SCOTT'S LIQUID GOLD-INC.  
ANNOUNCES FY2003 OPERATING RESULTS

DENVER, Colorado (March 8, 2004) -Scott's Liquid Gold-Inc. (OTC BB: "SLGD"), which develops, manufactures and markets household and skin care products, today announced its operating results for the year 2003.

For the twelve months ended December 31, 2003, the Company reported a net loss of (\$189,600), or (\$0.02) per share, on net sales of approximately \$24.5 million. These results compared with a net income of approximately \$1.6 million, or \$0.15 per share, on net sales of approximately \$25.0 million, in the previous year. Net income of \$742,100 or \$0.07 per share, was recorded in the fourth quarter of 2003, versus prior year fourth quarter net income of \$1,143,500, or \$0.11 per share. Net sales approximated \$7.1 million in the quarter ended December 31, 2003, compared with net sales of approximately \$8.0 million in the year-earlier period.

"While we are reporting net income for the fourth quarter, this is tempered by the fact that we had a net loss for the year," commented Mark E. Goldstein, Chairman and Chief Executive Officer of Scott's Liquid Gold-Inc. "During 2003 our distribution and sale of the Montagne Jeunesse line of products continued to grow while our household chemical products and other skin care products, other than the Montagne Jeunesse products, declined in sales over 2002. Our decrease in net income for 2003 was the result of three factors (1) the increase in advertising of both our household chemical products and Alpha Hydrox skin care products which did not result in increased sales of the products over 2002, (2) other income in 2002 from the settlement of a lawsuit, and (3) an income tax refund in 2002. In addition, we will be advertising during the first quarter of 2004 our household products, and to a limited degree a few cosmetic products. Because of this expense as well as other factors we will expect a loss for the first quarter of 2004."

Scott's Liquid Gold-Inc. develops, manufactures and markets high quality household and consumer products, including Scott's Liquid Gold wood cleaners/preservatives, Touch of Scent air fresheners, Alpha Hydrox skin care products, and Neoteric Diabetic Skin Care products. Scott's Liquid Gold-Inc. also distributes skin care and other sachets of Montagne Jeunesse. The Company is headquartered in Denver, Colorado, and its common stock trades on the OTC Bulletin Board under the symbol "SLGD".

This press release may contain "forward-looking" statements within the meaning of U.S. federal securities laws. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements and the Company's performance inherently involve risks and uncertainties that could cause actual results to differ from such forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance of the Company's products in the marketplace; acceptance in the marketplace of the Company's new product lines; competitive factors; continuation of the Company's distributorship agreement with Montagne Jeunesse; the need for effective advertising of the Company's products; limited resources available for such advertising; new product introductions by others; technological changes; dependence upon third-party vendors and upon sales to major customers; changes in the regulation of the Company's products, including applicable environmental regulations; the loss of any executive officer; and other risks discussed in this release and in the Company's periodic report filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release.
