The items of the agenda are subject to possible amendments by the board of directors, and such amendments would be reflected in the final notice of call of the annual shareholders meeting.

Our shareholders (the “Shareholders”) are cordially invited to attend the Annual Meeting. Shareholders of record at the close of business on March 15, 2017, the record date established by the Board (the “Record Date”), will be entitled to vote at the Annual Meeting. The Shareholders will have the right to exercise their voting rights at the Annual Meeting

even if the date of the Annual Meeting is adjourned or postponed, so long as the date of such adjourned or postponed meeting is held on or before September 13, 2017. A complete list of the Shareholders that will be receiving the call notice of the Annual Meeting and have the right to exercise their voting rights will be available for review by the Shareholders for any reason concerning the Annual Meeting at the office of the Secretary of the Corporation at 3101 Western Avenue, Suite 600, Seattle, Washington 98121, beginning ten days prior to the Annual Meeting.

The Shareholders whose shares are held in Italy through Monte Titoli S.p.A. (the "Italian Shareholders") may obtain from the

intermediaries through which they hold their shares (the “Depository Banks”) the certification for attendance at the Annual Meeting (the “Certification”), which is to be presented to the Corporation to attend the Annual Meeting and to vote in person. Alternatively, the Italian Shareholders may vote by mail by submitting the proxy card, which will be included in the Corporation’s proxy statement and will be available on the website of the United States Securities and Exchange Commission (the “SEC”) at www.sec.gov and the Corporation’s website at www.ctibiopharma.com. Shareholders must duly fill in and execute the proxy card and deliver it to the Corporation’s headquarters, together with the Certification. The name indicated on the proxy card must exactly match with the name printed on the Certification.

Please note that the Corporation expects that the definitive proxy statement will be available on or about March 24, 2017 on the SEC’s website at www.sec.gov and on the Corporation’s website at www.ctibiopharma.com, and in paper form at the Depository Banks and at the office of the Italian branch of the Corporation’s Italian legal counsel, Legance Studio Legale Associato (contact person: Mr. Giorgio Vanzanelli), at Via Dante 7, 20123 Milan. The Corporation will make available a preliminary proxy statement on or about March 8, 2017. The Shareholders are cordially invited to examine the proxy statement and, in particular, the section regarding the matters to be resolved upon at the Annual Meeting, which will be described in greater detail in the proxy statement.

To obtain the quorum required at the Annual Meeting and to validly resolve upon any or all of the proposals to be presented to shareholders at the Annual Meeting and to facilitate voting regarding such matters, the Corporation has requested certain Italian banks-unless otherwise instructed by the relevant Shareholders-to make book-entry transfers of the Corporation’s shares, in all or in part, held in the name of and in the customers’ account by such banks, to an account opened in the name of the same banks at a U.S. broker-dealer on the Record Date. Under the securities laws of the United States and the rules of the New York Stock Exchange (the “NYSE”), this transfer permits the Corporation to count these shares for the purpose of obtaining a quorum and permits such broker-dealers to vote these shares at the Annual Meeting for certain “routine” matters in the event that Italian Shareholders do not instruct their broker to vote the shares pursuant to the modalities provided in the proxy statement. Even if the Italian banks agree to perform the transfer described above, the Italian Shareholders will have the right to provide instructions to the U.S. broker-dealer to abstain from taking any action with reference to the shares, including the exercise of the voting right. As a result, should any Shareholder not exercise its voting right or give separate voting instructions on or before the date of the Annual Meeting, the transferred shares will be voted by the U.S. broker-dealers pursuant to the discretionary authority granted them under Rule 452 of the NYSE.

Any Shareholder that is a resident of Italy may also vote via Internet or by telephone if his or her shares are held directly by a U.S. broker-dealer’s account in the Shareholder’s name before or on the Record Date. Once the shares are held by a U.S. broker-dealer, the Shareholder may receive the Annual Meeting documentation at his or her address, together with a security code to be used for voting (i) on the website: www.proxyvote.com or (ii) by calling the telephone number provided on the proxy card included in the proxy statement. The Shareholders are invited to contact their Depository Bank to understand the procedure associated with the transfer by any Shareholder to a U.S. broker-dealer’s account. Please note that the costs derived from the transfer, including those debited or claimed by the U.S. broker-dealer for the management of the account in the United States, shall be borne by the Shareholder requesting the transfer of his or her shares.

The Italian Shareholders may also request to be registered in the Corporation’s shareholder ledger at any time as a record holder. The Italian Shareholders are invited to contact their bank to understand the procedure for such registration, which would include, inter alia, the submission of a registration request (together with an ownership certification) to the Corporation’s transfer agent, the removal of the shares from Monte Titoli’s account and transfer of the shares to the United States directly in name of the Italian Shareholder. Please note that registration in the Corporation’s shareholders ledger may limit the disposal rights related to the shares or make its exercise more complex.

The Shareholders are kindly invited to contact their Depository Banks so that the Shareholders can receive the Annual Meeting documentation, including the proxy card, and the instruction concerning the voting modalities.

On behalf of the Board of Directors
