Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On May 22, 2018, Bed Bath & Beyond Inc. (the “Company”) adopted the Bed Bath & Beyond 2018 Incentive Compensation Plan (the “2018 Plan”), subject to and effective upon shareholder approval, which was obtained on June 29, 2018, the date of the Company’s Annual Meeting of Shareholders. The 2018 Plan is a flexible compensation plan that enables the Company to offer incentive compensation through stock options (whether nonqualified stock options or incentive stock options), restricted stock awards, stock appreciation rights, performance awards and other stock based awards, including cash awards. The 2018 Plan is generally based on the terms of the 2012 Incentive Compensation Plan (“2012 Plan”) as currently in effect and includes the following key changes from the 2012 Plan: The 2018 Plan has an aggregate share reserve of 4.6 million shares of common stock and a “fungible share limit” where each share of common stock subject to full value awards (e.g., restricted stock or restricted stock units) will be counted as 2.2 shares against the aggregate share reserve under the 2018 Plan.

The 2018 Plan contains an annual non-employee director compensation limit of \$700,000 based on the aggregate fair market value (determined as of the date of grant) of any equity awards plus the aggregate value (determined as of the date of grant) of any cash-based compensation.

The term of the 2018 Plan will expire on May 22, 2028.

In light of the repeal of the performance-based exception to Section 162(m) of the Code, certain provisions intended to satisfy the performance-based exception that remain in the 2012 Plan have been eliminated from the 2018 Plan.

The 2018 Plan does not permit “single trigger” acceleration of vesting or payment of an award upon a change in control unless the award is not assumed or substituted on a substantially equivalent basis. In the event of any such assumption or substitution, the 2018 Plan authorizes the Compensation Committee to accelerate vesting if a participant is terminated without “cause” or “good reason” (each, as defined in the 2018 Plan) in connection with the change in control. If the successor does not assume or substitute outstanding awards on a substantially equivalent basis, time vested equity awards will fully accelerate and awards that vest on performance will accelerate at the greater of actual achievement of the performance goals or one hundred percent (100%) of target levels, pro-rated on the basis of service through the date of the change in control, with all other terms and conditions deemed met.

The foregoing is a brief summary of the principal modifications included in the 2018 Plan and does not purport to be complete and is qualified in its entirety by reference to the full text of the 2018 Plan, which is attached as Exhibit 10.1 and incorporated herein by reference.
