**Item 2.02. Results of Operation and Financial Condition**

On November 22, 2013, Foot Locker, Inc. issued a press release announcing its operating results for the third quarter of 2013. The press release includes a non-GAAP financial measure of third quarter and year-to-date 2013 net income, excluding costs related to the integration of Runners Point Group and a tax benefit resulting from the conclusion of a foreign tax audit which enabled a reduction in tax reserves established in prior periods. The Company believes this non-GAAP financial measure provides useful information to investors because it allows for a more direct comparison of the Company's performance for the third quarter of 2013 to the Company's performance in the comparable prior-year period. The non-GAAP financial measure is provided in addition to, and not as an alternative to, the Company's reported results prepared in accordance with GAAP. A reconciliation to GAAP is provided in the Condensed Consolidated Statements of Operations. A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
