Item 1.01 Entry into a Material Definitive Agreement.

On June 3, 2009, NetApp, Inc., a Delaware corporation (*NetApp*), Data Domain, Inc., a Delaware corporation (*Data Domain*), Kentucky Merger Sub One Corporation, a Delaware corporation and a direct, wholly-owned subsidiary of NetApp (*Merger Sub One*), and Derby Merger Sub Two LLC, a Delaware limited liability company and a direct, wholly-owned subsidiary of NetApp (*Merger Sub Two*) and together with Merger Sub One, the *Merger Subs*), entered into Amendment No. 1 (the *Amendment*) to the Agreement and Plan of Merger, dated as of May 20, 2009, by and among NetApp, Data Domain and the Merger Subs (as amended, the *Merger Agreement*). Under the revised terms, the aggregate merger consideration payable by NetApp to the Data Domain stockholders in connection with the Merger (as defined in the Merger Agreement) has been increased from \$25 per share to \$30 per share, as described below.

As amended, upon the closing of the Merger, each outstanding share of Data Domain common stock (other than those shares with respect to which appraisal rights are properly exercised and not withdrawn) will be converted into the right to receive (a) \$16.45 per share in cash, without interest (the per share amount of cash being referred to as the *Cash Consideration*), plus (b) a number of validly issued, fully paid and non-assessable shares of NetApp common stock equal to the following exchange ratio (the *Exchange Ratio*):

- (i) 0.7783 shares of NetApp common stock if the Closing Average (as defined below) is less than \$17.41,
- (ii) 0.6370 shares of NetApp common stock if the Closing Average is greater than \$21.27, and
- (iii) that fraction of a share of NetApp common stock (rounded to the nearest ten thousandth) equal to the quotient obtained by dividing \$13.55 by the Closing Average, if the Closing Average is (A) less than or equal to \$21.27 and (B) greater than or equal to \$17.41 (the per share amount of stock referenced in (i), (ii) or (iii) above, as applicable, being referred to as the *Stock Consideration*).

The *Closing Average* is defined as the average of the closing sales prices for NetApp common stock, rounded to the nearest one-hundredth of a cent, on NASDAQ for the ten most recent consecutive trading days ending on the third trading day immediately prior to the closing of the Merger.

In the event that the Exchange Ratio is greater than or equal to 0.7006 and less than 0.7783, NetApp, in its sole discretion, may (a) reduce the Stock Consideration by such amount as NetApp may determine and (b) increase the Cash Consideration by an amount equal to the product of (i) the amount of the such reduction in the Stock Consideration multiplied by (ii) the Closing Average. However, NetApp may not reduce the amount of the Stock Consideration and increase the Cash Consideration to the extent that it would reasonably be expected to cause the Merger to fail to qualify as a tax-free reorganization under the Internal Revenue Code, except as may be required as described in the paragraph below. The parties can make no assurances as to the tax-free status of the transaction. If the aggregate amount of the Stock Consideration issuable in the Merger (including Stock Consideration issuable to holders of Data Domain options, restricted stock and restricted shares) would exceed 19.5% of the outstanding shares of NetApp common stock immediately prior to the closing of the Merger, the Stock Consideration will be decreased to the minimum extent necessary so that no more than 19.5% of the outstanding shares of NetApp common stock will be issued in the Merger (with such percentage measured immediately prior to the closing of the Merger). In such event, the Cash Consideration will be increased by an amount equal to the product of (a) the amount of the reduction in the Stock Consideration multiplied by (b) the Closing Average.

Other than as described above, the Merger Agreement, as filed on May 21, 2009 on a Current Report on Form 8-K, remains in full force and effect as originally executed on May 20, 2009. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as Exhibit 2.1 hereto and incorporated into this report by reference.
