(k) DTC. The Company will assist the Underwriter in arranging for the Notes to be eligible for clearance and settlement through The Depository Trust Company (DTC).

(d) No Material Adverse Change. Subsequent to the execution and delivery of this Agreement, no event or condition of a type described in Section 3(e) hereof will have occurred or will exist, which event or condition is not described in the Prospectus (including the documents incorporated by reference therein) and the effect of which in the judgment of the Underwriter makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement and the Prospectus.

(e) CNBV Authorization. The Company will have obtained authorization from the CNBV for the registration of the Notes with the Special Section of the *Registro Nacional de Valores*, and such authorization will remain in full force and effect.

(f) Officers Certificates. The Underwriter will have received on and as of the Closing Date a certificate of an executive officer of Company who has specific knowledge of the Company's financial matters and is satisfactory to the Underwriter (i) confirming that such officer has carefully reviewed the Registration Statement and the Prospectus and, to the best knowledge of such officer, the representation set forth in Section 3(a) hereof is true and correct, (ii) confirming that the other representations and warranties of the Company and the Guarantor in this Agreement are true and correct and that the Company and the Guarantor have complied with all agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Date, (iii) that no order suspending the effectiveness of the Registration Statement or any part thereof has been issued and no proceedings for that purpose have been instituted or are, to the knowledge of such officer, threatened, by the Commission and (iv) to the effect set forth in Section 5(c) and 5(d) hereof.

(g) Comfort Letters. On the Closing Date, Mancera, S.C., a Member Practice of Ernst & Young Global, will have furnished to the Underwriter, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Underwriter, in form and substance reasonably satisfactory to the Underwriter, containing statements and information of the type customarily included in accountants' comfort letters to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement and the Prospectus; provided that the letter delivered on the Closing Date will use a cut-off date no more than three business days prior to the Closing Date.

(m) Opinions of Mexican Counsel to the Underwriter. The Underwriter will have received on and as of the Closing Date the opinions of Mijares, Angoitia, Cortés y Fuentes, S.C., Mexican counsel to the Underwriter, with respect to such matters as the Underwriter may reasonably request, and such counsel will have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(n) No Legal Impediment to Issuance. No action will have been taken and no statute, rule, regulation or order will have been enacted, adopted or issued by any Mexican, U.S. or other governmental or regulatory authority that would, as of the Closing Date,

prevent the issuance or sale of the Notes or the issuance of the Guarantees; and no injunction or order of any Mexican, U.S. or other court will have been issued that would, as of the Closing Date, prevent the issuance or sale of the Notes or the issuance of the Guarantees.

(o) No Event of Default. At the Closing Date, after giving effect to the consummation of the transactions contemplated by the Transaction Documents, there will exist no default or event of default under the Indenture (as supplemented by the Supplemental Indenture).

(p) DTC. The Notes will be eligible for clearance and settlement through DTC.

(q) Corporate Proceedings. All corporate proceedings and other legal matters incident to the authorization, form and validity of each Transaction Document and all other legal matters relating to this Agreement and the transactions contemplated hereby will be reasonably satisfactory in all respects to the Underwriter, and the Company and the Guarantor will have furnished to Simpson Thacher & Bartlett LLP, U.S. counsel to the Underwriter, and to Mijares, Angoitia, Cortés y Fuentes, S.C., Mexican counsel to the Underwriter, all documents and information that they may reasonably request to enable them to pass upon such matters.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement will be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel to the Underwriter.

6. Indemnification and Contribution.

(a) Indemnification of the Underwriter. The Company and the Guarantor, jointly and severally, agree to indemnify and hold harmless the Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable and documented legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred) that arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the Prospectus (or any amendment or supplement to either thereof), or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information furnished to the Company and the Guarantor in writing by the Underwriter expressly for use therein.

(b) Indemnification of the Company and the Guarantor. The Underwriter agrees, severally and not jointly, to indemnify and hold harmless each of the Company and the Guarantor, their directors and officers, and each person, if any, who controls any of the Company and the Guarantor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to the Underwriter furnished to the Company and the Guarantor in writing by the Underwriter expressly for use in the Prospectus (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the statements concerning the Underwriter contained in the third, fifth (second and third sentences only), seventh, ninth, tenth and eleventh paragraphs under the caption Underwriting in the Prospectus.

(c) Notice and Procedures. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand will be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the Indemnified Person) will promptly notify the person against whom such indemnification may be sought (the Indemnifying Person) in writing; provided that the failure to notify the Indemnifying Person will not relieve it from any liability that it may have under this Section 6 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person will not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 6. If any such proceeding will be brought or asserted against an Indemnified Person and it will have notified the Indemnifying Person thereof, the Indemnifying Person will retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 6 that the Indemnifying Person may designate in such proceeding and will pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person will have the right to retain its own counsel, but the fees and expenses of such counsel will be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person will have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person will have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both

parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person will not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses will be reimbursed as they are incurred. Any such separate firm for the Underwriter, its affiliates, directors and officers and any control persons of the Underwriter will be designated in writing by the Underwriter, and any such separate firm for the Company and the Guarantor and any control persons of the Company and the Guarantor will be designated in writing by the Company. The Indemnifying Person will not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person will have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person will be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person will not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person will, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) Contribution. If the indemnification provided for in Sections 6(a) and 6(b) hereof is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such Sections, in lieu of indemnifying such Indemnified Person thereunder, will contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantor on the one hand and the Underwriter on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantor on the one hand and the Underwriter on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantor on the one hand and the Underwriter on the other will be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Notes and the total discounts and commissions received by the Underwriter in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Notes. The relative fault of the Company and the Guarantor on the one hand and the Underwriter on the other will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by any of the Company or the Guarantor or by the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) Limitation on Liability. The Company and the Guarantor and the Underwriter agree that it would not be just and equitable if contribution pursuant to this Section 6 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 6(d) hereof. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in Section 6(d) hereof will be deemed to include, subject to the limitations set forth above, any reasonable and documented legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 6, in no event will the Underwriter be required to contribute any amount in excess of the amount by which the total discounts and commissions received by the Underwriter with respect to the offering of the Notes exceeds the amount of any damages that the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriter's obligations to contribute pursuant to this Section 6 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) Non-Exclusive Remedies. The remedies provided for in this Section 6 are not exclusive and will not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

7. Termination. This Agreement may be terminated in the absolute discretion of the Underwriter, by notice to the Company and the Guarantor, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally will have been suspended or materially limited on the New York Stock Exchange, the Mexican Stock Exchange or the over-the-counter market in the United States or Mexico (including, in the case of the United States, the NASDAQ market) or minimum prices will have been established on any of such exchanges or such market by such exchange or by any regulatory body having jurisdiction over such exchange or market; (ii) trading of any securities issued or guaranteed by any of the Company or the Guarantor will have

been suspended on any exchange or the over-the-counter market in the United States or Mexico; (iii) a material disruption in securities settlement, payment or clearance services in the United States or other relevant jurisdiction will have occurred; (iv) a general moratorium on commercial banking activities will have been declared by federal or New York State authorities or by Mexican authorities; (v) there will have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis that in the judgment of the Underwriter is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement and the Prospectus; (vi) any material adverse change or development involving a prospective material adverse change in taxation, exchange controls or other applicable law or regulation in the United States or Mexico directly affecting the Notes or the imposition of restrictions on repatriation of remittances or interest payments or dividends from Mexico, the effect of which change or development on the financial markets of the United States, Mexico or elsewhere is such as to make it inadvisable or impracticable to market the Notes; or (vii) there will have been such a material adverse change in U.S., Mexican or international monetary, general economic, political or financial conditions as to make it, in the judgment of the Underwriter, inadvisable to proceed with the payment for and delivery of the Notes.

8. Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company and the Guarantor, jointly and severally, will, subject to Section 8(b) hereof, pay or cause to be paid all fees, expenses and costs incident to the performance of their respective obligations hereunder, including, without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Notes and any taxes payable in that connection; (ii) the costs incident to the preparation and/or printing of the Prospectus (including any amendment or supplement thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the U.S., Mexican, Brazilian and Bermuda counsel to the Company and the Guarantor; (v) the fees and expenses of the independent public accountants of the Company and the Guarantor; (vi) the additional fees and expenses of the independent public accountants of the Company and the Guarantor incurred in connection with the performance of certain additional procedures requested by the Underwriter in respect of the comfort letter; (vii) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Notes under the laws of such jurisdictions as the Underwriter may designate; (viii) all expenses and application fees related to the listing of the Notes on any exchange; (ix) any fees charged by rating agencies for rating the Notes; (x) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (xi) any expenses and application fees incurred in connection with the approval of the Notes for book-entry transfer by DTC; (xii) all expenses incurred by the Company in connection with any road show presentation to potential investors; (xiii) the fees and expenses of U.S. and Mexican counsel to the Underwriter; and (xiv) the Underwriter's own travel and other out-of-pocket expenses. Notwithstanding the preceding sentence, solely if the transactions contemplated hereby are consummated, the Underwriter will reimburse the Company and the Guarantor for the fees, expenses and costs referred to in clauses (ii), (iv), (vi), (ix), (xii), (xiii) and (xiv) of the preceding sentence; provided however, that, in the case of the fees, expenses and costs referred to in clause (iv), the amount to be so reimbursed by the Underwriter will not exceed U.S.\$200,000 in the aggregate.

