PROXY STATEMENT

This proxy statement is furnished to stockholders of Community Central Bank Corporation in connection with the solicitation of proxies by its Board of Directors for use at the Corporation's annual meeting of stockholders and at any and all adjournments or postponements of the meeting. The annual meeting of stockholders is being held on Tuesday, April 18, 2006, at 9:00 a.m., at the Best Western Concorde Inn, 44315 Gratiot Avenue, Clinton Township, Michigan. These proxy materials are first being mailed to our stockholders on or about March 21, 2006. Community Central Bank Corporation is referred to as the "Corporation" throughout this document. Certain of the information provided herein relates to Community Central Bank, a wholly owned subsidiary of the Corporation, which is referred to in this proxy statement as the "Bank."

The Board of Directors, in accordance with the bylaws of the Corporation, has fixed the close of business on February 27, 2006, as the record date for determining the stockholders entitled to notice of and to vote at the annual meeting and at any and all adjournments and postponements of the meeting. At the close of business on the record date, the Corporation had 3,653,736 shares of common stock outstanding, with each outstanding share entitled to one vote. A majority of the outstanding shares will constitute a quorum at the meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its exercise. Unless the proxy is revoked, the shares represented by it will be voted at the annual meeting or any adjournment of the meeting. You may revoke your proxy before it is voted at the annual meeting by (i) submitting a new proxy with a later date; (ii) notifying the Corporation's Secretary at the above address that you revoke your previously submitted proxy; or (iii) voting in person at the annual meeting.

The entire cost of soliciting proxies will be borne by the Corporation. Proxies may be solicited by mail or by directors, officers, or regular employees of the Corporation or its subsidiary, in person, by telephone or by other forms of communication. In addition to the solicitation of proxies by mail, Georgeson Shareholder, a proxy solicitation firm, will assist the Corporation in soliciting proxies for the annual meeting for a fee of \$4,500, plus out of pocket expenses. The Corporation will reimburse brokerage houses and other

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of common stock of the Corporation.

Shares held in "street name" by a broker, bank or other nominee, as the record holder of the shares, are required to be voted in accordance with instructions from the beneficial owner of the shares. If no instructions are provided to the nominee, the nominee will be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes." The election of directors is considered a "discretionary" item and, therefore, the broker bank or other nominee may vote shares without instructions from the beneficial owner.

THE CORPORATION'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF MANAGEMENT'S DIRECTOR NOMINEES AND "FOR" THE AMENDMENT TO THE 2002 INCENTIVE PLAN TO INCREASE SHARES OF COMMON STOCK AVAILABLE FOR AWARDS BY 100,000.

STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

BENEFICIAL OWNERSHIP

The following table presents information regarding the beneficial ownership of the Corporation's common stock as of February 27, 2006, the voting record date for the annual meeting, by each of the directors and director nominees of the Corporation, each of the executive officers named in the summary compensation table on page 11, and all directors and executive officers of the Corporation as a group. The address of each person named in the table, except where otherwise indicated, is the same address as the Corporation. An asterisk (*) in the table indicates that an individual beneficially owns less than one percent of the outstanding common stock of the Corporation.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after February 27, 2006, the voting record date for the annual meeting, are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. As of February 27, 2006, the Corporation had 3,653,736 shares of common stock outstanding.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on our review of copies of reports filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, or written

representations from persons required to file such reports, we believe that all filings required to be made were timely made in accordance with the requirements of the Securities Exchange Act of 1934.

ELECTION OF DIRECTORS

GENERAL

The Corporation's articles of incorporation provide that the number of directors, as determined from time to time by the Board of Directors, shall be no less than six and no more than 15. The articles of incorporation further provide that the directors shall be divided into three classes, Class I, Class II and Class III, with each class serving a staggered three-year term and with the number of directors in each class being as nearly equal as possible. Our Board of Directors currently consists of eleven members, with approximately one-third of the directors being elected annually.

The Board of Directors, based on the recommendation of the nominating committee, has nominated Joseph Catenacci, Celestina Giles and David A. Widlak, as Class I directors, each for a three-year term expiring at the Corporation's 2009 annual meeting of stockholders, and upon election and qualification of their successors. Each of the nominees is presently a Class I director of the Corporation whose term expires at the April 18, 2006 annual meeting of stockholders. The affirmative vote of a plurality of the votes cast is required for the nominees to be elected. This means that the nominees with the most affirmative votes are elected to fill the available seats. Accordingly, votes withheld have no effect on the election of directors. THE CORPORATION'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF MANAGEMENT'S DIRECTOR NOMINEES.

3

The other members of the Board, who are Class II and Class III directors, will continue in office in accordance with their previous elections until the expiration of their terms at the Corporation's 2007 or 2008 annual meetings of stockholders, respectively. See "Information About Directors and Nominees as Directors" below.

