The 8,135,480 Shares reported herein as beneficially owned by the Reporting Persons were acquired at an aggregate purchase price of approximately \$139.8 million.

The 7,980,480 Shares reported herein by JANA were acquired at an aggregate purchase price of approximately \$137.1 million. Such Shares are held by the investment funds managed by JANA in commingled margin accounts, which may extend margin credit to JANA from time to time, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the positions held in the margin accounts are

pledged as collateral security for the repayment of debit balances in the account. The margin accounts bear interest at a rate based upon the broker's call rate from time to time in effect.
