As previously disclosed, on October 28, 2010, Phoenix Technologies Ltd. (Phoenix) received an unsolicited non-binding proposal from a third party, affiliates of Gores Capital Partners III, L.P. (Gores), to acquire all of the securities of Phoenix following the execution of the Agreement and Plan of Merger (the Marlin Merger Agreement), dated August 17, 2010, between Phoenix and affiliates of Marlin Capital Partners (Marlin), and the Amendment to the Agreement and Plan of Merger, dated October 21, 2010, between Phoenix and Marlin. The non-binding proposal from Gores was subject to satisfactory completion of confirmatory due diligence and the finalization of definitive agreements.

On October 31, 2010, Gores submitted a definitive offer and revised proposal to Phoenix, in the form of an Agreement and Plan of Merger (the Gores Merger Agreement) and other related agreements executed by Gores, to acquire all of the outstanding securities of Phoenix for cash consideration of \$4.20 per share. Under the Marlin Merger Agreement, as amended, the merger consideration is \$4.05 per share. The proposed acquisition by Gores will be structured as a tender offer to stockholders of Phoenix. Except for the merger consideration and the tender offer structure of the transaction, the terms of the Gores Merger Agreement are substantially identical to the Marlin Merger Agreement, as amended.

Promptly following the submission of Gores' revised proposal, on November 1, 2010, the board of directors of Phoenix (the Board) held a meeting and determined, in accordance with the terms of the Marlin Merger Agreement, as amended, and after consulting with its financial and legal advisors, that the revised proposal received from Gores constitutes a Superior Proposal (as such term is defined in the Marlin Merger Agreement, as amended).

Thereafter, on November 1, 2010 and pursuant to the terms of the Marlin Merger Agreement, as amended, the Board gave written notice to Marlin of its determination that the revised proposal from Gores constitutes a Superior Proposal, and the notice included copies of the Gores Merger Agreement and related agreements. Under the terms of the Marlin Merger Agreement, as amended, if Marlin does not within three business days following the receipt of such notice make a binding written proposal (the Matching Proposal) that would cause the revised proposal received from Gores to no longer constitute a Superior Proposal, Phoenix will be entitled to terminate the Marlin Merger Agreement, as amended, and enter into the Gores Merger Agreement. Pursuant to the terms of the Marlin Merger Agreement, as amended, Phoenix intends to negotiate in good faith with Marlin with respect to a Matching Proposal. In the event of a termination of the Marlin Merger Agreement, as amended, by Phoenix, Marlin will be entitled to a termination fee of \$4.15 million from Phoenix.

In light of the developments disclosed above, Phoenix currently expects that it will hold but immediately adjourn its special meeting of stockholders on November 5, 2010 to a later date to be announced at the meeting.
