Annual Meeting of Shareholders

March 22, 2001

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of The Mexico Fund, Inc. (the "Fund"), a Maryland corporation, to be voted at the Annual Meeting of Shareholders of the Fund (the "Meeting") to be held at 30 Rockefeller Plaza, 23rd Floor, New York, New York, 10112 on March 22, 2001 at 2:00 P.M. and at any adjournment thereof. The approximate mailing date of this Proxy Statement is February 22, 2001. The report for the fiscal year ended October 31, 2000, including financial statements, was previously mailed to shareholders on December 20, 2000. To request a copy of the annual report, please visit the Fund's web site at www.themexicofund.com or contact the Fund's Information Agent at: Morrow & Co., Inc., 14755 Preston Road - Suite 725, One Signature Place, Dallas, Tx 75240, (800) 224-4134. A representative of Arthur Andersen LLP, who is expected to be present at the Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to answer questions.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxies. Unless instructions to the contrary are marked thereon with respect to each Proposal, a properly executed proxy will be voted FOR Proposals 1 and 2 but AGAINST Proposal 3. The appointed proxies will vote in their discretion on any other business as may properly come before the meeting or any adjournment or postponements thereof.

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Approval of each of the Proposals requires the affirmative vote of a majority of the shares cast at the Meeting. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on all proposals. For purposes of Proposal 1 and 2, broker non-votes will be voted FOR each Proposal. For purposes of Proposal 3, broker non-votes do not constitute a vote "for" or "against" the Proposal and will be disregarded in determining the "votes cast" on the Proposal.

Any shareholder giving a proxy has the right to attend the Meeting to vote his or her shares in person (thereby revoking any prior proxy) and also the right to revoke the proxy at any time by written notice received by the Fund prior to its exercise.

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxies will vote in favor of the

Edgar Filing: MEXICO FUND INC - Form DEF 14A

adjournment. If a quorum is present, the proxy holders will vote proxies which vote for any proposal with respect to which insufficient votes for approval have been received in favor of such an adjournment, and will vote those proxies required to be voted against such a proposal, against adjournment. A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any adjournment if sufficient votes have been received for approval. In the event any of the proposals are not approved by shareholders, the Board of Directors of the Fund will consider appropriate action.

The Board of Directors has fixed the close of business on February 16, 2001 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. Shareholders on the record date will be entitled to one vote for each share held. As of October 31, 2000, the Fund had outstanding 49,052,125 shares of common stock, par value \$1.00 per share. To the best of the Fund's knowledge based on filings made with the Securities and Exchange Commission, as of October 31, 2000, the beneficial owners of more than five percent (5%) of the voting securities of the Fund are the following:

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors of the Fund is divided into three classes of Directors, as nearly equal in number as possible, each of which serves for three years with one class being elected each year. Each year the term of office of one class will expire. The terms of office of Messrs. Claudio X. Gonzalez, Jose Luis Gomez Pimienta and Robert L. Knauss expire this year. Messrs. Gonzalez, Gomez Pimienta and Knauss have been nominated as Class II Directors for a three year term expiring in 2004. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

The Board of Directors of the Fund knows of no reason why any of these nominees would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend. The Fund's Directors and executive officers beneficially own less than 0.1% of the Fund's common stock. None of the Directors, with the exception of Mr. Jose Luis Gomez Pimienta, is an "interested person" of the Fund as defined in the Investment Company Act of 1940, as amended (the "1940 Act").

All shares listed in this table are owned with sole voting and investment power, and in the aggregate represent less than 1/10 of 1% of the total shares outstanding of common stock as of January 31, 2001.

++ Audit Committee and Nominating and Corporate Governance Committee member.

The Fund has a standing Audit Committee and a Nominating and Corporate Governance Committee. The Audit Committee is composed entirely of Directors who are not "interested persons" of the Fund or the Fund's investment adviser within the meaning of the 1940 Act, and who are "independent" as defined in the New York Stock Exchange listing standards. The Audit Committee reviews both the audit and non-audit work of the Fund's independent public accountants, submits recommendations to the Board of Directors as to the selection of independent

-9-

public accountants, and reviews compliance of the Fund with regulations of the Securities and Exchange Commission and the Internal Revenue Service, and other related matters.

