JOINT PROXY STATEMENT

Annual Meetings of Shareholders

October 1, 2008

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Boards of Trustees (the Board(s)) of Morgan Stanley Insured Municipal Trust (IMT), Morgan Stanley Insured Municipal Bond Trust (IMC), Morgan Stanley Insured Municipal Income Trust (IIM), Morgan Stanley California Insured Municipal Income Trust (IIC), Morgan Stanley Quality Municipal Income Trust (IQI) and Morgan Stanley Quality Municipal Investment Trust (IQT) (individually, a Trust and, collectively, the Trusts), for use at the Annual Meetings of Shareholders of the Trusts to be held jointly on October 1, 2008 (the Meeting(s)), and at any adjournments thereof. The first mailing of this Joint Proxy Statement is expected to be made on or about August 29, 2008.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Meetings, the proxies named therein will vote the shares (Shares) represented by the proxy in accordance with the instructions marked thereon. Unmarked proxies submitted by shareholders of a Trust (Shareholders) will be voted for each of the nominees for election as Trustee to be elected by all Shareholders of that Trust, and, if the Shareholder holds preferred shares of the Trust, for the nominee for election as Trustee to be elected by only the preferred shareholders (Preferred Shareholders), with respect to that Trust set forth in the attached Notice of Annual Meetings of Shareholders. A proxy may be revoked at any time prior to its exercise by any of the following: written notice of revocation to the Secretary of the Trusts, execution and delivery of a later dated proxy to the Secretary of the Trusts (whether by mail or, as discussed below, by touchtone telephone or the Internet) (if returned and received in time to be voted), or attendance and voting at the Meetings. Attendance at the Meetings will not in and of itself revoke a proxy.

Shareholders of record of each Trust as of the close of business on August 25, 2008, the record date for the determination of Shareholders entitled to notice of and to vote at the Meetings (the Record Date), are entitled to one vote for each Share held and a fractional vote for a fractional Share. No person was known to beneficially own more than 5% of the outstanding Shares of any of the Trusts on that date. The percentage ownership of Shares of each Trust changes from time to time depending on purchases and sales by Shareholders and the total number of Shares outstanding.

The table below sets forth the total number of Common Shares and Preferred Shares outstanding for each Trust as of the Record Date:

Name of Trust	Number of Common Shares Outstanding as of August 25, 2008 (Record Date)	Number of Preferred Shares Outstanding as of August 25, 2008 (Record Date)
IMT	17,484,370	2,732
IMC	3,942,543	510
IIM	20,694,674	2,294
IIC	10,660,578	1,248
IQI	23,505,263	3,246
IQT	13,865,371	1,785

The cost of soliciting proxies for the Meeting of each Trust, consisting principally of printing and mailing expenses, will be borne by each respective Trust. The solicitation of proxies will be by mail, telephone or otherwise through Trustees, officers of the Trusts or officers and employees of Morgan Stanley Investment Advisors Inc. (Morgan Stanley Investment Advisors or the Investment Adviser), Morgan Stanley Trust, Morgan Stanley Services Company Inc. (Morgan Stanley Services or the Administrator) and/or Morgan Stanley & Co. Incorporated (Morgan Stanley & Co.), without special compensation therefor. In addition, each Trust may employ Computershare Fund Services, Inc. (Computershare) to make telephone calls to Shareholders to remind them to vote. Each Trust may also employ Computershare as proxy solicitor if it appears that the required number of votes to achieve a Quorum will not be received. The transfer agent services for each Trust are currently provided by Computershare Trust Company, N.A. (the Transfer Agent).

Shareholders will be able to vote their shares by touchtone telephone or by Internet by following the instructions on the proxy card or on the Voting Information Card accompanying this Joint Proxy Statement. To vote by touch tone telephone or by Internet, Shareholders can access the website or call the toll-free number listed on the proxy card or noted in the enclosed voting instructions. To vote by touch tone telephone or by Internet, Shareholders will need the number that appears on the proxy card in the shaded box.

