In connection with the preliminary discussions concerning a possible business combination involving Zebra and Fargo, on May 23, 2001, a representative of Fargo furnished a representative of Zebra with certain information that was not publicly available, including a short set of financial projections for the fiscal years ending December 31, 2001 and 2002. These projections estimated total revenue of approximately \$62 million and operating income of approximately \$11 million for the fiscal year ending December 31, 2001 and total revenue of approximately \$80 million and operating income of approximately \$18 million for the fiscal year ending December 31, 2002. On July 12, 2001, Fargo provided Zebra with revised projections (together with the initial projections provided on May 23, 2001, the "Projections") for the fiscal years ending December 31, 2001 and 2002, based upon revised assumptions.
