1. This Note is a duly authorized issue of securities of the Company issued in one or more series (the Securities ) under an Amended and Restated Indenture, dated as of November 21, 2006 (the Base Indenture ) as supplemented by a Tenth Supplemental Indenture, dated as of November 10, 2009 (the Tenth Supplemental Indenture ), among the Company, the Guarantor and The Bank of New York Mellon (as successor to The Bank of New York), as Trustee (herein called the Trustee, which term includes any successor trustee under the Base Indenture), and reference is hereby made to the Base Indenture, as supplemented by the Tenth Supplemental Indenture (the Base Indenture, as supplemented by the Tenth Supplemental Indenture, herein called the Indenture ), for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantor, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof (herein called the Notes ).

**Table of Contents**

2. The full and punctual payment of the principal and interest and all other amounts payable under this Note is irrevocably and unconditionally guaranteed by the Guarantor.
3. Additional notes on terms and conditions identical to those of this Note may be issued by the Company without the consent of the Holders of the Notes. The amount evidenced by such additional Notes shall increase the aggregate principal amount of, and shall be consolidated and form a single series with, the Notes.
4. If an Event of Default with respect to Notes shall occur and be continuing, the principal of all of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.
5. All payments in respect of the Notes shall be made without withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Cayman Islands or Brazil, or any Successor Jurisdiction or any authority therein or thereof having power to tax ( Foreign Taxes ) except to the extent that such Foreign Taxes are required by the Cayman Islands, Brazil, such Successor Jurisdiction or any such authority to be withheld or deducted. In the event of any withholding or deduction for any Foreign Taxes, the Company or the Guarantor, as the case may be, shall make such deduction or withholding, make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts ( Additional Amounts ) as are necessary to ensure that the net amounts received by the Holders of the Notes after such withholding or deduction equals the respective amounts of principal, premium and interest which would have been receivable in respect of such Notes had no such withholding or deduction (including for any Foreign Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Note:
  - (i) to, or to a third party on behalf of, a Holder who is liable for any such taxes, duties, assessments or other governmental charges in respect of a Note by reason of (A) a connection between the Holder and the Cayman Islands or Brazil other than the mere holding of such Note and the receipt of payments with respect to such Note or (B) failure by the Holder to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the Cayman Islands, Brazil or a Successor Jurisdiction, or applicable political subdivision or authority thereof or therein having power to tax, of such Holder, if compliance is required by such jurisdiction, or any political subdivision or authority thereof or therein having power to tax as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and the Company has given the Holders at least 30 days notice that Holders will be required to provide such certification, identification or other requirement;

**Table of Contents**

- (ii) in respect of any such taxes, duties, assessments or other governmental charges with respect to a Note surrendered (if surrender is required) more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof is given to Holders, whichever occurs later, except to the extent that the Holder of such Note would have been entitled to such Additional Amounts on surrender of such Note for payment on the last day of such 30-day period;
- (iii) in respect of estate, inheritance, gift, sales, transfer, personal property or similar tax, assessment or governmental charge imposed with respect to a Note;
- (iv) in respect of any tax, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on the Notes or by direct payment by the Company or the Guarantor in respect of claims made against the Company or the Guarantor;
- (v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive; or
- (vi) in respect of any combination of the above.

Solely for purposes of this paragraph 5, the term **Holder** of any Note means the direct nominee of any beneficial owner of such Note, which holds such beneficial owner's interest in such Note. Notwithstanding the foregoing, the limitations on the Company's or the Guarantor's obligation to pay Additional Amounts set forth in clause (i) above shall not apply if (a) the provision of information, documentation or other evidence described in such clause (i) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note (taking into account any relevant differences between U.S. and Cayman Islands or Brazilian law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including tax treaties between the United States and the Cayman Islands or Brazil), regulation (including proposed regulations) and administrative practice.

The Company or the Guarantor, as the case may be, shall promptly provide the Trustee with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Foreign Taxes in respect of which the Company or the Guarantor has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Notes or the Paying Agent, as applicable, upon request therefor.

The Company or the Guarantor, as the case may be, shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by the Cayman Islands or Brazil or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the issuance of the Notes or the Guaranty.

**Table of Contents**

All references herein or in the Indenture, to principal or interest in respect of any Note shall be deemed to include all Additional Amounts, if any, payable in respect of such principal or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Notes pursuant to the preceding paragraphs are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

6. All references in the Indenture and the Notes to principal in respect of any Note shall be deemed to mean and include any Redemption Price payable in respect of such Note pursuant to any redemption right hereunder (and all such references to the Stated Maturity Date of the principal in respect of any Note shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 10.7 of the Base Indenture.

7. The Notes are subject to redemption at the Company's option before the Stated Maturity in whole at any time, or in part from time to time, upon not less than 30 days but no more than 60 days notice to the Holders of the Notes, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values of each remaining scheduled payment of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 40 basis points, plus accrued interest on the principal amount of such Notes to (but not including) the date of redemption.

