February 25, 2002

### INFORMATION CONCERNING SOLICITATION AND VOTING

#### General

The enclosed proxy is solicited on behalf of the Board of Directors of Hologic, Inc. (the "Company"), for use at the Annual Meeting of Stockholders to be held on Monday, February 25, 2002, at 10:00 a.m., local time (the "Annual Meeting"), or at any continuation or adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the offices of the Company, 35 Crosby Drive, Bedford, Massachusetts 01730. This proxy statement, the accompanying notice of the Annual Meeting, proxy card and the annual report to stockholders are first being mailed to stockholders on or about January 25, 2002.

#### Record Date, Stock Ownership and Voting

Only stockholders of record at the close of business on January 11, 2002, are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on January 11, 2002 there were outstanding and entitled to vote 18,891,277 shares of common stock of the Company, par value \$.01 per share ("Common Stock"). Each stockholder is entitled to one vote for each share of Common Stock.

The affirmative vote of the holders of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors. The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of Arthur Andersen LLP as the Company's independent public accountants. A majority of the shares of Common Stock outstanding and entitled to vote is required to be present or represented by proxy at the Annual Meeting in order to constitute the quorum necessary to take action at the Annual Meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting. The inspector of elections will treat abstentions as shares of Common Stock that are present and entitled to vote for purposes of determining a quorum. Abstentions will have no effect on the outcome of the vote for the election of directors, but will have the effect of a vote cast against the ratification of the auditors. Shares of

## Edgar Filing: HOLOGIC INC - Form DEF 14A

Common Stock held of record by brokers who do not return a signed and dated proxy or do not comply with the voting instructions will not be considered present at the Annual Meeting, will not be counted towards a quorum and will not be voted in the election of directors or ratification of the auditors. Shares of Common Stock held of record by brokers who return a signed and dated proxy or comply with the voting instructions but who fail to vote on the election of directors or the ratification of the auditors will be considered present at the Annual Meeting and will count toward the quorum but will have no effect on the proposal not voted.

### Revocability of Proxies

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing with the Secretary of the Company at the Company's principal executive office, 35 Crosby Drive, Bedford, Massachusetts 01730, written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the Annual Meeting and voting in person.

### Solicitation

All costs of this solicitation of proxies will be borne by the Company. The Company has retained American Stock Transfer & Trust Company to aid in the solicitation of proxies from stockholders, banks and other institutional nominees. The fees and expenses of such firm are not expected to exceed \$10,000. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram, or personal solicitations by directors, officers, or employees of the Company. No additional compensation will be paid for any such services.

### Deadline for Receipt of Stockholder Proposals; Discretionary Authority of Proxies

Stockholder proposals for inclusion in the Company's proxy materials for the Company's 2003 Annual Meeting of Stockholders must be received by the Company no later than September 27, 2002. These proposals must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Stockholders who wish to make a proposal at the Company's 2003 Annual Meeting - other than one that will be included in the Company's proxy materials - should notify the Company no later than December 11, 2002. If a stockholder who wishes to present such a proposal fails to notify the Company by this date, the proxies that management solicits for the meeting will have discretionary authority to vote on the stockholder's proposal if it is properly brought before the meeting. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the proxy rules of the Securities and Exchange Commission.

The Board of Directors met five times for regular meetings and held nine special meetings during the year ended September 29, 2001. Messrs. Jacobs and Segel and Dr. Stein are currently the members of the Executive Committee. The Executive Committee did not meet formally during fiscal 2001. The Executive Committee has all the powers and authority of the Board of Directors, except those powers that may not lawfully be delegated by the Board of Directors and except those specific powers delegated by the Board of Directors to any other committee appointed by it.

Messrs. Jacobs and Segel and Dr. Peck, are currently the members of the Audit Committee. A copy of the Audit Committee Charter was filed with the Securities and Exchange Commission as Appendix A to the Company's Proxy Statement for the Annual Meeting of Stockholders held on March 6, 2001. Under the provisions of the Audit Committee Charter, the Audit Committee is responsible for, among other things: recommending to the Board of Directors the nomination of the Company's independent auditor; reviewing and monitoring the Company's financial reporting process and internal control systems; reviewing the Company's annual financial statements, the scope of the audit and the role and performance of the independent auditor; reviewing the independence of the independent auditors; providing an open avenue for communication between the independent auditor, management and the Board of Directors; and reviewing its Audit Committee Charter annually. ### AUDIT COMMITTEE REPORT