It is the intention of the persons named in the enclosed proxy to vote the proxy for the election of the three nominees. The proposed nominees for election as directors are willing to be elected and serve; however, in the event that any nominee at the time of election is unable to serve or is otherwise unavailable for election, the Board of Directors may select a substitute nominee, and in that event the persons named in the enclosed proxy intend to vote the proxy for the person so selected. If a substitute nominee is not selected, the proxy will be voted for the election of the remaining nominees.

4

BOARD MEETINGS, BOARD COMMITTEES
AND CORPORATE GOVERNANCE MATTERS

Attendance at Board, Committee and Annual Stockholders' Meetings. The

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

Corporation's Board of Directors conducted 10 meetings during fiscal 2005. The Board of Directors of the Bank, the Corporation's principal operating subsidiary, conducted 10 meetings during fiscal 2005. Each director attended at least 75% of the (i) Corporation's Board meetings and any committees on which he or she served and (ii) Bank's Board meetings and any committees on which he or she served. In addition, all of our Board members are expected to attend the Corporation's annual meeting of stockholders, although the Corporation does not have any written policy as to Board members' attendance at the annual meeting of stockholders. Last year's annual meeting of stockholders was attended by the entire Board of Directors.

"Independent" Directors. The Board of Directors has determined that directors David E. Bonior, Joseph E. Catenacci, Salvatore Cottone, Celestina Giles, Bobby L. Hill, Joseph F. Jeannette and John W. Stroh, III, consisting of a majority of the Board members, qualify as "independent" in accordance with the published listing requirements of the Nasdaq rules. The Nasdaq independent definition includes a series of objective tests, such as that the director is not an employee of the corporation and has not engaged in various types of business dealings with the corporation. As further required by the Nasdaq rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Corporation with regard to each director's business and personal activities as they may relate to the Corporation and its management.

In addition, as required by the Nasdaq rules, the members of the Audit Committee each qualify as "independent" under standards established by the U.S. Securities and Exchange Commission (the "SEC") for members of audit committees. The Audit Committee also includes at least one independent member who the Board has determined meets the qualifications of an "audit committee financial expert" in accordance with SEC rules, including that the person meets the relevant definition of an "independent director." Mr. Cottone is the independent director who has been determined to be an audit committee financial expert.

Board Committees and Charter. The Board of Directors of the Corporation has standing Executive, Audit, Compensation and Nominating Committees. The Board of Directors has adopted a written charter for the compensation, audit and nominating committees, as well as a written code of business conduct and ethics that applies to all of our directors, officers and employees. You may obtain a copy of these documents free of charge by writing to our Corporate Secretary at Community Central Bank Corporation, 120 North Main Street, Mount Clemens, Michigan 48043, or by calling (586) 783-4500. In addition, our code of business conduct and ethics has been filed with the SEC as Exhibit 14 to the Corporation's Annual Report on Form 10-KSB for the year ended December 31, 2003. Our Audit Committee and Nominating Committee charters were attached to our proxy statement as Appendices A and B, respectively, for the annual meeting of stockholders held on April 20, 2004 and filed electronically with the SEC.

The Audit, Compensation and Nominating Committee members consist of solely independent directors (as that term is defined in the Nasdaq rules), except for the appointment of Mr. Gebran S. Anton to the Nominating Committee and Mr. Dean S. Petitpren to the Compensation Committee. During 2003, the Bank purchased the building serving as the main office of the Corporation and the Bank from a company owned by Mr. Anton and Mr. Petitpren, thus disqualifying them as independent directors under the Nasdaq rules. In connection with Mr. Anton's appointment to the Nominating Committee, the Board, relying on an exception under the Nasdaq rules, determined that it was in the best interests of the

Corporation and its stockholders to have Mr. Anton serve as a member of the Nominating Committee because of his experience and in light of the lack of any continuing conflict of interest. In connection with Mr. Petitpren's appointment to the Compensation Committee, the Board, relying on an exception under the Nasdaq rules, determined that it was in the best interests of the Corporation and its stockholders to have Mr. Petitpren serve as a member of the Compensation Committee because of his experience and in light of the lack of any continuing conflict of interest.

Executive Committee. The Executive Committee is currently comprised of Directors Cottone, Petitpren, Reed and Widlak (Chairman). The Executive Committee met one time during 2005. The Executive Committee shall have and may exercise the full powers and authority of the Board of Directors in the management of the business affairs and property of the corporation during the intervals between meetings of the Board of Directors. The Executive Committee shall also have the power and authority to declare distributions and dividends and to authorize the issuance of stock to the extent permitted by Michigan law.