In certain instances, Computershare may call Shareholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Shareholders' identities, to allow Shareholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. No recommendation will be made as to how a Shareholder should vote on any proposal other than to refer to the recommendations of the Board. The Trusts have been advised by counsel that these procedures are consistent with the requirements of applicable law. Shareholders voting by telephone in this manner will be asked for identifying information and will be given an opportunity to authorize proxies to vote their shares in accordance with their instructions. To ensure that the Shareholders' instructions have been recorded correctly, they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Shareholder's vote may be taken by telephone, each Shareholder will receive a copy of this Joint Proxy Statement and may vote by mail using the

enclosed proxy card or by touchtone telephone or the Internet as set forth above. The last proxy vote received in time to be voted, whether by proxy card, touchtone telephone or Internet, will be the vote that is counted and will revoke all previous votes by the Shareholder. In the event that Computershare is retained as proxy solicitor, Computershare will be paid a project management fee as well as telephone solicitation expenses incurred for reminder calls, outbound telephone voting, confirmation of telephone votes, inbound telephone contacts, obtaining Shareholders' telephone numbers, and providing additional materials upon Shareholder request, at an estimated cost of \$2,000, which will be borne by each respective Trust.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Trust and, because Shareholders may own Shares of more than one Trust, to potentially avoid burdening Shareholders with more than one proxy statement. Shares of a Trust are entitled to one vote each at the respective Trust's Meeting. To the extent information relating to common ownership is available to the Trusts, a Shareholder that owns record shares in two or more of the Trusts will receive a package containing a Joint Proxy Statement and proxy cards for the Trusts in which such Shareholder is a record owner. If the information relating to common ownership is not available to the Trusts, a Shareholder that beneficially owns shares in two or more Trusts may receive two or more packages each containing a Joint Proxy Statement and a proxy card for each Trust in which such Shareholder is a beneficial owner. If the proposed election of Trustees are approved by Shareholders of one Trust and disapproved by Shareholders of other Trusts, the proposals will be implemented for the Trust that approved the proposals and will not be implemented for any Trust that did not approve the proposals. Thus, it is essential that Shareholders complete, date, sign and return *each* enclosed proxy card or vote by telephone or Internet as indicated in each Trust's proxy card.

Only one copy of this Joint Proxy Statement will be delivered to multiple Shareholders sharing an address unless we have received contrary instructions from one or more of the Shareholders. Upon written or oral request, we will deliver a separate copy of this Joint Proxy Statement to a Shareholder at a shared address to which a single copy of this Joint Proxy Statement was delivered. Should any Shareholder wish to receive a separate proxy statement or should Shareholders sharing an address wish to receive a single proxy statement in the future, please contact (888) 421-4015 (toll-free).

ELECTION OF TRUSTEES FOR EACH TRUST

The number of Trustees of each Trust has been fixed by the Trustees, pursuant to each Trust's Declaration of Trust, at ten. There are presently ten Trustees for each Trust. At the Meetings, pursuant to each Trust's Declaration of Trust, three nominees are standing for election to each Trust's Board of Trustees to serve until the year 2011 Annual Meetings by the holders of the Common Shares and the Preferred Shares of each respective Trust voting together as a single class. Additionally, pursuant to each Trust's Declaration of Trust and the Investment Company Act of 1940, as amended (the "1940 Act"), one Trustee is to be elected to the Board of Trustees of IMC, IIM and IIC by the holders of the Preferred Shares of each respective Trust voting separately as a single class, all as set forth below.