In connection with the issuance of the Company's Annual Report on Form 10-K for the fiscal year ended September 29, 2001, the Audit Committee:

1. Reviewed and discussed the Company's audited financial statements for the fiscal year ended September 29, 2001 with the management personnel.
2. Discussed with Arthur Andersen LLP, the Company's independent auditors, the matters required to be discussed by the Auditing Standards Board Statement of Auditing Standards (SAS) No. 61, as amended.
3. Requested and obtained from, and discussed with, the independent auditors the written disclosures and the letter required by

## Edgar Filing: HOLOGIC INC - Form DEF 14A

Independent Standards Board (ISB) No. 1, as amended, that the auditors were in all respects independent.

Based on the review and discussions referred in paragraph numbers (1) - (3) above, the Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended September 29, 2001 be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 29, 2001.

In connection with the issuance of the foregoing report, the Audit Committee advises you of the following: Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not duty or responsibility of the Audit Committee to conduct auditing or accounting reviews or procedures. Members of the Audit Committee are not and may not be employees of the Company, and they may not represent themselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. The Audit Committee's oversight does not provide the members of the Audit Committee with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

THE AUDIT COMMITTEE:

Gerald Segel, Chairman  
Irwin Jacobs  
William A. Peck

### Independent Auditor Fees

Audit Fees. Arthur Andersen LLP billed the Company an aggregate of \$298,000 for professional services rendered by it in connection with its audit of the Company's financial statements for the fiscal year ended September 29, 2001 and its review of the Company's quarterly reports on Form 10-Q during fiscal 2001.

Financial Information Systems Design and Implementation. Arthur Andersen LLP did not render any services to the Company for financial information systems design and implementation during fiscal 2001.

All Other Fees. Arthur Andersen LLP billed the Company an additional \$466,000 for professional services rendered during fiscal 2001 which are not otherwise described above. These fees included \$346,000 of audit related fees. Audit related fees include those related to assisting with the Company's 8KA filing, litigation support services and accounting consultation. All other fees also include \$120,000 for tax-related services, including tax advice and

## Edgar Filing: HOLOGIC INC - Form DEF 14A

research and the assistance with the preparation and filing of tax returns.

The Audit Committee has considered whether Arthur Andersen's provision of services other than services rendered in connection with the audit of the Company's annual financial statements is compatible with maintaining their independence.

### Compensation of Directors

In fiscal 2001, each non-employee director received (i) an annual retainer of \$12,000, payable \$3,000 per quarter, (ii) a director's meeting fee of \$1,500 for each meeting of the Board of Directors at which the director was physically present and \$600 for each meeting at which the director participated by telephone and (iii) a committee meeting fee for each meeting of a committee of the Board of Directors on which the director served and at which the director was physically present, in the amount of \$1,200 if the meeting was held on a day other than the day of the meeting of the Board of Directors and \$600 if held on the same day as the meeting of the Board of Directors, but no fee if the committee meeting was held at the same time or immediately in conjunction with the meeting of the Board of Directors.

In the past, non-employee directors were granted stock options pursuant to the Company's Amended and Restated 1990 Non-Employee Director Stock Option Plan (the "Director's Plan"). There are no remaining shares available for issuance under this plan, however, there are options to purchase 148,000 shares that were previously granted and are still outstanding and eligible to be exercised. Accordingly, the terms of the Director's Plan are still in effect. The exercise price for all options granted under the Director's Plan is the fair market value of the Common Stock on the date of the option grant. The exercise price may be paid in cash, with Common Stock (valued at fair market value on the date of purchase), or by a combination of cash and Common Stock.

Beginning in 1999, non-employee directors became eligible to receive stock options pursuant to the Company's 1999 Equity Incentive Plan (the "1999 Plan"). The 1999 Plan provides that, unless otherwise determined by the Board of Directors, each director of the Company who is not an employee of the Company shall automatically be granted a nonqualified option to acquire 25,000 shares of Common Stock as of the date he or she is first elected to the Board or, with respect to such directors serving on the Board, as of the effective date of the 1999 Plan. In each case, the option price will be

the fair market value of the Common Stock on the date of grant and the expiration date will be the tenth anniversary thereof. Each such nonqualified option will become exercisable in 20% installments beginning on January 1 of the first year after the grant date, and on January 1 of each year thereafter, until such option is fully exercisable on January 1 of the fifth year following the grant date.