Audit Committee. The Audit Committee is currently comprised of Directors Cottone (Chairman), Bonior, Hill, Jeannette and Stroh, III, each of whom meets the independence and financial literary requirements in the Nasdaq rules. The Audit Committee met four times during fiscal 2005. The Audit Committee's responsibilities include hiring, terminating or reappointing the Corporation's independent auditors, reviewing the scope of proposed audits and the procedures to be used, and the results of the audits, reviewing the adequacy and effectiveness of accounting and financial controls, and reviewing the entire internal and independent auditing function and the financial statements of the Corporation. The Audit Committee also approves non-audit and audit services to be performed by the independent auditors, reviews and approves all related party transactions for potential conflict of interest situations, and reviews and assesses the adequacy of the Audit Committee charter on an annual basis.

Compensation Committee. The Compensation Committee is currently comprised of Directors Bonior, Catenacci, Jeannette and Petitpren (Chairman). The Compensation Committee met two times during fiscal 2005. The Compensation Committee reviews overall compensation policies for the Corporation and the Bank. The Compensation Committee's responsibilities include determining compensation and benefits for officers of the Corporation, based on recommendations of Chief Executive Officer, David A. Widlak, who is not present during voting or deliberations concerning his compensation. The Compensation Committee is also responsible for administering the option plans and benefit plans of the Corporation.

Nominating Committee. The Nominating Committee is currently comprised of Directors Anton (Chairman), Bonior, Jeannette and Cottone. The Nominating Committee met one time during fiscal 2005. The Nominating Committee is responsible for reviewing and making recommendations to the Board of Directors as to its size and composition and recommending to the Board of Directors candidates for election as directors at the annual meetings, and filling any vacancies that may occur between annual meetings. The Nominating Committee will consider as potential nominees persons recommended by stockholders. Recommendations should be submitted to the Nominating Committee in care of Lisa M. Medlock, Secretary of the Corporation. Each recommendation should include a personal biography of the suggested nominee, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who themselves wish to nominate a person for election to the Board of Directors, as contrasted with recommending a potential nominee to the Board for its consideration, are required to comply with the advance notice and other

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

requirements detailed in the Corporation's articles of incorporation. The Nominating Committee has the following responsibilities:

7

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;
- (ii) recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in the Corporation's articles of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to the Corporation's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;
- (iii) review nominations submitted by stockholders, which have been addressed to the Corporation's Secretary, and which comply with the requirements of the Corporation's articles of incorporation and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;
- (iv) annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- (v) perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Communications with the Board of Directors. Stockholders may communicate directly with the Board of Directors, or any individual Board member, by sending written communications to the Corporation, addressed to the Chairman of the Board or such individual Board member.

DIRECTOR COMPENSATION

During 2005, each member of the Board of Directors received a monthly retainer of \$2,000, in the aggregate, for services as a director of the Corporation and the Bank. Non-employee directors of the Corporation and the Bank also received compensation for their services as committee members. Non-employee directors of the Executive, Audit, Compensation and Nominating Committees of the Corporation and the Bank each received \$500 per meeting attended, except for the Chairman of the Audit Committee who received \$2,000 per month, the Chairman of the Compensation Committee who received \$500 per month and the Chairman of the Nominating Committee who received \$1,000 per meeting attended during 2005.

Non-employee directors serving on the Bank's Loan and Asset/Liability Committees each received \$50 per meeting attended, except for the chairmen of such committees who each received \$100 per meeting attended. Director Hill received \$1,000 a month for serving as Chairman of the Board of Community Central Mortgage Company, LLC, the Corporation's mortgage company subsidiary and directors Cottone, Reed and Widlak each received \$500 a month for serving as advisory board members to the mortgage company.

Under the Corporation's 2002 Incentive Plan, which was approved by the stockholders at the Corporation's annual meeting held in April 2002, each director is awarded 300 shares of common stock of the Corporation annually. The awards are made each year, on the first business day of the month following the annual meeting of stockholders, from 2002 through 2010, during the period that the director serves on the Board.

REPORT OF THE AUDIT COMMITTEE

The following Audit Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Corporation filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Corporation specifically incorporates this report by reference.

The members of the Audit Committee consist of Messrs. Bonior, Cottone, Hill, Jeannette and Stroh, III.

Management has the primary responsibility for the financial statements and the reporting process, including the Corporation's systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for the year ended December 31, 2005 with management, including a discussion of the quality and the acceptability of the Corporation's financial reporting and controls.

The Audit Committee has also discussed with the Corporation's independent auditors, Plante & Moran, PLLC, which firm is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Corporation's financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including the matters required to be discussed pursuant to Statement on Auditing Standards Nos. 61 and No. 90 (Communications with Audit Committees). In addition, the Audit Committee has received written disclosures and the letter from Plante & Moran, PLLC required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, disclosing the matters that, in the auditor's judgment, may reasonably be thought to bear on the auditors' independence from the Corporation, and has discussed with Plante & Moran, PLLC their independence from the Corporation. The Audit Committee has also considered the compatibility of the providing of non-audit services with maintaining the auditors' independence.