IMT, IQI and IQT

Until the year 2011 Annual Meeting

By all Shareholders:
Frank L. Bowman
Michael Bozic
James F. Higgins

IMC, IIM and IIC

Until the year 2011 Annual Meeting

By all Shareholders:
Kathleen A. Dennis
Joseph J. Kearns
Fergus Reid
By Preferred Shareholders only:
Manuel H. Johnson

Nine of the current ten Trustees (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) are Independent Trustees, that is, Trustees who are not interested persons of the Trusts, as that term is defined in the 1940 Act. The other current Trustee, James F. Higgins, is an interested trustee, that is, a Trustee who is an interested person (as that term is defined in the 1940 Act) of the Trusts and Morgan Stanley Investment Advisors and thus, is *not* an Independent Trustee. The nominees for election as Trustee have been proposed by the Trustees now serving, or, in the case of the nominees for positions as Independent Trustees, by the Independent Trustees now serving. All of the members of the Boards have previously been elected by the shareholders of the Trusts.

The nominees of the Boards of Trustees for election as Trustee of each Trust are listed below. It is the intention of the persons named in the enclosed form of proxy, unless instructed by proxy to withhold authority to vote for the nominees, to vote all validly executed proxies for the election of the following nominees: for IMT, IQI and IQT Frank L. Bowman, Michael Bozic and James F. Higgins and for IMC, IIM and IIC Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns and Fergus Reid. Should any of the nominees become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Boards may recommend or, in the case of an Independent Trustee nominee, as the Independent Trustees of each Trust may recommend. All of the nominees have consented to being named in this Joint Proxy Statement and to serve if elected. The Trusts know of no reason why any of the said nominees would be unable or unwilling to accept nomination or election. With respect to each Trust, the election of the nominees listed above to be elected by all Shareholders requires the approval of a majority of the shares of the Trust represented and entitled to vote at the Meeting (Common Shares and Preferred Shares voting together as a single class). The election of the nominee listed above to be elected by only the

Preferred Shareholders of each Trust requires the approval of a majority of the Preferred Shares of the Trust represented and entitled to vote at the Meetings (voting separately as a single class).

Pursuant to the provisions of the Declaration of Trust of each Trust, in certain cases as amended, the Trustees are divided into three separate classes, each class having a term of three years. The term of office of one of each of the three classes will expire each year.

The Board of each Trust has previously determined that any nominee for election as Trustee for each Trust will stand for election as Trustee and serve as Trustee in one of the three classes of Trustees as follows: Class I Messrs. Bowman, Bozic and Higgins; Class II Ms. Dennis and Messrs. Johnson, Kearns and Reid; and Class III Messrs. Klein, Nugent and Reed. Each nominee will, if elected, serve a term of up to approximately three years running for the period assigned to that class and terminating at the date of the Annual Meeting of Shareholders so designated by the Boards, or any adjournments thereof. In addition, pursuant to each Trust's Declaration of Trust and the 1940 Act, the Board of each Trust previously determined that one of each of the Class II Trustees and Class III Trustees will be designated to be elected by the Preferred Shareholders voting separately. In this regard, Manuel H. Johnson and Michael E. Nugent serve as Trustees of each Trust's Board of Trustees on behalf of the Preferred Shareholders, the terms of each to expire with his designated Class. As a consequence of this method of election, the replacement of a majority of each of the Boards could be delayed for up to two years. In accordance with the above, three Trustees in Class I for IMT, IQI and IQT and four Trustees in Class II for IMC, IIM and IIC are standing for election at the Meetings and will, if elected, serve until the 2011 Annual Meetings for each Trust as set forth above or, in each case, until their successors shall have been elected and qualified.

The current Trustees of the Trust also serve as trustees for certain of the funds advised by the Investment Adviser (the Retail Funds) and certain of the funds advised by Morgan Stanley Investment Management Inc. and Morgan Stanley AIP GP LP (the Institutional Funds). The table below sets forth the following information regarding the nominees for election as Trustee, and each of the other Trustees (both the Independent Trustees and the Interested Trustee), as well as the executive officers of the Trusts: their age, address, term of office and length of time served, their principal business occupations during the past five years, the number of portfolios in the Fund Complex (defined below) overseen by each Trustee or nominee Trustee (as of December 31, 2007) and other directorships, if any, held by the Trustees. The Fund Complex includes all open-end and closed-end funds (including all of their portfolios) advised by the Investment Adviser and any funds that have an investment adviser that is an affiliated person of the Investment Adviser (including, but not limited to, Morgan Stanley Investment Management Inc.).