The 1999 Plan also provides that, unless otherwise determined by the Board of Directors, each director of the Company who is not an employee of the Company and who has served as a director for six months shall automatically be granted a nonqualified option to acquire 3,000 shares of Common Stock as of January 1 of each year. The option price will be the fair market value of the Common Stock on such date and the expiration date will be the tenth anniversary thereof. These options are exercisable on and after the date that is six months after the date of grant. On January 1, 2001, options to purchase 3,000 shares of Common Stock, at an exercise price of \$5.3125 per share, were granted to each of Messrs. Jacobs and Segel and Dr. Peck and Ms. Ullian under the 1999 Plan.

The Board of Directors is authorized to increase annually the number of

## Edgar Filing: HOLOGIC INC - Form DEF 14A

shares of Common Stock available for issuance under the 1999 Plan, subject to certain limitations. Effective on September 30, 2001, the Board of Directors increased the number of shares available under the 1999 Plan by 380,000 shares bringing the total shares available for issuance under the 1999 Plan to 1,440,000 shares.

### PROPOSAL 2

#### RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors recommends that the stockholders ratify the selection of Arthur Andersen LLP as independent public accountants to examine the consolidated financial statements of the Company and its subsidiaries for the fiscal year ending September 28, 2002. Arthur Andersen LLP has audited the Company's financial statements annually since 1986 and the Board of Directors believes it is desirable and in the best interests of the Company to continue employment of that firm. The affirmative vote of a majority of the Company's Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the appointment of Arthur Andersen LLP as the Company's independent public accountants. Action by stockholders is not required by law in the appointment of independent public accountants, but their appointment is submitted to the stockholders by the Board of Directors in order to provide the stockholders with a voice in the designation of the Company's independent public accountants. If the appointment is not ratified by the stockholders, the Board of Directors will reconsider its choice of Arthur Andersen LLP as the Company's independent public accountants. For a discussion of the fees paid to Arthur Andersen LLP during the fiscal year ended September 29, 2001, please see "Independent Auditor Fees."

A representative of Arthur Andersen LLP will be present at the meeting to make a statement if such representative desires to do so and to respond to appropriate questions.

### Severance and Separation Agreements

Severance agreements are in effect between the Company and the following named executive officers: Messrs. Cumming, Muir and Duerst and Dr. Stein. During the year, similar agreements with Messrs. Ellenbogen and Nakashige were terminated. The agreements are intended to encourage the executives to continue to carry on their duties in the event of a change of control of the Company. Under the terms of these agreements, if termination of an executive's employment occurs within the three-year period following a change of control of the Company and such termination is by the Company (or its successor) other than for cause or disability or by the executive for good reason (each as defined in the agreement), the executive will be entitled to receive, among other things, in a lump sum in cash: (i) the executive's accrued salary; (ii) a pro rata portion of such executive's highest annual bonus; (iii) if the executive has remained employed for one year following the change of control, a special bonus equal to the sum of the executive's annual salary and highest annual bonus; and (iv) a severance amount equal to \$1.00 less than the executive's base amount (as defined in the tax code), multiplied by three. In addition, all unvested stock options or stock appreciation rights held by the executive shall become immediately exercisable for a one year period following the executive's termination date. The severance agreements confer no benefits prior to a change of control. In the event that any payments received by the executives in connection with a change of control are subject to the excise tax imposed upon certain change of control payments under federal tax laws or would be nondeductible to the Company under such laws, the agreements provide for a reduction in the amount to be paid to the executive to an amount which is one dollar less than the maximum that can be paid without subjecting the payments to such excise tax or resulting in such payments being nondeductible to the Company.

The Company also has separation agreements with Messrs. Cumming, Muir and Dr. Soltani, three named executive officers. Under the terms of these agreements, if the executive's employment is terminated for any reason other than cause, the executive will receive a separation package which will include a salary contribution of up to one year of base salary and continued medical and dental benefits up to the earlier of one year or such time as the executive becomes re-employed. The separation agreements survive a change in control, but cannot be triggered by a change in control or any voluntary separation notice given by the executive.

