None of the named individuals have any interest in the cash surrender value of the respective insurance policies, nor is there any understanding or agreement whereby the individuals are to be given any such interest.

Employment Agreements

The Company has entered into separate employment agreements with:

- o Barry Sloane, as Chairman and Chief Executive Officer;
- o Jeffrey G. Rubin, as President and Chief Investment Officer; and
- o Brian A. Wasserman, as Treasurer and Chief Financial Officer.

Barry Sloane, as Chairman and Chief Executive Officer, is responsible for implementing the policies adopted by the Company's board of directors. Jeffrey G. Rubin, as President and Chief Investment Officer is responsible for overseeing all of the Company's operations. Brian A. Wasserman, as Treasurer and Chief Financial Officer, is responsible for overseeing the Company's financial operations.

Each employment agreement provides for:

- o a two year term at an annual base salary of \$300,000;
- o an automatic one-year extension on the agreement's commencement anniversary date, unless either party provides written notice 90 days before the expiration date;
- o an annual 10% increase in base salary, the payment of which has been waived by each officer, respectively;
- o at least one annual salary review by the board of directors;
- o participation in a discretionary bonus plan;
- o retirement and medical plans, customary fringe benefits, vacation and sick leave; and
- o \$2 million of split-dollar life insurance coverage.

Edgar Filing: NEWTEK CAPITAL INC - Form 10KSB/A

Each agreement contains a noncompetition provision that requires the employee to devote substantially his full business time and efforts to the performance of the employee's duties under the agreement. The employee is not prohibited, however, from:

- o serving on the boards of directors of, and holding offices or positions in, companies or organizations which, in the opinion of the board of directors, will not present conflicts of interest with the Company; or
- o investing in any business dissimilar from the Company's or, solely as a passive or minority investor, in any business.

The Company may terminate an employee's employment for "just cause" as defined in the agreement, and upon the termination, no severance benefits are available. If the Company terminates an employee without just cause, the employee will be paid within 10 days of the termination a sum equal to 2.99 times the average annual compensation he received during the five-year period immediately prior to the date of his termination. If the employee voluntarily terminates his employment for "good reason" as defined in the agreement, or the employee's employment terminates during the term of the agreement due to death, disability, or retirement after age 62, the employee will be entitled to a continuation of his salary and benefits from the date of termination through the remaining term of the agreement. The employee is able to voluntarily terminate his agreement by providing 60 days' written notice to the board of directors, in which case the employee is entitled to receive only his compensation, vested rights, and benefits up to the date of termination.

Each employment agreement contains provisions stating that in the event of the employee's involuntary termination of employment in connection with, or within one year after, any change in control of the Company, the employee will be paid within 10 days of the termination a sum equal to 2.99 times the average annual compensation he received during the five-year period immediately prior to the date of change in control. "Control" generally refers to the acquisition, by any person or entity, of the ownership or power to vote more than 25% of the Company's voting stock, or the control of the election of a majority of directors or the exercise of a controlling influence over the Company's management or policies.

Each employment agreement also provides for a similar lump sum payment to be made in the event of the employee's voluntary termination of employment within 30 days of a change in control, or within 90 days thereafter, of certain specified events following any change in control, whether approval by the Board of Directors or otherwise which have not been consented to in writing by the employee including:

- o requiring the employee to move his personal residence or perform his principal executive functions more than 90 miles from the employee's primary office;
- o failing to maintain existing employee benefit plans, including material vacation, fringe benefits, and retirement plans;
- o assigning duties and responsibilities to the employee which are other than those normally associated with his position;
- o materially diminishing the employee's authority and responsibility; and
- o failing to elect or re-elect the employee to the Company's board of directors.

Each agreement provides that within three business days of a change in control, the Company shall fund, or cause to be funded, a trust in an amount equal to 2.99 times the average annual compensation the employee received during

Edgar Filing: NEWTEK CAPITAL INC - Form 10KSB/A

the five-year period immediately prior to the date of change in control. These provisions may have an anti-takeover effect by making it more expensive for a potential acquirer to obtain control of the Company. If the Company loses a legal dispute as to the employment agreement, the Company will reimburse the employee's legal and other expenses.

Cash Bonus Plan

The Company has established the Newtek Capital, Inc. Cash Bonus Plan for the purpose of providing its employees with incentive compensation in the form of cash bonuses. All full-time employees are eligible to receive cash bonuses under the plan. If an employee's employment is terminated for "cause" as defined in the plan, then the employee shall be ineligible to receive a bonus, and an employee whose employment otherwise terminates shall be eligible for a bonus that fiscal year, prorated to the number of days the employee was employed by the Company during its fiscal year. The Compensation Committee administers the plan. Bonuses are paid at the discretion of the Compensation Committee or the full Board of Directors. The aggregate amount of bonuses payable for any fiscal year are established by the Board of Directors and are based in part on the Company's pre-tax net profit for that fiscal year.

As used herein, "voting power" is the power to vote or direct the vote of shares, and "investment power" is the power to dispose or direct the disposition of shares.

Item 12. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required to furnish the

Edgar Filing: NEWTEK CAPITAL INC - Form 10KSB/A

Company with copies of all such reports. Based solely on its review of copies of such reports received by it, or written representations from certain reporting persons that no annual report of change in beneficial ownership is required, the Company believes that during the year ended December 31, 2001, with the one exception noted, all such filing requirements were complied with. Director Shenfeld failed to timely file an ownership report for the award of options acquired, but all required reports have been filed as of the date hereof.

Related Party Transactions