(1) Includes the total amount of compensation deferred by the Trustee at his election pursuant to a deferred compensation plan. Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the Retail Funds or Institutional Funds (or portfolio thereof) that are offered as investment options under the plan.

As to each Independent Trustee and his or her immediate family members, no person owned beneficially or of record securities in an investment adviser or principal underwriter of the Trusts, or a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with an investment adviser or principal underwriter of the Trusts as of the record date.

The Independent Trustees and the Committees

Law and regulation establish both general guidelines and specific duties for the Independent Trustees. The Retail Funds seek as Independent Trustees individuals of distinction and experience in business and finance, government service or academia; these are people whose advice and counsel are in demand by others and for whom there is often competition. To accept a position on the Retail Funds Boards, such individuals may reject other attractive assignments because the Retail Funds make substantial demands on their time. The Board has four Committees: (1) Audit Committee, (2) Governance Committee, (3) Insurance, Valuation and Compliance Committee and (4) Investment Committee. Three of the Independent Trustees serve as members of the Audit Committee, three Independent Trustees serve as members of the Governance Committee, four Trustees, including three Independent Trustees, serve as

members of the Insurance, Valuation and Compliance Committee and all of the Trustees serve as members of the Investment Committee.

The Independent Trustees are charged with recommending to the full Board approval of management, advisory and administration contracts, and distribution and underwriting agreements; continually reviewing fund performance; checking on the pricing of portfolio securities, brokerage commissions, transfer agent costs and performance and trading among funds in the same complex;

and approving fidelity bond and related insurance coverage and allocations, as well as other matters that arise from time to time.

The Board of Trustees of each Trust has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. Each Audit Committee is charged with recommending to the full Board the engagement or discharge of the Trusts' independent registered public accounting firm; directing investigations into matters within the scope of the independent registered public accounting firms' duties, including the power to retain outside specialists; reviewing with the independent registered public accounting firm the audit plan and results of the auditing engagement; approving professional services provided by the independent registered public accounting firm and other accounting firms prior to the performance of such services; reviewing the independence of the independent registered public accounting firm; considering the range of audit and non-audit fees; reviewing the adequacy of each Trust's system of internal controls; and preparing and submitting committee meeting minutes to the full Board.

The members of the Audit Committee of each Trust are Joseph J. Kearns, Michael E. Nugent and W. Allen Reed. None of the members of the Trusts' Audit Committees is an interested person, as defined under the 1940 Act, of any of the Trusts (with such disinterested Trustees being Independent Trustees or individually, Independent Trustee). Each Independent Trustee is also independent from each Trust under the listing standards of the New York Stock Exchange, Inc. (NYSE). The Chairperson of the Audit Committees of each of the Trusts is Joseph J. Kearns. The Board of Trustees for each Trust has adopted a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the Audit Committee Charter is attached to the 2007 Joint Proxy Statement for the Trusts filed with the Securities and Exchange Commission (the SEC) on September 11, 2007.

The Board of Trustees of each Trust also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Trustees on each Trust's Board and on committees of such Board and recommends such qualified individuals for nomination by the Trusts' Independent Trustees as candidates for election as Independent Trustees, advises each Trust's Board with respect to Board composition, procedures and committees, develops and recommends to each Trust's Board a set of corporate governance principles applicable to the Trusts, monitors and makes recommendations on corporate governance matters and policies and procedures of the Trusts' Board of Trustees and any Board committees and oversees periodic evaluations of the Trusts' Board and its committees. The members of the Governance Committee of each Trust are Kathleen A. Dennis, Michael F. Klein and Fergus Reid, each of whom is an Independent Trustee. The Chairperson of the Governance Committee is Fergus Reid. The Board of Trustees for each Trust has adopted a formal written charter for the Governance Committee which sets forth the Governance Committee's responsibilities. A copy of the Governance Committee Charter is attached to the 2007 Joint Proxy Statement filed for the Trusts with the SEC on September 11, 2007.

