PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
to be held on Thursday, April 18, 2002

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Progressive Return Fund, Inc., a Maryland corporation (the "Fund") for use at the Annual Meeting of Stockholders for the year 2002 (the "Meeting") to be held at the executive offices of Bear Stearns Funds Management Inc., 383 Madison Avenue, 13th Floor, Conference Room 301, New York, New York 10179 on Thursday, April 18, 2002, at 11:00 a.m., New York time, and at any and all adjournments thereof. A form of proxy is enclosed herewith. This Proxy Statement and the accompanying form of proxy are being first mailed to stockholders on or about March 25, 2002.

Any stockholder who executes and delivers a proxy may revoke it by written communication to the Secretary of the Fund at any time prior to its use or by voting in person at the Meeting. Unrevoked proxies will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR the election of Messrs. Edwin Meese III and Ralph W. Bradshaw as the nominees for Director, FOR the ratification of the selection of Tait, Weller & Baker as the independent accountants of the Fund for the year ending December 31, 2002, and FOR the approval of the one-for-four reverse stock split of the Fund's issued and outstanding shares of common stock and the amendment to the Articles of Incorporation.

In general, abstentions and broker non-votes, as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal where the broker does not have discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund's outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes have no effect on the outcome of a proposal. A broker non-vote is a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power.

-1-

Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of record one-third of the outstanding

Edgar Filing: PROGRESSIVE RETURN FUND INC - Form PRER14A

shares of common stock of the Fund entitled to vote at the Meeting. In the event that a quorum is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting to a date not more than one hundred twenty (120) days after the original record date to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion.

The cost of soliciting the proxies will be borne by the Fund. Proxy solicitations will be made primarily by mail, but solicitations may also be made by telephone, telegraph or personal interviews conducted by officers or employees of the Fund or Bear Stearns Funds Management Inc., the administrator to the Fund (the "Administrator").

Only holders of issued and outstanding shares of the Fund's common stock of record at the close of business on March 15, 2002 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. The number of shares of common stock outstanding on March 15, 2002 was 4,456,882. The Fund is a closed-end, non-diversified management investment company.

Copies of the Fund's most recent annual report may be ordered free of charge to any stockholder by writing to the Fund at c/o Bear Stearns Funds Management Inc., 383 Madison Avenue, New York, New York 10179, or by telephone by calling the Fund collect. This report is not to be regarded as proxy-soliciting material.

This Proxy Statement is first being mailed to stockholders on or about March 25, 2002.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Fund's By-laws, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. Each class has a term of three years and each year the term of office of one class expires. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

At the Meeting, stockholders will be asked to elect two Class II Directors to hold office until the year 2005 Annual Meeting of Stockholders or thereafter until each of their respective successors is duly elected and qualified. The term of office of the Class I Directors, currently consisting of Messrs. Thomas H. Lenagh and Andrew A. Strauss, expires at the year 2004 Annual Meeting of Stockholders or thereafter in each case until their successors are duly elected and qualified. The term of office of the Class III Directors, Messrs. Glenn W. Wilcox, Sr. and Scott B. Rogers, expires at the year 2003 Annual Meeting of Stockholders or thereafter in each case until their successors

Edgar Filing: PROGRESSIVE RETURN FUND INC - Form PRER14A

are duly elected and qualified.

At the Meeting, stockholders will be asked to vote for the election of Messrs. Ralph W. Bradshaw and Edwin Meese III as Class II Directors to serve until the year 2005 Annual Meeting of Stockholders or thereafter until each of their successors is duly elected and qualified. If elected, each nominee has consented to serve as a director of the Fund until his successor is duly elected and qualified.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of Messrs. Ralph W. Bradshaw and Edwin Meese III. Each nominee has indicated that he will serve if elected, and the Board of Directors has no reason to believe that any of the nominees named above will become unavailable for election as a director, but if any nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in accordance with their judgment.

The following table sets forth the names, addresses, ages and principal occupations of each of the nominees for election as Class II Directors:

 - ** Mr. Clark decided not to stand for re-election and resigned from his position as a member of the Board of Directors of the Fund on January 31, 2001.

