THE COMPANY

We are a wireless communications carrier that offers digital wireless services in the U.S. under the Cricket® brand. Our Cricket service offerings provide customers with unlimited wireless services for a flat rate without requiring a fixed-term contract or a credit check. Cricket service is offered by Cricket, a wholly owned subsidiary of Leap, and is also offered in Oregon by LCW Wireless Operations, LLC, or LCW Operations, and in the upper Midwest by Denali Spectrum Operations, LLC, or Denali Operations. Cricket owns an indirect 73.3% non-controlling interest in LCW Operations through a 73.3% non-controlling interest in LCW Wireless, LLC, or LCW Wireless, and owns an indirect 82.5% non-controlling interest in Denali Operations through an 82.5% non-controlling interest in Denali Spectrum, LLC, or Denali. LCW Wireless and Denali are designated entities under FCC regulations. We consolidate our interests in LCW Wireless and Denali in accordance with Financial Accounting Standards Board Interpretation No. 46(R), Consolidation of Variable Interest Entities, because these entities are variable interest entities and we will absorb a majority of their expected losses.

Leap was formed as a Delaware corporation in 1998. Leap's shares began trading publicly in September 1998 and we launched our innovative Cricket service in March 1999. On April 13, 2003, we filed voluntary petitions for relief under Chapter 11 in federal bankruptcy court. On August 16, 2004, our plan of reorganization became effective and we emerged from Chapter 11 bankruptcy. On that date, a new board of directors of Leap was appointed, Leap's previously existing stock, options and warrants were cancelled, and Leap issued 60 million shares of new Leap common stock for distribution to two classes of creditors. On June 29, 2005, Leap common stock became listed for trading on the NASDAQ National Market (now known as the NASDAQ Global Market) under the symbol LEAP. Effective July 1, 2006, Leap common stock became listed for trading on the NASDAQ Global Select Market, also under the symbol LEAP. Leap conducts operations through Cricket and its subsidiaries, and Leap has no independent operations or sources of operating revenue other than through dividends, if any, from Cricket.

Our principal executive offices are located at 10307 Pacific Center Court, San Diego, California 92121 and our telephone number at that address is (858) 882-6000. Our principal websites are located at www.leapwireless.com and www.mycricket.com. The information contained in, or that can be accessed through, our websites is not a part of this prospectus and any accompanying prospectus supplement.

Leap is a U.S. registered trademark and the Leap logo is a trademark of Leap. Cricket, Jump, the Cricket K and Flex Bucket are U.S. registered trademarks of Cricket. In addition, the following are trademarks or service marks of Cricket: BridgePay, Cricket By Week, Cricket Choice and Cricket PAYGo.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves risks. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K, any subsequent Quarterly Reports on Form 10-Q or any Current Reports on Form 8-K we file after the date of this prospectus, and all other information contained or incorporated by reference into this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in any applicable prospectus supplement before acquiring any of such securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities. Please also refer to the section above entitled Special Note Regarding Forward-Looking Statements.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the shares by the selling stockholders.

SELLING STOCKHOLDERS

The following table provides the name of each selling stockholder and the number of shares of our common stock offered by each selling stockholder under this prospectus. Rachesky is the managing member of Institutional Advisors and Fund Management, and in such capacity, he exercises voting control over the Leap common stock held by these selling stockholders. Dr. Rachesky also serves as chairman of the board of directors of Leap. Each of Dr. Rachesky, Fund Management and Institutional Advisors may be deemed to be the beneficial owner of these securities. Dr. Rachesky disclaims beneficial ownership of these securities.

PLAN OF DISTRIBUTION

The selling stockholders, or their pledgees, donees, transferees, or any of their successors in interest selling shares received from a named selling stockholder as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus (all of whom may be selling stockholders), may sell the securities from time to time on any stock exchange or automated interdealer quotation system on which the securities are listed, in the over-the-counter market, in privately negotiated transactions or otherwise, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at prices otherwise negotiated.

The selling stockholders may sell the securities by one or more of the following methods, without limitation:

- (a) block trades in which the broker or dealer so engaged will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- (b) purchases by a broker or dealer as principal and resale by the broker or dealer for its own account pursuant to this prospectus;
- (c) an exchange distribution in accordance with the rules of any stock exchange on which the securities are listed;
- (d) ordinary brokerage transactions and transactions in which the broker solicits purchases;
- (e) privately negotiated transactions;
- (f) short sales;
- (g) through the writing of options on the securities, whether or not the options are listed on an options exchange;
- (h) through the distribution of the securities by any selling stockholder to its partners, members or stockholders;
- (i) one or more underwritten offerings on a firm commitment or best efforts basis; and
- (j) any combination of any of these methods of sale.