The Trusts do not have a separate nominating committee. While each Trust's Governance Committee recommends qualified candidates for nominations as Independent Trustees, the Board of Trustees of each Trust believes that the task of nominating prospective Independent Trustees is important enough to require the participation of all current Independent Trustees, rather than a separate committee consisting of only certain Independent Trustees. Accordingly, each current Independent Trustee (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J.

Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) for all Trusts participates in the election and nomination of candidates for election as Independent Trustees for the respective Trusts for which the Independent Trustee serves. Persons recommended by each Trust's Governance Committee as candidates for nomination as Independent Trustees shall possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Trusts, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Trustees of each of the Trusts expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Trust's Board as they deem appropriate, they will consider nominations from Shareholders to the Board. Nominations from Shareholders should be in writing and sent to the Independent Trustees as described below under the caption Shareholder Communications.

The Board formed an Insurance, Valuation and Compliance Committee to review the valuation process, address insurance coverage and oversee the compliance function for each Trust and its Board. The Insurance, Valuation and Compliance Committee consists of Frank L. Bowman, Michael Bozic, James F. Higgins and Manuel H. Johnson. Frank L. Bowman, Michael Bozic and Manuel H. Johnson are all Independent Trustees. The Chairperson of the Insurance, Valuation and Compliance Committee is Michael Bozic. The Insurance, Valuation and Compliance Committee has an Insurance Sub-Committee to review and monitor the insurance coverage maintained by each Trust. The Chairperson of the Insurance Sub-Committee is Frank L. Bowman. The Insurance, Valuation and Compliance Committee and the Insurance Sub-Committee were formed in October 2006 and February 2007, respectively.

The Investment Committee oversees the portfolio investment process for and reviews the performance of each Trust. The Investment Committee also recommends to the Board to approve or renew each Trust's Investment Advisory and Administration Agreements. The members of the Investment Committee are Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, James F. Higgins, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid. The Chairperson of the Investment Committee is Manuel H. Johnson.

The Investment Committee has three Sub-Committees, each with its own Chairperson. Each Sub-Committee focuses on the Trusts' primary areas of investment, namely equities, fixed income and alternatives. The Sub-Committees and their members are as follows:

- (1) Equity – W. Allen Reed (Chairperson), Frank L. Bowman and Michael E. Nugent.
- (2) Fixed-Income – Michael F. Klein (Chairperson), Michael Bozic and Fergus Reid.
- (3) Money Market and Alternatives – Kathleen A. Dennis (Chairperson), James F. Higgins and Joseph J. Kearns.

The following chart sets forth the number of meetings of the Board, the Independent Trustees, the Audit Committee, the Insurance, Valuation and Compliance Committee, the Governance Committee and the Investment Committee of each Trust during its most recent fiscal year. For the 2007 fiscal year, each Trustee attended at least seventy-five percent of the aggregate number of meetings of the Board and any committee on which he or she served held during the time such Trustee was a member of the Board.

For annual shareholder meetings, Trustees may but are not required to attend the meetings; and for each Trust's last annual shareholder meeting, no Trustees attended the meeting.

Advantages of Having Same Individuals as Independent Trustees for the Retail Funds and Institutional Funds

The Independent Trustees and the Trusts' management believe that having the same Independent Trustees for each of the Retail Funds and Institutional Funds avoids the duplication of effort that would arise from having different groups of individuals serving as Independent Trustees for each of the funds or even of sub-groups of funds. They believe that having the same individuals serve as Independent Trustees of all the Retail Funds and Institutional Funds tends to increase their knowledge and expertise regarding matters which affect the Fund Complex generally and enhances their ability to negotiate on behalf of each fund with the funds' service providers. This arrangement also precludes the possibility of separate groups of Independent Trustees arriving at conflicting decisions regarding operations and management of the funds and avoids the cost and confusion that would likely ensue. Finally, having the same Independent Trustees serve on all fund boards enhances the ability of each fund to obtain, at modest cost to each separate fund, the services of Independent Trustees of the caliber, experience and business acumen of the individuals who serve as Independent Trustees of the Retail Funds and Institutional Funds.