Each Director attended at least seventy-five (75%) percent or more of the six (6) meetings of the Board of Directors (including regularly scheduled and special meetings) held during the period for which he was a Director.

AUDIT COMMITTEE

The Fund's Audit Committee is currently composed of five independent directors, Messrs. Wilcox, Strauss, Meese, Lenagh and Rogers. The principal functions of the Audit Committee include but are not limited to: (i) recommendations to the Board for the appointment of the Fund's independent accountants; (ii) review of the scope and anticipated cost of the independent accountant's audit; and (iii) consideration of the independent accountant's reports concerning their conduct of the audit, including any comments or recommendations the Board of Directors might make in connection thereto. The Audit Committee convened three times during the fiscal year ended December 31, 2001. Each member of the Audit Committee attended at least seventy-five percent (75%) or more of the three meetings of the Audit Committee.

On June 1, 2000, the Audit Committee, followed by the full Board of Directors, adopted a written charter setting forth the duties and responsibilities of the Audit Committee, and such charter was reapproved by the Board of Directors on February 9, 2001 and February 14, 2002, respectively. The Audit Committee recommends to the Board of Directors, subject to stockholder approval, the selection of Tait, Weller & Baker, as the Fund's independent accountants.

-8-

On February 25, 2002, the Board of Directors and the Audit Committee determined to replace PricewaterhouseCoopers LLP ("PwC") as the Fund's independent public accountants. PwC's accountant report for the past two years did not contain any adverse opinion or any qualification as to uncertainty, audit scope or accounting principles. Further, the Board's decision to replace PwC was not due to any disagreement on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

The following table sets forth the aggregate fees billed by PricewaterhouseCoopers LLP, the independent accountants for the Fund's most recent fiscal year, for professional services rendered for: (i) the audit of the Fund's annual financial statements and the review of financial statements included in the Fund's reports to stockholders ("Audit Fees"); (ii) financial information systems design and implementation services provided to the Fund, its investment manager and entities that control, are controlled by or under common control with the investment manager that provides services to the Fund ("Financial Information Systems Design"); and (iii) all other services provided to the Fund, its investment manager and entities that control, are controlled by or under common control with the Fund's investment manager that provides services to the Fund ("All Other Fees").

AUDIT COMMITTEE REPORT

The Audit Committee has met and held discussions with the Fund's Administrator, Bear Stearns Funds Management Inc., and the Fund's independent accountants. The Administrator represented to the Audit Committee that the Fund's financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with the Fund's Administrator and its independent accountants. The Audit Committee also discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61.

The Fund's independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants' their independence, in light of the services they were providing.

Based upon the Audit Committee's discussion with the Fund's Administrator and the independent accountants and the Audit Committee's review of the representations of the Fund's Administrator and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Fund's Annual Report for the fiscal year ended December 31, 2001 filed with the Securities and Exchange Commission.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Section 30(h) of the 1940 Act in combination require the Fund's directors and officers, persons who own more than ten (10%) of the Fund's common stock, and the Fund's investment manager and its directors and officers, to file reports of ownership and changes in ownership with the Securities and Exchange

Edgar Filing: PROGRESSIVE RETURN FUND INC - Form PRER14A

Commission and the New York Stock Exchange, Inc. The Fund believes that the Fund's directors and officers, the Fund's investment manager and its directors and officers have complied with all applicable filing requirements during the year ended December 31, 2001.

REQUIRED VOTE

Directors are elected by a plurality (a simple majority of the votes cast at the meeting) of the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Directors, abstentions and broker non-votes will be counted as shares present for quorum purposes, may be considered votes cast, and may affect the plurality vote required for Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MESSRS. EDWIN MEESE III AND RALPH W. BRADSHAW AS CLASS II DIRECTORS OF THE FUND.

-11-

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The second proposal to be submitted will be the ratification or rejection of the selection by the Board of Directors of Tait, Weller & Baker as independent public accountants of the Fund for the year ending December 31, 2002. At a meeting held on February 25, 2002, the Board of Directors, including those directors who are not "interested persons" of the Fund, approved the selection of Tait, Weller & Baker for the year ending December 31, 2002 and determined to replace PricewaterhouseCoopers LLP. Such selection of Tait, Weller & Baker is being submitted to the stockholders for ratification. The engagement of Tait, Weller & Baker is conditioned on the right of the Fund, by majority vote of its stockholders, to terminate such employment.