**Table of Contents**

If, as a result of any amendment to, or change in, the laws (or any rules or regulation thereunder) of the Cayman Islands or Brazil or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules or regulations or the interpretation thereof becomes effective on or after the date of the Tenth Supplemental Indenture, the Company would be obligated to pay Additional Amounts in respect of the Notes pursuant to the terms and conditions thereof in excess of those attributable to Cayman Islands or Brazilian withholding tax on the basis of a statutory rate of 15%, and if such obligation cannot be avoided by the Company after taking measures the Company considers reasonable to avoid it, then, at the Company's option, the Notes may be redeemed in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Holders of the Notes, at a Redemption Price equal to 100% of the principal amount thereof and any premium applicable thereto, together with accrued interest up to but not including the Redemption Date and any Additional Amounts which would otherwise be payable up to but not including the Redemption Date; provided, however, that (1) no notice of such redemption may be given earlier than 90 days prior to the earliest date on which the Company would but for such redemption be obligated to pay such Additional Amounts were a payment on the Notes then due, and (2) at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

On and after any Redemption Date, interest will cease to accrue on the Notes or any portion of the Notes called for redemption (unless the Company defaults in the payment of the Redemption Price and accrued interest). On or before the Redemption Date, the Company will deposit with the Trustee money sufficient to pay the Redemption Price of and (unless the redemption date shall be an Interest Payment Date) accrued interest to the Redemption Date on the Notes to be redeemed on such Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by such method as the Trustee shall deem fair and appropriate.

8. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each affected series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each affected series. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any affected series under the Indenture on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and (ii) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any affected series under the Indenture on behalf of the Holders of all Securities of such series, to waive certain past defaults under the Indenture and their consequences.

Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

**Table of Contents**

9. As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless (i) such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, (ii) the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and (iii) the Trustee shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any interest hereon on or after the respective due dates expressed herein.

10. No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

11. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this Series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

12. Prior to due surrender of this Note for registration of transfer, the Company, the Guarantor, the Trustee and any agent of the Company, the Guarantor or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

13. This Note and the Indenture shall be governed by and construed in accordance with the laws of the State of New York.

14. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

15. [If the Note is a Global Note, then insert: This Note is a Global Note and is subject to the provisions of the Indenture relating to Global Notes.]

November 10, 2009

Vale S.A.  
Avenida Graça Aranha, No. 26  
20030-900 Rio de Janeiro, RJ, Brazil  
Vale Overseas Limited  
87 Mary Street, George Town  
Grand Cayman KY1-9002, Cayman Islands  
Ladies and Gentlemen:

We have acted as special United States counsel to Vale Overseas Limited, a Cayman Islands exempted company incorporated with limited liability (Vale Overseas), and Vale S.A., a Brazilian corporation, as guarantor (Vale), in connection with Vale Overseas's offering pursuant to a registration statement on Form F-3 (Nos. 333-162822 and 333-162822-01) of US\$1,000,000,000 aggregate principal amount of 6.875% Guaranteed Notes due 2039 (the Notes), together with a guaranty of Vale relating to the Notes (the Guaranty), and together with the Notes, the Securities), to be issued under an amended and restated indenture dated as of November 21, 2006 (the Base Indenture), as supplemented by the tenth supplemental indenture dated as of November 10, 2009 (the Tenth Supplemental Indenture) and, together with the Base Indenture, the Indenture), among Vale Overseas, Vale and The Bank of New York Mellon, as trustee (the Trustee). Such registration statement, as amended as of its most recent effective date (November 3, 2009), insofar as it relates to the Notes and the Guaranty (as determined pursuant to Rule 430B(f)(2) under the Securities Act of 1933, as amended (the Securities Act)), but excluding the documents incorporated by reference therein, is herein called the Registration Statement.

We have reviewed the Registration Statement, including the Base Indenture attached thereto as an exhibit, and the form of the Tenth Supplemental Indenture, and we have reviewed originals or copies certified or otherwise identified to our satisfaction of all such corporate records of Vale and Vale Overseas and such other instruments and other certificates of public officials, officers and representatives of Vale and Vale Overseas and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

Vale S.A.

Vale Overseas, p. 2

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed and that the Notes will be duly authenticated in accordance with the terms of the Indenture.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that, when the Tenth Supplemental Indenture, the Notes and the Guaranty have been duly executed and delivered by Vale Overseas and Vale in the forms thereof that we have examined and the Notes have been duly delivered to and paid for by the purchasers thereof in the manner described in the Registration Statement, the Notes will be valid, binding and enforceable obligations of Vale Overseas, entitled to the benefits of the Indenture, and the Guaranty will be a valid, binding and enforceable obligation of Vale, entitled to the benefits of the Indenture.