In fulfilling its oversight responsibility of reviewing the services performed by the Corporation's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of independent auditors and the fees paid by the Corporation for such services. The Audit Committee also discussed with the Corporation's internal and independent auditors the overall scope and plans for their respective audits and the fees paid by the Corporation for such services. The Audit Committee meets periodically with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting.

The Corporation's Chief Executive Officer and Chief Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 ("Sarbanes"). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

10

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

exercised in 2005 and unexercised stock options held by the named executive officers at December 31, 2005. The dollar amounts under the "Value Realized" column represent the difference between the fair market value of the underlying stock on the exercise date and the exercise or base price of the option(s). The dollar amounts under the "Value of Unexercised In-the-Money Options at 12-31-2005" column represent the difference between the exercise or base price of the named executive officer's stock option(s) and \$13.24, the average of the closing high bid and low asked prices reported by the Nasdaq National Market as of December 31, 2005. The amounts set forth in the column "Value of Unexercised In-the-Money Options at 12-31-2005" have not been, and may never be, realized, as these options have not been, and may not ever be, exercised. Actual gains, if any, on exercise will depend on the value of the Corporation's common stock on the date of exercise. Unexercisable options are those which have not yet vested. No stock appreciation rights have been granted by the Corporation.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

The Corporation, through the Community Central Bank Corporation Supplemental Executive Retirement Plan (the "Corporation SERP"), and the Bank, through the Community Central Bank Supplemental Executive Retirement Plan (the "Bank SERP"), provide supplemental retirement benefits to a select group of senior officers. Mr. Widlak is a participant in the Corporation SERP and Messrs. Reed and Colonius are participants in the Bank SERP. Participants in the Corporation SERP and Bank SERP vest 10 percent a year for each year of credited service in his retirement benefits under the SERP. As of December 31, 2005, Messrs. Widlak, Reed and Colonius were 40 percent, 53 percent and 60 percent vested, respectively, in their retirement benefits.

The Corporation SERP and Bank SERP (collectively, the "SERPs") are designed to provide monthly benefits over a 15-year period to each participant upon his retirement. The benefit payable upon retirement is a function of years of service earned after December 31, 1999. The minimum annual benefit is \$75,000 and the maximum annual benefit is 50% of the average of the three highest years of compensation. Generally, reduced early retirement benefit payments under the SERP can commence upon the later of the date of the termination of the participant's employment or age 62; otherwise, benefit payments generally will commence at age 65. If a participant is terminated for cause he is not entitled to any benefits under the SERP. If Messrs. Widlak, Reed and Colonius retired as of December 31, 2005, upon reaching age 65 they would be entitled to receive a monthly benefit under the SERPs of \$5,010, \$5,272, and \$4,003, respectively, for the next 15 years.

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

If a participant dies before receiving any retirement benefits under the SERP, his designated beneficiary will receive a discounted lump sum payment of the participant's retirement benefits. If a participant dies after he or she has begun to receive retirement benefits under the SERP, the remaining payments will continue to be made to the participant's designated beneficiary for the rest of the payout period, or the committee administering the SERP may accelerate the payment of the remaining retirement benefits at such time in a discounted lump sum payment and in such manner as the committee may determine.

The SERP is an unfunded plan. The Bank has obtained life insurance policies on the lives of the participants in the SERP as a means of offsetting the costs of providing the benefits under the SERP.

14

CERTAIN TRANSACTIONS

The Bank has had, and expects to have in the future, loans and other banking related transactions in the ordinary course of business with the Corporation's directors, executive officers, and principal stockholders and their associates. All such transactions (i) are made in the ordinary course of business, (ii) are made on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with other persons, and (iii) in the opinion of management, do not involve more than the normal risk of collectibility, or present other unfavorable features. All loans made by the Bank to its directors and officers are subject to federal banking regulations restricting loan and other transactions with affiliated persons of the Bank. As of December 31, 2005, the Bank had outstanding 43 loans to the directors and executive officers of the Corporation, totaling approximately \$8.0 million in the aggregate, with an additional \$3.3 million under commitments. All outstanding loans to directors and executive officers were performing in accordance with their terms at December 31, 2005.