The selling stockholders may also transfer the securities by gift. We do not know of any arrangements by the selling stockholders for the sale of any of the securities.

The selling stockholders may engage brokers and dealers, and any brokers or dealers may arrange for other brokers or dealers to participate in effecting sales of the securities. These brokers, dealers or underwriters may act as principals, or as an agent of a selling stockholder. Broker-dealers may agree with a selling stockholder to sell a specified number of the securities at a stipulated price per security. If the broker-dealer is unable to sell securities acting as agent for a selling stockholder, it may purchase as principal any unsold securities at the stipulated price. Broker-dealers who acquire securities as principals may thereafter resell the securities from time to time in transactions on any stock exchange or automated interdealer quotation system on which the securities are then listed, at prices and on terms then prevailing at the time of sale, at prices related to the then-current market price or in negotiated transactions. Broker-dealers may use block transactions and sales to and through broker-dealers, including transactions of the nature described above. The selling stockholders may also sell the securities in accordance with Rule 144 under the Securities Act of 1933, as amended, or Securities Act, rather than pursuant to this prospectus, regardless of whether the securities are covered by this prospectus.

From time to time, one or more of the selling stockholders may pledge, hypothecate or grant a security interest in some or all of the securities owned by them. The pledgees, secured parties or persons to whom the securities have been hypothecated will, upon foreclosure in the event of default, be deemed to be selling stockholders. As and when a selling stockholder takes such actions, the number of securities offered under this prospectus on behalf of such selling

stockholder will decrease. The plan of distribution for that selling stockholder's securities will otherwise remain unchanged. In addition, a selling stockholder may, from time to time, sell the securities short, and, in those instances, this prospectus may be delivered in connection with the short sales and the securities offered under this prospectus may be used to cover short sales.

To the extent required under the Securities Act, the aggregate amount of selling stockholders' securities being offered and the terms of the offering, the names of any agents, brokers, dealers or underwriters and any applicable commission with respect to a particular offer will be set forth in an accompanying prospectus supplement. Any underwriters, dealers, brokers or agents participating in the distribution of the securities may receive compensation in the form of underwriting discounts, concessions, commissions or fees from a selling stockholder and/or purchasers of selling stockholders' securities for whom they may act (which compensation as to a particular broker-dealer might be in excess of customary commissions).

The selling stockholders and any underwriters, brokers, dealers or agents that participate in the distribution of the securities may be deemed to be underwriters within the meaning of the Securities Act, and any discounts, concessions, commissions or fees received by them and any profit on the resale of the securities sold by them may be deemed to be underwriting discounts and commissions.

A selling stockholder may enter into hedging transactions with broker-dealers and the broker-dealers may engage in short sales of the securities in the course of hedging the positions they assume with that selling stockholder, including, without limitation, in connection with distributions of the securities by those broker-dealers. A selling stockholder may enter into option or other transactions with broker-dealers that involve the delivery of the securities offered hereby to the broker-dealers, who may then resell or otherwise transfer those securities. A selling stockholder may also loan or pledge the securities offered hereby to a broker-dealer and the broker-dealer may sell the securities offered hereby so loaned or upon a default may sell or otherwise transfer the pledged securities offered hereby.

A selling stockholder may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by the selling stockholder or borrowed from the selling stockholder or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from the selling stockholder in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment).

The selling stockholders and other persons participating in the sale or distribution of the securities will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M. This regulation may limit the timing of purchases and sales of any of the securities by the selling stockholders and any other person. The anti-manipulation rules under the Exchange Act may apply to sales of securities in the market and to the activities of the selling stockholders and their affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the securities to engage in market-making activities with respect to the particular securities being distributed for a period of up to five business days before the distribution. These restrictions may affect the marketability of the securities and the ability of any person or entity to engage in market-making activities with respect to the securities.

We have agreed to indemnify in certain circumstances the selling stockholders and any brokers, dealers and agents (who may be deemed to be underwriters), if any, of the securities covered by the registration statement, against certain liabilities, including liabilities under the Securities Act. The selling stockholders have agreed to indemnify us in certain circumstances against certain liabilities, including liabilities under the Securities Act.