Insofar as the foregoing opinion relates to the validity, binding effect or enforceability of any agreement or obligation of Vale or Vale Overseas, (a) we have assumed that each of Vale and Vale Overseas, as the case may be, and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to Vale or Vale Overseas regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities in relation to transactions of the type contemplated in the Indenture and the Securities), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

We express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to the Securities where jurisdiction based on diversity of citizenship under 28 U.S.C. § 1332 does not exist. In addition, we note that (a) the enforceability in the United States of the waiver in Section 1.14 of the Indenture by each of Vale and Vale Overseas of any immunities from court jurisdiction and from legal process is subject to the limitations imposed by the U.S. Foreign Sovereign Immunities Act of 1976 and (b) the designation in Section 1.14 of the Indenture of the U.S. federal courts located in the Borough of Manhattan, city of New York as the venue for actions or proceedings relating to the Indenture and the Securities is (notwithstanding the waiver in Section 1.14) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. § 1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such actions or proceedings.

Vale S.A.

Vale Overseas, p. 3

We express no opinion as to the enforceability of Section 10.8 of the Indenture, providing for indemnification by Vale and Vale Overseas of the Trustee and the holders of the Notes against any loss in obtaining the currency due to the Trustee or such holders of Notes from a court judgment in another currency.

In addition, we note that the waiver of defenses relating to the Guaranty in Article 12 of the Indenture may be ineffective to the extent that any such defense involves a matter of public policy in New York (such as reflected in New York's anti-champerty statute).

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We hereby consent to the incorporation by reference of this opinion in the Registration Statement and to the reference to this firm in the prospectus constituting a part of the Registration Statement under the heading "Validity of the Securities" and in the prospectus supplement related thereto under the heading "Validity of the Notes" as counsel for Vale and Vale Overseas who have passed on the validity of the Securities being registered by the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

Opinion of the General Counsel of Vale, dated November 10, 2009

Rio de Janeiro, November 10, 2009

Ladies and Gentlemen:

I have acted as Brazilian counsel for Vale S.A. (Vale), a corporation organized and existing under the laws of Brazil, and for Vale Overseas Limited (Vale Overseas), a company organized and existing under the laws of the Cayman Islands, in connection with Vale Overseas's offering pursuant to a registration statement on Form F-3 (Nos. 333-162822 and 333-162822-01) (the Registration Statement) of US\$1,000,000,000 aggregate principal amount of 6.875% Guaranteed Notes due 2039 (the Notes), together with a guaranty of Vale relating to the Notes (the Guaranty), to be issued under an Amended and Restated indenture dated as of November 21, 2006 (the Base Indenture), as supplemented by the Tenth Supplemental Indenture dated as of November 10, 2009 (the Supplemental Indenture), and together with the Base Indenture, the Indenture) among Vale Overseas, Vale and the Bank of New York Mellon, as trustee. The Notes and the Guaranty are referred to collectively herein as the Securities. All capitalized terms used but not defined herein have the meanings assigned to such terms in the Registration Statement.

1. In rendering the opinions set forth below, I have examined copies of the documents listed below:

- (i) the Registration Statement and the documents incorporated by reference therein;
- (ii) the bylaws of Vale as approved by the Ordinary and Extraordinary General Shareholders Meeting of Vale held on August 30, 2007 and amended at the Extraordinary Meeting held on May 22, 2009;
- (iii) the minutes of the Ordinary and Extraordinary General Shareholders Meeting of Vale dated April 16, 2009, which, among other matters, recorded the shareholders' approval of the election of the current members of Vale's Board of Directors;
- (iv) the minutes of the meetings of the Board of Directors of Vale, dated as of May 21, 2009, at which the current officers of Vale were appointed;
- (v) the minutes of the meetings of the Board of Directors of Vale at which the issuance of the Vale Debt Securities was approved; and
- (vi) the Base Indenture and the form of the Supplemental Indenture.

2. I have also examined the records, agreements, instruments and documents and made such investigations of law as I have deemed relevant or necessary as the basis for the opinions hereinafter expressed. I have also assumed that:

- (i) no provision of the Indenture or of the Securities conflicts with the laws of any jurisdiction (other than Brazil); and
  - (ii) at the time of the execution and delivery of the Indenture and of the Securities they will have been duly authorized pursuant to applicable law (other than Brazilian law).
-

