Dear Shareholder:

We are writing today to inform you of recent initiatives the Board of Directors of The Mexico Fund, Inc. (the "Fund") has undertaken on your behalf.

Periodic Repurchases of Fund Shares from Shareholders

On March 2, 2001, the Fund filed with federal regulatory authorities applications seeking necessary approval to conduct periodic in-kind repurchases of Fund shares. The Board of Directors has approved a policy whereby the Fund would offer to repurchase a previously disclosed percentage

Edgar Filing: MEXICO FUND INC - Form DEFA14A

of Fund shares from shareholders at least annually and as frequently as quarterly. Shareholders able to participate would have a period of time in which to submit their shares for repurchase. Participating shareholders would receive not less than 98% of net asset value for their shares in order to reflect the costs of conducting the repurchase offers. Shareholders would receive a pro-rata "slice" of the Fund's portfolio securities in return for their repurchased shares. In other words, in exchange for shares of the Fund, shareholders would receive actual shares of Mexican companies from the Fund's portfolio, generally in proportion to the interest represented by the shares submitted for repurchase. The Board of Directors would regularly review the policy to determine if the frequency of repurchases and the percentage of shares offered for repurchase is adequate. To participate, a shareholder may have to tender a significant minimum number of shares.

The Board of Directors of the Fund believes that periodic repurchases on the terms provided above would be in the best interests of the Fund's long-term shareholders. Repurchases with proceeds paid in portfolio securities of the Fund would not require liquidation of the Fund's investments to pay for the repurchases as would be the case if repurchases were paid in cash. The Fund could continue to focus on its investment objective without having to maintain cash reserves or liquid investments which may not be desirable or available in the Mexican securities market. Also, shareholders would know in advance the frequency of the repurchases and the amounts to be repurchased which provides more certainty and predictability than open market repurchases.

Performance Fee

In addition, the Board of Directors has approved modifying the Investment Management and Advisory Agreement with the Fund's investment adviser to incorporate a performance fee component to the Fund's advisory fee. The Fund would continue to pay its investment adviser a base advisory fee (which is currently among the lowest for a closed-end actively managed fund), but this fee would be adjusted upward or downward depending upon the Fund's performance against its benchmark, the IFCG Mexico Index calculated by Standard & Poor's. The Board of Directors believes that the performance fee provides additional incentive to the Investment Adviser in managing the Fund's portfolio and is in the best interests of shareholders.

Implementation of Periodic Repurchase and Performance Fee

We will be seeking your approval to implement the performance fee and the periodic repurchase policy. We anticipate holding a special shareholders' meeting to vote on these two new initiatives once the regulatory authorities have provided us with a response to our requests that will permit the Board of Directors to determine the final details of the periodic repurchase policy. While we cannot predict the timing of the responses from the regulatory authorities, we hope to schedule the special shareholders' meeting later this year.

Other Initiatives

The two initiatives discussed above represent continuing steps the Board of Directors has taken to respond to developments in the Mexican securities markets and the concerns of all shareholders.

In August 2000 the Fund commenced a Stock Repurchase Program which permitted the Fund to purchase up to ten percent of its outstanding shares in the open market. As of January 31, 2001, the Fund had repurchased seventy-seven percent of this amount or 3.9 million shares. The periodic repurchase policy announced today is different because under it, the Fund would repurchase shares directly from shareholders in accordance with terms publicly announced in advance and

Edgar Filing: MEXICO FUND INC - Form DEFA14A

repurchases would not require any sale of Fund assets to generate cash.

In October 2000, shareholders approved converting the Fund to a non-diversified fund and adopting a concentration policy. The Board of Directors recommended these changes in the structure of the Fund to provide the Fund with greater flexibility to respond to Mexico's involvement in the globalized economy and the changing nature of the securities markets.

Recent Results

During 2001, the Fund has performed consistently with its benchmark partly as a result of the structural changes. Moreover, in the last six months, aided by the structural changes and the repurchase program, the Fund's market discount has narrowed from 31% on July 31, 2000 to 17.9% as of February 28, 2001.

Annual Meeting of Shareholders--March 22, 2001

You should have received a proxy statement for the Fund's upcoming Annual Meeting of Shareholders on March 22, 2001. If you did not, please telephone the Fund's information agent at 1-800-607-0088 to obtain a copy. The Board of Directors of your Fund believes that the new initiatives announced in this letter are in the best interests of all of the Fund's shareholders and appropriately consider the nature of the Fund and the market in which it invests. The Board has considered the exchange-traded fund structure proposed by a Fund shareholder in the proxy statement and believes it is neither legally nor practically feasible. The Board of Directors hopes that you agree and will vote your shares in accordance with the recommendations made by the Board in the Proxy Statement (FOR Proposals 1 and 2 and AGAINST Proposal 3).

Please take a few minutes to review the proxy statement and return your proxy card today. If you have any questions regarding the proposals to be voted on or need assistance in completing your proxy card, please contact the Fund's representatives at 1-800-607-0088.

Thank you for investing with us and for your continuing support.