The securities offered hereby were originally issued to the selling stockholders pursuant to an exemption from the registration requirements of the Securities Act. We agreed to register the securities under the Securities Act and to keep the registration statement of which this prospectus is a part effective for a specified period of time. We have agreed to pay all expenses in connection with this offering, including the fees and expenses of counsel to the selling stockholders, but not including underwriting discounts, concessions, commissions or fees of the selling stockholders.

We will not receive any proceeds from sales of any securities by the selling stockholders.

We cannot assure you that the selling stockholders will sell all or any portion of the securities offered hereby.

DESCRIPTION OF CAPITAL STOCK

Leap's authorized capital stock consists of 160,000,000 shares of common stock, \$0.0001 par value per share, and 10,000,000 shares of preferred stock, \$0.0001 par value per share.

The following summary of the rights of Leap common stock and preferred stock is not complete and is qualified in its entirety by reference to our amended and restated certificate of incorporation and amended and restated bylaws, copies of which have been publicly filed with the SEC. See [Where You Can Find More Information](#).

Common Stock

As of February 20, 2009, there were 69,813,511 shares of common stock outstanding.

As of February 20, 2009, there were warrants outstanding to purchase 600,000 shares of Leap common stock.

As of February 20, 2009, Leap had approximately 307 record holders of Leap common stock.

Voting Rights

Holders of Leap common stock are entitled to one vote per share on all matters to be voted upon by the stockholders. The holders of common stock are not entitled to cumulative voting rights with respect to the election of directors, which means that the holders of a majority of the shares voted can elect all of the directors then standing for election.

Dividends

Subject to limitations under Delaware law and preferences that may apply to any outstanding shares of preferred stock, holders of Leap common stock are entitled to receive ratably such dividends or other distributions, if any, as may be declared by Leap's board of directors out of funds legally available therefor.

Liquidation

In the event of our liquidation, dissolution or winding up, holders of Leap common stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to the liquidation preference of any outstanding preferred stock.

Rights and Preferences

The common stock has no preemptive, conversion or other rights to subscribe for additional securities. There are no redemption or sinking fund provisions applicable to Leap common stock. The rights, preferences and privileges of holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that Leap may designate and issue in the future.

Fully Paid and Non-assessable

All outstanding shares of Leap common stock are validly issued, fully paid and non-assessable.

Preferred Stock

Leap's board of directors is authorized, subject to the limits imposed by the Delaware General Corporation Law, to issue up to 10,000,000 shares of preferred stock in one or more series, to establish from time to time the number of shares to be included in each series, to fix the rights, preferences and privileges of the shares of each wholly unissued series and any of its qualifications, limitations and restrictions. Leap's board of directors can also increase or decrease the number of shares of any series, but not below the number of shares of that series then outstanding, without any further vote or action by Leap's stockholders.

Leap's board of directors may authorize the issuance of preferred stock with voting or conversion rights that adversely affect the voting power or other rights of Leap's common stockholders. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions, financings and other corporate purposes, could have the effect of delaying, deferring or preventing our change in control and may cause the market price of Leap common stock to decline or impair the voting and other rights of the holders of Leap common stock. We have no current plans to issue any shares of preferred stock. At February 20, 2009, Leap had no shares of preferred stock outstanding.

Warrants

As of February 20, 2009, there were warrants outstanding to purchase 600,000 shares of our capital stock. The warrants expire on March 23, 2009. These warrants have an exercise price of \$16.83 per share and contain customary anti-dilution and net issuance provisions.

Registration Rights Agreement with the Selling Holders

Under a registration rights agreement, as amended, certain of Leap's stockholders have the right to require us to register their shares with the SEC so that those shares may be publicly resold, or to include their shares in any registration statement we file as follows:

Demand Registration Rights

At any time after June 30, 2005, any holder who is a party to the registration rights agreement and who holds a minimum of 15% of the common stock covered by the registration rights agreement, has the right to demand that we file a registration statement covering the resale of its common stock, subject to a maximum of three such demands in the aggregate for all holders and to other specified exceptions. The underwriters of any such offering will have the right to limit the number of shares to be offered except that if the limit is imposed, then only shares held by holders who are parties to the registration rights agreement will be included in such offering and the number of shares to be included in such offering will be allocated pro rata among those same parties. In addition, while we are in registration, we generally will not be required to take any action to effect a demand registration.

