Item 7.01 Regulation FD Disclosure

On September 25, 2007, Newfield issued its @NFX publication, which includes additional hedges since its last update in early August and updated tables detailing complete hedging positions as of September 24, 2007. A copy of this publication is furnished herewith as Exhibit 99.1. The statements set forth in this publication regarding estimated or anticipated production for future periods are forward looking and are based upon assumptions and anticipated results that are subject to numerous uncertainties. Actual results may vary significantly from those anticipated due to many factors including drilling results, oil and gas prices, the prices of goods and services, the availability of drilling rigs and other support services, the availability of capital resources and the availability of refining capacity.

Item 8.01 Other Events

On September 25, 2007, Newfield issued a press release providing an update regarding its producing property sales. Year-to-date, Newfield has entered into transactions to sell or has closed on sales for aggregate proceeds of more than \$1.8 billion. A copy of the press release is furnished herewith as Exhibit 99.2.
