Monsanto Confirms Updated Proposal from Bayer

Monday, September 5, 2016

ST. LOUIS — (BUSINESS WIRE) — Monsanto Company (NYSE:MON) confirmed it has been engaged in constructive negotiations with Bayer AG, during which it has received an updated non-binding proposal for a potential acquisition of Monsanto for \$127.50 per share in cash. Monsanto is continuing these conversations as it evaluates this proposal, as well as proposals from other parties and other strategic alternatives to enable its Board of Directors to determine if a transaction in the best interests of its shareowners can be realized.

Monsanto will have no further comment at this time. There is no assurance that any transaction will be entered into or consummated, or on what terms.

Morgan Stanley & Co. and Ducera Partners are acting as financial advisors, and Wachtell, Lipton, Rosen & Katz is acting as legal advisor to Monsanto.

About Monsanto Company

Monsanto is committed to bringing a broad range of solutions to help nourish our growing world. We produce seeds for fruits, vegetables and key crops – such as corn, soybeans, and cotton – that help farmers have better harvests while using water and other important resources more efficiently. We work to find sustainable solutions for soil health, help farmers use data to improve farming practices and conserve natural resources, and provide crop protection products to minimize damage from pests and disease. Through programs and partnerships, we collaborate with farmers, researchers, nonprofit organizations, universities and others to help tackle some of the world's biggest challenges.