Piggyback Registration Rights

If we register any securities for public sale, stockholders with registration rights will have the right to include their shares in the registration statement. The underwriters of any underwritten offering will have the right to limit the number of such shares to be included in the registration statement, except, in any underwritten offering that is not a demand registration, the number of shares held by these stockholders cannot be reduced to less than 50% of the total number of securities that are included in such registration statement.

Shelf Registration Rights

Not later than June 30, 2005, we were required to file with the SEC a resale shelf registration statement covering all shares of common stock held by these stockholders to be offered to the public on a delayed or continuous basis, subject to specified exceptions. We filed a resale shelf registration statement on Form S-1 (File No. 333-126246) pursuant to this registration rights agreement. We terminated the resale shelf registration statement on February 27, 2009 and in lieu thereof, are filing this resale shelf registration on Form S-3. We are required to use reasonable efforts to keep this registration statement continuously effective until (a) all shares of common stock registered pursuant to the registration statement have been sold; (b) such shares of common stock have been sold or transferred in accordance with the provisions of Rule 144 promulgated under the Securities Act; (c) such shares of common stock are sold or transferred (other than in a transaction under (a) or (b) above) by these stockholders in a transaction in which the rights under this registration rights agreement are not assigned; (d) such shares of common stock are no longer outstanding; or (e) such shares of common stock may be sold or transferred by these stockholders or beneficial owners of such shares pursuant to Rule 144(k).

Expenses of Registration

Other than underwriting fees, discounts and commissions, we will pay all reasonable expenses relating to piggyback registrations and all reasonable expenses relating to demand registrations.

Expiration of Registration Rights

The registration rights described above will terminate for a particular holder when (a) all shares of common stock registered pursuant to the resale shelf registration statement, of which this prospectus forms a part, have been sold; (b) such shares of common stock have been sold or transferred in accordance with the provisions of Rule 144 promulgated under the Securities Act; (c) such shares of common stock are sold or transferred (other than in a transaction under (a) or (b) above) by these stockholders in a transaction in which the rights under this registration rights agreement are not assigned; (d) such shares of common stock are no longer outstanding; or (e) such shares of common stock may be sold or transferred by these stockholders or beneficial owners of such shares pursuant to Rule 144(k).

Registration Rights Granted to CSM in Connection with LCW Wireless Transaction

In addition, Leap has reserved five percent of its outstanding shares, which represented 3,490,676 shares of common stock as of February 20, 2009, for potential issuance to CSM Wireless, LLC, or CSM, on the exercise of CSM's option to put its entire equity interest in LCW Wireless to Cricket. Under the amended and restated limited liability company agreement with CSM and WLPCS Management, LLC, or WLPCS, the purchase price for CSM's equity interest is calculated on a pro rata basis using either the appraised value of LCW Wireless or a multiple of Leap's enterprise value divided by its adjusted earnings before interest, taxes, depreciation and amortization, or EBITDA, and applied to LCW Wireless' adjusted EBITDA to impute an enterprise value and equity value for LCW Wireless. Cricket may satisfy the put price either in cash or in Leap common stock, or a combination thereof, as determined by Cricket in its discretion. However, the covenants in our Credit Agreement do not permit Cricket to satisfy any substantial portion of its put obligations to CSM in cash. If Cricket elects to satisfy its put obligations to CSM with Leap common stock, the obligations of the parties are conditioned upon the block of Leap common stock issuable to CSM not constituting more than five percent of Leap's outstanding common stock at the time of issuance. Dilution of the outstanding number of shares of Leap common stock could adversely affect prevailing market prices for Leap common stock.

We have agreed to prepare and file a resale shelf registration statement for any shares of Leap common stock that may be issued to CSM upon the exercise of CSM's option to put its entire equity interest in LCW Wireless to Cricket. See Part I Item 1. Business Arrangements with LCW Wireless in our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC on February 27, 2009, for additional information. Such resale shelf registration statement will cover these shares of common stock held by CSM to be offered to the public on a delayed or continuous basis, subject to specified exceptions. We will be required to keep such resale shelf registration statement effective with the SEC until (a) all such shares of common stock registered pursuant to the registration statement have been resold; or (b) all such shares of common stock may be sold or transferred pursuant to Rule 144. Other than underwriting fees, discounts and commissions, the fees and disbursements of counsel retained by CSM and transfer taxes, if any, we will pay all reasonable expenses incident to the registration of such shares.

