Attached hereto is a letter dated May 23, 2016 from Support.com to its stockholders that Support.com is first making available to stockholders on May 23, 2016 in which Support.com comments on the proxy contest that VIEX Opportunities Fund, LP — Series One, VIEX GP, LLC, VIEX Capital Advisors, LLC, BLR Partners LP, BLRPart, LP, BLRGP Inc., Fondren Management, LP, FMLP Inc., Eric Singer, Bradley L. Radoff, Joshua E. Schechter, Richard Bloom and Brian J. Kelley (collectively, the “VIEX Group”) are pursuing in connection with the 2016 Annual Meeting. The letter highlights that the VIEX Group lacks any detailed plan or strategy or substantive and viable ideas for creating stockholder value and, accordingly, strongly urges stockholders to protect the value of their investment by voting the enclosed **WHITE** proxy card today **FOR ALL** six of the highly-qualified and very experienced nominees unanimously recommended by the Support.com Board of Directors: **Elizabeth Cholawsky, Liz Fetter, Toni Portmann, Lowell Robinson, Tim Stanley and Jim Stephens.**

YOUR VOTE IS IMPORTANT

**VOTE FOR ALL OF THE SUPPORT.COM NOMINEES TO THE BOARD
ON THE WHITE PROXY CARD TODAY!**

May 23, 2016

Dear Fellow Support.com Stockholder:

Support.com Inc.'s 2016 Annual Meeting of Stockholders is quickly approaching. On Friday, June 24, 2016, you will be making a critical decision regarding the future of Support.com, whether to continue to support the transition of Support.com, which is well underway and gaining momentum, into a leading provider of cloud-based technology and services for the new, connected world, or surrender control of the Support.com Board of Directors to a dissident stockholder group with a self-interested and short-sighted agenda that could prevent you from realizing the long-term value of your investment in Support.com. This dissident group has presented no alternative strategic plan or substantive and viable ideas for creating long-term stockholder value or even any tangible, practical and viable ideas for enhancing stockholder value in the short-term. Your vote is critically important, no matter how many shares you own. **This may be the most important vote you have ever made regarding Support.com and its future.**

We strongly urge you to protect the value of your investment by voting the enclosed **WHITE** proxy card today **FOR ALL** six of the highly-qualified and very experienced nominees unanimously recommended by the Support.com Board of Directors: **Elizabeth Cholawsky, Liz Fetter, Toni Portmann, Lowell Robinson, Tim Stanley and Jim Stephens**. Ms. Fetter and Messrs. Robinson and Stanley are our newest independent directors and joined your Board within the past 90 days. They bring to your Board valuable and fresh perspectives and substantial experience with highly regarded privately-held and public companies across a wide array of industries and sectors, which we believe significantly enhances your Board's breadth and depth and bolsters Support.com's knowledge base as we continue to develop, execute and refine our strategic plan.

As you may be aware, VIEX Capital Advisors, LLC and the other members of its dissident investor group, including Eric Singer, Bradley Radoff and Joshua Schechter (the "VIEX Group"), who beneficially own, in the aggregate, approximately 14.9% of our shares, are waging a proxy contest to take control of your recently refreshed Board by replacing five of the six members of your Board – including the three Board members who joined your Board within the last 90 days – with its own nominees. We strongly believe the five nominees proposed by the VIEX Group, none of whom have any experience in the market for cloud-based support services, lack the necessary and relevant experience,

expertise and industry knowledge to advance the execution of our strategic plan for growth and the creation of long-term stockholder value and, most importantly, lack the experience to determine when and how to refine and adapt our strategic plan as needed in response to the support market's changing dynamics.

Equally concerning is that, while the VIEX Group has been abundantly clear that it wants control of Support.com without paying our stockholders any control premium, notably absent from the VIEX Group's disruptive and inflammatory rhetoric is any specific and viable alternative strategic growth plan or any viable and substantive proposals on how it would drive the creation of long-term stockholder value were it to obtain control of your Board. Nor has the VIEX Group provided any substantive and viable ideas for enhancing stockholder value in the short-term. In addition, the VIEX Group has not provided any details on how such an abrupt change in control of your Board, at a pivotal and critical time in Support.com's trajectory, would be accomplished so as not to cause significant and substantial harm to our business and prospects, including, but not limited to, our relationships with our employees, customers and partners. Support.com's stockholders have been provided with scant information as to the VIEX Group's ultimate intentions and plans if it was to abruptly obtain control of Support.com at the 2016 Annual Meeting.