**Table of Contents**

3. I have also assumed, without any independent investigation or verification of any kind, the validity, legality, binding effect and enforceability of the Indenture and of the Securities under the laws of the state of New York and the Cayman Islands, as the case may be.
4. Furthermore, I have assumed (i) the due organization and valid existence of all parties (other than Vale) to the Indenture under the laws of the countries of their respective incorporation; (ii) that the Indenture and the Securities will have been duly authorized and validly executed and delivered by the parties thereto (other than Vale); and (iii) that the performance thereof is within the capacity and powers of the parties thereto (other than Vale).
5. Based upon the foregoing and subject to the qualifications set forth herein, I am of the opinion that (i) the Indenture and the Guaranty have been duly authorized by Vale (ii) when the Supplemental Indenture and the Guaranty have been duly executed, authenticated, issued and delivered in accordance with their respective provisions and, in the case of the Guaranty, with the provisions of the Indenture, and in accordance with the applicable definitive underwriting agreement, upon payment of the consideration therefor provided for therein, the Indenture and the Guaranty will be duly authorized, executed and delivered and will be a valid and binding obligation of Vale.
6. The foregoing opinions are subject to the following qualifications:
- (i) To ensure the enforceability or the admissibility in evidence of the Indenture and any other document required by any Brazilian court to be furnished: (a) the signatures of the parties thereto signing outside Brazil must be notarized; (b) the signature of the notary must be certified by a consular official of Brazil having jurisdiction to provide for such action; (c) the Indenture and any other documents or instruments prepared in a language other than Portuguese (whether signed abroad or not) must be translated into Portuguese by a sworn translator and registered with the appropriate Registry of Deeds and Documents (for which translation and registration certain fees would apply), which may be done immediately prior to any such enforcement or presentation;
- (ii) A final conclusive judicial decision for the payment of money rendered by any Federal or State Court in the city, county and state of New York in respect of the Indenture or of the Securities should be recognized in the courts of Brazil, and such courts would enforce such judicial decision without retrial or re-examination of the merits of the original decision only if such judicial decision has been previously ratified by the Superior Court of Justice (*Superior Tribunal de Justiça*); which ratification is available only if: (a) the judicial decision fulfills all formalities required for its enforceability under the laws of the state of New York, (b) the judicial decision was issued by a competent court after proper service of process on the parties, which service of process must comply with Brazilian law or, after sufficient evidence of the parties' absence has been given, as established pursuant to applicable law, (c) the judicial decision is not subject to appeal, (d) the judicial decision was authenticated by a Brazilian consulate in the state of New York, (e) the judicial decision was translated by a sworn translator registered in Brazil, and (f) the judicial decision is not contrary to Brazilian national sovereignty, public policy or good morals;
- (iii) Pursuant to the regulations of the Brazilian Central Bank relating to foreign exchange and capital, individuals and legal entities may enter into transactions for the purchase and sale of foreign currency, without limitation on amount, with due regard for the terms and conditions of the regulation and the validity of the specific transaction, based on the economic grounds and liabilities defined in the respective document. In accordance therewith, Vale may remit funds in foreign currency to cover financial obligations assumed by offshore subsidiaries. Furthermore, pursuant to regulations of the Brazilian Central Bank, it is possible for the Brazilian guarantor to deposit the corresponding amount in Brazilian currency at a non-resident account held in Brazil by the foreign creditor, which would then be able to freely convert such funds into foreign currency for remittance abroad;

**Table of Contents**

(iv) Any amounts to be paid under the Guaranty in excess of the amounts provided for in such Guaranty or the Indenture, if any, will depend on the analysis of the legality and economic grounds by the Brazilian commercial bank chosen to implement the relevant foreign exchange control transactions or, as the case may be, pursuant to a special authorization to be obtained from the Central Bank of Brazil, which authorization will be granted at the Central Bank's sole discretion;

(v) Certain payments in U.S. Dollars by Vale in connection with the Indenture or the Securities may be subject to Vale obtaining the applicable authorization of the Central Bank of Brazil for remittance thereof;

(vi) The enforceability of the Indenture and of the Securities is limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization or other similar laws relating to or limiting creditors' rights generally or by general equitable principles; and

(vii) In case of bankruptcy, all credits denominated in foreign currency shall be converted into local currency at the exchange rate prevailing on the date of the issuance of the decision declaring the bankruptcy, and the amount so determined shall be the amount so considered for any payments to creditors in the bankruptcy.

7. I express no opinion as to any agreement, instrument or other document other than as specified in this letter.

8. I hereby consent to the filing of this opinion on Form 6-K and to its incorporation by reference in the Registration Statement.

9. I am qualified to practice law in Brazil only, and I do not express any opinion in respect of any laws of any other jurisdiction. This opinion is based upon and limited in all respects to the law applicable in Brazil as presently published, existing and in force.

10. I expressly disclaim any responsibility to advise you or any other person who is permitted to rely on the opinions expressed herein as specified above of any development or circumstance of any kind including any change of law or fact that may occur after the date of this letter even though such development, circumstance or change may affect the legal analysis, a legal conclusion or any other matter set forth in or relating to this letter. Accordingly, any person relying on this letter at any time should seek advice of its counsel as to the proper application of this letter at such time.
