Nasdaq Hearing Panel Decides to Continue Listing Of RADA's Ordinary Shares on the Nasdaq SmallCap Market

Tuesday November 18, 2:44 pm ET

NETANYA, Israel, Nov. 18 /PRNewswire-FirstCall/ -- RADA Electronic Industries Ltd. (Nasdaq: RADIF - news) today announced that a Nasdaq Listing Qualification Panel has issued a decision indicating that RADA had evidenced compliance with the Nasdaq \$2.5 million shareholders' equity requirement as of September 30, 2003. Accordingly, the Panel determined to continue the listing of the Company's securities on the Nasdaq SmallCap Market. However, the Panel required the Company to timely file reports with the SEC and Nasdaq evidencing that its shareholders' equity as of December 31, 2003 and June 30, 2004 exceeds \$ 2.5 million.

Commenting on the Panel's decision, Chief Executive Officer, Adar Azancot stated, "We are heartened by the Panel's decision and believe that the Company has turned the corner and has established a solid foundation for future growth and profitability."

RADA Electronic Industries Was Selected by RAFAEL Armament Development Authorities Ltd. and a European Partner to Design and Manufacture Advanced Solid State Recorder for an Airborne System

Tuesday November 25, 11:56 am ET

NETANYA, Israel, Nov. 25 /PRNewswire-FirstCall/ -- RADA Electronic Industries Ltd. (Nasdaq: RADIF - News), was selected by RAFAEL Armament Development Authorities Ltd. of Israel and a European partner to design, develop and manufacture an advanced solid state recorder for an airborne system.

The solid state recorder is a high capacity, high read/write speed mass memory unit that will be used to store and retrieve data in the system. RADA's design of the solid state recorder integrates multiple M-Systems' fast flash disks and a fibre channel interface to provide the required capacity and performance.

The companies are currently negotiating a long term contract for the design, development and production of the solid state recorder, a contract that will be followed by multiple purchase orders for different programs in the next 5 years.

Commenting on the selection, Zvi Alon, RADA's V.P Business Development said, "This selection indicates the confidence of RAFAEL and their partner in RADA's capabilities and provides us with new technology that will help RADA expand its product range."
