OBJECTIVES

JF China Region Fund, Inc. (the "Fund") seeks to achieve long-term capital appreciation through investments primarily in equity securities of companies with substantial assets in, or revenues derived from, the People's Republic of China (PRC or China), Hong Kong, Taiwan and Macau--collectively, the China Region.

The Fund provides investors with an opportunity to participate in the growing economies of the China Region, especially that of the PRC, although investments are expected to be predominantly in securities listed on the Stock Exchange of Hong Kong. Hong Kong enterprises have made substantial investments in the PRC, in Guangdong Province in particular, where labor and land prices are lower than in Hong Kong. Hong Kong is also the largest trading partner of the PRC. Furthermore, many PRC companies and their Hong Kong-incorporated subsidiaries have listed their securities on the Stock Exchange of Hong Kong.

The economies of the PRC, Hong Kong, Taiwan and Macau have become increasingly linked over the past 10 years; especially since in 1997 and 1999, respectively that Hong Kong and Macau reverted to Chinese sovereignty. Investments made by the Fund will seek to take advantage of opportunities resulting from this linkage among the China Region markets.

MANAGEMENT

JF International Management Inc. ("JFIM") is the investment management company appointed to advise and manage the Fund's portfolio. JFIM is part of J.P. Morgan Chase & Co. ("JPMC"), one of the world's premier financial services institutions. In asset management, JPMC operates globally under the name of JPMorgan Asset Management ("JPMAM"), although in Asia it uses the sub-brand JF Asset Management. Funds under management for the global asset management business of JPMAM were US \$782.6 billion as of June 30, 2005.

Ernest Liu and Howard Wang are the Fund's named investment managers. Mr. Lui joined JPMAM in 2003 and is an investment manager and China Country Specialist with the Pacific Regional Group. Mr. Wang is a regional investment manager and head of the Greater China team which forms part of the Pacific Regional Group in Hong Kong and joined JPMAM in 2005. Previously, he spent eight years with Goldman Sachs, where in 2004, he was appointed Managing Director, Equities and General Manager of the Taipei branch office.

CHAIRMAN'S STATEMENT

Dear Fellow Stockholder,

The first half of 2005 has been a relatively strong period for our investments in the China region markets. The Fund returns were positive, as the net asset value gained 4.5% and the share price was up 1% during this six month period. This compares with the Company's benchmark, the MSCI Golden Dragon Index (Total), which had a return of 3.4%.

However, during the same period, the Fund's prevailing share price discount to net asset value increased slightly from 9% as at December 31, 2004 to 12.0% as at June 30, 2005. Your Directors will continue to monitor this situation and will endeavour to take appropriate action to reduce the discount when it is deemed necessary.

The Fund's named portfolio manager changed during this review period, following Man Wing Chung's resignation from JPMorgan Asset Management Limited. The day-to-day management of the Fund's portfolio continues to be handled by a team of investment professionals based in Hong Kong, including Ernest Liu, who has been working closely with Mr Chung since August 2003 and Howard Wang, who has recently been appointed as head of the Greater China team after spending eight years with Goldman Sachs. Mr Liu and Mr Wang act as the joint named portfolio managers of the Fund.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

JUNE 30, 2005

1. ORGANIZATION AND CAPITAL

JF China Region Fund, Inc. (the "Fund") was incorporated in the State of Maryland on May 22, 1992, and is registered as a non-diversified, closed-end management investment company under the Investment Company Act of 1940. The Fund commenced operations on July 16, 1992.

2. SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies, which are in conformity with accounting principles generally accepted in the United States of America for investment companies, are consistently followed by the Fund in the preparation of its financial statements.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets from operations during the reported period. Actual results could differ from these estimates.

i) SECURITY VALUATION

All securities for which market quotations are readily available are valued at the last sales price prior to the time of determination or, if no sales price is available at that time, at the mean between the last current bid and asked prices. Securities that are traded over-the-counter are valued, if bid and asked quotations are available, at the mean between the current bid and asked prices. All other securities and assets are valued at fair value as determined in good faith by the Board of Directors. In valuing the Fund's assets, quotations of foreign securities in a foreign currency are translated to U.S. dollar equivalents at the exchange rate in effect on the valuation date.

ii) FOREIGN CURRENCY TRANSLATION

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

The books and records of the Fund are maintained in United States dollars. Foreign currency amounts are translated into U.S. dollars at the mid-market price of such currencies against U.S. dollars as follows:

- o investments, other assets, and liabilities at the prevailing rates of exchange on the valuation date;
- o investment transactions and investment income at the prevailing rates of exchange on the dates of such transactions.