(b) If (i) this Agreement is terminated pursuant to Section 7 hereof, (ii) the Company for any reason fails to tender the Notes for delivery to the Underwriter, (iii) the Guarantor for any reason fails to comply with its obligation to provide the Guarantees or (iv) the Underwriter decline to purchase the Notes for any reason permitted under this Agreement, each of the Company and the Guarantor jointly and severally agrees to reimburse the Underwriter for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriter in connection with this Agreement and the offering contemplated hereby.

9. Persons Entitled to Benefit of Agreement. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and any controlling persons referred to herein, and the affiliates, officers and directors of the Underwriter referred to in Section 6 hereof. Nothing in this Agreement is intended or will be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Notes from the Underwriter will be deemed to be a successor merely by reason of such purchase.

10. Process Agent. Each of the parties hereto irrevocably agrees that any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in any U.S. federal or New York state court located in New York City and any competent court located in the domicile of the Company, the Guarantor or the Underwriter, with respect to actions brought against the Company, the Guarantor or the Underwriter as defendant, and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such proceeding and waives any right to which it may be entitled on account of place of residence or domicile and irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Each of the Company and the Guarantor has appointed CT Corporation System as its authorized agent (the Authorized Agent) upon whom process may be served in any such action arising out of or based on this Agreement or the transactions contemplated hereby which may be instituted in any New York court by the Underwriter or by any person who controls the Underwriter, designates CT Corporation System's address in New York City as its designated address to receive such process, expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. Such appointment of the

Authorized Agent will not be revoked by any action taken by the Company or the Guarantor. Each of the Company and the Guarantor represents and warrants that the Authorized Agent has agreed to act as said agent for service of process, and each of the Company and the Guarantor agrees to take any and all action, including the filing of any and all documents, agreements and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Personal service of process upon the Authorized Agent in any manner permitted by applicable law and written notice of such service to the Company and the Guarantor will be deemed, in every respect, effective service of process upon each of the Company and the Guarantor.

11. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Guarantor, on the one hand, and the Underwriter, on the other hand, contained in this Agreement or made by or on behalf of the Company and the Guarantor or the Underwriter pursuant to this Agreement or any certificate delivered pursuant hereto will survive the delivery of and payment for the Notes and will remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company and the Guarantor, or the Underwriter.

12. Additional Amounts. If the compensation (including the Underwriter's commissions and concessions) or any other amounts to be received by the Underwriter under this Agreement (including, without limitation, indemnification and contribution payments), as a result of entering into this Agreement, are subject to any present or future taxes, assessments, deductions, withholdings or charges of any nature imposed or levied by or on behalf of Mexico or any political subdivision thereof or taxing authority therein (Mexican Taxes), then the Company and the Guarantor will, jointly and severally, pay to the Underwriter, an additional amount so that the Underwriter will retain, after taking into consideration all such Mexican Taxes, an amount equal to the amounts owed to it as compensation or otherwise under this Agreement as if such amounts had not been subject to Mexican Taxes. If any Mexican Taxes are collected by deduction or withholding, the Company and the Guarantor will upon request provide to the Underwriter copies of documentation evidencing the transmittal to the proper authorities of the amount of Mexican Taxes deducted or withheld.

13. Judgment Currency. The Company and the Guarantor will indemnify the Underwriter, jointly and severally, against any loss incurred by them as a result of any judgment or order against the Company or the Guarantor, being given or made and expressed and paid in a currency (Judgment Currency) other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in New York, New York at which the Underwriter on the date of payment of such judgment or order are able to purchase U.S. dollars with the amount of the Judgment Currency actually received by the Underwriter. The foregoing indemnity will constitute a separate and independent obligation of the Company and the Guarantor and will continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term spot rate of exchange will include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, U.S. dollars.

14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term affiliate has the meaning set forth in Rule 405 under the Securities Act; (b) the term business day means any day other than a day on which banks are permitted or required to be closed in New York City or Mexico City; and (c) the term subsidiary has the meaning set forth in Rule 405 under the Securities Act.

15. Miscellaneous. (a) Notices. All notices and other communications hereunder will be in writing and will be deemed to have been duly given if mailed or transmitted and confirmed by any standard form of telecommunication. This opinion letter is furnished pursuant to Section 5(h) of the underwriting agreement, dated as of February 17, 2005 (the Underwriting Agreement), among the Company, the Guarantor and Credit Suisse First Boston LLC as the underwriter (the Underwriter).

In arriving at the opinions expressed below, we have reviewed the following documents:

- (a) an executed copy of the Underwriting Agreement;
- (b) the Registration Statement and the documents incorporated by reference therein;
- (c) the Prospectus and the documents incorporated by reference therein;
- (d) the Notes in global form as executed by the Company and authenticated by the Trustee;
- (e) the guarantees relating to the Notes (the Guarantees) as executed by the Guarantor;
- (f) executed copies of the Base Indenture and the Supplemental Indenture; and
- (g) the documents delivered to you by the Company and the Guarantor at the closing pursuant to the Underwriting Agreement.

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of the Company and the Guarantor and such other instruments and other certificates of public officials, officers and representatives of the Company and the Guarantor and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed (including, without limitation, the accuracy of the representations and warranties of the Company and the Guarantor in the Underwriting Agreement).

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that:

## Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

1. The Indenture has been duly executed and delivered by the Company and the Guarantor under the law of the State of New York and qualified under the Trust Indenture Act of 1939, as amended (the Trust Indenture Act ), and is a valid, binding and enforceable agreement of the Company and the Guarantor.
2. The Notes have been duly executed and delivered by the Company under the law of the State of New York and are the valid, binding and enforceable obligations of the Company, entitled to the benefits of the Indenture.
3. The Guarantees have been duly executed and delivered by the Guarantor under the law of the State of New York and are the valid, binding and enforceable obligations of the Guarantor.
4. The statements set forth in the Prospectus Supplement under the heading Description of Notes and in the Base Prospectus under the headings Description of Debt Securities and Form of Debt Securities, Clearing and Settlement, insofar as such statements purport to summarize certain provisions of the Notes, the Guarantees and the Indenture, provide a fair summary of such provisions.
5. The statements set forth in the Prospectus Supplement and the Base Prospectus under the heading Taxation United States Tax Considerations, insofar as such statements purport to summarize certain federal income tax laws of the United States, provide a fair summary of the principal U.S. federal income tax consequences of an investment in the Notes.
6. The Underwriting Agreement has been duly executed and delivered by the Company and the Guarantor under the law of the State of New York.
7. The issuance and sale of the Notes to the Underwriter pursuant to the Underwriting Agreement do not, and the performance by the Company and the Guarantor of their respective obligations in the Underwriting Agreement, the Indenture, the Notes and the Guarantees will not, require any consent, approval, authorization, registration or qualification of or with any governmental authority of the United States or the State of New York that in our experience is normally applicable to general business entities in relation to transactions of the type contemplated by the Underwriting Agreement, the Indenture, the Notes and the Guarantees, except such as have been obtained or effected under the Securities Act and the Trust Indenture Act (but we express no opinion relating to any state securities or Blue Sky laws).
8. The issuance and sale of the Notes to the Underwriter pursuant to the Indenture or the Underwriting Agreement do not, and the performance by the Company and the Guarantor of their respective obligations in the Underwriting Agreement, the Indenture, the Notes and the Guarantees will not, conflict with or result in a breach or violation or constitute a default under the Base Indenture or any of the agreements identified in Exhibit A hereto.
9. No registration of the Company or the Guarantor under the U.S. Investment Company Act of 1940, as amended, is required for the offer and sale of the Notes by the Company in the manner contemplated by the Underwriting Agreement and the Prospectus and the application of the proceeds thereof as described in the Prospectus.
10. Under the law of the State of New York relating to submission to jurisdiction, the Company and the Guarantor, pursuant to Section 10 of the Underwriting Agreement, (a) have irrevocably submitted to the personal jurisdiction of any U.S. federal or New York State court located in New York City, (b) to the fullest extent permitted by law, have validly and irrevocably waived any objection to the venue of a proceeding in any such court, and (c) have validly appointed CT Corporation System as their authorized agent for the purpose described in Section 10 of the Underwriting Agreement; and service of process effected in the manner set forth in Section 10 of the Underwriting Agreement will be effective to confer valid personal jurisdiction over the Company or the Guarantor in any such action.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of the Company or the Guarantor, (a) we have assumed that the Company and the Guarantor and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to the Company or the Guarantor regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience are normally applicable to general business entities in relation to the transactions contemplated in the Underwriting Agreement and the Indenture), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

With respect to the opinions expressed in paragraphs 1, 2, 3 and 10 above relating to the first sentence of Section 115 of the Indenture and the first sentence of Section 10 of the Underwriting Agreement, we express no opinion as to the subject matter jurisdiction of any U.S. federal court to adjudicate any action relating to the Indenture, the Notes, the Guarantees or the

Underwriting Agreement where jurisdiction based on diversity of citizenship under 28 U.S.C. § 1332 does not exist.

