materials furnished to the stockholders. In addition to solicitation by mail, proxies may be solicited by our directors, officers, and regular employees by telephone or personal interview. These individuals will not receive any compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians and fiduciaries to forward solicitation materials to the beneficial owners of the shares held on the record date, and we may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing.

It is expected that one or more representatives of such firm will attend the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions. The Company has selected Hein as the Company's principal independent registered public accounting firm for the fiscal year ending September 30, 2015. Shareholder ratification of the appointment is not required under the laws of the State of Nevada, but the Board has decided to ascertain the position of the shareholders on the appointment. The Company will reconsider the appointment if it is not ratified. Even if the appointment is ratified, the Company may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if the Company feels that such a change would be in the Company's and its shareholders' best interests.

**Vote Required**

Proposal 2 will require the affirmative vote of a majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the meeting and entitled to vote on the matter. Broker-non votes and abstentions will not count as votes in favor of or against the proposal and will have no effect on the vote total for the proposal.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF HEIN & ASSOCIATES LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING SEPTEMBER 30, 2015.**

## CORPORATE GOVERNANCE

### Director Independence

The Company's Common Stock is listed on the NASDAQ Capital Market under the trading symbol "GTIM". NASDAQ listing rules require that a majority of the Company's directors be independent directors as defined by NASDAQ corporate governance standards.

The Board has determined that of the current directors Messrs. Bailey, Dobbin, Har-Even, Johnson, Reinhard, Stetson and Teran are independent directors under the NASDAQ listing standards, while Messrs. Heller and Hoback are not independent under such standards. The Board has also determined that each of the three current members of the Audit Committee is independent for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934 under the rules of the Securities and Exchange Commission (SEC) promulgated thereunder.

### Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination from time to time based on the position and direction of the Company and the membership of the Board. However, the Board has determined that separating these roles is in the best interests of the Company's stockholders at this time. The Board believes that this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations. It is intended that the Board designate a Chairman of the Board following the Annual Meeting.

### Risk Oversight

Material risks are identified and prioritized by the Company's management and reported to the Board for oversight. The Board as a whole administers the Board's risk oversight function. The Board regularly reviews information regarding the Company's credit, liquidity, and operations, as well as the risks associated with each. In addition, the Board continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

### Code of Ethics

The Company has adopted a Code of Business Conduct which applies to all directors, officers, employees, and franchisees of the Company. The Code of Business Conduct was filed as an exhibit to the Company's Annual Report on Form 10-KSB for the fiscal year ended September 30, 2003. The Code of Business Conduct is also available on the Company's website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com).

## **Board Committees**

The standing committees of the Board are the Audit Committee, which is currently comprised of Mr. Har-Even (Chairman), (who is not a nominee for re-election) and Messrs. Johnson and Teran, and the Compensation Committee, which is currently comprised of Messrs. Bailey, Reinhard, and Teran (Chairman). As discussed under the heading "Nominee Selection Process" below, there is no standing nominating committee of the Board and instead the Board as a whole acts as the nominating committee for the selection of nominees for election as directors.

## **Audit Committee**

The Audit Committee currently consists of Messrs. Har-Even (Chairman), Johnson and Teran. It is intended that the Board designate a Chairman of the Audit Committee following the Annual Meeting. The Board has determined that all of the members of the Audit Committee are independent, as defined by the NASDAQ listing standards and by applicable SEC rules. In addition, the Board has determined that Mr. Har-Even is an audit committee financial expert, as that term is defined by the SEC rules, by virtue of having the following attributes through relevant experience: (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals, and reserves; (iii) experience preparing, auditing, analyzing, or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities; (iv) an

understanding of internal controls and procedures for financial reporting; and (v) an understanding of audit committee functions.

The function of the Audit Committee relates to oversight of the auditors, the auditing, accounting, and financial reporting processes, and the review of the Company's financial reports and information. In addition, the functions of this Committee have included, among other things, recommending to the Board the engagement or discharge of independent auditors, discussing with the auditors their review of the Company's quarterly results and the results of their audit, and reviewing the Company's internal accounting controls. The Audit Committee operates pursuant to a written Charter adopted by the Board. A current copy of the Audit Committee Charter is available on our website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com). The Audit Committee held five meetings during the fiscal year ended September 30, 2014.