Although the net assets of the Fund are presented at the foreign exchange rates and market values at the close of the period, the Fund does not isolate that portion of the results of operations arising as a result of changes in the foreign exchange rates from the fluctuations arising from changes in the market prices of the securities held at period-end. Similarly, the Fund does not isolate the effect of changes in foreign exchange rates from the fluctuations arising from changes in the market prices of securities sold during the period. Accordingly,

-- 17 --

[GRAPHIC OMITTED]
JF CHINA REGION FUND, INC.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)

realized and unrealized foreign currency gains (losses) are included in the reported net realized and unrealized gains (losses) on investments.

Unrealized currency gains (losses) resulting from valuing foreign currency denominated assets and liabilities at period-end exchange rates are reflected as a component of accumulated net unrealized gain (loss) on investments, foreign currency holdings, and other assets and liabilities denominated in foreign currencies.

iii) DISTRIBUTION OF INCOME AND GAINS

The Fund intends to distribute to stockholders, at least annually, substantially all of its net investment income and expects to distribute annually any net long-term capital gains in excess of net short-term capital losses. An additional distribution may be made to the extent necessary to avoid the payment of a 4% federal excise tax.

Income and capital gain distributions are determined in accordance with federal income tax regulations and may differ from those determined in accordance with generally accepted accounting principles.

vi) OTHER

Security transactions are accounted for on trade date. Realized gains and losses on the sale of investment securities are determined on the identified cost basis. Interest income is recognized on the

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

accrual basis. Dividend income and distributions to shareholders are recorded on the ex-dividend date.

3. INVESTMENT TRANSACTIONS

The investment objective, policies, program, and risk factors of the Fund are described fully in the Fund's Prospectus.

During the six months ended June 30, 2005, the Fund made purchases of \$46,608,142 and sales of \$47,559,990 of investment securities other than short-term investments. There were no purchases or sales of U.S. government securities.

4. RELATED PARTY, OTHER SERVICE PROVIDER TRANSACTIONS AND DIRECTORS

- i) International Management Inc. (formerly Jardine Fleming International Management Inc.) (the "Adviser"), an indirect wholly-owned subsidiary of J.P. Morgan Chase & Co., provides investment advisory services to the Fund under the terms of an investment advisory agreement. The Advisor is paid a fee, computed weekly and payable monthly, at the annual rate of 1.00% of the Fund's weekly net assets.
- ii) During the six months ended June 30, 2005, the Fund paid \$14,331 in brokerage commissions to J.P. Morgan Chase Group companies and affiliated brokers/dealers.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)

iii) Other Service Providers

PFPC Inc. (the "Administrator") provides administrative and accounting services to the Fund under an Administrative and Accounting Services Agreement. The Administrator receives a fee, payable monthly, at an annual rate of 0.135% of the first \$100 million, 0.095% of the next \$50 million, 0.08% of the next \$50 million and 0.065% of the excess over \$200 million of the Fund's average weekly net assets, subject to a minimum annual fee of \$138,000, plus reimbursement for certain out-of-pocket expenses.

iv) DIRECTORS

The Fund pays each of its directors who is not a director, officer or employee of the Investment Manager, Administrator or any affiliate thereof an annual fee of \$16,000 and the Chairman \$19,000 plus \$1,400 attendance fee for each Board and committee meeting attended. In addition, The Fund reimburses all directors for travel and out-of-pocket expenses incurred in connection with Board of Directors meetings.

5. CAPITAL SHARE TRANSACTIONS

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

On September 9, 2004 the Fund's Board renewed an authority for the Fund to purchase shares of its common stock from Fund stockholders, as described below. When shares trade at a discount to net asset value, any purchase of shares by the Fund has the effect of increasing the net asset value per share of the Fund's remaining shares outstanding. All shares purchased by the Fund are thereafter considered authorized and unissued.

i) SHARE REPURCHASE PROGRAM

The Fund was authorized to repurchase up to 460,761 shares (10% of its issued and outstanding shares) in the open market through July 22, 2003. On July 23, 2003, the Fund's Board of Directors approved a new 10% share repurchase program which authorized the Fund to repurchase up to 458,516 shares in the open market during 2003 and 2004. The Fund's Board of Directors extended the share repurchase program through September 9, 2005.

The Fund is authorized to repurchase up to 458,516 shares (10% of its issued and outstanding shares) in the open market through September 9, 2005. Repurchases can be made only when the Fund's shares are trading at less than net asset value and at such times and amounts as it is believed to be in the best interest of the Fund's stockholders.

During the year ended December 31, 2003, the Fund paid \$10,191 to repurchase 1,550 shares at a per-share weighted average discount to net asset value of 13.07%.

During the year ended December 31, 2004, and the six months ended June 30, 2005, the Fund did not repurchase any shares under the share repurchase program.