In addition, we note that (a) with respect to the opinions expressed in paragraphs 1, 2, 3 and 10 above, the designation in Section 115 of the Indenture of the U.S. federal courts located in the Borough of Manhattan, City of New York as the venue for actions or proceedings relating to the Indenture, the Notes or the Guarantees, and the designation in Section 10 of the Underwriting Agreement of the U.S. federal courts located in the Borough of Manhattan, City of New York as the venue for actions or proceedings relating to the Underwriting Agreement are (notwithstanding the waiver in Section 115 of the Indenture and Section 10 of the Underwriting Agreement) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. § 1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such actions or proceedings and (b) the enforceability in the United States of the waiver in Section 115 of the Indenture by each of the Company and the Guarantor of any immunity from jurisdiction or to service of process is subject to the limitations imposed by the United States Foreign Sovereign Immunities Act of 1976.

We express no opinion as to the enforceability of the judgment currency indemnities in Section 1010 of the Indenture and Section 13 of the Underwriting Agreement.

In addition, we note that the waiver of defenses relating to the Guarantees in Section 1101 of the Indenture may be ineffective to the extent that any such defense involves a matter of public policy in New York.

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We are furnishing this opinion letter to you, as the Underwriter, solely for your benefit in your capacity as such in connection with the offering of the Notes. This opinion letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose, except that paragraphs 1, 2, 3, 7, 8 and 9 of this opinion letter may be relied upon by the Trustee in its capacity as such. We assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Such Registration Statement, as amended when it became effective (except Exhibit 25), but excluding the documents incorporated by reference therein, is herein called the Registration Statement; the related prospectus dated November 22, 2004, as first filed with the Securities and Exchange Commission (the Commission) pursuant to Rule 424(b)(2) under the Securities Act of 1933, as amended (the Securities Act), but excluding the documents incorporated by reference therein, is herein called the Base Prospectus; the prospectus supplement, dated February 17, 2005, as first filed with the Commission pursuant to Rule 424(b)(2) under the Securities Act, but excluding the documents incorporated by reference therein, is herein called the Prospectus Supplement; and the Base Prospectus and the Prospectus Supplement together are herein called the Prospectus. This letter is furnished to you pursuant to Section 5(h) of the underwriting agreement, dated February 17, 2005 (the Underwriting Agreement), among the Company, the Guarantor and Credit Suisse First Boston LLC, as underwriter (the Underwriter).

Because the primary purpose of our professional engagement was not to establish or confirm factual matters or financial, accounting or statistical information, and because many determinations involved in the preparation of the Registration Statement and the Prospectus and the documents incorporated by reference therein are of a wholly or partially non-legal character or relate to legal matters outside the scope of our opinion letter to you of even date herewith, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement or the Prospectus or the documents incorporated by reference therein (except to the extent expressly set forth in numbered paragraphs 4 and 5 of our opinion letter to you of even date herewith) and we make no representation that we have independently verified the accuracy, completeness or fairness of such statements (except as aforesaid).

However, in the course of our acting as special United States counsel for the Company and the Guarantor in connection with their preparation of the Registration Statement and the Prospectus, we participated in conferences and telephone conversations with representatives of the Company and the Guarantor, representatives of Mexican and Brazilian counsel to the Company and the Guarantor, representatives of the independent public accountants for the Company and the Guarantor, your representatives and representatives of your counsel, during which conferences and conversations the contents of the Registration Statement and the Prospectus, portions of certain documents incorporated by reference therein and related matters were discussed, and we reviewed certain corporate records and documents furnished to us by the Company and the Guarantor.

Based on our participation in such conferences and conversations and our review of such records and documents as described above, our understanding of the U.S. federal securities laws and the experience we have gained in our practice thereunder, we advise you that:

(a) The Registration Statement (except the financial statements and schedules and other financial data included therein, as to which we express no view), at the time it became effective, and the Prospectus (except as aforesaid), as of the date thereof, appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the Trust Indenture Act of 1939, as amended, and the rules and regulations thereunder. In addition, we do not know of any contracts or other documents of a character required to be filed as exhibits to the Registration Statement or required to be described in the Registration Statement or the Prospectus that are not filed or described as required.

(b) The documents incorporated by reference in the Registration Statement and the Prospectus (except the financial statements and schedules and other financial data included therein, as to which we express no view), as of the respective dates of their filing with the Commission, appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder.

Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

(c) No information has come to our attention that causes us to believe that the Registration Statement, including the documents incorporated by reference therein (except the financial statements and schedules and other financial data included therein, as to which we express no view), at the time it became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) No information has come to our attention that causes us to believe that the Prospectus, including the documents incorporated by reference therein (except for the financial statements and schedules and other financial data included therein, as to which we express no view) as of the date thereof and hereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

We confirm to you that (based solely upon a telephonic confirmation from a representative of the Commission) the Registration Statement is effective under the Securities Act and, to the best of our knowledge, no stop order with respect thereto has been issued, and no proceeding for that purpose has been instituted or threatened, by the Commission.

We are furnishing this letter to you, as the Underwriters, solely for your benefit in your capacity as such in connection with the offering of the Notes. This letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose. We assume no obligation to advise you, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the views expressed herein.

This opinion letter is furnished pursuant to Section 5(i) of the Underwriting Agreement dated February 17, 2005 (the Underwriting Agreement ) among the Company, the Guarantor and Credit Suisse First Boston LLC, as underwriter (the Underwriter ). Unless otherwise defined herein, capitalized terms defined in the Underwriting Agreement are used herein as therein defined.

In connection with the foregoing, we have reviewed copies of the following documents:

- (i) an executed copy of the Underwriting Agreement;

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of the Company and such other instruments and other certificates of public officials, officers and representatives of the Company and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed, without any independent investigation or verification of any kind, (i) the due authorization, execution and delivery by any party therein (other than the Company and the Guarantor) of the Underwriting Agreement and the Indenture; (ii) the validity, binding effect and enforceability of the Indenture under the laws of the State of New York in the United States of America; (iii) that the Notes and the Guarantees conform to the forms thereof that we have reviewed and will be duly authenticated and issued, as applicable, in accordance with the terms of the Indenture; (iv) the genuineness and authenticity of all signatures, opinions, documents and papers submitted to us; and (v) that copies of all opinions, documents and papers submitted to us are complete and conform to the originals thereof. In addition, we have assumed that the Company, the Guarantor and the Trustee have satisfied the legal requirements that are applicable to each of them under applicable law other than the law of Mexico to the extent necessary to make the Underwriting Agreement, the Indenture and the Notes or the Guarantees, as the case may be, enforceable against each of them.

We express no opinion as to any laws other than the laws of Mexico, and we have assumed that there is nothing in the law of any other jurisdiction that affects our opinion which is delivered based upon applicable law as of the date hereof. ## Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

With respect to certain statements made by us herein concerning our knowledge of factual matters, the phrase “to the best of our knowledge” and any similar phrase means that, during the course of our special representation of the Company and the Guarantor for purposes of the issuance of the Notes and the Guarantees, as the case may be, no information has come to our attention which has given us actual knowledge of the existence or absence of such facts, and other than reviewing our files and records in respect of the Company and the Guarantor and the documents and records described above and consulting with attorneys in our firm, we have not undertaken any independent investigations to determine the existence or absence of such facts.

Based upon the foregoing, having regard for such other considerations as we deem relevant and subject to the further qualifications set forth below, we are of the opinion that:

1. The Company has been duly incorporated and is validly existing as a *sociedad anónima de capital variable* under the laws of Mexico, with power and authority (corporate and other) to own or lease its properties and conduct its business as described in the Registration Statement and the Prospectus (including, in each case, the documents incorporated by reference), and, insofar as matters governed by Mexican law are concerned, is duly qualified for the transaction of business under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, except where the failure to so qualify would not have a Material Adverse Effect.

2. The Guarantor has been duly incorporated and is validly existing as a *sociedad anónima de capital variable* under the laws of Mexico, with power and authority (corporate and other) to own or lease its properties and conduct its business as described in the Registration Statement and the Prospectus (including, in each case, the documents incorporated by reference), and, insofar as matters governed by Mexican law are concerned, is duly qualified for the transaction of business under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, except where the failure to so qualify would not have a Material Adverse Effect.

3. Each Mexican subsidiary of the Company (other than the Guarantor) has been duly organized and is validly existing as corporation, company, *sociedad anónima* or *sociedad anónima de capital variable* under the laws of Mexico, with power and authority (corporate and other) to own or lease its properties and conduct its business as described in the Registration Statement and the Prospectus (including, in each case, the documents incorporated by reference), and, insofar as matters governed by Mexican law are concerned, is duly qualified for the transaction of business under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, except where the failure to so qualify would not have a Material Adverse Effect.

