OBJECTIVES

JF China Region Fund, Inc. (the "Fund") seeks to achieve long-term capital appreciation through investments primarily in equity securities of companies with substantial assets in, or revenues derived from, the People's Republic of China ("PRC" or "China"), Hong Kong, Taiwan and Macau--collectively, the China Region.

The Fund provides investors with an opportunity to participate in the growing economies of the China Region, especially that of the PRC, although investments in the PRC are expected to be predominantly through securities listed on the Stock Exchange of Hong Kong. Hong Kong enterprises have made substantial investments in the PRC, in Guangdong Province in particular, where labor and land prices are lower than in Hong Kong. Hong Kong is also the largest trading partner of the PRC. Furthermore, many PRC companies and their Hong Kong-incorporated subsidiaries have listed their securities on the Stock Exchange of Hong Kong.

The economies of the PRC, Hong Kong, Taiwan and Macau have become increasingly linked over the past 10 years, especially since Hong Kong and Macau reverted to Chinese sovereignty in 1997 and 1999, respectively. Investments made by the Fund will seek to take advantage of opportunities resulting from this linkage among the China Region markets.

MANAGEMENT

JF International Management Inc. ("JFIMI") is the investment management company appointed to advise and manage the Fund's portfolio. JFIMI is part of J.P. Morgan Chase & Co. ("JPMC"), one of the world's premier financial services institutions. In asset management, JPMC operates globally under the name of JPMorgan Asset Management ("JPMAM"), although in Asia it uses the sub-brand JF Asset Management. Funds under management for the global asset management business of JPMAM were US\$898.2 billion as of June 30, 2006.

The day-to-day management of the Fund's portfolio is handled by JPMAM's Greater China investment team based in Hong Kong. The head of this team is Howard Wang who joined JPMAM in 2005. Previously, Mr. Wang spent eight years with Goldman Sachs, where in 2004, he was appointed Managing Director, Equities and General Manager of the Taipei branch office.

CHAIRMAN'S STATEMENT

Dear Fellow Stockholder,

The six month period to June 30, 2006 was a volatile period for our investments in the Greater China Region. Nevertheless, I am pleased to report that the Fund's net asset value gained 9.1% over the period. The share price gained 15.9%, which not only reflected the increase in the net asset value but the narrowing of the discount from 14.5% as at December 31, 2005 to 9.2% as at June 30, 2006. Your Board continues to monitor the level of the discount closely and is pleased that it narrowed over the reporting period. Generally, the Fund has performed broadly in line with its benchmark, the MSCI Golden Dragon Index (Total), which returned 9.5%.

On August 10, 2006, Michael J. James replaced A. Douglas Eu as Treasurer to the Fund following Mr. Eu's decision to pursue career opportunities outside of the J.P. Morgan Chase & Co. family of funds. On behalf of the Board I would like to thank Mr. Eu for his contribution to the Fund over the past 9 years and wish him well in his new endeavours. Michael James brings with him a wealth of experience as he is currently the Chief Operating Officer of JPMorgan Asset Management's closed-end fund division. He is also a qualified Chartered Accountant and holds an MBA from London University. On behalf of the Board I would like to extend a warm welcome to Michael.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

JUNE 30, 2006

1. ORGANIZATION AND CAPITAL

JF China Region Fund, Inc. (the "Fund") was incorporated in the State of Maryland on May 22, 1992, and is registered as a non-diversified, closed-end management investment company under the Investment Company Act of 1940. The Fund commenced operations on July 16, 1992.

2. SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies, which are in conformity with accounting principles generally accepted in the United States of America ("GAAP") and are consistently followed by the Fund in the

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

preparation of its financial statements.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets from operations during the reported period. Actual results could differ from these estimates.

I) SECURITY VALUATION

All securities for which market quotations are readily available are valued at the last sales price prior to the time of determination or, if no sales price is available at that time, at the mean between the last current bid and asked prices. Securities that are traded over-the-counter are valued, if bid and asked quotations are available, at the mean between the current bid and asked prices. All other securities and assets are valued at fair value as determined in good faith by the Board of Directors. In valuing the Fund's assets, quotations of foreign securities in a foreign currency are translated to United States ("U.S.") dollar equivalents at the exchange rate in effect on the valuation date.

II) FOREIGN CURRENCY TRANSLATION

The books and records of the Fund are maintained in U.S. dollars. Foreign currency amounts are translated into U.S. dollars at the mid-market price of such currencies against U.S. dollars as follows:

- o investments, other assets, and liabilities at the prevailing rates of exchange on the valuation date;
- o investment transactions and investment income at the prevailing rates of exchange on the dates of such transactions.

Although the net assets of the Fund are presented at the foreign exchange rates and market values at the close of the period, the Fund does not isolate that portion of the results of operations arising as a result of changes in the foreign exchange rates from the fluctuations arising from changes in the market prices of the securities held at period-end. Similarly, the Fund does not isolate the effect of changes in foreign exchange rates from the fluctuations arising from changes in the market prices of securities sold during the period. Accordingly,

- 16 -

JF CHINA REGION FUND, INC.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)

realized and unrealized foreign currency gains (losses) are included in the reported net realized and unrealized gains (losses) on investments.

