On July 28, 2011, Leap Wireless International, Inc. (**Leap**) announced the preliminary voting results of its 2011 Annual Meeting of Stockholders held on July 28, 2011. According to the preliminary results, Leap stockholders voted to approve a stock option exchange program for employees other than Leap's executive officers and directors (the **Option Exchange Program**). A copy of the press release announcing the preliminary results of Leap's 2011 Annual Meeting of Stockholders is attached hereto as Exhibit 99.1.

Leap has not commenced the Option Exchange Program, and nothing herein constitutes an offer to participate in the Option Exchange Program. Even though the Option Exchange Program has been approved, based on the preliminary votes, by the stockholders of Leap, Leap may still decide not to implement the Option Exchange Program. Upon commencement of the Option Exchange Program, Leap will file a tender offer statement on Schedule TO and related exhibits and documents with the Securities and Exchange Commission (the **SEC**), which should be read by all of Leap's employees holding options that are eligible to participate in the exchange because such documents will contain important information about the Option Exchange Program. Leap also files annual, quarterly and special reports, proxy and information statements and other information with the SEC. These documents are available free of charge at the SEC's website at www.sec.gov or from Leap at www.leapwireless.com.