The Fund adopted an Audit Committee Charter on December 6, 1999, a copy of which is attached to this Proxy Statement as Exhibit A. The Audit Committee has received written disclosures and the letter required by Independence Standards Board No.1 from Arthur Andersen LLP, the Fund's independent auditors, and has discussed with Arthur Andersen LLP its independence. The Audit Committee has also reviewed and discussed the audited financial statements with Fund management and Arthur Andersen LLP, and discussed certain matters with Arthur Andersen LLP addressed by Statements on Auditing Standards No. 61. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2000.

The Nominating and Corporate Governance Committee recommends nominations for membership on the Board of Directors. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Fund's investment adviser and other principal service providers. It periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. This Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Nominating and Corporate Governance Committee does not consider

Edgar Filing: MEXICO FUND INC - Form DEF 14A

candidates for the Board of Directors suggested by stockholders.

During the Fund's fiscal year ended October 31, 2000, the Board held four regular meetings, four telephonic special meetings, two Audit Committee meetings and one Nominating and Corporate Governance Committee meeting. Each Director then in office attended 75% or more of the aggregate number of regular and special meetings of the Board.

During the fiscal year ended October 31, 2000, the Fund paid each Director, with the exception of Mr. Gomez Pimienta (who is not compensated for his services as Director), an annual retainer of \$12,000 and \$2,000 per meeting attended. The Fund also paid a \$1,500 per diem fee to each Director for travel required to attend a Board meeting and reimbursed all Directors, with the exception of Mr. Gomez Pimienta, for out-of-pocket expenses relating to attendance at meetings. The aggregate amount of fees paid and expenses reimbursed to the Directors for the twelve-month period ended October 31, 2000 was \$283,696.

The following table sets forth the aggregate compensation (not including per diem fees and expense reimbursement) paid by the Fund to each Director (other than Mr. Gomez Pimienta, who receives no director fees or other compensation for services as a director of the Fund) during the fiscal year ended October 31, 2000, as well as the total compensation paid by the Fund to each Director.

* There are no other funds in the Fund Complex.

The Fund has adopted a policy that half of the annual retainer paid by the Fund to its Directors is used by each Director to purchase Fund shares on the secondary market. All Board members have complied with this policy.

The officers of the Fund and their principal occupations for the past five years are: Jose Luis Gomez Pimienta (age 61), President (since 1981), who also serves as Chairman of the Board and Director General of the Adviser, Samuel Garcia-Cuellar (age 58), Secretary (since 1981), who is a partner of Creel, Garcia-Cuellar y Muggenburg, S.C., Mexican counsel to the Fund, Secretary of the Adviser and a Director of Grupo Modelo (beverages); and Carlos Woodworth Ortiz (age 57), who is Treasurer and Compliance Officer of the Fund (since 1981), and a Deputy Director of the Adviser, and an Alternate Director of the Bolsa Mexicana de Valores, S.A. de C.V. (Mexican Stock Exchange). Additional officers

Edgar Filing: MEXICO FUND INC - Form DEF 14A

of the Fund are: Hector Trigos (age 40), Vice President, Research (since 1999), who also serves as Director of Research of the Adviser; Alberto Osorio (age 33), Vice President, Finance (since 1999), who also serves as Director of Finance of the Adviser; and Eduardo Solano, (age 32), Vice President, Investor Relations (since 1999), who also serves as Director of Economic Research of the Adviser. These officers have all served as Officers of the Adviser for the past five years. Allan S. Mostoff (age 68) and Sander M. Bieber (age 50), partners of Dechert, U.S. counsel to the Fund, are Assistant Secretaries of the Fund (since 1981 and 1989, respectively). The officers of the Fund serve at the discretion of the Board of Directors.

The Board of Directors recommends that shareholders vote FOR the election of each of the three nominees to the Fund's Board of Directors.

PROPOSAL 2: SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon recommendation of the Audit Committee, has selected Arthur Andersen LLP as independent public accountants to examine the financial statements of the Fund for the fiscal year ending October 31, 2001. Audit services performed by Arthur Andersen LLP during the most recent fiscal year included examination of the financial statements of the Fund, review of filings with the Securities and Exchange Commission and preparation of tax returns.