SELECTION OF AND RELATIONSHIP WITH INDEPENDENT AUDITOR

The Audit Committee of the Board of Directors has appointed Plante & Moran, PLLC as the Corporation's principal independent auditor for the year ending December 31, 2006. In making its determination to appoint Plante & Moran, PLLC as the Corporation's independent auditors for the 2006 fiscal year, the Audit Committee considered the non-audit services that the independent auditors provided during the 2005 fiscal year and determined that the provision of these services is compatible with and does not impair the auditors' independence. Representatives of Plante & Moran, PLLC plan to attend the annual meeting of stockholders, will have the opportunity to make a statement if they desire to do so, and will respond to appropriate questions by stockholders. The Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year, if it determines that such a change would be in the best interest of the Corporation and its stockholders.

PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

These services may include audit services, audit-related services, tax services and other services. Prior to engaging our independent auditors to render an audit or permissible non-audit service, the Audit Committee specifically approves the engagement to render that service. Accordingly, we do not engage our independent auditors to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. The engagement of Plante & Moran, PLLC to render 100 percent of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services.

PROPOSED AMENDMENT TO COMMUNITY CENTRAL BANK CORPORATION 2002 INCENTIVE PLAN

Stockholders are being requested to approve an amendment to the Community Central Bank Corporation 2002 Incentive Plan (the "2002 Incentive Plan") to increase by 100,000 the number of shares of the Corporation common stock for which stock options and other stock-based incentives may be granted to employees under the plan. The Board of Directors unanimously recommends approval of the amendment to the 2002 Incentive Plan to allow the Corporation to continue to attract and retain the best available officers and employees, and provide an incentive for all award recipients under the Plan to use their best efforts on the Corporation's behalf. If stockholders approve the amendment, the number of shares of Corporation common stock for which awards to employees may be granted will be increased by 100,000 shares, representing approximately 2.7% of the outstanding shares of common stock of the Corporation as of the date of this proxy statement. As a result of such approval, the aggregate number of shares of common stock for which awards may be granted under the 2002 Incentive Plan would be increased from 61,851 shares to 161,851 shares. All share and exercise price information, except where noted, has been adjusted to reflect the two 5% stock dividends paid by the Corporation to its stockholders in 2005 and 2004.

The Corporation's Board of Directors adopted the 2002 Incentive Plan on February 19, 2002. The Plan became effective when it was approved by the Corporation's stockholders at the annual meeting on April 16, 2002 and as amended April 20, 2004. As of February 27, 2006, awards for 194,795 (less any

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

forfeitures) have been granted under the 2002 Incentive Plan, as amended, which includes options granted to employees to purchase 181,376 shares of common stock, at exercise prices ranging from \$7.71 to \$14.50 per share, and stock awards granted to directors of 13,419 shares pursuant to the formula award under the plan. This leaves only 61,851 shares of common stock available for future awards under the 2002 Incentive Plan, of which not more than 30,681 shares are available for award to directors. On February 17, 2004, the Board of Directors, acting on the recommendation of the Corporation's Compensation Committee, unanimously adopted this amendment to the 2002 Incentive Plan to increase the shares available for awards to employees under the plan by 100,000, subject to the approval of the Corporation's stockholders.

The principal provisions of the 2002 Incentive Plan, as amended, are summarized below. This summary does not, however, purport to be complete and is qualified in its entirety by the terms of the plan. The full text of the plan, as amended by amendment numbers one and two to the plan, are set forth in Appendix A to this proxy statement.

DESCRIPTION OF THE PLAN

General. The purpose of the 2002 Incentive Plan is to promote the growth and profitability of the Corporation, to provide certain key officers, employees and directors of the Corporation and its affiliates with an incentive to achieve corporate objectives, to attract and retain individuals of outstanding competence and to provide such individuals with an equity interest in the Corporation. Options granted under the Stock Option Plan may be either "incentive stock options," as defined by Section 422 of the Internal Revenue Code, or non-statutory stock options.

Administration. The Compensation Committee or such other committee the Board of Directors may designate is responsible for the administration of the 2002 Incentive Plan. That committee determines, within the limitations of the 2002 Incentive Plan, the directors, officers and employees to whom awards are granted. Subject to certain specific limitations and restrictions set forth in the 2002 Incentive Plan and limitations as may be imposed from time to time by the Board of Directors, the

18

committee has authority to interpret the plan, to prescribe, amend and rescind rules and regulations, if any, relating to the plan and to make all determinations necessary or advisable for the administration of the plan. The committee may delegate its duties under the plan to the Chairman of the Board, President or other senior officer of the Corporation, except that no such delegation may be made with respect to actions involving persons participating in the plan who are subject to Section 16 of the Securities Exchange Act of 1934 or are "covered employees under Section 162(m) of the Internal Revenue Code. The costs and expenses of administering the plan are borne by the Corporation.

Eligibility. Every director, officer and employee of the Corporation and its affiliates is entitled to participate in the 2002 Incentive Plan. As of the date of this proxy statement, a total of 151 persons were eligible to receive awards under the plan, which includes 140 employees and the eleven directors who receive automatic awards of 300 shares of common stock per year. Incentive stock options may only be granted to employees of the Corporation and its affiliates. Non-statutory stock options may be granted to any eligible participant under the plan.