On July 27, 2001 the Company entered into a separation agreement with Steve Nakashige in connection with his resignation from his positions as President, Chief Operating Officer and a director of the Company. The agreement provides that the Company will continue to pay Mr. Nakashige's then current base salary of \$200,000, through July 27, 2002. In addition, the Company agreed to provide the following to Mr. Nakashige through the earlier of his re-employment or July 27, 2002: (i) payment of health and dental insurance premiums if Mr. Nakashige elected to be covered under the Company's health plans, (ii) continued use of the Company car then leased to him, (iii) continued use of Company e-mail,

## Edgar Filing: HOLOGIC INC - Form DEF 14A

voice-mail, and cell phone, and (iv) ownership of his Company's laptop computer. The Company also agreed to provide continued coverage to Mr. Nakashige under the Company's directors and officers insurance plan, with respect to matters covered by the plan through July 27, 2002 (and thereafter pursuant to the plan for incidents occurring during his employment with the Company). In exchange for these severance benefits, Mr. Nakashige agreed to certain restrictions, including, an agreement not to solicit employees of the Company and not to compete with certain businesses of the Company.

### Compensation Committee Interlocks and Insider Participation

Decisions regarding executive compensation are made by the Company's Compensation Committee of the Board of Directors, which is composed of Irwin Jacobs, William A. Peck, Gerald

Segel and Elaine Ullian. The Compensation Committee also administers the Company's stock incentive plans, Executive and Key Employee Bonus Program, Trex Acquisition Bonus Plan, Performance - Bonus Plan, and 401(k) Plan. None of the members of the Compensation Committee has ever been an officer or employee of the Company or any of its subsidiaries. Glenn P. Muir, the Executive Vice President of Finance and Administration, Treasurer and a director of the Company, served on the Board of Directors and the Compensation Committee of Vivid during fiscal 2000. S. David Ellenbogen, the former Chairman of the Board and Chief Executive Officer of the Company, and Jay A. Stein, Chief Technical Officer and a director of the Company, were executive officers of Vivid until January 13, 2000, when Vivid was purchased by PerkinElmer, Inc.

### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors, consisting entirely of independent non-management directors, approves all policies under which compensation is paid or awarded to the Company's executive officers. The Committee is comprised of Messrs. Jacobs and Segel, Dr. Peck and Ms. Ullian.

### The Company's Compensation Philosophy and Plan

The Company's executive compensation program is designed to attract and retain superior executive talent, to provide incentives and rewards to executive officers who will contribute to the long-term success of the Company and to closely align the interests of executives with those of the Company's stockholders.

The Committee reviews the Company's executive compensation program through the application of the subjective business judgment of each of its members and through an informal survey of executive compensation programs of peer companies. The Compensation Committee does not use a quantitative method or use a mathematical formula to set any element of compensation for a particular executive officer. The Compensation Committee uses discretion and considers all elements of an executive's compensation package when setting each portion of compensation which is based upon corporate performance and individual initiatives and performance. The principal elements of the Company's executive compensation program consist of: (i) base annual salary, (ii) executive bonus program and (iii) equity awards.

**Base Annual Salaries.** Base annual salaries for executive officers are initially determined by evaluating the responsibilities of the position and the experience and knowledge of the individual. Also taken into consideration is the competitiveness of the marketplace for executive talent, including a comparison of base annual salaries for comparable positions at peer companies. Individual adjustments are made at the discretion of the Compensation Committee, taking

## Edgar Filing: HOLOGIC INC - Form DEF 14A

into consideration factors such as the Company's performance and the Compensation Committee's subjective perception of the individual's performance.

Executive Bonus Program. The Compensation Committee of the Board of Directors approved an Executive and Key Employee Bonus Program for fiscal 2001 under which executive officers, senior management and key contributors selected by the Compensation Committee were eligible for cash bonuses, awarded at the discretion of the Compensation Committee, to be paid in the first quarter of fiscal 2002. This program is designed to attract and retain key talent and is directly related to our success and to an overall increase in shareholder value. Under this program, executive officers are measured against a combination of strategic, divisional and individual goals to qualify for a bonus. Considerations include an evaluation of overall and divisional revenues and profitability, new product development and introductions, and improved shareholder value. Based on an evaluation of the Company's overall profitability and change in shareholder value during fiscal 2001, the Compensation

Committee did not award bonuses to the Company's executive officers, senior management or key contributors with respect to fiscal 2001 performance.

In November 2001, the Compensation Committee of the Board of Directors approved a similar Executive and Key Employee Bonus Program for fiscal 2002 under which executive officers, senior management and key contributors selected by the Compensation Committee are eligible for cash bonuses to be awarded at the discretion of the Compensation Committee, to be paid in the first quarter of fiscal 2003. As part of this plan, three of the executive officers were asked to forgo eligibility and participation in this plan for fiscal 2002 in order to help achieve the company's stated goal of profitability for the year. Messrs. Cumming, Muir and Dr. Stein have each agreed not to participate in the plan and in lieu thereof were each awarded stock options to purchase 50,000 shares of Common Stock. These options, granted on November 13, 2001 vest annually over a ten year period and accelerate to full vesting in the year the company achieves pre-tax profits of at least \$1 million.

