#### ITEM 5. OTHER EVENTS

On September 18, 2002, Station Casinos, Inc. (the "Company") entered into an Amended and Restated Loan Agreement. This new \$365 million revolving bank facility (the "Bank Facility") will refinance the Company's \$234.8 million reducing revolving credit facility. The Bank Facility contains no principal amortization and matures in September 2007. Borrowings under the Bank Facility bear interest at a margin above the Alternate Base Rate or the Eurodollar Rate (each, as defined in the Bank Facility), as selected by the Company. The margin above such rates, and the fee on the unfunded portions of the Bank Facility, will vary quarterly based on the Company's combined consolidated ratio of funded debt to EBITDA (each, as defined in the Bank Facility). The Bank Facility also contains certain financial covenants including a maximum funded debt to EBITDA ratio, a minimum fixed charge coverage ratio, limits on capital expenditures and investments, limits on indebtedness and a maximum basket for the repurchase of equity securities.

Exhibits

99.1

Amended and Restated Loan Agreement dated as of September 18, 2002.