6. RISKS AND UNCERTAINTIES

i) FOREIGN TRANSACTIONS

Foreign security and currency transactions may involve certain considerations and risks not typically associated with those of U.S. dollar denominated transactions as a result of, among other factors, the level of governmental supervision and regulation of foreign securities markets and the possibility of political or economic instability.

ii) OTHER

In the normal course of business, the Fund may enter into contracts that provide general indemnifications. The maximum exposure under these arrangements is dependent on future claims that may be made against the Fund and, therefore, cannot be estimated; however, based on experience, the risk of any loss from such claims is considered

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

remote.

7. TAX STATUS

i) U.S. FEDERAL INCOME TAXES

No provision for federal income taxes is required since the Fund intends to continue to qualify as a regulated investment company under subchapter M of the Internal Revenue Code and distribute substantially all of its taxable income.

At December 31, 2004, the components of net assets (excluding paid-in capital) on a tax basis were as follows:

Tax basis Ordinary Income		\$ 26
Tax basis capital loss carryforward	\$(37,807,758)

[GRAPHIC OMITTED]
JF CHINA REGION FUND, INC.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONCLUDED)

The difference between book and tax basis unrealized appreciation is primarily attributable to wash sales. The cumulative timing difference for the capital loss carryover is due to wash sales.

Net Asset Value	\$ 64,487,971
Paid-in Capital	(96,187,857)
Net assets (excluding paid-in capital)	\$(31,699,886)

As of December 31, 2004, the Fund had capital loss carryforwards for

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

federal income tax purposes of \$37,807,758, of which \$18,740,960 expires in 2005, \$11,676,567 expires in 2006, \$3,780,058 expires in 2008 and \$3,610,173 expires in 2009. The Fund intends to retain gains realized in future periods that may be offset by available capital loss carryforward. During the year ended December 31, 2004, the Fund reclassified \$83,708 from accumulated net realized loss on investments to accumulated net investment income as a result of permanent book and tax differences relating to realized foreign currency gains. Net assets were not affected by the reclassifications.

DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN

THE FUND OPERATES AN OPTIONAL DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN (THE "PLAN") WHEREBY:

- a) shareholders may elect to receive dividend and capital gain distributions in the form of additional shares of the Fund (the Share Distribution Plan).
- b) shareholders may make optional payments (any amount between \$100 and \$3,000) which will be used to purchase additional shares in the open market (the Share Purchase Plan).

FOR A COPY OF THE PLAN BROCHURE, AS WELL AS A DIVIDEND REINVESTMENT AUTHORIZATION CARD, PLEASE CONTACT THE PLAN AGENT:

EquiServe Trust Company N.A.
P. O. Box 43010
Providence, RI 02940-3010
Telephone No: 800-426-5523 (toll-free)

The following should be noted with respect to the Plan:

If you participate in the Share Distribution Plan, whenever the Board of Directors of the Fund declares an income dividend or net capital gain distribution, you will automatically receive your distribution in newly issued shares (cash will be paid in lieu of fractional shares) if the market price of the shares on the date of the distribution is at or above the net asset value of the shares. The number of shares to be issued to you by the Fund will be determined by dividing the amount of the cash distribution to which you are entitled (net of any applicable withholding taxes) by the greater of the net asset value (NAV) per share on such date or 95% of the market price of a share on such date. If the market price of the shares on such a distribution date is below the NAV, the Plan Agent will, as agent for the participants, buy shares on the open market, on the New York Stock Exchange or elsewhere, for the participant's account on, or after, the payment date. There is no service charge for purchases under this Plan.

For U.S. federal income tax purposes, shareholders receiving newly issued shares pursuant to the Share Distribution Plan will be treated as receiving income or capital gains in an amount equal to the fair market value (determined as of the distribution date) of the shares received and will have a cost basis equal to such fair market value. Shareholders receiving a distribution in the form of shares purchased in the open market pursuant to the Plan will be treated as receiving a distribution of the cash distribution that such shareholder would have received had the shareholder not elected to have such distribution reinvested and will have a cost basis in such shares equal to the amount of the distribution.

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

There will be no brokerage charge to participants for shares issued directly by the Fund under the Plan. Each participant will pay a pro rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases of shares in connection with the Plan. The Fund will pay the fees of the Plan Agent for handling the Plan.

You may terminate your account under the Share Distribution Plan by notifying the Plan Agent in writing. The Plan may be terminated by the Plan Agent or the Fund with notice to you at least 30 days prior to any record date for the payment of any distribution by the Fund. Upon any termination, the Plan Agent will deliver a certificate or certificates for the full shares held for you under the Plan and a cash adjustment for any fractional shares.

You also have the option of instructing the Plan Agent to make semiannual cash purchases of shares in the open market. There is a service charge of \$1.25 for each purchase under this Share Purchase Plan.