Unrealized currency gains (losses) resulting from valuing foreign currency denominated assets and liabilities at period-end exchange

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

rates are reflected as a component of accumulated net unrealized gain (loss) on investments, foreign currency holdings, and other assets and liabilities denominated in foreign currencies.

III) DISTRIBUTION OF INCOME AND GAINS

The Fund intends to distribute to stockholders, at least annually, substantially all of its net investment income and expects to distribute annually any net long-term capital gains in excess of net short-term capital losses. An additional distribution may be made to the extent necessary to avoid the payment of a 4% federal excise tax. Income and capital gain distributions are determined in accordance with federal income tax regulations and may differ from those determined in accordance with GAAP.

IV) OTHER

Security transactions are accounted for on trade date. Realized gains and losses on the sale of investment securities are determined on the identified cost basis. Interest income is recognized on the accrual basis. Dividend income and distributions to shareholders are recorded on the ex-dividend date.

3. INVESTMENT TRANSACTIONS

The investment objective, policies, program, and risk factors of the Fund are described fully in the Fund's Prospectus.

During the six months ended June 30, 2006, the Fund made purchases of \$112,461,673 and sales of \$114,756,648 of investment securities other than short-term investments. There were no purchases or sales of U.S. government securities.

4. RELATED PARTY, OTHER SERVICE PROVIDER TRANSACTIONS AND DIRECTORS

I) JF International Management Inc. (the "Adviser"), an indirect wholly-owned subsidiary of J.P. Morgan Chase & Co., provides investment advisory services to the Fund under the terms of an investment advisory agreement. The Adviser is paid a fee, computed weekly and payable monthly, at the annual rate of 1.00% of the Fund's weekly net assets.

II) During the six months ended June 30, 2006, the Fund did not pay any brokerage commissions to J.P. Morgan Chase Group companies or affiliated brokers/dealers.

- 17 -

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)

III) OTHER SERVICE PROVIDERS

PFPC Inc. (the "Administrator") provides administrative and accounting services to the Fund under an Administrative and Accounting Services Agreement. The Administrator receives a fee, payable monthly, at an annual rate of 0.135% of the first \$100

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

million, 0.095% of the next \$50 million, 0.08% of the next \$50 million and 0.065% of the excess over \$200 million of the Fund's average weekly net assets, subject to a minimum annual fee of \$138,000, plus reimbursement for certain out-of-pocket expenses.

IV) DIRECTORS

The Fund pays each of its Directors who is not a director, officer or employee of the Adviser, Administrator or any affiliate thereof an annual fee of \$16,000 and the Chairman \$19,000 plus \$1,400 attendance fee for each Board and committee meeting attended. In addition, the Fund reimburses all directors for travel and out-of-pocket expenses incurred in connection with Board of Directors meetings.

5. CAPITAL SHARE TRANSACTIONS

On September 8, 2005 the Board of Directors renewed an authority for the Fund to purchase shares of its common stock from Fund stockholders, as described below. When shares trade at a discount to net asset value, any purchase of shares by the Fund has the effect of increasing the net asset value per share of the Fund's remaining shares outstanding. All shares purchased by the Fund are thereafter considered authorized and unissued.

I) SHARE REPURCHASE PROGRAM

The Fund is authorized to repurchase up to 458,516 shares (10% of its issued and outstanding shares) in the open market through September 7, 2006. Repurchases can be made only when the Fund's shares are trading at less than net asset value and at such times and amounts as it is believed to be in the best interest of the Fund's stockholders.

During the six months ended June 30, 2006 and the year ended December 31, 2005, the Fund did not repurchase any shares under the share repurchase program.

6. RISKS AND UNCERTAINTIES

I) FOREIGN TRANSACTIONS

Foreign security and currency transactions may involve certain considerations and risks not typically associated with those of U.S. dollar denominated transactions as a result of, among other factors, the level of governmental supervision and regulation of foreign securities markets and the possibility of political or economic instability.

II) OTHER

In the normal course of business, the Fund may enter into contracts that provide general indemnifications. The maximum exposure under these arrangements is dependent on future claims that may be made against the Fund and, therefore, cannot be estimated; however, based on experience, the risk of any loss from such claims is considered remote.

7. TAX STATUS

I) U.S. FEDERAL INCOME TAXES

No provision for federal income taxes is required since the Fund intends to continue to qualify as a regulated investment company under subchapter M of the Internal Revenue Code and distribute substantially all of its taxable income.

At December 31, 2005, the components of net assets (excluding paid-in capital) on a tax basis were as follows:

Tax basis Ordinary Income		\$	4

Tax basis capital loss carryforward	\$ (19,066,798)		
Plus/Less: cumulative timing differences --			
wash sales	(93,583)		

Accumulated capital loss			(19,1

Unrealized appreciation			8,2

Net assets (excluding paid-in capital)		\$	(10,4
		=====	

The difference between book and tax basis unrealized appreciation is primarily attributable to wash sales. The cumulative timing difference for the capital loss carryover is due to wash sales.