### **Compensation Committee**

The Compensation Committee currently consists of Messrs. Bailey, Reinhard, and Teran (Chairman). The Board has determined that all of the members of the Compensation Committee are independent, as defined by the NASDAQ listing standards. The function of the Compensation Committee is to consider and determine all matters relating to the compensation of the President and Chief Executive Officer and other executive officers, including matters relating to the employment agreements. The Compensation Committee held two meetings during the fiscal year ended September 30, 2014.

The responsibility of the Compensation Committee is to review and approve the compensation and other terms of employment of our Chief Executive Officer and our other executive officers, including all of the executive officers named in the Summary Compensation Table in this Proxy Statement (the "Named Executive Officers"). Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs. The Compensation Committee annually reviews and approves corporate goals and objectives for the Chief Executive Officer's compensation and evaluates the Chief Executive Officer's performance in light of those goals and objectives. The Compensation Committee also recommends to the Board the compensation and benefits for members of the Board. The Compensation Committee has also been appointed by the Board to administer our 2008 Omnibus Equity Incentive Compensation Plan, which is the successor equity compensation plan to the Company's 2001 Stock Option Plan. The Compensation Committee does not delegate any of its authority to other persons.

In carrying out its duties, the Compensation Committee participates in the design and implementation and ultimately reviews and approves specific compensation programs. The Compensation Committee reviews and determines the base salaries for the Named Executive Officers, and also approves awards to the Named Executive Officers under the Company's equity compensation plans.

In determining the amount and form of compensation for Named Executive Officers other than the Chief Executive Officer, the Compensation Committee obtains input from the Chief Executive Officer regarding the duties,

responsibilities, and performance of the other executive officers and the results of performance reviews. The Chief Executive Officer also recommends to the Compensation Committee the base salary levels for all Named Executive Officers and the award levels for all Named Executive Officers under the Company's equity compensation programs. No Named Executive Officer attends any executive session of the Compensation Committee or is present during final deliberations or determinations of such Named Executive Officer's compensation. The Chief Executive Officer also provides input with respect to the amount and form of compensation for the members of the Board.

The Compensation Committee has the authority to directly engage, at the Company's expense, any compensation consultants or other advisers as it deems necessary to carry out its responsibilities in determining the amount and form of executive and director compensation. For the fiscal year ended September 30, 2014, the Compensation Committee engaged the Harlon Group as its compensation consultant to review the Company's executive management and board compensation policies and to benchmark the Company's compensation philosophies and amounts against other companies in the industry of similar size. The Harlon Group provided the Compensation Committee with surveys, reports, and other market data against which it has measured the competitiveness of the Company's compensation programs. In determining the amount and form of executive and director compensation, the Compensation Committee has reviewed and discussed historical salary information as well as salaries and cash and equity incentive compensation for similar positions at comparable companies.

The Compensation Committee operates pursuant to a written Charter adopted by the Board. A current copy of the Compensation Committee Charter is available on our website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com).

## **Communication with Directors**

The Board welcomes questions or comments about us and our operations. Those interested may contact the Board as a whole or any one or more specified individual directors by sending a letter to the intended recipients' attention in care of Good Times Restaurants Inc., Attention: Corporate Secretary, 601 Corporate Circle, Golden, CO 80401. All such communications other than commercial advertisements will be forwarded to the appropriate director or directors for review.

## **Director Attendance at Meetings**

There were four meetings of the Board held during the fiscal year ended September 30, 2014. No member of the Board attended fewer than 75% of the Board meetings and applicable committee meetings for the fiscal year ended September 30, 2014.

The Company does not have a formal policy on director attendance at the annual meeting. All Directors attended the annual meeting of stockholders for the fiscal year ended September 30, 2013, which was held on February 7, 2014.

## **Nominee Selection Process**

Our Board as a whole acts as the nominating committee for the selection of nominees for election as directors. We do not have a separate standing nominating committee since we require that our director nominees be approved as nominees by a majority of our independent directors. The Board will consider suggestions by stockholders for possible future nominees for election as directors at the next annual meeting when the suggestion is delivered in writing to the corporate secretary of the Company by August 30 of the year immediately preceding the annual meeting. No request for a recommended nominee was made by the 2014 deadline by any stockholder or group of stockholders with beneficial ownership of more than five percent of our Common Stock as indicated in a Schedule 13D or 13G, other than those stockholders with contractual board representation or director designation rights as discussed above.