Where's the beef? - The VIEX Group's letter to Support.com stockholders. Our concerns, and we suspect those of many of our stockholders, were only heightened when we read the letter that the VIEX Group sent on May 17, 2016 to Support.com stockholders. Once again, Support.com stockholders saw that the VIEX Group, after having more than eight months to develop thoughtful, viable and detailed plans and proposals on how it would drive value creation at Support.com, is offering no specific and viable alternative strategic growth plan or any viable and substantive proposals on how it would drive the creation of long-term stockholder value, or even maximize stockholder value in the short-term, were it to abruptly obtain control of your Board at the 2016 Annual Meeting. Notwithstanding issuing a lengthy letter to stockholders with numerous inflammatory and misleading statements, the VIEX Group makes it clear that it has no plan whatsoever and, as such, can only offer that its proposed nominees would be committed to whatever is meant by "exploring all strategic alternatives available to the Company" without indicating what those strategic alternatives are, whether any of them are currently viable and how it would approach such an exploratory process. Nor does the VIEX Group provide in its letter any details on timing including, whether it really believes that, at such a transitional point in Support.com's history and given Support.com's depressed stock price, "exploring strategic alternatives" after the 2016 Annual Meeting would be likely to lead to a value maximizing transaction that is in the best interests of stockholders other than the VIEX Group.

This proxy contest comes on the heels of our eight-month long effort, on numerous occasions, to constructively engage with the VIEX Group to hear its views on our business and its strategic direction. At no point, during the course of those discussions, did we ever receive from the VIEX Group any alternative strategic plan or any substantive and viable ideas for creating long-term stockholder value. Nor did the VIEX Group ever propose any specific transaction that it believed your Board should consider. We are disappointed that the VIEX Group has abandoned those private discussions with us and rather than constructively work with us to achieve a mutually acceptable resolution that serves the best interests of **ALL** Support.com stockholders, the VIEX Group has instead chosen to subject Support.com to a costly, distracting and unnecessary proxy contest to further its goal of obtaining control of your Board to further its self-interested and short-sighted agenda. These resources could be better devoted to continuing to implement our strategic growth plan to drive more predictable revenue, profitable growth and enhance value for **ALL** Support.com stockholders.

PROTECT THE VALUE OF YOUR INVESTMENT BY VOTING THE WHITE PROXY CARD TODAY

We strongly believe that allowing the VIEX Group to abruptly obtain control of your Board risks destabilizing the execution of our ongoing initiatives for creating value for all Support.com stockholders, could undo much of the progress your Board and management team have made in developing and executing on our strategic growth plan and could ultimately result in stockholders being deprived of the opportunity to realize the long-term value of their investment in Support.com. In addition, given the transition under way at Support.com, we are also concerned that the lack of relevant knowledge and expertise of the VIEX Group and its proposed nominees make them ill-suited to abruptly take control of your Board and oversee Support.com's strategic direction at such a pivotal and critical time in Support.com's trajectory.

Your Board of Directors strongly urges you to protect the value of your investment and not allow the VIEX Group to take control of your Board and further its self-interested agenda by voting **FOR ALL** your Board's very experienced and highly-qualified nominees, three of whom just joined your Board less than 90 days ago, by voting the enclosed **WHITE** proxy card **TODAY**. Stockholders may vote by telephone or Internet, or by signing, dating and returning the

enclosed **WHITE** proxy card in the postage paid envelope provided. **Your Board also urges you to vote only the WHITE proxy card and discard any gold proxy card you may receive from the VIEX Group and reject its attempt to further its self-interested and short-term agenda by taking control of Support.com without paying our stockholders any control premium.**

THE VIEX GROUP HAS NOT PRESENTED ANY ALTERNATIVE STRATEGIC PLAN OR SUBSTANTIVE AND VIABLE IDEAS FOR CREATING LONG-TERM STOCKHOLDER VALUE NOR HAS IT PRESENTED ANY VIABLE PLAN FOR EXECUTING ON ITS SHORT-SIGHTED THEORIES FOR UNLOCKING STOCKHOLDER VALUE IN THE SHORT-TERM

The VIEX Group's highly vocal campaign is focused on making numerous inflammatory and misleading statements in an effort to distract stockholders from its lack of any substantive and viable ideas or alternative strategic plan for creating long-term value or even anything viable for unlocking stockholder value in the short-term. Stockholders saw that for themselves when they reviewed the letter that the VIEX Group sent on May 17, 2016 to Support.com stockholders. Once again, stockholders saw that the VIEX Group is offering no specific and viable alternative strategic growth plan or any viable and substantive proposals on how it would drive the creation of long-term stockholder value were it to abruptly obtain control of your Board at the 2016 Annual Meeting. The VIEX Group's ill-conceived theories for how stockholder value can be enhanced at Support.com are thin on facts, substance and reality, reflect no understanding of the support industry or its changing dynamics, and are nothing more than a thinly-veiled attempt to further its self-interested agenda of seizing control of Support.com without paying our stockholders a control premium.

