and approved the decision to change independent accountants.

(iv) In connection with its audits for the last two fiscal years and through August 29, 2002, there have been no disagreements with Williams & Webster, P.S. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Williams & Webster, P.S. would have caused them to make a reference thereto in their report on the financial statements for such periods.

(b) New independent accountants.

WARP Solutions, Inc., the Registrant's subsidiary, prior to its acquisition by the Registrant.

(ii) During the last fiscal year and through August 28, 2002, the Registrant has not consulted Ernst & Young LLP regarding any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Item 5. Other Events.

On August 15, 2002, the Board of Directors of Abbott Mines Limited (the "Registrant") authorized and approved the upstream merger of WARP Technology Holdings, Inc., the Registrant's wholly owned subsidiary, with and into the Registrant pursuant to Chapter 92A of the Nevada Revised Statutes of the State of Nevada (the "Merger"). The Merger became effective on August 21, 2002, when the Registrant filed Articles of Merger with the Nevada Secretary of State. A copy of the Registrant's Articles of Merger is attached hereto as Exhibit 3.5.

As a result of the Merger, the Registrant is the surviving corporation. Accordingly, the Articles of Incorporation and By-Laws of the Registrant remain in full force and effect, except for the name change discussed below, and there is no change in the officers or directors of the Registrant. The rights and

preferences of the holders of the Registrant's common stock are not changed or affected by the Merger. The issued and outstanding shares of the Registrant's common stock were not converted in any manner, and each share of the Registrant's common stock which was issued and outstanding as of the effective date of the Merger continues to represent one share of common stock of the Registrant.

In connection with the Merger, and as authorized by Section 92A.180 of the Nevada Revised Statutes of the State of Nevada, the Registrant changed its name from Abbott Mines Limited to WARP Technology Holdings, Inc. The purpose of the name change was to better reflect the operating business of the Registrant. The Registrant's stockholders may, but are not required to, exchange their stock certificates for new certificates which reflect the Registrant's new name. As a result of the name change, beginning on August 30, 2002, the Registrant's common stock will trade on the OTC BB under the new trading symbol WRPT. Also in connection with the name change, the CUSIP number for the Registrant's Common was changed to 93464M105.

On September 3, 2002, the Registrant issued a press release announcing the Merger, name change and new trading symbol. A copy of that press release is attached hereto as Exhibit 99.1.