4. The Underwriting Agreement has been duly authorized, executed and delivered by each of the Company and the Guarantor and, assuming due execution and delivery thereof by the Underwriter, constitutes a valid and legally binding agreement of each of the Company and the Guarantor, enforceable against each of the Company and the Guarantor in accordance with its terms.

5. The Indenture has been duly authorized, executed and delivered by each of the Company and the Guarantor and, assuming that it constitutes a valid and legally binding agreement under New York law, constitutes a legal, valid and binding agreement enforceable against the Company and the Guarantor in accordance with its terms.

6. The Supplemental Indenture has been duly authorized, executed and delivered by each of the Company and the Guarantor and, assuming that it constitutes a valid and legally binding agreement under New York law, constitutes a legal, valid and binding agreement enforceable against the Company and the Guarantor in accordance with its terms.

7. The Notes have been duly authorized, executed and delivered by the Company and, insofar as matters governed by Mexican law are concerned, when duly authenticated as provided in the Indenture and paid for and delivered as provided in the Underwriting Agreement, will be duly and validly issued and outstanding and will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms.

8. The Guarantees have been duly authorized by, executed and delivered by the Guarantor and, insofar as matters of Mexican law are concerned, when the Notes have been duly authenticated as provided in the Indenture and paid for and delivered as provided in the Underwriting Agreement, will constitute legally valid and binding obligations of the Guarantor enforceable against the Guarantor in accordance with their terms.

9. The execution, delivery and performance by each of the Company and the Guarantor of each of the Transaction Documents to which each is a party, the issuance and sale of the Notes and the Guarantees and compliance by each of the Company and the Guarantor with the terms thereof and the consummation of the transactions contemplated by the Transaction Documents will not (i) conflict with or result in a breach or violation or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or the Guarantor or any of their

respective Mexican subsidiaries pursuant to any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument known to us to which the Company or the Guarantor or any of their respective Mexican subsidiaries is a party or by which the Company or the Guarantor or any of their respective Mexican subsidiaries is bound or to which any of the property or assets of the Company or the Guarantor or any of their respective Mexican subsidiaries is subject, (ii) result in any violation of the provisions of the estatutos of the Company or the Guarantor or any of their respective Mexican subsidiaries or (iii) to the best of our knowledge, result in the violation of any Mexican law or statute or any judgment, order, rule or regulation of any Mexican governmental or regulatory authority or court.

10. No consent, approval, authorization, order, registration or qualification of or with any Mexican governmental or regulatory authority or court is required for the execution, delivery and performance by each of the Company and the Guarantor of each of the Transaction Documents to which each is a party, the issuance and sale of the Notes and the Guarantees, and the consummation of the transactions contemplated by the Transaction Documents, except for the authorization of the *Comisión Nacional Bancaria y de Valores* (CNBV) for the registration of the Notes with the Special Section of the *Registro Nacional de Valores* maintained by the CNBV (which has been duly obtained and is in full force and effect).

11. Except for shares repurchased by the Company under its buy-back program since December 31, 2003, the Company has an authorized capitalization as set forth in the Prospectus; and all of the issued shares of capital stock of each of the Company and the Guarantor have been duly authorized and validly issued and are fully paid and non-assessable.

12. The statements in the Prospectus under (i) *Enforceability of Civil Liabilities*, (ii) *Risk Factors Risks Relating to Our Businesses*, (iii) *Risk Factors Risks Relating to the Notes*, (iv) *Description of the Notes General Payment of Additional Amounts* and (v) *Description of the Debt Securities Payment of Additional Amounts*, and in the Company's amended annual report on Form 20-F for the year ended on December 31, 2003 incorporated by reference in the Prospectus, under *Item 4. 13. The statements in the Prospectus under *Taxation Mexican Tax Considerations*, insofar as such statements constitute a summary of Mexican legal matters or Mexican regulation or legal conclusions, fairly summarize the matters described therein in all material respects.

14. The choice of law provisions under which New York state law is to govern the Transaction Documents will be recognized by Mexican courts; under the laws of Mexico, the irrevocable submission of each of the Company and the Guarantor under the Transaction Documents to the jurisdiction of a U.S. federal or New York state court in New York City, and the waiver by each of the Company and the Guarantor of defenses in a proceeding in such court are legal, valid and binding; service of process effected in the manner set forth in the Transaction Documents, subject to subparagraph (c) below and assuming validity under New York state law, will be effective, insofar as matters of Mexican law are concerned, to confer valid personal jurisdiction over each of the Company and the Guarantor; and any final judgment obtained in a U.S. federal or New York state court located in New York City arising out of or in relation to the obligations of each of the Company and the Guarantor under the Transaction Documents would be enforceable against the Company and the Guarantor in the courts of Mexico pursuant to Articles 569 and 571 of the Federal Civil Procedure Code and Article 1347A of the Commerce Code, which provide, inter alia, that any judgment rendered outside Mexico may be enforced by Mexican courts, provided that:

(a) such judgment is obtained in compliance with legal requirements of the jurisdiction of the court rendering such judgment and in compliance with all legal requirements of the relevant Transaction Documents;

(b) such judgment is strictly for the payment of a certain sum of money and has been rendered in an in personam action as opposed to an in rem action, provided that, under the Mexican Monetary Law, payments which should be made in Mexico in foreign currency, whether by agreement or upon a judgment of a Mexican court, may be discharged in Mexican currency at a rate of exchange for such currency fixed by Banco de Mexico for the date when payment is made;

(c) service of process was made personally and not by mail on each of the Company and the Guarantor or on the appropriate process agent, and a Mexican court would consider a service of process upon the duly appointed agent, appointed by means of a notarial instrument, to be personal service of process meeting Mexican procedural requirements (and we note that each of the Company and the Guarantor has duly made such appointment of CT Corporation System as its authorized process agent by means of such a notarial instrument);

(d) such judgment does not contravene Mexican law, public policy of Mexico, international treaties or agreements binding upon Mexico or generally accepted principles of international law;

(e) the applicable procedure under the law of Mexico with respect to the enforcement of foreign judgments (including the issuance of a letter rogatory by the competent authority of such jurisdiction requesting enforcement of such judgment and the certification of such judgment as authentic by the corresponding authorities of such jurisdiction in accordance with the laws thereof), is complied with;

(f) the courts of such jurisdiction recognize the principles of reciprocity in connection with the enforcement of Mexican judgments in such jurisdiction;

(g) such judgment is final in the jurisdiction where it was obtained;

(h) the action in respect of which such judgment is rendered is not the subject matter of a lawsuit among the same parties, pending before a Mexican court; and

(i) any such foreign courts would enforce final judgments issued by the federal or state courts of Mexico as a matter of reciprocity.

15. To the best of our knowledge and other than as set forth in the Prospectus, each of the Company, the Guarantor and their respective Mexican subsidiaries possess all material concessions, licenses, certificates, permits, consents, orders, approvals and other authorizations issued by the appropriate Mexican governmental or regulatory authorities that are necessary for the ownership or lease of their respective properties or the conduct of their respective businesses as described in the Prospectus.

16. To the best of our knowledge, except as described in the Prospectus, there are no legal, governmental or regulatory investigations, actions, suits or proceedings pending in Mexico to which the Company, the Guarantor or any of their respective Mexican subsidiaries is or may be a party or to which any property of the Company, the Guarantor or any of their respective Mexican subsidiaries is or may be the subject that, individually or in the aggregate, if determined adversely to the Company, the Guarantor or any of their respective Mexican subsidiaries, could reasonably be expected to have a Material Adverse Effect.

17. To the best of our knowledge and other than as set forth in the Prospectus, the Company, the Guarantor and their respective Mexican subsidiaries have good and marketable title to, or have valid rights to lease or otherwise use, all items of real and personal property that are material to the respective businesses of the Company, the Guarantor and their respective Mexican subsidiaries, in each case free and clear of all liens, encumbrances, claims and defects and imperfections of title except those that do not materially interfere with the operations of or the use made and proposed to be made of such property by the Company, the Guarantor and their respective Mexican subsidiaries.

18. To the best of our knowledge, each of the Company, the Guarantor and their respective Mexican subsidiaries have paid all material Mexican taxes and filed all tax returns required to be paid or filed through the date hereof and all assessments received by them to the extent such taxes have become due and are not being contested in good faith; and except as otherwise disclosed in the Prospectus, there is no material tax deficiency that has been, or could reasonably be expected to be, asserted against the Company, the Guarantor or any of their respective Mexican subsidiaries or any of their respective properties or assets other than taxes that are being contested in good faith and as to which appropriate reserves have been established by the Company or the Guarantor, as the case may be.

19. Except as described in the Prospectus, with respect to non-residents of Mexico, there are no stamp or other issuance or transfer taxes or duties and no capital gains, income, withholding or other taxes payable by or on behalf of the Underwriter to Mexico or to any taxing authority thereof or therein in connection with (i) the delivery of the Notes by the Company to the Underwriter in the manner contemplated by the Underwriting Agreement, (ii) payments of the principal of and any premium (if any), interest and other amounts on the Notes to holders of such Notes, (iii) the sale and delivery of the Notes by the Underwriter to subsequent purchasers thereof in accordance with the terms of the Underwriting Agreement, or (iv) the obligations of the Guarantor under the Guarantees.