Shareholder Communications

Shareholders may send communications to each Trust's Board of Trustees. Shareholders should send communications intended for each Trust's Board by addressing the communications directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to

either the Trust's office or directly to such Board member(s) at the address specified for each Trustee previously noted. Other shareholder communications received by the Trust not directly addressed and sent to the Trust's Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Share Ownership by Trustees

The Trustees have adopted a policy pursuant to which each Trustee and/or his or her spouse is required to invest at least \$100,000 in any of the funds in the Morgan Stanley Retail and Institutional Funds on whose boards the Trustee serves. In addition, the policy contemplates that the Trustees will, over time, increase their aggregate investment in the funds above the \$100,000 minimum requirement. The Trustees may allocate their investments among specific funds in any manner they determine is appropriate based on their individual investment objectives. Any future Trustee will be given a one year period following his or her election within which to comply with the foregoing. As of the date of this Joint Proxy Statement, each Trustee is in compliance with the policy. As of December 31, 2007, the total value of the investments by the Trustees and/or their spouses in shares of the Morgan Stanley Retail Funds and Institutional Funds was approximately \$7.1 million. This amount includes compensation deferred by the Trustee at his or her election pursuant to a deferred compensation plan. Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the Retail Funds or Institutional Funds (or portfolio thereof) that are offered as investment options under the plan.

As of the Record Date for these Meetings, the aggregate number of shares of each Trust owned by the Trust's officers and Trustees as a group was less than one percent of each Trust's outstanding shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that each Trust's executive officers and Trustees, and beneficial owners of more than 10% of its shares, make certain filings on a timely basis under Section 16(a) of the Exchange Act. Based solely on each Trust's review of copies of such reports of ownership furnished to the Trusts, the Trusts believe that during the past fiscal year all of its officers, Trustees and greater than 10% beneficial holders complied with all applicable filing requirements.

Compensation of Trustees

Effective October 1, 2007, each Trustee (except for the Chairperson of the Boards) receives an annual retainer fee of \$200,000 for serving the Retail Funds and the Institutional Funds. Prior to October 1, 2007, each Trustee (except for the Chairperson of the Boards) received an annual retainer fee of \$180,000 for serving the Retail Funds and the Institutional Funds.

The Chairperson of the Audit Committee receives an additional annual retainer fee of \$75,000 and the Investment Committee Chairperson receives an additional annual retainer fee of \$60,000. Other Committee Chairpersons receive an additional annual retainer fee of \$30,000 and the Sub-Committee Chairpersons receive an additional annual retainer fee of \$15,000. The aggregate compensation paid to each Trustee is paid by the Retail Funds and the Institutional Funds, and is allocated on a pro rata basis among each of the operational funds/portfolios of the Retail Funds and the Institutional Funds based

on the relative net assets of each of the funds/portfolios. Michael E. Nugent receives a total annual retainer fee of \$400,000 (\$360,000 prior to October 1, 2007) for his services as Chairperson of the Boards of the Retail Funds and the Institutional Funds and for administrative services provided to each Board.

The Trusts also reimburse the Trustees for travel and other out-of-pocket expenses incurred by them in connection with attending such meetings. Trustees of the Trusts who are employed by the Investment Adviser receive no compensation or expense reimbursement from the Trust for their services as Trustee.

