(a) Director Compensation.

On September 26, 2006, the Board of Directors of Merck & Co., Inc. (Merck or the Company) completed a review of compensation for non-employee directors. The review included an analysis of the most recent proxy statements of U.S.-based pharmaceutical peers and the Dow Jones Industrial companies. Based on the analysis, and the increased responsibility and time commitment associated with Board and committee service (particularly for Audit Committee members), the Board revised the compensation of non-employee directors as follows, effective October 1, 2006:

Compensation Item	Year Last Revised	Prior Amount	Revised Amount
Annual Retainers			
Board	1999	\$45,000	\$55,000
Audit Committee Chair	2004	\$15,000	\$20,000
Audit Committee Members	2004	\$5,000	\$10,000
Meeting Fees (Board and Committee)	1991	\$1,200	\$1,500
Annual credit to Merck Common Stock Account in the Plan for Deferred Payment of Directors Compensation (the Directors Plan)	1999	Value equal to 1/3 Annual Retainer for Board service (i.e., \$15,000 per year)	Value equal to Annual Retainer for Board service (i.e., \$55,000 per year), beginning April, 2007

All other elements of compensation for non-employee directors remain the same.

The Directors Plan was amended and restated by the Committee on Corporate Governance to reflect the increase in annual credit to the Merck Common Stock Account described above. This increase will be reflected when made in April, 2007. A copy of the amended and restated Directors Plan is filed as Exhibit 10.1 to this report.

(b) Amendments to Deferral Program.

On September 29, 2006, the Merck Compensation and Benefits Committee (the C&B Committee) amended and restated the Merck & Co., Inc. Deferral Program (the Program) to implement the second of a two-step process, providing Program participants maximum flexibility during the transition period prior to the Program being amended to fully conform with requirements of the American Jobs Creation Act of 2004. Under Step 1, previously announced in Forms 8-K filed October 28, 2005 and December 22, 2005, participants were permitted to cancel prior deferral elections in late 2005. Under Step 2, to be completed during October 2006, participants will be permitted to elect new distribution schedules for their accounts. More specifically, the Program was amended to:

Provide that distributions begin in the year after retirement or separation (formerly, distributions could begin in the year of retirement or separation)

Eliminate the requirement that distributions be completed within 15 years of retirement or separation

Provide distributions be made as soon as administratively feasible following a participant s death

Table of Contents

Provide all elections, including changes to distribution schedules, be made by the process determined by the Senior Vice President, Human Resources, so long as they do not violate Section 409A of the Internal Revenue Code (the Code)
