NEWPORT BEACH, CA., November 6, 2008 - SM&A (Nasdaq: WINS) the world's foremost management consulting firm providing solutions to PURSUE, WIN and PERFORM on competitive procurements and projects, today announced financial results for the third quarter ended September 30, 2008.

The Company reported quarterly revenues of \$25.3 million for the third quarter of 2008, compared to \$25.1 million in the comparable quarter of the previous year. Net income for the quarter was \$1.4 million or \$0.07 per fully diluted share, versus net income of \$1.8 million, or \$0.10 per fully diluted share in the third quarter of 2007.

Financial results for the quarter were impacted by charges of \$0.3 million associated with the recently announced transaction to be acquired by Odyssey Investment Partners, LLC and on-going proxy related costs; and by an earn-out expense of \$0.7 million relating to a company acquired in 2007. The Company recognized as an expense, under generally accepted accounting principals (GAAP) the contingent payment to the principal of the acquired company earned under the acquisition agreement. Excluding the aforementioned charges, on a non-GAAP tax-effected basis net income for the third quarter would have been \$2.0 million, or \$0.11 per fully diluted share, compared with non-GAAP fully diluted earnings per share of \$0.10 in the immediately preceding quarter and non-GAAP fully diluted earnings per share of \$0.12 in the third quarter of 2007.

(See Exhibit A for Reconciliation of GAAP to Non-GAAP EPS.)

Cathy McCarthy, president and CEO of SM&A said, "Results for the quarter were in-line with our internal expectations. There remains a significant level of uncertainty in spending priorities at all levels of government; that notwithstanding our performance during the third quarter was quite strong. As we did in the previous quarter, we attracted 11 new customers and generated new customer revenue that also ranks among the highest of any quarter in the history of the company. Aerospace and defense (A&D) revenues continued to be strong as we were able to maintain an increased level of SM&A Program Services personnel into client programs.

As it relates to SM&A being acquired by Odyssey Investment Partners, LLC, Ms. McCarthy continued, "we are excited to enter into a new phase in the development of SM&A. We now have a strong financial partner that will help us to enhance our already strong market position and that will permit us to operate our business focusing on expanding market share, customer development, and operational efficiency with a long-term perspective. We believe that this transaction rewards our loyal stockholders in a very difficult market environment and permits them to redeploy their investment capital."

Program Services:

Program Services revenue for the quarter was \$15.1 million, an increase of 31%, compared with \$11.5 million for the same period of the prior year. Program Services accounted for 60% of total quarterly revenues, compared to 46% of total quarterly revenue in the third quarter of 2007. Performance Management Associates, Inc. (PMA), acquired in mid-September 2007, contributed \$2.3 million to Program Services revenues in the third quarter of 2008, of which \$1.8 million is considered non-organic. Organic revenue growth for the quarter in the Program Services segment was 16%.

Competition Management:

Competition Management revenue for the quarter was \$10.2 million, or 40% of total revenues, compared to \$13.6 million, or 54% of total revenues, in the third quarter of 2007. During the quarter there were fewer large Federal procurement opportunities as compared to the third quarter of 2007. The trend of Federal procurement opportunities continues to contribute to the variability of Competition Management revenue.

Revenue by Market Vertical:

Revenue from A&D clients represented 79% of total revenues or \$20.1 million for the third quarter of 2008, compared to \$18.1 million, or 72% of total revenues, in the comparable quarter last year. Revenue from non-A&D clients was \$5.2 million, compared to \$7.0 million in the third quarter last year. Non-A&D business represented 21% of total third quarter revenue, compared with 28% a year ago.

SG&A Expense:

SG&A expenses were \$8.0 million in the quarter. Stock-based compensation for the quarter totaled \$0.4 million. Included in SG&A expense was \$0.7 million related to an earn-out expense by the principal of an acquired business and \$0.3 million associated with the recently announced transaction to be acquired and the recent proxy contest. Excluding the aforementioned stock-based compensation, earn-out, acquisition and proxy expenses, operating SG&A expenses were \$6.5 million, or 25.7% of third quarter 2008 revenue compared to \$6.1 million, or 24.2% on an operating basis in the third quarter of 2007.

(See Exhibit B for reconciliation of GAAP to non-GAAP information.)

Stock Buyback:

During the quarter, the Company did not buy back shares due to the recently announced transaction for the Company to be acquired by Odyssey Investment Partners, LLC.

2008 Guidance:

The Company expects revenue growth for full year 2008 of approximately 5% to 6%. The Company anticipates GAAP earnings per share for full year 2008 to be between \$0.25 and \$0.27 per diluted share. Excluding proxy costs, transaction and earn-out expense, adjusted non-GAAP EPS is anticipated to be between \$0.37 and \$0.39 per diluted share for the year. Gross margin is expected to be approximately 39% to 40% for the full year. The full year impact of the earn-out expense related to the PPI acquisition is estimated to be approximately \$3.1 million or \$0.10 per share

Disclosure of Certain Financial Information:

In an effort to be transparent and to provide more meaningful comparative SG&A and diluted EPS, including the recurring stock-based compensation expense disclosure to our shareholders, we have provided a reconciliation of GAAP and non-GAAP information.