Effective April 1, 2004, the Trusts began a Deferred Compensation Plan (the DC Plan), which allows each Trustee to defer payment of all, or a portion, of the fees he or she receives for serving on the Board of Trustees throughout the year. Each eligible Trustee generally may elect to have the deferred amounts credited with a return equal to the total return on one or more of the Retail Funds or Institutional Funds (or portfolios thereof) that are offered as investment options under the DC Plan. At the Trustee s election, distributions are either in one lump sum payment, or in the form of equal annual installments over a period of five years. The rights of an eligible Trustee and the beneficiaries to the amounts held under the DC Plan are unsecured and such amounts are subject to the claims of the creditors of the Trusts.

Prior to April 1, 2004, the Institutional Funds maintained a similar Deferred Compensation Plan (the Prior DC Plan), which also allowed each Independent Trustee to defer payment of all, or a portion, of the fees he or she received for serving on the Board of Trustees throughout the year. The DC Plan amends and supersedes the Prior DC Plan and all amounts payable under the Prior DC Plan are now subject to the terms of the DC Plan (except for amounts paid during the calendar year 2004, which remain subject to the terms of the Prior DC Plan).

The following table shows aggregate compensation payable to each of the Trustees from each Trust for the fiscal year ended October 31, 2007 and the aggregate compensation payable to each of the Trust's Trustees by the Fund Complex (which includes all of the Retail Funds and Institutional Funds) for the calendar year ended December 31, 2007.

(4) Mr. Higgins was approved to receive an annual retainer at the February 20-21, 2007 Board Meeting.

Prior to December 31, 2003, 49 of the Retail Funds (the Adopting Funds), including the Trusts, had adopted a retirement program under which an Independent Trustee who retired after serving for at least five years as an Independent Trustee of any such fund (an Eligible Trustee) would have been entitled to retirement payments, based on factors such as length of service, upon reaching the eligible retirement age. On December 31, 2003 the amount of accrued retirement benefits for each Eligible Trustee was frozen, and will be payable, together with a return of 8% per annum, at or following each such Eligible Trustee's retirement as shown in the table below.

The following tables illustrate the retirement benefits accrued to the Trusts' Independent Trustees by the Trusts for the fiscal year ended October 31, 2007 and by the Adopting Funds for the calendar year ended December 31, 2007, and the estimated retirement benefits for the Independent Trustees from the Trusts as of the fiscal year ended October 31, 2007 and from the Adopting Funds for each

Audit Committee Report

At a meeting held on September 25, 2007, the Board of Trustees of each Trust, including a majority of the Trustees who are not interested persons of the Trusts, as defined under the 1940 Act, acting on the recommendation of the Audit Committee of the Trust, selected Deloitte & Touche LLP to act as the independent registered public accounting firm for the Trust for the fiscal year ending October 31, 2008.

The Audit Committee of each Trust has reviewed and discussed the financial statements of each Trust with management as well as with Deloitte & Touche LLP, the independent registered public accounting firm for each Trust. In the course of its discussions, the Audit Committee also discussed with Deloitte & Touche LLP any relevant matters required to be discussed under Statement on Auditing Standards No. 61. Based on this review, the Audit Committee recommended to the Board of Trustees of each Trust that each Trust's audited financial statements be included in each Trust's Annual Report to Shareholders for the most recent fiscal year for filing with the SEC.

The Audit Committee of each Trust has received the written disclosures and the letter from Deloitte & Touche LLP required under Independence Standards Board No. 1 and has discussed with the independent registered public accounting firm their independence.

The Audit Committee

Each Trust's Audit Committee's policy is to review and pre-approve all auditing and non-auditing services to be provided to the Trust by the Trust's independent registered public accounting firm. The Audit Committee Audit and Non-Audit Pre-Approval Policy and Procedures requires each Trust's Audit Committee to either generally pre-approve certain services without consideration of specific case-by-case services, or requires the specific pre-approval of services by the Audit Committee or its delegate. Under the Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm. Any services that are generally pre-approved may require specific pre-approval by the Audit Committee if the services exceed pre-approved cost levels or budgeted amounts. The Audit Committee of each Trust has considered whether the provision of non-audit services and the provision of services to affiliates of the Investment Adviser is compatible with maintaining the independence of Deloitte & Touche LLP.