This opinion is subject to the following qualifications:

## Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

(a) Enforcement may be limited or affected by *concurso mercantil*, bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws of general application relating to or affecting the rights of creditors generally; among other things, interest on principal will not accrue after declaration of bankruptcy and the obligations of the Company or the Guarantor in foreign currency shall be converted into Mexican currency at the rate of exchange published in the *Diario Oficial de la Federación* (Official Daily Gazette of the Federation) by the Banco de México (Central Bank of Mexico) in force on the date the declaration of *concurso mercantil* is made; Mexican currency shall then be converted into *Unidades de Inversión* (inflation-indexed units) at the rate of conversion published by Banco de México for such date, being that the Notes are unsecured (*quirografario*) and, therefore, no senior status being granted thereto under Mexican law; also, pursuant to the laws of Mexico, labor claims, claims of tax authorities for unpaid taxes will have priority over claims of the Note holders;

(b) We note that the payment of interest on interest may not be enforceable under Mexican law;

(c) In the event that proceedings are brought in Mexico seeking performance of the Company or the Guarantor's obligations in Mexico, pursuant to Article 8 of the Mexican Monetary Law (*Ley Monetaria de los Estados Unidos Mexicanos*), the Company or the Guarantor may discharge its obligations by paying any sums due in a currency other than Mexican currency, in Mexican currency at the rate of exchange fixed by Banco de México for the date when payment is made;

(d) In the event that any legal proceedings are brought in the courts of Mexico, a Spanish translation of the documents required in such proceedings, prepared by a court-approved translator, would have to be approved by the court after the defendant had been given an opportunity to be heard with respect to the accuracy of the translation, and proceedings would thereafter be based upon the translated documents;

(e) The exercise of any prerogatives of the parties, although they may be discretionary, should be supported by the factual assumptions required for their reasonable exercise; in addition, under Mexican law, the Company or the Guarantor will have the right to contest in court any notice or certificate of such party purporting to be conclusive and binding;

(f) Claims may become barred under the statutes of limitation or may be or become subject to defenses of set-off or counterclaim;

(g) As to the provisions contained in the Underwriting Agreement and the Indenture regarding service of process, it should be noted that service of process by mail does not constitute personal service under Mexican law and, since such service is considered to be a basic procedural requirement under such law, if for purposes of proceedings outside Mexico service of process is made by mail, we believe a final judgment based on such service of process would not be enforced by the courts of Mexico;

(h) With respect to Section 10 of the Underwriting Agreement and Section 115 of the Indenture, we note that an irrevocable appointment of CT Corporation System as the Company or the Guarantor's authorized agent for service of process would not be enforceable under Mexican law and, as a consequence, such appointment may be legally revoked;

(i) We express no opinion as to Sections 505 (Trustee May Enforce Claims Without Possession of Securities), 509 (Restoration of Rights and Remedies) and 1011 (Indemnification of Judgment Currency) of the Indenture and as to Section 13 of the Underwriting Agreement;

(j) We note that any covenants of the Company or the Guarantor which purport to bind it on matters reserved by law to shareholders, or which purport to bind shareholders to vote or refrain from voting their shares in the Company or the Guarantor are not enforceable, under Mexican law, through specific performance;

(k) In connection with Section 115 of the Indenture and Section 10 of the Underwriting Agreement, it should be noted that pursuant to Article 567 of the Mexican Federal Civil Procedure Code (*Código Federal de Procedimientos Civiles*) a choice of forum clause would not be valid when the right to choose it is for the exclusive benefit of any of the parties but not of all of them (however, we are of the view that such choice of forum clauses in the Indenture and such agreements are for the benefit of all of the parties);

(l) Except as specifically stated herein, we make no comment with regard to any representations which may be made by the Company or the Guarantor in any of the documents referred to above or otherwise;

Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

(m) Under Mexican law, the extension or the granting of grace periods to the principal obligor, any modification of a guaranteed obligation that would increase any obligation of the Guarantor, or the novation of the principal obligation, would require the consent of the Guarantor; therefore, note should be taken that the obligations of the Guarantor under the Guarantees might not be enforced by Mexican courts if the underlying guaranteed obligations are extended, increased or novated without the Guarantor's consent at that time;

(n) We note that the enforcement of a claim against the Company or the Guarantor may be subject to certain conditions and restrictions set forth in the Federal Telecommunications Law (*Ley Federal de Telecomunicaciones*), the General Communications Law (*Ley General de Vías de Comunicaciones*) and the Bankruptcy Law (*Ley de Concursos Mercantiles*) in this latter case with respect to the provisions contained in Title Eight, Chapter I Special Procedures (*De los concursos especiales*), Bankruptcy of companies that render public services subject to a concession (*De los concursos mercantiles de comerciantes que prestan servicios públicos concesionados*) (however, we are of the view that there are adequate remedial provisions under Mexican law for the practical realization against the Guarantor of the rights and benefits afforded by the Guarantees);

(o) The Notes do not constitute pagarés under Mexican law and would not provide the holder thereof access to the Executive Summary Procedure (*Vía Ejecutiva Mercantil*) in a proceeding brought to enforce payment of any such Notes; and

(p) The taking of possession, entry, removal, sale, transfer or other disposition of property or similar action in Mexico may not be made in Mexico without judicial intervention after the defendant is given the right to be heard and defeated in court.

In rendering the foregoing opinion, we have relied (i) as to factual matters on certificates of directors and executive officers of the Company or the Guarantor, as the case may be, and (ii) as to matters of U.S. federal and New York state law on the opinion of Cleary, Gottlieb, Steen & Hamilton LLP, U.S. counsel for the Company and the Guarantor, being delivered to you today pursuant to Section 5(i) of the Underwriting Agreement.

We note that Rafael Robles Miaja, a partner of this firm, is currently Corporate Secretary of the Board of Directors of the Company.

We are furnishing this opinion to you as the Underwriter, solely for your benefit. Cleary, Gottlieb, Steen & Hamilton LLP and Simpson Thacher & Bartlett LLP, your U.S. counsel, may rely upon this opinion in rendering their opinion to you pursuant to the Underwriting Agreement. This opinion is not to be relied upon by anyone else or used, circulated, filed, quoted or otherwise referred to for any other purpose, other than in the Underwriting Agreement and in the list of closing documents, without our prior written consent.

This opinion is being rendered based on the legal provisions applicable in Mexico as of the date hereof. We assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if we become aware of any facts that might change the opinions expressed herein after the date hereof.

In rendering this opinion, we do not thereby admit that we are experts with respect to any part of the Registration Statement, including any exhibit thereof, within the meaning of the term "expert" as used in the Securities Act or the rules and regulations of the Commission issued thereunder.

Very truly yours,

ANNEX C

[FORM OF OPINION OF BRAZILIAN COUNSEL TO THE COMPANY]

February 25, 2005

Credit Suisse First Boston LLC  
Eleven Madison Avenue  
New York, New York 10010  
United States of America

Ladies and Gentlemen:

1. We are qualified to practice law in the Federative Republic of Brazil (Brazil) and have acted as special Brazilian counsel to América Móvil, S.A. de C.V. (the Company), a Mexican corporation, in connection with certain aspects of its Brazilian indirect controlled companies ATL Telecom Leste S.A. (ATL), Tess S.A. (Tess), Americel S.A. (Americel), Telet S.A. (Telet), BSE S.A. (BSE), BCP S.A. (BCP), and Stemar Telecomunicações Ltda. (Stemar and, together with ATL, Tess, Americel, Telet, BSE and BCP, collectively, the Brazilian Subsidiaries).

2. This opinion letter is furnished at the request of the Company pursuant to Section 5(i) of the Underwriting Agreement dated February 17, 2005 (the Underwriting Agreement) among the Company, Radiomóvil Dipsa, S.A. de C.V., a Mexican corporation, as Guarantor and Credit Suisse First Boston LLC, as the Underwriter.

## Edgar Filing: AMERICA MOVIL SA DE CV/ - Form 6-K

3. For the purposes of giving this opinion, we have examined and relied on an executed copy of the authorization terms for the Personal Mobile Service (*Termo de Autorização do Serviço Móvel Pessoal*) (the Authorization Terms) entered into between each of the Brazilian Subsidiaries and the Brazilian National Telecommunications Agency (*Agência Nacional de Telecomunicações*) (ANATEL). In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of each of the Brazilian Subsidiaries and such other instruments and other certificates of public officials, officers and representatives of the Brazilian Subsidiaries and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

4. We have not made any investigation of the laws of any jurisdiction other than Brazil and this opinion is given solely in respect of the laws of Brazil in force as of the date hereof and not in respect of any other law. In particular, we have made no independent investigation of the laws of the State of New York and do not express or imply any opinion or views on such laws.