Shares Subject to the Plan. The Corporation initially reserved and

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

stockholders approved for reservation 130,000 shares of common stock for awards under the plan, of which 40,000 shares were available for awards to directors. The plan was amended on April 20, 2004 to add an additional 100,000 shares for awards to employees. In any one calendar year, no individual may receive awards under the Plan consisting of options or SARs that are exercisable for more than 20,000 shares or awards consisting of common stock or units denominated in common stock covering more than 15,000 shares, or a cash award in excess of \$200,000. The Plan provides that the number of shares reserved for issuance under the Plan, as well as the awards to be made under the Plan, and the stock based limits on awards, will be adjusted proportionally by the Board to reflect any stock dividends or splits, or other subdivisions or consolidations of the common stock of the Corporation. The shares set forth in this paragraph do not reflect any adjustments for the prior 5% stock dividends.

If stockholders approve the amendment, 161,851 shares (as adjusted for prior stock dividends) of common stock will be available for awards under the 2002 Incentive Plan, of which not more than 30,681 shares (as adjusted for prior stock dividends) will be available for stock awards to directors.

Employee Awards. The following types of awards may be made to employees under the Plan:

Stock Options. The committee may grant either incentive stock options or nonqualified stock options. The committee sets option exercise prices and terms. Regardless of option type, however, the exercise price of an option may not be less than the fair market value of the Corporation's common stock on the date of grant. The fair market value of the common stock on February 22, 2006 was \$12.00 per share.

SARs. SARs are rights to receive a payment, in cash or common stock of the Corporation, equal to the excess of the fair market value or other specified valuation of a specified number of shares of common stock of the Corporation on the date the rights are exercised over a specified strike price. The committee may grant SARs either singly or in combination with an underlying stock option under the Plan. The terms of a SAR are established by the committee.

Stock Awards. The committee may grant awards of common stock of the Corporation or denominated units of common stock. The terms of any Stock Awards are established by the committee. The committee may decide to include dividends or dividend equivalents as part of an award.

19

Cash Awards. Cash Awards consist of grants denominated in cash. The terms of any Cash Awards are established by the committee.

Performance Awards. The committee may elect to grant any of the employee awards in the form of a Performance Award under which the grant may be subject to the attainment of one or more performance goals. A Performance Award is paid, vested or otherwise deliverable solely upon the attainment of one or more pre-established, objective performance goals established by the committee. A performance goal may be based upon one or more business criteria that apply to the employee, one or more business units of the Corporation or a subsidiary or the Corporation as a whole, including the following: revenue, net income, stock price, stockholder return, earnings per share, market performance, return on equity, return on assets or new business contract values. A performance goal is established by the committee prior to the earlier of (a) 90 days after the start of the

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

period of service to which the goal relates and (b) the lapse of 25% of the period of service, but in any event while the outcome is substantially uncertain.

Annual Stock Awards to Directors. Under the terms of the plan, each director receives an annual award of 300 shares of common stock of the Corporation. This award is made automatically to each director on the first business day of the month following the annual meeting of stockholders, during the period that the director serves on the Board of Directors of the Corporation, through 2010. No other awards are available to non-employee directors.

Termination or Amendment of the Plan. The Board may amend, modify, suspend or terminate the plan for the purpose of addressing any changes in legal requirements or for any other purpose permitted by law, except that no amendment that would impair the rights of any participant with respect to any award may be made without the consent of the participant.

Transfers. No award or any other benefit under the plan is transferable except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order, provided that the committee may authorize all or a portion of any nonqualified stock option granted to a participant to be transferable for no consideration to certain immediate family members, a trust solely for the benefit of the participant or such immediate family members, or a partnership or limited liability company in which the only partners are the participant or such immediate family members or trusts.

FEDERAL INCOME TAX CONSEQUENCES

The federal income tax consequences to the Corporation and its employees of awards under the 2002 Incentive Plan are complex and subject to change. The following discussion, which has been prepared by counsel to the Corporation, is only a summary of the general federal tax rules applicable to the 2002 Incentive Plan. This summary is not complete and does not address state and local tax treatment of awards under the plan. Recipients of awards under the plan should consult their own tax advisors since a taxpayer's particular situation may be such that some variation of the rules described below will apply.

As discussed above, different types of awards may be issued under the 2002 Incentive Plan. The tax consequences related to the issuance of each is discussed separately below.

Stock Options. As noted above, options granted under the 2002 Incentive Plan may be either incentive stock options or non-statutory stock options. Incentive stock options are options that are designated as such by the Corporation and that meet certain requirements under Section 422 of the Internal Revenue Code and the regulations thereunder. Any option that does not satisfy these requirements will be treated as a non-statutory stock option.