Convertible Senior Notes

Leap has also reserved up to 4,761,000 shares of its common stock for issuance upon conversion of its \$250 million in aggregate principal amount of convertible senior notes due 2014. Holders may convert their notes into shares of Leap common stock at any time on or prior to the third scheduled trading day prior to the maturity date of the notes, July 15, 2014. If, at the time of conversion, the applicable stock price of Leap common stock is less than or equal to approximately \$93.21 per share, the notes will be convertible into 10.7290 shares of Leap common stock per \$1,000 principal amount of the notes (referred to as the base conversion rate), subject to adjustment upon the occurrence of certain events. If, at the time of conversion, the applicable stock price of Leap common stock exceeds approximately \$93.21 per share, the conversion rate will be determined pursuant to a formula based on the base conversion rate and an incremental share factor of 8.3150 shares per \$1,000 principal amount of the notes, subject to adjustment. At an applicable stock price of approximately \$93.21 per share, the number of shares of common stock issuable upon full conversion of the convertible senior notes would be 2,682,250 shares. Upon the occurrence of a

make-whole fundamental change of Leap under the indenture, under certain circumstances the maximum number of shares of common stock issuable upon full conversion of the convertible senior notes would be 4,761,000 shares.

Anti-takeover Effects of Delaware Law and Provisions of Our Amended and Restated Certificate of Incorporation, Amended and Restated Bylaws, Credit Agreement and Indentures

Delaware Takeover Statute

We are subject to Section 203 of the Delaware General Corporation Law. This statute regulating corporate takeovers prohibits a Delaware corporation from engaging in any business combination with any interested stockholder for three years following the date that the stockholder became an interested stockholder, unless: prior to the date of the transaction, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;

the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding (a) shares owned by persons who are directors and also officers and (b) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

on or subsequent to the date of the transaction, the business combination is approved by the board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2/3 % of the outstanding voting stock which is not owned by the interested stockholder.

Section 203 defines a business combination to include:

any merger or consolidation involving the corporation and the interested stockholder;

any sale, transfer, pledge or other disposition involving the interested stockholder of 10% or more of the assets of the corporation;

subject to exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder; or

the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, Section 203 defines an interested stockholder as any entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation and any entity or person affiliated with or controlling or controlled by the entity or person.

Amended and Restated Certificate of Incorporation and Amended and Restated Bylaw Provisions

Provisions of Leap's amended and restated certificate of incorporation and amended and restated bylaws, may have the effect of making it more difficult for a third-party to acquire, or discourage a third-party from attempting to acquire, control of our company by means of a tender offer, a proxy contest or otherwise. These provisions may also make the removal of incumbent officers and directors more difficult. These provisions are intended to discourage certain types of coercive takeover practices and inadequate takeover bids and to encourage persons seeking to acquire control of Leap to first negotiate with us. These provisions could also limit the price that investors might be willing to pay for shares of Leap common stock. These provisions may make it more difficult for stockholders to take specific corporate actions and could have the effect of delaying or preventing a change in control of Leap. The amendment of any of these anti-takeover provisions would require approval by holders of at least 66 2/3% of our outstanding common stock entitled to vote on such amendment.

In particular, Leap's certificate of incorporation and bylaws, each as amended and restated, provide for the following:

No Written Consent of Stockholders

Any action to be taken by Leap's stockholders must be effected at a duly called annual or special meeting and may not be effected by written consent.

Special Meetings of Stockholders

Special meetings of Leap's stockholders may be called only by the chairman of the board of directors, the chief executive officer or president, or a majority of the members of the board of directors.

Advance Notice Requirement

Stockholder proposals to be brought before an annual meeting of Leap's stockholders must comply with advance notice procedures. These advance notice procedures require timely notice and apply in several situations, including stockholder proposals relating to the nominations of persons for election to the board of directors. Generally, to be timely, notice must be received at our principal executive offices not less than 70 days nor more than 90 days prior to the first anniversary date of the annual meeting for the preceding year.

Amendment of Bylaws and Certificate of Incorporation

The approval of not less than 66 2/3 % of the outstanding shares of Leap's capital stock entitled to vote is required to amend the provisions of Leap's amended and restated bylaws by stockholder action, or to amend provisions of Leap's amended and restated certificate of incorporation described in this section or that are described in

Compensation Discussion And Analysis Indemnification of Directors and Executive Officers and Limitation on Liability in our Definitive Proxy Statement on Schedule 14A, filed with the SEC on April 23, 2008. These provisions make it more difficult to circumvent the anti-takeover provisions of Leap's certificate of incorporation and our bylaws.