5. In giving this opinion, we have made the following assumptions:

- (i) that all documents submitted to us as facsimile or copy or specimen documents conform to their originals;
- (ii) that the signatures on the originals, certified copies or copies of all documents submitted to us are genuine;
- (iii) that all documents submitted to us as originals are complete and authentic; and
- (iv) that each of the Authorization Terms have been duly authorized, executed and delivered by ANATEL.

6. Based on the above assumptions and subject to the qualifications, explanations and reservations set forth below, we are of the opinion that:

- (i) Each of ATL, Tess, Americel, Telet, BSE and BCP is duly organized and validly existing as a *sociedade por ações* under the laws of Brazil;
- (ii) Stemar is duly organized and validly existing as a *sociedade limitada* under the laws of Brazil;
- (iii) To the best of our knowledge, after due inquiry, each of the Brazilian Subsidiaries has power and authority to own or lease its properties and conduct the businesses in which it is engaged, except where the failure to have such power or authority would not have a material adverse effect;
- (iv) Each of the Brazilian Subsidiaries holds the rights under its respective Authorization Term for the exploitation of the Personal Mobile Service in the geographical area described in the relevant Authorization Term, in accordance with its terms; and
- (v) The statements in the amended annual report of the Company on Form 20-F for the year ended December 31, 2003, which is incorporated by reference in the Registration Statement and the Prospectus (as such terms are defined in the Underwriting Agreement), under Item 4. Information on the Company Non-Mexican Operations Brazil (Telecom Americas) Regulatory environment, insofar as such statements constitute a summary of Brazilian legal or regulatory matters, fairly summarize the matters described therein in all material respects. However, we note that, subsequent to the filing of such amended annual report on Form 20-F with the U.S. Securities and Exchange Commission, ANATEL has submitted to public consultation the previously announced regulations on interconnection fees, proposing to switch from the current regime of agreed rates to a cost-based method for the determination of such fees.

7. This opinion is subject to all limitations arising from bankruptcy, insolvency, liquidation, reorganization, and similar laws affecting creditors rights generally.

8. This opinion is delivered solely for your benefit in connection with the Underwriting Agreement and may not be transmitted to anyone else nor is it to be relied upon by anyone else or for any other purpose or quoted or referred to in any public document or filed with anyone without our express consent.

9. This opinion is limited to the matters and transactions expressly stated herein and does not extend to, and is not to be read as extended by implication to, any other matter or transaction.

This opinion will be governed by and construed in accordance with the laws of Brazil in effect on the date hereof.

Very truly yours,

WITNESSETH:

(b) *Form of Reverse of Note.*

This Note is a duly authorized issue of securities of the Company (herein collectively called the Notes ), issued under an Indenture, dated as of March 9, 2004 and as previously supplemented by the First Supplemental Indenture dated as of March 9, 2004, the Second Supplemental Indenture dated as of March 9, 2004, the Third Supplemental Indenture dated as of April 27, 2004, the Fourth Supplemental Indenture dated as of November 3, 2004 and the Fifth Supplemental Indenture dated as of December 14, 2004 (herein called the Indenture , which term shall have the meaning assigned to it in such instrument), as further supplemented by the Sixth Supplemental Indenture dated as of February 25, 2005 (the Sixth Supplemental Indenture ), among the Company, Radiomóvil Dipsa, S.A. de C.V. *saciedad anónima de capital variable* organized and existing under the laws of Mexico (herein called the Guarantor, which term includes any successor Person under the Indenture) and JPMorgan Chase Bank, N.A., as Trustee (herein called the Trustee , which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, as further supplemented by the Sixth Supplemental Indenture, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantor, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof.

Additional notes on terms and conditions identical to those of this Note may be issued by the Company without the consent of the Holders of the Notes. The amount evidenced by such additional Notes shall increase the aggregate principal amount of, and shall be consolidated and form a single series with, the Notes.

In the event of redemption of this Note in part only, a new Note of this series and of like tenor for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default with respect to Notes shall occur and be continuing, the principal of all of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture.

All payments of principal and interest in respect of the Notes shall be made after withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico or any authority therein or thereof having power to tax ( Mexican Taxes ). In the event of any withholding or

deduction for any Mexican Taxes, the Company shall pay such additional amounts ( Additional Amounts ) as will result in receipt by the Holders of Notes on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Mexican Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Note to the extent:

(i) that any such taxes, duties, assessments or other governmental charges would not have been imposed but for (A) a connection between the Holder and Mexico other than the ownership or holding of such Note and the mere receipt of payments with respect to such Note or (B) failure by the Holder or any other Person to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with Mexico of the Holder or any beneficial owner of such Note if compliance is required by law, regulation or by an applicable income tax treaty to which Mexico is a party, as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and we have given the Holders at least 30 days notice prior to the first payment date with respect to which such certification, identification or reporting requirement is required to the effect that Holders will be required to provide such information and identification;

(ii) of any such taxes, duties, assessments or other governmental charges with respect to a Note presented for payment more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on any date during such 15-day period;

(iii) of estate, inheritance, gift or other similar taxes, assessments or other governmental charge imposed with respect to a Note;

(iv) any tax, duty, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on any series of Notes; and

(v) any payment on a Note to a Holder who is a fiduciary or partnership or a person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

For purposes of the provisions described in Clause (i) above, the term Holder of any Note means the direct nominee of any beneficial owner of such Note, which holds such beneficial owner's interest in such Note. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in Clause (i)(B) above shall not apply if (a) the provision of information, documentation or other evidence described in such Clause (i)(B) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note (taking into account any relevant differences between U.S. and Mexican law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including the United States - Mexico Income Tax Treaty), regulations (including proposed regulations) and administrative practice or (b) Rule 3.25.15 is in effect, unless the provision of the information, documentation or other evidence described in such Clause (i)(B) is expressly required by statute, regulation, rule or administrative practice in order to apply Rule 3.25.15 and the Company cannot obtain such information, documentation or other evidence on its own through reasonable diligence and the Company otherwise would meet the requirements for application of Rule 3.25.15. In addition, such

Clause (i)(B) shall not be construed to require that a non-Mexican pension or retirement fund or a non-Mexican financial institution or any other Person register with the Ministry of Finance and Public Credit for the purpose of establishing eligibility for an exemption from or reduction of Mexican withholding tax.

The Company shall provide the Trustee with the *constancia* or other relevant documentation, if any, (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Mexican Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Notes or the Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Mexico or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the Sixth Supplemental Indenture or the issuance of the Notes.

All references herein, in the Indenture, the Sixth Supplemental Indenture, the Notes or the Guarantees, to principal, premium, if any, or interest or any other amount payable in respect of any Note shall be deemed to include all Additional Amounts, if any, payable in respect of such principal, premium, interest or other amount payable, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Notes pursuant to the preceding paragraphs are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company shall be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

All references in the Indenture, the Sixth Supplemental Indenture, the Notes and the Guarantees to principal in respect of any Note shall be deemed to mean and include any Redemption Price payable in respect of such Note pursuant to any redemption or repurchase right hereunder (and all such references to the Stated Maturity of the principal in respect of any Note shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, premium, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 1010 of the Indenture.

The Notes are subject to redemption upon not less than 30 nor more than 60 days notice by mail, at any time:

(i) as a whole but not in part, at the election of the Company, at a cash price equal to the sum of (A) the principal amount of the Notes being redeemed, (B) accrued and unpaid current interest thereon to but not including the date fixed for redemption, and (C) any Additional Amounts which would otherwise be payable up to but not including the date fixed for redemption, if, as a result of any amendment to, or change in, the laws (or any laws, rules, or regulations thereunder) of Mexico or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules, or regulations (including a holding by a court of

competent jurisdiction), which amendment or change of such laws, rules, or regulations becomes effective on or after the date of the Sixth Supplemental Indenture, the Company would be obligated, after making reasonable endeavors to avoid such requirement, to pay Additional Amounts in excess of the Additional Amounts that the Company would be obligated to pay if payments made on the Notes were subject to withholding or deduction of Mexican Taxes at the rate of 10%; and

(ii) in whole or in part, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at, in each case, the Treasury Rate plus 35 basis points, plus, in the case of (A) and (B), accrued interest on the principal amount of such Notes to (but not including) the date of redemption.

For purposes of clause (ii) above, the following terms shall have the specified meanings:

**Treasury Rate** means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

**Comparable Treasury Issue** means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such notes.

**Independent Investment Banker** means one of the Reference Treasury Dealers appointed by the Company.

**Comparable Treasury Price** means, with respect to any Redemption Date, (x) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (y) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

**Reference Treasury Dealer** means Credit Suisse First Boston LLC or its Affiliates which are primary United States government securities dealers and two other leading primary United States government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary United States government securities dealer in New York City (a **Primary Treasury Dealer**), the Company shall substitute therefor another Primary Treasury Dealer.

**Reference Treasury Dealer Quotation** means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference

Treasury Dealer at 3:30 pm New York time on the third Business Day preceding such Redemption Date.