Tait Weller & Baker has informed the Fund that neither it nor any of its partners has any direct or indirect financial interest in the Fund. A representative of Tait Weller & Baker will be available by telephone at the Meeting and will have the opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

REQUIRED VOTE

Ratification of the selection of Tait Weller & Baker as independent accountants of the Fund requires the affirmative vote of the holders of a simple majority, defined as a majority of the votes cast by holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of this proposal, abstentions and broker non-votes will be counted as shares present at the Meeting for quorum purposes and may be considered votes cast for the foregoing purpose.

THE BOARD OF DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS, RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF TAIT, WELLER & BAKER AS THE FUND'S INDEPENDENT PUBLIC ACCOUNTANTS.

-12-

PROPOSAL NO. 3

APPROVAL OF ONE-FOR-FOUR REVERSE STOCK SPLIT OF
THE ISSUED AND OUTSTANDING SHARES OF COMMON STOCK
AND THE AMENDMENT TO THE ARTICLES OF INCORPORATION

The Board of Directors has determined that it is in the best interests of the Fund and the stockholders to approve an amendment to Article V of the Fund's Articles of Incorporation to effect a reverse stock split of the Fund's common stock on the basis of one new share of common stock for each four shares (1-for-4) of presently outstanding common stock. The amendment to the Articles of Incorporation, attached hereto as Exhibit A, would reduce the number of shares that are issued and outstanding as of the date of the amendment but would not have any other effect or change to the Fund's Articles of Incorporation or the rights of stockholders.

On February 25, 2002, the Board reviewed the Fund's current market price and net asset value per share and compared it to the Fund's historical market prices and net asset values per share, which have consistently been near to or in excess of \$15.00. The Board believes that some action needs to be taken in order to bring the current market price and net asset value per share close to such historical level. Although no assurances can be given, the Board believes that a reverse stock split would have the affect of increasing the Fund's market price and net asset value per share. Please refer to the section entitled "Potential Effects of the Reverse Stock Split" below for the risks associated with the reverse stock split.

The Articles of Amendment to the Articles of Incorporation will not reduce the total number of authorized shares of capital stock of 100,000,000 shares, or the par value of the Fund's common stock. As of March 15, 2002, 4,456,882 shares of common stock were issued and outstanding.

POTENTIAL EFFECTS OF THE REVERSE STOCK SPLIT

The immediate effect of a reverse stock split would be to reduce the number of shares of common stock outstanding, thereby, increasing the net asset value ("NAV") per share. A reverse stock split may result in an increase in the market price of the Fund's common stock. However, the effect of any reverse stock split upon the market price of the Fund's common stock cannot be predicted. The Fund cannot assure stockholders that the market price of its common stock after the reverse stock split will rise in exact proportion to the reduction in the number of shares of common stock outstanding. Also, as stated above, there can be no assurance that a reverse stock split would lead to a sustained increase in the market price of the Fund's common stock, that the market price would remain above the thresholds required by the NYSE, or that the Fund will be able to continue to meet the other continued listing requirements of the NYSE.

-13-

Edgar Filing: PROGRESSIVE RETURN FUND INC - Form PRER14A

EFFECTS ON OWNERSHIP BY INDIVIDUAL STOCKHOLDERS. If the Fund implements a reverse stock split, the number of shares of common stock held by each stockholder would be reduced by dividing the number of shares held immediately before the reverse split by the exchange ratio. Any shares below one whole share shall receive fractional shares.

The Fund will issue fractional shares for any fractional interest in a share to which such stockholder would otherwise be entitled as a result of the reverse split, as described below. The reverse stock split would affect the Fund's common stock uniformly and would not affect any stockholder's percentage ownership interests in the Company or proportionate voting power.

OTHER EFFECTS ON OUTSTANDING SHARES. The reverse stock split may result in some stockholders owning "odd-lots" of less than 100 shares of common stock. Brokerage commissions and other costs of transactions in odd-lots may be higher than the costs of transactions in "round-lots" of even multiples of 100 shares.

