Item 1.01. Entry into a Material Definitive Agreement.

On July 7, 2005, our property and casualty insurance company subsidiaries entered into a net quota share reinsurance contract with the participating reinsurers named below, which is effective July 1, 2005 through June 30, 2006. Pursuant to this reinsurance contract, our property and casualty subsidiaries are obligated to cede to the reinsurers, and the reinsurers are obligated to accept quota share reinsurance of, fifty percent (50%) of those companies' net written premium and associated net liability after all other inuring reinsurance under policies in force as of July 1, 2005 or issued or renewed during the term of the agreement, and classified as residential property and casualty business. Our property and casualty subsidiaries are allowed a provisional ceding commission of thirty-seven percent (37%), subject to adjustments based upon the ceded loss and loss adjustment expense ratio applicable to the subject business. Under this "sliding scale commission" structure, the commission paid to us varies with the ceded loss and loss adjustment expense ratio results, with a minimum commission of thirty percent (30%). The reinsurance contract also limits the liability of the reinsurers for loss and loss adjustment expenses arising out of catastrophic losses to 25% of our subsidiaries' aggregate ceded net earned premium for the contract period. We currently estimate that the maximum liability of the reinsurers under this reinsurance contract for such catastrophe losses to be approximately \$42.5 million. The participating reinsurers on the reinsurance contract are Swiss Reinsurance America Corporation and ACE Property and Casualty Insurance Company. This quota share reinsurance contract is in addition to our catastrophe reinsurance excess of loss program maintained in the ordinary course of business. The catastrophe excess of loss program generally provides reinsurance for losses from catastrophes in excess of \$20.0 million and up to \$150.0 million in losses for the period July 1, 2005 to June 30, 2006 with additional coverage in Florida provided by the Florida Hurricane Catastrophe Fund.