The Board selects each nominee, subject to contractual representation or designation rights held by certain stockholders, based on the nominee's skills, achievements, and experience, with the objective that the Board as a whole should have broad and relevant experience in high policymaking levels in business and a commitment to representing the long-term interests of the stockholders. The Board believes that each nominee should have experience in positions of responsibility and leadership, an understanding of our business environment, and a reputation for integrity.

The Board evaluates each potential nominee individually and in the context of the Board as a whole. The objective is to recommend a group that will effectively contribute to our long-term success and represent stockholder interests. In determining whether to recommend a director for re-election, the Board also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

When seeking candidates for director, the Board solicits suggestions from incumbent directors, management, stockholders, and others. The Board does not have a charter for the nominating process.

The Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee the Company's business.

Our corporate headquarters are located in a building owned by The Bailey Company and in which The Bailey Company also has its corporate headquarters. We currently lease approximately 4,900 square feet of space for our executive offices in Golden, Colorado for approximately \$95,128 per year under a lease agreement, with annual rent increases, which expires September 30, 2019. Subsequent to the fiscal year end, we executed a lease amendment that modifies the expiration date to May 15, 2015 and reduces the monthly rent by 50% for December 2014 through April 2015 due to alternate building plans by the landlord that affect our rights to certain common area amenities.

The Bailey Company was the owner of one franchised Good Times Burgers & Frozen Custard restaurant located in Loveland, Colorado. The Company purchased this restaurant in August 2012 for a purchase price of approximately \$100,000. The Bailey Company was also previously the owner of one franchised restaurant in Thornton, Colorado which was closed in October 2009. The Bailey Company had entered into two franchise and management agreements with us. There were no franchise royalties or management fees paid under those agreements for the fiscal years ending September 30, 2014 and 2013.

***Heathcote Financial Advisory Services Agreement***

On April 6, 2012, the Company entered into a financial advisory services agreement with Heathcote, pursuant to which the Company engaged Heathcote to provide exclusive financial advisory services to the Company in connection with a possible strategic transaction. Concurrently with the Company's engagement of Heathcote, Mr. Heller resigned as a member of the Audit Committee and as Chairman of the Compensation Committee, though he continues to serve on our Board.

On March 25, 2013, the Company and Heathcote modified this agreement to exclude any transactions involving the Maxim Group LLC and for Heathcote to continue to provide non-exclusive financial advisory services to the Company. The Company paid a total of \$27,900 in fees to Heathcote under the agreement for services provided in connection during fiscal 2013 and a total of \$136,500 in fees to Heathcote in connection with investor relations activities during fiscal 2014 (described below).

## **Employment Agreement**

Mr. Hoback entered into an employment agreement with us in October 2001 and the terms of the agreement were revised effective October 2007 for compliance with Section 409A of the Internal Revenue Code and further amended effective as of December 1, 2013. The amended agreement provides for his employment as president and chief executive officer for two years from the date of the agreement at a minimum salary of \$225,000 per year and performance cash bonuses and equity awards, terminable by us only for cause. The agreement provides for payment of one year's salary and benefits and the average of the annual incentive compensation for the two years immediately prior to the year of the termination in the event that change of ownership control results in a termination of his employment or termination other than for cause. This agreement renews automatically unless specifically not renewed by our Board of Directors. Mr. Hoback's compensation, including salary, expense allowance, bonus and any equity award, is reviewed and set annually by the Compensation Committee. Mr. Hoback's bonus, when applicable, is based on the Company's achieving certain Earnings Before Interest, Taxes, Depreciation and Amortization ( EBITDA ) targets for the year and other operating metrics.

Mr. LeFever and Ms. Knutson are employed as employees at will and do not have written employment agreements. Their compensation, including salary, expense allowance, bonus and any equity awards, is reviewed and approved by the Compensation Committee annually. They participate in a bonus program that is based on both the Company's level of EBITDA for the year and achieving certain operating metrics and sales targets approved by the Compensation Committee.
