Item 1.01. Entry into a Material Definitive Agreement.

On March 31, 2009, Silicon Graphics, Inc. (“SGI”) entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”) with Rackable Systems, Inc. (“Rackable”). Under this agreement, Rackable will purchase substantially all the assets, except for certain excluded assets, of SGI for \$25 million, subject to adjustment in certain circumstances, plus the assumption of certain liabilities associated with the acquired assets. The Asset Purchase Agreement has been approved by the respective boards of directors of Rackable and SGI.

Completion of the transaction is subject to a number of closing conditions, including the approval of the Court (as defined below). Subject to such conditions and uncertainties, the transaction is expected to close within approximately 60 days. The assets to be acquired do not include certain non-core patents, which will be retained by SGI. It is expected that the net proceeds of the transaction will be distributed for the benefit of the secured creditors of SGI, and that SGI stockholders will not receive any proceeds in respect of the sale.

Item 1.03. Bankruptcy or Receivership.

On April 1, 2009, Silicon Graphics, Inc. (“SGI”) and certain of its subsidiaries (collectively, the “Debtors”) filed voluntary petitions for reorganization under Chapter 11 of Title 11, United States Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Court”) (Case No. 09-11701). The Debtors will continue to operate their business as “debtors-in-possession” under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court.

On April 1, 2009, SGI issued a press release announcing that it had filed a voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code. In this press release, SGI announced that it had reached an agreement to sell substantially all of its assets, except for certain excluded assets, to Rackable for \$25 million. A copy of the press release is incorporated herein by reference and attached hereto as Exhibit 99.1.

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The filing of the bankruptcy petitions described above constitutes an event of default under the Senior Secured Credit Agreement, dated October 17, 2006, as amended, (the “Credit Agreement”) with Morgan Stanley Senior Funding, Inc. as administrative agent and revolving agent, Morgan Stanley & Co., Incorporated as collateral agent, and the other Lenders and Credit Parties thereto (as defined therein) and resulted in the acceleration of all amounts due under the Credit Agreement. The ability of the creditors to seek remedies to enforce their rights under the Credit Agreement is automatically stayed as a result of the filing of Chapter 11 cases, and the creditors’ rights of enforcement are subject to the applicable provisions of the Bankruptcy Code. The automatic stay invoked by filing the Chapter 11 cases effectively precludes any actions against SGI resulting from such acceleration.

As of March 31, 2009, under the Credit Agreement, the total principal amount of the outstanding obligations under the term loan was approximately \$141.7 million and the total principal amount of the outstanding obligations under the revolving loan was approximately \$20.7 million.