Net Asset Value		\$	73,5
Paid-in Capital			(84,0

Net assets (excluding paid-in capital)		\$	(10,4
		=====	

As of December 31, 2005, the Fund had capital loss carryforwards for federal income tax purposes of \$19,066,798, of which \$11,676,567 expires in 2006, \$3,780,058 expires in 2008 and \$3,610,173 expires in 2009. The Fund intends to retain gains realized in future periods that may be offset by available capital loss carryforward.

During the year ended December 31, 2005, the Fund reclassified \$179,850 and \$12,170,495 from undistributed net investment income

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

and paid in capital, respectively, to accumulated realized loss on investments as a result of permanent book and tax differences relating to realized foreign currency losses and carryforward loss expirations. Net assets were not affected by the reclassifications.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED) (CONCLUDED)

8. RECENT ACCOUNTING PRONOUNCEMENTS

In July 2006, the Financial Accounting Standards Board issued Interpretation No. 48, "Accounting for Uncertainty in Income Taxes - an Interpretation of FASB Statement No. 109" (the "Interpretation"). The Interpretation establishes for all entities, including pass-through entities such as the Fund, a minimum threshold for financial statement recognition of the benefit of positions taken in filing tax returns (including whether an entity is taxable in a particular jurisdiction), and requires certain expanded tax disclosures. The Interpretation is effective for fiscal years beginning after December 15, 2006, and is to be applied to all open years as of the date of effectiveness. Management has recently begun to evaluate the tax application of the Interpretation to the Fund, and is not in a position at this time to estimate the significance of its impact, if any, on the Fund's financial statements.

DEFICIENCY DIVIDEND

On July 26, 2006, the Board of Directors of the Fund declared a deficiency dividend of \$0.05822 per share to shareholders of record as of August 1, 2006 and ordered the payment of a related compliance fee of approximately \$50,000 to the Internal Revenue Service to satisfy a spillback dividend election taken by the Fund for the tax year ended December 31, 2004 and maintain the Fund's status as a regulated investment company under subchapter M of the Internal Revenue Code. The Fund filed the forms necessary to claim the deficiency dividend as a dividend paid deduction with the IRS on August 8, 2006. The related compliance fee was paid to the IRS on August 21, 2006.

DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN

THE FUND OPERATES AN OPTIONAL DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN (THE "PLAN") WHEREBY:

Edgar Filing: JF CHINA REGION FUND INC - Form N-CSRS

- a) shareholders may elect to receive dividend and capital gain distributions in the form of additional shares of the Fund (the Share Distribution Plan).
- b) shareholders may make optional payments (any amount between \$100 and \$3,000) which will be used to purchase additional shares in the open market (the Share Purchase Plan).

FOR A COPY OF THE PLAN BROCHURE, AS WELL AS A DIVIDEND REINVESTMENT AUTHORIZATION CARD, PLEASE CONTACT THE PLAN AGENT:

Computershare Trust Company, N.A.
P. O. Box 43010
Providence, RI 02940-3010
Telephone No: 800-426-5523 (toll-free)

The following should be noted with respect to the Plan:

If you participate in the Share Distribution Plan, whenever the Board of Directors of the Fund declares an income dividend or net capital gain distribution, you will automatically receive your distribution in newly issued shares (cash will be paid in lieu of fractional shares) if the market price of the shares on the date of the distribution is at or above the net asset value of the shares. The number of shares to be issued to you by the Fund will be determined by dividing the amount of the cash distribution to which you are entitled (net of any applicable withholding taxes) by the greater of the net asset value (NAV) per share on such date or 95% of the market price of a share on such date. If the market price of the shares on such a distribution date is below the NAV, the Plan Agent will, as agent for the participants, buy shares on the open market, on the New York Stock Exchange or elsewhere, for the participant's account on, or after, the payment date. There is no service charge for purchases under this Plan.

For U.S. federal income tax purposes, shareholders receiving newly issued shares pursuant to the Share Distribution Plan will be treated as receiving income or capital gains in an amount equal to the fair market value (determined as of the distribution date) of the shares received and will have a cost basis equal to such fair market value. Shareholders receiving a distribution in the form of shares purchased in the open market pursuant to the Plan will be treated as receiving a distribution of the cash distribution that such shareholder would have received had the shareholder not elected to have such distribution reinvested and will have a cost basis in such shares equal to the amount of the distribution.

There will be no brokerage charge to participants for shares issued directly by the Fund under the Plan. Each participant will pay a pro rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases of shares in connection with the Plan. The Fund will pay the fees of the Plan Agent for handling the Plan.

You may terminate your account under the Share Distribution Plan by notifying the Plan Agent in writing. The Plan may be terminated by the Plan Agent or the Fund with notice to you at least 30 days prior to any record date for the payment of any distribution by the Fund. Upon any termination, the Plan Agent will deliver a certificate or certificates for the full shares held for you under the Plan and a cash adjustment for any fractional shares.

You also have the option of instructing the Plan Agent to make semiannual cash purchases of shares in the open market. There is a service charge of \$1.25 for each purchase under this Share Purchase Plan.
