Edgar Filing: SOUTH CAROLINA ELECTRIC & GAS CO - Form U-6B-2

8. Name of persons to whom each security was issued, renewed or guaranteed.

The Bonds were issued to and deposited with SunTrust Bank, as trustee under Bond Trust Indenture dated as of November 1, 2002 (the "Bond Indenture") with the South Carolina Jobs - Economic Development Authority (the "Issuer"), to secure the Company's payment obligation under a Loan Agreement dated as of November 1, 2002 (the "Loan Agreement") between the Issuer and the Company. The Issuer issued under the Bond Indenture and sold to SunTrust Capital Markets as underwriter for public distribution thereafter, \$90,425,000 principal amount Industrial Revenue Bonds (South Carolina Electric & Gas Project), Series 2002

9. Collateral given with each security, if any.

The first mortgage bonds are secured primarily by (1) a like principal amount of non-interest bearing first and refunding mortgage bonds (the Class A Bonds) issued pursuant to the Indenture of Mortgage, dated January 1, 1945 (the Class A Indenture), between the Company and J P Morgan Chase Bank, and (2) the lien of the Indenture dated April 1, 1993 (the New Indenture), between the Company and The Bank of New York. The Class A Bonds are secured by a lien upon substantially all of the fixed property and franchises used or useful in the Company's public utility businesses (except cash, securities, contracts and accounts receivable, materials and supplies, natural gas, oil, certain minerals and mineral rights and certain other assets) now owned by the Company, with certain exceptions, and the first mortgage bonds issued under the New Indenture are secured by a lien upon substantially all of the properties of the Company used in the generation, transmission and distribution of electric energy, together with any other property which the Company may elect to subject to such lien. The lien of the New Indenture is junior to the lien of the Class A Indenture.

10. Consideration received for each security.

\$90.4 million

11. Application of proceeds of each security.

The proceeds from the bonds (net of issuance costs) will be used to refund \$62.3 million outstanding principal amount of pollution control revenue bonds previously issued for the benefit of the Company, and to pay the costs of solid waste disposal facilities at two of the Company's electric generating plants.

12. Indicate by a check after the applicable statement below whether the issue, renewal or guaranty of each security was exempt from the provisions of Section 6(a) because of:

- a. the provisions contained in the first sentence of Section 6(b)
- b. the provisions contained in the fourth sentence of Section 6(b)
- c. the provisions contained in any rule of the commission other than Rule 48 X

13. If the security or securities are exempt from the provisions of