The Indenture, as further supplemented by the Sixth Supplemental Indenture, permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor, on the one hand, and the rights of the Holders of the Notes, on the other hand, at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, and (ii) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive certain past defaults under the Indenture, as further supplemented by the Sixth Supplemental Indenture, and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or the Sixth Supplemental Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium and interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture or the Sixth Supplemental Indenture and no provision of this Note or of the Indenture or the Sixth Supplemental Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture and subject to certain limitations therein set forth (including, without limitation, the restrictions on transfer under Sections 202 and 203 of the Sixth Supplemental Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company, the Guarantor and the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of U.S.\$2,000 and integral multiples of U.S.\$1,000 in excess thereof. As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture, and subject to certain limitations therein set

forth, Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Guarantor, the Trustee and any agent of the Company, the Guarantor or of the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

[REVERSE OF NOTE]

This Note is a duly authorized issue of securities of the Company (herein collectively called the *Notes* ), issued under an Indenture, dated as of March 9, 2004 and as previously supplemented by the First Supplemental Indenture dated as of March 9, 2004, the Second Supplemental Indenture dated as of March 9, 2004, the Third Supplemental Indenture dated as of April 27, 2004, the Fourth Supplemental Indenture dated as of November 3, 2004 and the Fifth Supplemental Indenture dated as of December 14, 2004 (herein called the *Indenture* , which term shall have the meaning assigned to it in such instrument), as further supplemented by the Sixth Supplemental Indenture dated as of February 25, 2005 (the

Sixth Supplemental Indenture ), among the Company, Radiomóvil Dipsa, S.A. de C.V. *sociedad anónima de capital variable* organized and existing under the laws of Mexico (herein called the *Guarantor*, which term includes any successor Person under the Indenture) and JPMorgan Chase Bank, N.A., as Trustee (herein called the *Trustee* , which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, as further supplemented by the Sixth Supplemental Indenture, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantor, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof.

Additional notes on terms and conditions identical to those of this Note may be issued by the Company without the consent of the Holders of the Notes. The amount evidenced by such additional Notes shall increase the aggregate principal amount of, and shall be consolidated and form a single series with, the Notes.

In the event of redemption of this Note in part only, a new Note of this series and of like tenor for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default with respect to Notes shall occur and be continuing, the principal of all of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture.

All payments of principal and interest in respect of the Notes shall be made after withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico or any authority therein or thereof having power to tax ( *Mexican Taxes* ). In the event of any withholding or deduction for any Mexican Taxes, the Company shall pay such additional amounts ( *Additional Amounts* ) as will result in receipt by the Holders of Notes on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Mexican Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Note to the extent:

(i) that any such taxes, duties, assessments or other governmental charges would not have been imposed but for (A) a connection between the Holder and Mexico other than the ownership or holding of such Note and the mere receipt of payments with respect to such Note or (B) failure by the Holder or any other Person to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with Mexico of the Holder or any beneficial owner of such Note if compliance is required by law, regulation or by an applicable income tax treaty to which Mexico is a party, as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and we have given the Holders at least 30 days notice prior to the first payment date with respect to

which such certification, identification or reporting requirement is required to the effect that Holders will be required to provide such information and identification;

- (ii) of any such taxes, duties, assessments or other governmental charges with respect to a Note presented for payment more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on any date during such 15-day period;
- (iii) of estate, inheritance, gift or other similar taxes, assessments or other governmental charge imposed with respect to a Note;
- (iv) any tax, duty, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on any series of Notes; and
- (v) any payment on a Note to a Holder who is a fiduciary or partnership or a person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

For purposes of the provisions described in Clause (i) above, the term *Holder* of any Note means the direct nominee of any beneficial owner of such Note, which holds such beneficial owner's interest in such Note. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in Clause (i)(B) above shall not apply if (a) the provision of information, documentation or other evidence described in such Clause (i)(B) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note (taking into account any relevant differences between U.S. and Mexican law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including the United States - Mexico Income Tax Treaty), regulations (including proposed regulations) and administrative practice or (b) Rule 3.25.15 is in effect, unless the provision of the information, documentation or other evidence described in such Clause (i)(B) is expressly required by statute, regulation, rule or administrative practice in order to apply Rule 3.25.15 and the Company cannot obtain such information, documentation or other evidence on its own through reasonable diligence and the Company otherwise would meet the requirements for application of Rule 3.25.15. In addition, such Clause (i)(B) shall not be construed to require that a non-Mexican pension or retirement fund or a non-Mexican financial institution or any other Person register with the Ministry of Finance and Public Credit for the purpose of establishing eligibility for an exemption from or reduction of Mexican withholding tax.

The Company shall provide the Trustee with the *constancia* or other relevant documentation, if any, (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Mexican Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Notes or the Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Mexico or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the Sixth Supplemental Indenture or the issuance of the Notes.

All references herein, in the Indenture, the Sixth Supplemental Indenture, the Notes or the Guarantees, to principal, premium, if any, or interest or any other amount payable in respect of any Note shall be deemed to include all Additional Amounts, if any, payable in respect of such principal, premium, interest or other amount payable, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Notes pursuant to the preceding paragraphs are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company shall be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

All references in the Indenture, the Sixth Supplemental Indenture, the Notes and the Guarantees to principal in respect of any Note shall be deemed to mean and include any Redemption Price payable in respect of such Note pursuant to any redemption or repurchase right hereunder (and all such references to the Stated Maturity of the principal in respect of any Note shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, premium, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 1010 of the Indenture.

The Notes are subject to redemption upon not less than 30 nor more than 60 days notice by mail, at any time:

(i) as a whole but not in part, at the election of the Company, at a cash price equal to the sum of (A) the principal amount of the Notes being redeemed, (B) accrued and unpaid current interest thereon to but not including the date fixed for redemption, and (C) any Additional Amounts which would otherwise be payable up to but not including the date fixed for redemption, if, as a result of any amendment to, or change in, the laws (or any laws, rules, or regulations thereunder) of Mexico or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules, or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules, or regulations becomes effective on or after the date of the Sixth Supplemental Indenture, the Company would be obligated, after making reasonable endeavors to avoid such requirement, to pay Additional Amounts in excess of the Additional Amounts that the Company would be obligated to pay if payments made on the Notes were subject to withholding or deduction of Mexican Taxes at the rate of 10%; and

in whole or in part, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at, in each case, the Treasury Rate plus 35 basis points, plus, in the case of (A) and (B), accrued interest on the principal amount of such Notes to (but not including) the date of redemption.

For purposes of clause (ii) above, the following terms shall have the specified meanings:

R-3

**Treasury Rate** means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

**Comparable Treasury Issue** means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such notes.

**Independent Investment Banker** means one of the Reference Treasury Dealers appointed by the Company.

**Comparable Treasury Price** means, with respect to any Redemption Date, (x) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (y) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

**Reference Treasury Dealer** means Credit Suisse First Boston LLC or its Affiliates which are primary United States government securities dealers and two other leading primary United States government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary United States government securities dealer in New York City (a **Primary Treasury Dealer**), the Company shall substitute therefor another Primary Treasury Dealer.

**Reference Treasury Dealer Quotation** means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 pm New York time on the third Business Day preceding such Redemption Date.

The Indenture, as further supplemented by the Sixth Supplemental Indenture, permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor, on the one hand, and the rights of the Holders of the Notes, on the other hand, at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, and (ii) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive certain past defaults under the Indenture, as further supplemented by the Sixth Supplemental Indenture, and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or the Sixth Supplemental Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium and interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture or the Sixth Supplemental Indenture and no provision of this Note or of the Indenture or the Sixth Supplemental Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture and subject to certain limitations therein set forth (including, without limitation, the restrictions on transfer under Sections 202 and 203 of the Sixth Supplemental Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company, the Guarantor and the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of U.S.\$2,000 and integral multiples of U.S.\$1,000 in excess thereof. As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Guarantor, the Trustee and any agent of the Company, the Guarantor or of the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

This Note is a Global Note and is subject to the provisions of the Indenture and the Sixth Supplemental Indenture relating to Global Notes, including the limitations in Section 203 of the Sixth Supplemental Indenture on transfers and exchanges of Global Notes.

This Note, the Guarantees and the Indenture and the Sixth Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

All terms used in this Note which are defined in the Indenture, as further supplemented by the Sixth Supplemental Indenture, shall have the meanings assigned to them in the Indenture, as further supplemented by the Sixth Supplemental Indenture.

to which interest has been paid or duly provided for, as the case may be, semi-annually on March 1 and September 1 in each year, commencing on September 1, 2005 at the rate of 6 3/8% per annum, until the principal hereof is paid or made available for payment, *provided* that any amount of interest on this Note which is overdue shall bear interest (to the extent that payment thereof shall be legally enforceable) at the rate per annum then borne by this Note from the date such amount is due to but not including the day it is paid or made available for payment, and such overdue interest shall be paid as provided in Section 306 of the Indenture.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall, as provided in such Indenture and the Sixth Supplemental Indenture, be paid to the Person in whose name this Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date for such interest, which shall be April 15 and August 15 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on the relevant Regular Record Date and may either be paid to the Person in whose name this Note (or one or more Predecessor Notes) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of the Notes not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Note may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture or the Sixth Supplemental Indenture. Interest on this Note shall be computed on the basis set forth in the Indenture and the Sixth Supplemental Indenture.