Incentive Stock Options. If an option is an incentive stock option, the optionee will not recognize any income upon either the grant or the exercise of the option, and the Corporation will not be allowed a deduction for federal tax purposes. Upon a sale of the shares, the tax treatment to the optionee and the Corporation will depend primarily upon whether the optionee has met certain holding period requirements at the time he or she sells the shares. If the common stock purchased upon the exercise of an incentive stock option is held for at least two years from the date of the award of the option and for at least

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

one year after the exercise of the option, any resulting gain is taxed at long-term capital gains rates. If that common stock is disposed of before the expiration of that holding period (a "disqualifying disposition"), any gain on the disposition, up to the difference between the fair market value of the common stock at the time of exercise and the exercise price, is taxed at ordinary rates as compensation paid to the employee, and the Corporation is entitled to a deduction for an equivalent amount. Any amount realized by the employee upon a disqualifying disposition in excess of the fair market value of the common stock at the time of exercise is taxed at capital gain rates.

The exercise of an incentive stock option may subject an optionee to alternative minimum tax liability. The excess of the fair market value of the shares at the time an incentive stock option is exercised over the purchase price of the shares is included in income for purposes of the alternative minimum tax, even though it is not included in taxable income for purposes of determining the regular tax liability of an employee. Consequently, an optionee may be obligated to pay alternative minimum tax in the year he or she exercises an incentive stock option.

Non-Statutory Stock Options. Non-statutory stock options will not qualify for any special tax benefits to the optionee. An optionee generally will not recognize any taxable income at the time he or she is granted a non-statutory stock option, and no deduction is available to the Corporation at such time. However, upon exercise of a non-statutory stock option (other than delivery of common stock to the Corporation), the optionee will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the shares over the exercise price, and the Corporation will receive a tax deduction for the same amount. If the non-statutory option is exercised by delivering common stock to the Corporation, the number of shares of common stock received by the optionee equal to the number of shares so delivered will be received free of tax and will have the tax basis and holding period of the delivered shares. The fair market value of additional common stock will be taxed to the optionee as ordinary income, and the optionee's tax basis in such shares will be the fair market value on the date of exercise. Upon disposition, any appreciation or depreciation of the common stock after the date of exercise may be treated as capital gain or loss. The income realized by the optionee will be subject to income and other employee withholding taxes.

Restricted Stock. At the time a restricted stock award is granted a grantee may elect to be taxed at ordinary income tax rates in the year the award is granted based on the fair market value of the common stock as of the date of grant. If the election is not exercised within the time prescribed under Section 83(b) of the Internal Revenue Code, the grantee will be taxed in the year the restrictions expire based on the fair market value of the common stock as of the date the restrictions expire. The Corporation is entitled to a corresponding federal income tax deduction for the year in which the grantee is taxed at ordinary income tax rates. If the grantee is taxed in the year the restrictions expire, dividends paid to the grantee during the restriction period will be taxed as additional compensation (ordinary income) and the Corporation will be entitled to a corresponding deduction. If the grantee is taxed in the year in which the award is granted, dividends paid to the optionee during the restriction period with respect to the common stock will be treated as dividend income, and the Corporation will not be entitled to a corresponding deduction.

SARs. The grant of a SAR would not result in income for the grantee or in a deduction for the Corporation. Upon the exercise of a SAR, the grantee would recognize ordinary income and the

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

Corporation would be entitled to a deduction measured by the fair market value of the shares plus any cash received. Tax withholding would be required for employees.

Cash Awards; Stock Awards. A grantee will recognize ordinary income upon receipt of cash pursuant to a Cash Award or Performance Award. A grantee will not have taxable income upon the grant of a Stock Award in the form of units denominated in common stock of the Corporation, but rather will generally recognize ordinary income at the time he or she receives common stock or cash in satisfaction of such award in an amount equal to the fair market value of the common stock or cash received. In general, a grantee will recognize ordinary income as a result of the receipt of common stock pursuant to a Stock Award or Performance Award in an amount equal to the fair market value of the common stock when it is received, although if the stock is not transferable and is subject to a substantial risk of forfeiture when received, the grantee will recognize ordinary income in an amount equal to the fair market value of the common stock when it first becomes transferable or is no longer subject to a substantial risk of forfeiture. Tax withholding would be required for employees.

Section 162(m). Compensation of the named executive officers of the Corporation in the Summary Compensation Table may be subject to the tax deduction limits of section 162(m) of the Internal Revenue Code, which, subject to certain exceptions, prevents the Corporation from deducting compensation paid to those officers in excess of \$1 million in any one year. Stock options, SARs, and Cash Awards that qualify as "performance-based compensation" are excluded from the deduction limits under section 162(m). If approved by the Corporation's shareholders, the Plan will enable the Committee to grant stock options, SARs and annual incentive bonuses (in the form of Cash Awards under the Plan) that will be fully tax deductible by the Corporation.

