The acceptance of Notes for purchase pursuant to the Offers is subject to the satisfaction of a new financing and certain other conditions, including those set out in the Tender Offer Memorandum under the heading “Conditions of the Offers.”

Rationale for the Offers

The Offers are a part of the ongoing active management and optimization of The Royal Bank of Scotland Group plc’s (the “Group”) capital structure. In addition, the Offers will provide liquidity to holders of Securities accepted in the Offers.

It is the intention of the Group that all decisions regarding whether or not to exercise early redemption calls on the relevant Securities that remain outstanding following the Offers will be made with reference to a variety of internal and external factors, including the then prevailing regulatory, economic and market conditions.

Total Consideration; Tender Offer Consideration

The “Total Consideration” for each U.S.\$1,000, €1,000, DEM 1,000 or A\$1,000, as applicable, principal amount of Securities validly tendered pursuant to Offers on or prior to the Early Tender Deadline and accepted for purchase (subject to proration, if any) will be a cash purchase price equal to the Total Consideration for the relevant series as set out in the table above. The Total Consideration will include the Early Tender Premium (as defined below).

The “Tender Offer Consideration” for each U.S.\$1,000, €1,000, DEM 1,000 or A\$1,000, as applicable, principal amount of Securities validly tendered pursuant to the Offers after the Early Tender Deadline (as defined below) and on or prior to the Expiration Deadline (as defined below) and accepted for purchase (subject to proration, if any) will consist of the Total Consideration for that series of Securities less the Early Tender Premium.

The “Early Tender Premium” for each U.S.\$1,000, €1,000, DEM 1,000 or A\$1,000, as applicable, principal amount of each series of Securities validly tendered pursuant to the Offers on or prior to the Early Tender Deadline and accepted for purchase (subject to proration, if any) will be equal to the amount set out in the table above.

Holders must validly tender and not withdraw their Securities on or prior to 5:00 p.m. (New York City time) on June 14, 2013 (unless extended) (the “Early Tender Deadline”) in order to be eligible to receive the Total Consideration, which includes the Early Tender Premium. Holders validly tendering their Securities after the Early Tender Deadline and on or prior to 11:59 p.m. (New York City time) on June 28, 2013 (unless extended or earlier terminated) (the “Expiration Deadline”) will be eligible to receive only the Tender Offer Consideration and will not be eligible to receive the Early Tender Premium.

The Total Consideration or the Tender Offer Consideration, as the case may be, will be payable in cash promptly after the Expiration Deadline to those Holders whose Securities are accepted for purchase in the Offers. In addition, holders who validly tender Securities that are accepted for purchase will receive a cash payment representing the Accrued Interest on such Securities.

Maximum Offer Amount

The maximum aggregate principal amount of Securities to be accepted by the Offeror in the Offers across all series of Securities combined (calculated, to the extent necessary, using the AUD FX Rate, the EUR FX Rate and the DEM FX Rate) is the Maximum Offer Amount of U.S.\$1,000,000,000. The Offeror reserves the right, subject to applicable law, to increase or decrease the Maximum Offer Amount or to otherwise amend the terms of the Offers (including amending the Maximum Offer Amount) without giving Holders withdrawal rights.

Acceptance Priority Levels

Subject to the terms and conditions of the Offers, on the Settlement Date or the AUD Settlement Date, as the case may be, the Offeror will accept for purchase the Securities validly tendered in the Offers in accordance with the applicable Acceptance Priority Levels (in numerical priority order) as set forth in the table above, with Level 1 being the highest priority level. All validly tendered Securities having a higher Acceptance Priority Level will be accepted for purchase before any validly tendered Securities having a lower Acceptance Priority Level.

If the remaining Maximum Offer Amount after acceptances of any Securities with a higher Acceptance Priority level is not adequate to accept for purchase all of the validly tendered Securities of a particular series of Securities at an Acceptance Priority Level, the Offeror will (subject to the terms and conditions of the Offers) accept validly tendered Securities in such Acceptance Priority Level on a pro rata basis (with each individual Tender Instruction or Australian Offer Letter subject to proration rounded, if necessary, down to the nearest relevant Authorized Denomination), such

that the aggregate principal amount of Securities accepted for purchase pursuant to the Offers is no greater than the Maximum Offer Amount. In such circumstances, the proration factor will be calculated for all Securities of the relevant series by dividing (x) the aggregate amount of Securities of such series that will be accepted for purchase by (y) the aggregate amount of Securities of such series that were validly tendered in the Offers and not withdrawn. The Offeror will not accept any Securities having a lower Acceptance Priority Level than the Securities of such series. If the application of the proration factor would result in the Offeror returning Securities to a Holder in a principal amount below the Minimum Denomination of the relevant Securities, the Offeror will reject all of such Holder's tendered Securities.

Securities that are not successfully tendered for purchase pursuant to the Offers and the terms and conditions set out in the Tender Offer Memorandum will remain outstanding and will remain subject to the terms and conditions of such Securities.

Withdrawal Rights

Holders may withdraw validly tendered Securities at any time prior to the Withdrawal Deadline, but not afterwards. If the Offers are terminated without any Securities being purchased pursuant to the Offers, whether before or after the Expiration Deadline, the Offeror will promptly return the Securities tendered pursuant to such Offer to the tendering Holder. Tendered Securities may only be withdrawn in Authorized Denominations and the principal amount of Securities that remain tendered must be equal to not less than the relevant Minimum Denomination.

All Tender Instructions and Australian Offer Letters will be irrevocable after the Withdrawal Deadline (except in the limited circumstances described in the Tender Offer Memorandum).

Subject to applicable laws, the Offeror may increase or decrease the Maximum Offer Amount in its sole and absolute discretion without extending the Withdrawal Deadline or otherwise reinstating withdrawal rights.

Offers Period and Results

The Offers commenced today, June 3, 2013, and will end at 11:59 p.m. (New York City time) on June 28, 2013, unless extended, re-opened or earlier terminated as provided in the Tender Offer Memorandum.

The relevant deadline set by the relevant Clearing System or any intermediary for the submission of Tender Instructions and/or Australian Offer Letters may be earlier than this deadline.

The Offeror expects to announce the aggregate principal amount of each series of Securities tendered by the Early Tender Deadline on June 17, 2013. The final results of the Offers are expected to be announced on July 1, 2013.

The Total Consideration and Accrued Interest for Securities validly tendered on or prior to the Early Tender Deadline, and accepted for purchase, and the Tender Offer Consideration and Accrued Interest for Securities validly tendered after the Early Tender Deadline and before the Expiration Deadline, and accepted for purchase, will be paid to Holders on the applicable Settlement Date, will be promptly after the Expiration Deadline. The Settlement Date is expected to be July 3, 2013 and the AUD Settlement Date is expected to be July 4, 2013.

In order to receive the Total Consideration or the Tender Offer Consideration, as the case may be, and Accrued Interest, holders of Securities must validly tender their Securities by the Early Tender Deadline or the Expiration Deadline, as applicable, in accordance with the procedures set forth in the Tender Offer Memorandum. Any submission amount must be equal to or greater than the relevant Security's Minimum Denomination.

Announcements in connection with the Offers will be made by the issue of a press release through the Reuters International Insider Screen, a Notifying News Service, by the delivery of any required Stock Exchange Notices and by the delivery of notices to the relevant Clearing System for communication to Direct Participants. Copies of all such announcements, press releases and notices will also be available from the Tender Agents, the contact details for whom are set out below.