-11-

During the fiscal year ended October 31, 2000, the Fund incurred the following fees for services provided by Arthur Andersen LLP:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees
\$84,533	None	\$31,900

During the Adviser's last fiscal year (calendar year 2000), Arthur Andersen LLP provided audit and tax services to the Adviser and was paid an aggregate amount of \$53,122.

The Audit Committee has considered whether the provision of the services covered under the column "All Other Fees" is compatible with maintaining Arthur Andersen LLP's independence.

The Fund knows of no direct or indirect interest of such firm in the Fund. A representative of Arthur Andersen LLP will be present at the Meeting and will have the opportunity to respond to questions from shareholders.

The Board of Directors recommends that shareholders vote FOR the ratification of the selection of Arthur Andersen LLP as independent public accountants.

PROPOSAL 3: SHAREHOLDER PROPOSAL

Mr. and Mrs. Marshall and Pamela Feiring, 6916 Barnack Drive, Springfield, VA 22152, have submitted the following proposal for inclusion in this Proxy Statement. Such shareholders claim beneficial ownership of 390 shares of common stock.

Edgar Filing: MEXICO FUND INC - Form DEF 14A

That the shareholders of the Fund recommend that the Board of Directors consider implementing a policy that on any business day, any unit of one hundred thousand shares (100,000) of the Fund's stock may be delivered to the Fund in exchange for proportionate amounts of the underlying assets (securities and money) represented by the unit (adjusted for accrued but unpaid income and expenses).

The shareholder has requested that the following statement be included in the Proxy Statement in support of the proposal:

The proposal reduces the effect of the Fund's market discount by allowing stockholders to withdraw their share of the Fund's assets and sell them for full value. A similar right has already been implemented with respect to SPDRs,¹ which are stock in investment companies that operate like closed-end funds. SPDRs trade on the American Stock Exchange with relatively no market discount, suggesting the proposal will also benefit shareholders who do not withdraw Fund

/1/ A registered trademark of the McGraw-Hill Companies.

-12-

assets. In addition, the proposal has a distinct advantage over other measures for reducing the Fund's discount. A shareholder exercising the withdrawal right does not compel the Fund to sell shares, which means the Fund does not have to liquidate its portfolio under inopportune market conditions or under conditions that could result in large taxable gains. See Aaron Lucchetti, In Closed-Ends, a Possible Way To Get Rid of Discounts to NAV, Wall St. J., Apr, 10, 2000, at R 14.

The Board of Directors unanimously recommends that shareholders vote AGAINST Proposal No. 3.

OTHER MATTERS

The Board of Directors does not know of any other matters that may be presented for action at the meeting, but should any other matter requiring a vote of shareholders arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed proxy will vote thereon according to their best judgment in the interests of the Fund.

ADDITIONAL INFORMATION

Investment Advisory and Administrative Services

The Adviser. Impulsora del Fondo Mexico, S.A. de C.V. (the "Adviser"), 77 Aristoteles Street, 3rd Floor, Polanco, 11560 Mexico D.F., Mexico, has served as the investment adviser of the Fund from the time the Fund was established in 1981. Pursuant to the Investment Advisory and Management Agreement between the Fund and the Adviser, the Adviser receives an advisory fee at the rate of 0.85% of the Fund's average daily net assets up to \$200 million, 0.70% of such assets between \$200 million and \$400 million, and 0.60% of such assets in excess of \$400 million. For the fiscal year ended October 31, 2000, total advisory fees paid by the Fund to the Adviser aggregated \$7,533,012.42 based on average net assets for the fiscal year of approximately \$1,135,769,434.42. The Adviser is a Mexican corporation incorporated in 1980 in order to serve as investment adviser to the Fund, and was a wholly owned subsidiary of Impulsora del Fondo Mexico Controladora, S.A. de C.V. until October 13, 2000 when the two companies merged.

Edgar Filing: MEXICO FUND INC - Form DEF 14A

Pursuant to an Administrative Services Agreement, effective April 1, 1994, which was amended and restated as of August 31, 2000, the Adviser also provides certain administrative services to the Fund which were previously performed by the Fund's Trustee, including the determination and publication of the net asset value of the Fund, the provision of assistance to the Fund to enable the Fund to maintain its books and records in accordance with applicable United States and Mexican law and the provision of assistance to the Fund's auditors in the preparation and filing of tax reports and returns. The Fund pays the Adviser an annual fee of \$350,000 plus

-13-

applicable taxes, as compensation for services provided under the Administrative Services Agreement.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act require the Fund's officers and Directors, Adviser, affiliates of the Adviser, and persons who beneficially own more than ten percent of a registered class of the Fund's securities ("Reporting Persons"), to file reports of ownership of the Fund's securities and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Reporting Persons are also required by such regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it and written representations of certain Reporting Persons, the Fund believes that during fiscal year 2000, its Reporting Persons complied with all applicable filing requirements.