Issuance of Undesignated Preferred Stock

Leap's board of directors is authorized to issue, without further action by the stockholders, up to 10,000,000 shares of preferred stock with rights and preferences, including voting rights, designated from time to time by the board of directors. The existence of authorized but unissued shares of preferred stock enables Leap's board of directors to render more difficult or to discourage an attempt to obtain control of us by means of a merger, tender offer, proxy contest or otherwise.

Credit Agreement and Indentures

Our Credit Agreement prohibits the occurrence of a change of control and, under the indentures governing our senior notes and convertible senior notes, if a change of control occurs, each holder of the notes may require us to repurchase all of such holder's notes at a purchase price equal to 101% of the principal amount of the senior notes, or 100% of the principal amount of the convertible senior notes, plus accrued and unpaid interest. See Part II Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations Liquidity and Capital Resources in our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC on February 27, 2009, for additional information.

Transfer Agent and Registrar

The transfer agent and registrar for Leap common stock is Mellon Bank Investor Services, LLC.

NASDAQ Global Select Market

Leap common stock is listed for trading on the NASDAQ Global Select Market under the symbol LEAP.

EXPERTS

The consolidated financial statements of Leap and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this prospectus by reference to the Annual Report on Form 10-K of Leap for the year ended December 31, 2008 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

VALIDITY OF THE SECURITIES

The validity of the shares of common stock offered by this prospectus has been passed upon for us by Latham & Watkins LLP, San Diego, California.

LIMITATION ON LIABILITY AND DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Our certificate of incorporation and bylaws provide that we will indemnify our directors and officers, and may indemnify our employees and other agents, to the fullest extent permitted by the Delaware General Corporation Law. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 15. Indemnification of Directors and Officers.

As permitted by Section 102 of the Delaware General Corporation Law, Leap has adopted provisions in its amended and restated certificate of incorporation and amended and restated bylaws that limit or eliminate the personal liability of Leap's directors for a breach of their fiduciary duty of care as a director. The duty of care generally requires that, when acting on behalf of the corporation, directors exercise an informed business judgment based on all material information reasonably available to them. Consequently, a director will not be personally liable to Leap or its stockholders for monetary damages or breach of fiduciary duty as a director, except for liability for:

any breach of the director's duty of loyalty to Leap or its stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

any act related to unlawful stock repurchases, redemptions or other distributions or payment of dividends; or

any transaction from which the director derived an improper personal benefit.

These limitations of liability do not affect the availability of equitable remedies such as injunctive relief or rescission. Leap's amended and restated certificate of incorporation also authorizes Leap to indemnify its officers, directors and other agents to the fullest extent permitted under Delaware law.

As permitted by Section 145 of the Delaware General Corporation Law, Leap's amended and restated bylaws provide that:

Leap may indemnify its directors, officers, and employees to the fullest extent permitted by the Delaware General Corporation Law, subject to limited exceptions;

Leap may advance expenses to its directors, officers and employees in connection with a legal proceeding to the fullest extent permitted by the Delaware General Corporation Law, subject to limited exceptions; and

the rights provided in Leap's amended and restated bylaws are not exclusive.

Leap's amended and restated certificate of incorporation and amended and restated bylaws provide for the indemnification provisions described above. In addition, we have entered into separate indemnification agreements with our directors and officers which may be broader than the specific indemnification provisions contained in the Delaware General Corporation Law. These indemnification agreements may require us, among other things, to indemnify our officers and directors against liabilities that may arise by reason of their status or service as directors or officers, other than liabilities arising from willful misconduct. These indemnification agreements also may require us to advance any expenses incurred by the directors or officers as a result of any proceeding against them as to which they could be indemnified. In addition, we have purchased policies of directors' and officers' liability insurance that insure our directors and officers against the cost of defense, settlement or payment of a judgment in some circumstances. These indemnification provisions and the indemnification agreements may be sufficiently broad to permit indemnification of our officers and directors for liabilities, including reimbursement of expenses incurred, arising under the Securities Act of 1933, as amended, or the Securities Act.

Certain of our current and former officers and directors have been named as defendants in multiple lawsuits and several of these defendants have indemnification agreements with us. We are also a defendant in some of these lawsuits. See Part I Item 3. Legal Proceedings in our Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC on February 27, 2009, for additional information.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Diego, State of California, on March 4, 2009.
