Item 1.01 Entry into a Material Definitive Agreement.

On October 17, 2017, Goodrich Petroleum Corporation (the “Company”) entered into an Amended and Restated Senior Secured Revolving Credit Agreement (the “Credit Agreement”) among the Company, Goodrich Petroleum Company, L.L.C., as borrower (the “Borrower”), JPMorgan Chase Bank, N.A., as administrative agent, and certain lenders that are a party thereto, which provides for revolving loans of up to the borrowing base then in effect (the “Revolving Credit Facility”). The Revolving Credit Facility amends, restates and refinances the obligations under that certain Exit Credit Agreement dated as of October 12, 2016, among Goodrich Petroleum Corporation, as Parent Guarantor, Goodrich Petroleum Company, L.L.C., as Borrower, Wells Fargo Bank, National Association, as Administrative Agent, and the Lenders party thereto. Capitalized terms used but not otherwise defined in this Item 1.01 have the respective meanings ascribed to such terms in the Credit Agreement.

The Revolving Credit Facility matures (a) October 17, 2021 or (b) if the 2019 Notes (as defined in the Credit Agreement) have not been voluntarily redeemed, repurchased, refinanced or otherwise retired by September 30, 2019, September 30, 2019. The maximum credit amount under the Revolving Credit Facility is currently \$250 million with an initial borrowing base of \$40 million. The borrowing base is scheduled to be redetermined in March and September of each calendar year, commencing on or about March 1, 2018, and is subject to additional adjustments from time to time, including for asset sales, elimination or reduction of hedge positions and incurrence of other debt. Additionally, each of the Borrower and the administrative agent may request one unscheduled redetermination of the borrowing base between scheduled redeterminations. The amount of the borrowing base is determined by the lenders in their sole discretion and consistent with their oil and gas lending criteria at the time of the relevant redetermination. The Company may also request the issuance of letters of credit under the Credit Agreement in an aggregate amount up to \$10 million, which reduce the amount of available borrowings under the borrowing base in the amount of such issued and outstanding letters of credit.

All amounts outstanding under the Revolving Credit Facility shall bear interest at a rate per annum equal to, at the Company's option, either (i) the alternative base rate plus an applicable margin ranging from 1.75% to 2.75%, depending on the percentage of the borrowing base that is utilized, or (ii) adjusted LIBOR plus an applicable margin from 2.75% to 3.75%, depending on the percentage of the borrowing base that is utilized. Undrawn amounts under the Revolving Credit Facility are subject to a 0.50% commitment fee. To the extent that a payment default exists and is continuing, all amounts outstanding under the Revolving Credit Facility will bear interest at 2.0% per annum above the rate and margin otherwise applicable thereto.

The obligations under the Credit Agreement are guaranteed by the Company and secured by a first lien security interest in substantially all of the assets of the Company and the Borrower.

The Credit Agreement contains certain customary representations and warranties, affirmative and negative covenants and events of default. If an event of default occurs and is continuing, the lenders may declare all amounts outstanding under the Revolving Credit Facility to be immediately due and payable.

The Credit Agreement also contains certain financial covenants, including the maintenance of (i) a ratio of Total Debt to EBITDAX not to exceed 4.00 to 1.00 as of the last day of any fiscal quarter, (ii) a current ratio (based on the ratio of current assets to current liabilities) not to be less than 1.00 to 1.00 and (iii) until no 2019 Notes remain outstanding, a ratio of Total Proved PV10% attributable to the Company's and Borrower's Proved Reserves to Total Secured Debt (net of any Unrestricted Cash not to exceed \$10 million) not to be less than 1.50 to 1.00 and minimum liquidity requirements.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to such Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.