EXPENSES

The expense of preparation, printing and mailing of the enclosed form of proxy and accompanying Notice and Proxy Statement will be borne by the Fund. EXHIBIT A

The Mexico Fund, Inc.
Audit and Compliance Committee Charter

Mission

The mission of the Audit and Compliance Committee (the "Committee") of the Mexico Fund, Inc. is to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, and to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof. The Committee will also report to the Board of Directors (the "Board"), if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor.

The function of the Committee in this capacity is oversight; it is the responsibility of the Fund and the Fund's investment adviser to maintain appropriate systems for accounting and internal control, and the responsibility of the Fund's independent auditors to plan and carry out a proper audit.

The independent auditors are directly accountable to the Committee and to the Board.

Committee Membership

The Committee shall be composed of at least three independent directors with the qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to

-16-

Edgar Filing: MEXICO FUND INC - Form DEF 14A

discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment adviser, Impulsora del Fondo Mexico.

Qualifications of Committee Members

The Committee must have at least three independent directors. Independent directors may not be officers of the Fund and should be free of any relationships that would interfere with the exercise of independent judgment. A director with any of the following relationships will not be considered independent for this purpose:

(a) Employee. A director who is an employee (including non-employee executive officers) of the Fund or any of its affiliates may not serve on the Committee until three years following the termination of his or her employment. An affiliate includes a subsidiary, sibling company, predecessor, parent company, or former parent company.

(b) Business Relationship. A director (i) who is a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Fund, or (ii) who has a direct business relationship with the Fund (e.g., a consultant) may serve on the Committee only if the Fund's Board determines in its business judgment that the relationship does not interfere with the director's exercise of independent judgment. In making a determination regarding the independence of a director pursuant to this paragraph, the Board will consider, among other things, the materiality of the relationship to the Fund, to the director, and, if applicable, to the organization with which the director is affiliated.

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have this relationship directly with the Fund, or the director can be a partner, officer or employee of an organization that has such a

-17-

relationship. The director may serve on the Committee without the above-referenced Board determination after three years following the termination of, as applicable, either (1) the relationship between the organization with which the director is affiliated and the Fund, (2) the relationship between the director and his or her partnership status, shareholder interest or executive officer position, or (3) the direct business relationship between the director and the Fund.

(c) Cross Compensation Committee Link. A director who is employed as an executive of another corporation where any of the Fund's executives serves on that Fund's compensation committee may not serve on the Committee.

(d) Immediate Family. A director who is an immediate family member of an individual who is an executive officer of the Fund or any of its affiliates cannot serve on the Committee until three years following the termination of such employment relationship. An immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.

Edgar Filing: MEXICO FUND INC - Form DEF 14A

Notwithstanding the requirements of Parts (a) and (d) above, one director who is no longer an employee or who is an immediate family member of a former executive officer of the Fund or its affiliates, but is not considered independent pursuant to these provisions due to the three-year restriction period, may be appointed, under exceptional and limited circumstances, to the Committee if the Fund's Board determines in its business judgment that membership on the Committee by the individual is required in the best interests of the Fund and its shareholders, and

-18-

the Fund discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

Each member of the Committee must be financially literate, or become financially literate within a reasonable period of time after his or her appointment to the Committee, as such qualification is interpreted by the Fund's Board in its business judgment. At least one member of the Committee must have accounting or related financial experience, as the Fund's Board interprets such qualification in its business judgment.

Duties and Powers

To carry out its mission, the Committee shall, to the extent it deems appropriate, carry out the following functions:

12. to report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

Other Powers and Responsibilities

1. The Committee shall normally meet in person twice yearly in June and December prior to the meeting of the full Board to, among other things, review the scope of the proposed annual audit, review the results of the annual audit and the findings and recommendations of the auditors, and consider such other matters as may come before the Committee, and may meet at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.