Payment of the principal of and interest on this Note shall be made at the office of the Trustee or agency of the Company in the Borough of Manhattan, New York City, New York, maintained for such purpose and at any other office or agency maintained by the Company for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts against surrender of this Note in the case of any payment due at the Maturity of the principal thereof (other than any payment of interest that first becomes payable on a day other than an Interest Payment Date); *provided, however*, that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Securities Register; and *provided, further*, that all payments of the principal of and interest on this Note, the Permitted Holders of which have given wire transfer instructions to the Trustee, the Company, or its agent at least 10 Business Days prior to the applicable payment date, shall be required to be made by wire transfer of immediately available funds to the accounts specified by such Permitted Holders in such instructions. Notwithstanding the foregoing, payment of any amount payable in respect of a Global Note shall be made in accordance with the Applicable Procedures of the Depositary.

Reference is hereby made to the further provisions of this Note set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Note shall not be entitled to any benefit under the Indenture and Sixth Supplemental Indenture or be valid or obligatory for any purpose.

[REVERSE OF NOTE]

This Note is a duly authorized issue of securities of the Company (herein collectively called the *Notes* ), issued under an Indenture, dated as of March 9, 2004 and as previously supplemented by the First Supplemental Indenture dated as of March 9, 2004, the Second Supplemental Indenture dated as of March 9, 2004, the Third Supplemental Indenture dated as of April 27, 2004, the Fourth Supplemental Indenture dated as of November 3, 2004 and the Fifth Supplemental Indenture dated as of December 14, 2004 (herein called the *Indenture* , which term shall have the meaning assigned to it in such instrument), as further supplemented by the Sixth Supplemental Indenture dated as of February 25, 2005 (the

Sixth Supplemental Indenture ), among the Company, Radiomóvil Dipsa, S.A. de C.V., a *sociedad anónima de capital variable* organized and existing under the laws of Mexico (herein called the *Guarantor*, which term includes any successor Person under the Indenture) and JPMorgan Chase Bank, N.A., as Trustee (herein called the *Trustee* , which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, as further supplemented by the Sixth Supplemental Indenture, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantor, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof.

Additional notes on terms and conditions identical to those of this Note may be issued by the Company without the consent of the Holders of the Notes. The amount evidenced by such additional Notes shall increase the aggregate principal amount of, and shall be consolidated and form a single series with, the Notes.

In the event of redemption of this Note in part only, a new Note of this series and of like tenor for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default with respect to Notes shall occur and be continuing, the principal of all of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture.

All payments of principal and interest in respect of the Notes shall be made after withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Mexico or any authority therein or thereof having power to tax ( *Mexican Taxes* ). In the event of any withholding or deduction for any Mexican Taxes, the Company shall pay such additional amounts ( *Additional Amounts* ) as will result in receipt by the Holders of Notes on the respective due dates of such amounts as would have been received by them had no such withholding or deduction (including for any Mexican Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Note to the extent:

(i) that any such taxes, duties, assessments or other governmental charges would not have been imposed but for (A) a connection between the Holder and Mexico other than the ownership or holding of such Note and the mere receipt of payments with respect to such Note or (B) failure by the Holder or any other Person to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with Mexico of the Holder or any beneficial owner of such Note if compliance is required by law, regulation or by an applicable income tax treaty to which Mexico is a party, as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and we have given the Holders at least 30 days notice prior to the first payment date with respect to

which such certification, identification or reporting requirement is required to the effect that Holders will be required to provide such information and identification;

- (ii) of any such taxes, duties, assessments or other governmental charges with respect to a Note presented for payment more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of such Note would have been entitled to such Additional Amounts on presenting such Note for payment on any date during such 15-day period;
- (iii) of estate, inheritance, gift or other similar taxes, assessments or other governmental charge imposed with respect to a Note;
- (iv) any tax, duty, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on any series of Notes; and
- (v) any payment on a Note to a Holder who is a fiduciary or partnership or a person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Note.

For purposes of the provisions described in Clause (i) above, the term *Holder* of any Note means the direct nominee of any beneficial owner of such Note, which holds such beneficial owner's interest in such Note. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in Clause (i)(B) above shall not apply if (a) the provision of information, documentation or other evidence described in such Clause (i)(B) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note (taking into account any relevant differences between U.S. and Mexican law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including the United States - Mexico Income Tax Treaty), regulations (including proposed regulations) and administrative practice or (b) Rule 3.25.15 is in effect, unless the provision of the information, documentation or other evidence described in such Clause (i)(B) is expressly required by statute, regulation, rule or administrative practice in order to apply Rule 3.25.15 and the Company cannot obtain such information, documentation or other evidence on its own through reasonable diligence and the Company otherwise would meet the requirements for application of Rule 3.25.15. In addition, such Clause (i)(B) shall not be construed to require that a non-Mexican pension or retirement fund or a non-Mexican financial institution or any other Person register with the Ministry of Finance and Public Credit for the purpose of establishing eligibility for an exemption from or reduction of Mexican withholding tax.

The Company shall provide the Trustee with the *constancia* or other relevant documentation, if any, (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Mexican Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Notes or the Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Mexico or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the Sixth Supplemental Indenture or the issuance of the Notes.

All references herein, in the Indenture, the Sixth Supplemental Indenture, the Notes or the Guarantees, to principal, premium, if any, or interest or any other amount payable in respect of any Note shall be deemed to include all Additional Amounts, if any, payable in respect of such principal, premium, interest or other amount payable, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Notes pursuant to the preceding paragraphs are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company shall be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

All references in the Indenture, the Sixth Supplemental Indenture, the Notes and the Guarantees to principal in respect of any Note shall be deemed to mean and include any Redemption Price payable in respect of such Note pursuant to any redemption or repurchase right hereunder (and all such references to the Stated Maturity of the principal in respect of any Note shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, premium, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 1010 of the Indenture.

The Notes are subject to redemption upon not less than 30 nor more than 60 days notice by mail, at any time:

(i) as a whole but not in part, at the election of the Company, at a cash price equal to the sum of (A) the principal amount of the Notes being redeemed, (B) accrued and unpaid current interest thereon to but not including the date fixed for redemption, and (C) any Additional Amounts which would otherwise be payable up to but not including the date fixed for redemption, if, as a result of any amendment to, or change in, the laws (or any laws, rules, or regulations thereunder) of Mexico or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules, or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules, or regulations becomes effective on or after the date of the Sixth Supplemental Indenture, the Company would be obligated, after making reasonable endeavors to avoid such requirement, to pay Additional Amounts in excess of the Additional Amounts that the Company would be obligated to pay if payments made on the Notes were subject to withholding or deduction of Mexican Taxes at the rate of 10%; and

in whole or in part, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at, in each case, the Treasury Rate plus 35 basis points, plus, in the case of (A) and (B), accrued interest on the principal amount of such Notes to (but not including) the date of redemption.

For purposes of clause (ii) above, the following terms shall have the specified meanings:

**Treasury Rate** means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

**Comparable Treasury Issue** means the United States Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such notes.

**Independent Investment Banker** means one of the Reference Treasury Dealers appointed by the Company.

**Comparable Treasury Price** means, with respect to any Redemption Date, (x) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (y) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

**Reference Treasury Dealer** means Credit Suisse First Boston LLC or its Affiliates which are primary United States government securities dealers and two other leading primary United States government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary United States government securities dealer in New York City (a **Primary Treasury Dealer**), the Company shall substitute therefor another Primary Treasury Dealer.

**Reference Treasury Dealer Quotation** means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 pm New York time on the third Business Day preceding such Redemption Date.

The Indenture, as further supplemented by the Sixth Supplemental Indenture, permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantor, on the one hand, and the rights of the Holders of the Notes, on the other hand, at any time by the Company, the Guarantor and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, and (ii) permitting the Holders of a majority in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive certain past defaults under the Indenture, as further supplemented by the Sixth Supplemental Indenture, and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, as further supplemented by the Sixth Supplemental Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or the Sixth Supplemental Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium and interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture or the Sixth Supplemental Indenture and no provision of this Note or of the Indenture or the Sixth Supplemental Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture and subject to certain limitations therein set forth (including, without limitation, the restrictions on transfer under Sections 202 and 203 of the Sixth Supplemental Indenture), the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company, the Guarantor and the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of U.S.\$2,000 and integral multiples of U.S.\$1,000 in excess thereof. As provided in the Indenture, as further supplemented by the Sixth Supplemental Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Guarantor, the Trustee and any agent of the Company, the Guarantor or of the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

This Note is a Global Note and is subject to the provisions of the Indenture and the Sixth Supplemental Indenture relating to Global Notes, including the limitations in Section 203 of the Sixth Supplemental Indenture on transfers and exchanges of Global Notes.