PROCEDURE FOR EFFECTING THE REVERSE STOCK SPLIT AND EXCHANGE OF STOCK CERTIFICATES

If the Stockholders approve the proposed amendment to the Fund's Articles of Incorporation, the Board of Directors may elect whether or not to declare the reverse stock split at any time after the Meeting. The reverse stock split would be implemented by filing the Articles of Amendment to the Articles of Incorporation with the Maryland Department of Assessments and Taxation, and the reverse stock split would become effective on the date of the filing.

As of the effective date of a reverse stock split, each certificate representing shares of the Fund's common stock before the reverse stock split would be deemed, for all corporate purposes, to evidence ownership of the reduced number of shares of common stock resulting from the reverse stock split.

The Fund expects that its transfer agent would act as the exchange agent for purposes of implementing the exchange of stock certificates. As soon as practicable after the effective date, stockholders would be notified of the effectiveness of the reverse split. Stockholders of record would receive a letter of transmittal requesting them to surrender their stock certificates for stock certificates reflecting the adjusted number of shares as a result of the reverse stock split. Persons who hold their shares in brokerage accounts or "street name" would not be required to take any further actions to effect the exchange of their certificates. No new certificates would be issued to a stockholder until the stockholder has surrendered the stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Until surrender, each certificate representing shares before the reverse stock split would continue to be valid and would represent the adjusted number of shares based on the exchange ratio of the reverse stock split. Stockholders should not destroy any stock certificate and should not submit any certificates until they receive a letter of transmittal.

FRACTIONAL SHARES

The Fund will issue fractional shares in connection with a reverse stock split. Stockholders will receive fractional shares if they hold a number of shares not evenly divisible by the exchange ratio.

NO APPRAISAL RIGHTS

No appraisal rights are available under the Maryland General Corporation Law with respect to the reverse stock split, and we will not independently provide stockholders with any such rights. There may exist other rights or actions under state law for stockholders who are aggrieved by reverse stock splits generally.

ACCOUNTING CONSEQUENCES

The reverse stock split will not affect the par value of our common stock. As a result, on the effective date of the reverse stock split, the stated capital on our balance sheet attributable to our common stock will be reduced in proportion with the exchange ratio, and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced.

U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of material U.S. federal income tax consequences of the reverse stock split and does not purport to be complete. It does not discuss any state, local, foreign or minimum income or other tax consequences. Also, it does not address the tax consequences to holders that are subject to special tax rules, including banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the provisions of the United States federal income tax law as of the date hereof, which is subject to change retroactively as well as prospectively. This summary also assumes that the shares are held as a "capital asset," as defined in the Internal Revenue Code of 1986, as amended (generally, property held for investment). The tax treatment of a stockholder may vary depending upon the particular facts and circumstances of the stockholder. Each stockholder is urged to consult with the stockholder's own tax advisor with respect to the consequences of the reverse stock split.

-15-

No gain or loss should be recognized by a stockholder upon the stockholder's exchange of shares pursuant to the reverse stock split. The aggregate tax basis of the shares received in the reverse stock split, including any fraction of a share deemed to have been received, would be the same as the stockholder's aggregate tax basis in the shares exchanged. The stockholder's holding period for the shares would include the period during which the stockholder held the pre-split shares surrendered in the reverse stock split.

Our view regarding the tax consequence of the reverse stock split are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts will accept the positions expressed above. The state and local tax consequences of the reverse stock split may vary significantly as to each stockholder, depending upon the state in which he or she resides. Accordingly, each stockholder should consult with his or her own tax advisor with respect to all of the potential tax consequences of the reverse stock split.

Required Vote

The affirmative vote of a majority of all outstanding shares of common stock of the Company entitled to vote at the Meeting is required for approval of the reverse stock split and the amendment to the Articles of Incorporation. Abstentions and broker non-votes will have the same effect as a vote against the

proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE PROPOSED REVERSE STOCK SPLIT AND THE AMENDMENT TO THE ARTICLES OF INCORPORATION.