The VIEX Group's theories that we should immediately sell Support.com's promising Cloud business, or the company as a whole – possibly in the form of a “fire sale” – are misguided and short-sighted approaches that would completely derail the progress we've made implementing your Board's strategy and deprive stockholders of a high-potential opportunity to realize long-term value from their investment in Support.com. However misguided the VIEX Group may be in seeking a “fire sale” of Support.com or its assets, the VIEX Group has never articulated any detailed plan on how it would even accomplish such a sale and, regardless of how short-sighted such a sale may be, whether it is even a practical or viable option for Support.com. Nor has the VIEX Group ever proposed any specific transaction that it believes your Board should consider.

Your Board urges you not to be distracted by the VIEX Group's inflammatory, ill-informed and misleading rhetoric which demonstrates no understanding of the support industry and why Support.com is uniquely positioned to leverage its market-leading technology and capabilities and benefit from changing market dynamics. Support.com's transition strategy has been precisely defined and its execution is well underway. Our strategy is generating momentum and presents a clear path for capitalizing on the support market's changing dynamics, growing our revenue and enhancing long-term value for stockholders. **Now is not the time to surrender control of your Board to the VIEX Group and its proposed nominees, who, to date, have provided no alternative and viable strategic plan or viable ideas whatsoever for Support.com's business or how they would create long-term stockholder value.**

The current members of our recently refreshed Board, including the three independent directors who joined your board within the past 90 days, collectively, have substantial industry experience and expertise relevant to the advancement of our strategic plan and, most importantly, are extremely capable of assessing when and how to refine and adapt our strategic plan as needed in response to the market's changing dynamics. In stark contrast, we believe the VIEX Group and its proposed nominees lack relevant experience and understanding of the support market and its changing dynamics and, accordingly, would be unable to advance our strategic plan or refine and adapt our strategic direction as needed in response to the market's changing dynamics. Given the transition under way at Support.com, we are also concerned that the lack of relevant knowledge and expertise of the VIEX Group and its proposed nominees make them ill-suited to abruptly take control of your Board and oversee Support.com's strategic direction at such a pivotal and critical time in Support.com's trajectory. We also believe that surrendering control of Support.com to the VIEX Group could lead to the perception of a change in the direction of the business, instability or lack of continuity which may be exploited by our competitors, cause concern to our current or potential customers, result in the loss of potential business opportunities and make it more difficult for us to attract and retain qualified personnel and business partners.

PROTECT THE VALUE OF YOUR INVESTMENT – VOTE THE WHITE PROXY CARD TODAY

At Support.com's upcoming Annual Meeting, you will be making a critical decision regarding the future of your investment in Support.com, whether to continue to support Support.com's transition, which is well underway and has momentum, into a leading provider of cloud-based technology and services for the new, connected world, or surrender control of your Board to the VIEX Group, a dissident stockholder group with a self-interested and short-sighted agenda that could prevent you from realizing the long-term value of your investment in Support.com. The VIEX Group has presented no alternative strategic plan or substantive or viable ideas for

creating long-term stockholder value or even any tangible, practical and viable ideas for enhancing stockholder value in the short-term. In addition, the VIEX Group has not provided any details on how such an abrupt change in control of your Board, at a pivotal and critical time in Support.com's trajectory, would be accomplished so as not to cause significant and substantial harm to our business and prospects, including, but not limited to, our relationships with our employees, customers and partners.

Your vote is critically important, no matter how many shares you own and this may be the most important vote you have ever made regarding Support.com and its future. Whether or not you plan to attend the Annual Meeting, we urge you to sign and return the enclosed **WHITE** proxy card in the postage-paid envelope provided and vote **FOR ALL** your Board's highly-qualified and very experienced nominees - **Elizabeth Cholawsky, Elizabeth Fetter, Lowell Robinson, Toni Portmann, Tim Stanley, and Jim Stephens**. You may also vote by telephone or Internet by following the instructions on the enclosed **WHITE** proxy card.

You may receive an opposing proxy statement and proxy card and letters or other proxy solicitation materials from the VIEX Group. Your Board does not endorse any of the VIEX Group nominees. **We urge stockholders NOT to sign or return any proxy card or voting instruction form that you may receive from the VIEX Group or any person other than Support.com, even as a protest vote as only your latest dated proxy card or voting instruction form will be counted at the Annual Meeting.** Even a WITHHOLD vote with respect to the VIEX Group's nominees on its gold proxy card will cancel any proxy previously given to Support.com. If you previously signed a gold proxy card sent to you by the VIEX Group, you can revoke that proxy card and vote for your Board's recommended nominees by signing, dating and returning the enclosed **WHITE** proxy card or by re-voting by telephone or Internet or at the Annual Meeting. Only your latest-dated proxy card or voting instruction form will count.

On behalf of your Board of Directors, we thank you for your continued support. We look forward to communicating further with you in the coming weeks.

Sincerely,