Equity Awards. The third component of executive officers' compensation are equity awards in the form of stock options and restricted stock grants.

Stock options and restricted stock grants are designed to align the interests of the executive with those of the stockholders. Stock options are granted at an exercise price equal to the fair market value of the Common Stock on the date of grant. These options generally vest at the rate of 20% or 25% per year, with the first installment vesting either at the end of one or two years, respectively, from the date of employment (for options granted upon initial employment) or the date of grant and are exercisable within ten years from the date of grant. The restricted stock grants are awards of shares of Common Stock. These awards are generally subject to repurchase by the Company for a two year period from the date of grant. The size of individual option and stock grants are based upon the Committee's subjective review of the job responsibility and individual contribution to the Company's success. Previous option and stock grants are considered when awards are determined. These equity awards are designed to provide incentives for the creation of long-term value for the Company's stockholders.

### Compensation of the Chief Executive Officer

On June 21, 2001, S. David Ellenbogen, the Company's co-founder, Chairman and Chief Executive Officer passed away. On July 31, 2001, the Board of Directors named John W. Cumming as our Chief Executive Officer, President and a director. At that time, Mr. Cumming's salary was increased to \$300,000 from \$250,000, which he was earning as the President of the Company's Lorad division.

## Edgar Filing: HOLOGIC INC - Form DEF 14A

This new base salary was the same as Mr. Ellenbogen's which the Committee considered at the time to be comparable to the salaries of chief executive officers of peer companies based on the Committee's informal survey of executive compensation at peer companies. In addition, Mr. Cumming received options to purchase 150,000 shares at \$5.78 per share, the fair market value of the Company's Common Stock on the date of grant, pursuant to the Company's 1999 Equity Incentive Plan. In fiscal 2001, Mr. Cumming was instrumental in, among other things, turning around the performance of the Company's Lorad mammography operation and initiating the restructuring plan to return the Company to profitability.

### Conclusion

Through these programs, a significant portion of the Company's executive compensation is linked directly to individual and Company performance in pursuance of strategic goals as well as stock price appreciation. The Compensation Committee intends to continue the policy of linking executive compensation to Company performance and stockholder return, recognizing however, that fluctuations in the operating results of the business may result over time.

CERTAIN RELATED TRANSACTIONS

Prior to joining the Company, John Cumming, the Company's Chief Executive Officer, President and a director, was the President and Managing Director of Health Care Markets Group, a strategic advisory and investment banking firm which he founded in 1984. During Mr. Cumming's tenure with them, Health Care Markets Group served as the Company's financial advisor in connection with the Company's acquisition of Direct Radiography Corp. and of the U.S. assets of Trex Medical. During each of fiscal 2000 and 1999, the Company paid Health Care Markets Group \$260,000 in advisory fees in connection with those transactions. In addition, in connection with these consulting activities, in June 1999, the Company granted Mr. Cumming a stock option to acquire 30,000 shares of the Company's Common Stock at \$5.00 per share. Until recently, Mr. Cumming held a 33% equity interest in Health Care Markets Group. He now owns a 25% interest.

In addition, to assist Mr. Cumming in the purchase of a local primary residence in connection with his initial relocation to Danbury, Connecticut to take on the position of Senior Vice President and President of Lorad, the Company loaned Mr. Cumming the principal amount of \$300,000 pursuant to a promissory note. The note bears interest at the rate of 7.0% per year. The principal and interest of the note become payable each quarter commencing on January 10, 2002 until paid in full no later than January 10, 2005. In the event that the Company undergoes a change of control, the balance of the note will be forgiven. In the event Mr. Cumming's employment with the Company is terminated, either voluntarily or for cause, Mr. Cumming has agreed to repay the balance of the note.

In connection with Mr. Cumming's recent move to the Company's Massachusetts headquarters in order to assume the position of Chief Executive Officer and President, the Company loaned Mr. Cumming an additional principal amount of \$200,000, which has been consolidated with the original loan into one \$500,000 promissory note on the same terms as the original loan. As of the date of this report, an aggregate of \$500,000 of principal on this loan remains outstanding.