NEW PLAN BENEFITS

At this time, no awards have been granted with respect to the additional shares being requested pursuant to this amendment. Grants to eligible employees and directors are subject to the discretion of the committee and, therefore, are not determinable at this time.

VOTE REQUIRED AND BOARD RECOMMENDATION

The affirmative vote of a majority of the votes cast at the meeting by the holders of shares entitled to vote is required to approve the amendment to the 2002 Incentive Plan. Shares as to which the "Abstain" box has been selected on the proxy card for this amendment will be counted as present and entitled to vote and, accordingly, will have the effect of a vote against the amendment. Broker non-votes will not be counted as present and entitled to vote at the annual meeting and will have no effect on the amendment. THE CORPORATION'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE AMENDMENT TO THE 2002 INCENTIVE PLAN TO INCREASE SHARES OF COMMON STOCK AVAILABLE FOR AWARDS TO EMPLOYEES BY 100,000.

STOCKHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

Any proposal submitted by a stockholder for the 2007 annual meeting of stockholders should be sent to Lisa Medlock, Corporate Secretary, at 120 North Main Street, PO Box 7, Mount Clemens, MI 48046-0007. Proposals must be received by November 20, 2006, in order to be eligible to be included in the

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

Corporation's proxy statement for that meeting. Stockholder proposals to be considered for presentation at next year's annual meeting, although not included in the proxy statement must be received at our executive office at least 10 days prior to the date of the annual meeting.

All stockholder proposals for inclusion in the Corporation's proxy materials shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934, as amended, and, as with any shareholder proposal (regardless of whether it is included in proxy materials), the Corporation's articles of incorporation and bylaws and Michigan law.

OTHER MATTERS

The Board of Directors does not know of any other matters to be brought before the annual meeting. If other matters are presented upon which a vote may properly be taken, it is the intention of the persons named in the proxy to vote the proxies in accordance with their best judgment.

No term, condition or limitation associated with any Employee Award shall be permitted that causes either the Employee Award or the Plan to be subject to Section 409A. Employee Awards may also be made in combination or in tandem with, in replacement of, or as alternatives to, grants or rights under this Plan or any other employee plan of the Company or any of its Subsidiaries, including the plan of any acquired entity. An Employee Award may provide for the grant or issuance of additional, replacement or alternative Employee Awards upon the occurrence of specified events, including the exercise of the original Employee Award granted to a Participant. All or part of an Employee Award may be subject to conditions established by the Committee, which may include, but are not limited to, continuous service with the Company or its Subsidiaries, achievement of specific business objectives, increases in specified indices, attainment of specified growth rates and other comparable measurements of performance. The price at which shares of Common Stock may be purchased upon the exercise of an Incentive Option shall be not less than the Fair Market Value of the Common Stock on the date of grant. The price at which shares of Common Stock may be purchased upon the exercise of a Nonqualified Option shall be not less than the Fair Market Value of the Common Stock on the date of grant. Incentive Options shall only be issued to employees of the Company, or any Subsidiary of the Company whose employees are eligible to receive Incentive Options under the Code. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Options awarded pursuant to this Plan, including the term of any Options and the date or dates upon which they become exercisable, shall be determined by the Committee.

The terms, conditions and limitations applicable to any SARs awarded pursuant to this Plan, including the term of any SARs and the date upon which they become exercisable, shall be determined by the Committee. For any SAR awarded after December 31, 2004, the exercise price may not be less than the Fair Market Value of the underlying shares of Common Stock on the date the SAR is granted.

(iii) Stock Award. An Employee Award may be in the form of a Stock Award. The terms, conditions and limitations applicable to any Stock Awards granted pursuant to this Plan shall be determined by the Committee.

(iv) Cash Award. An Employee Award may be in the form of a Cash Award. The terms, conditions and limitations applicable to any Cash Awards granted pursuant to this Plan shall be determined by the Committee.

(v) Performance Award. Without limiting the type or number of Employee Awards that may be made under the other provisions of this Plan, an Employee Award may be in the form of a Performance Award. A Performance Award shall be paid, vested or otherwise deliverable solely on account of the attainment of one or more pre-established, objective Performance Goals established by the Committee prior to the earlier to occur of (x) 90 days after the commencement of the period of service to which the Performance Goal relates and (y) the elapse of 25% of the period of service (as scheduled in good faith at the time the goal is established), and in any event

while the outcome is substantially uncertain. A Performance Goal is objective if a third party having knowledge of the relevant facts could determine whether the goal is met. A Performance Goal may be based on one or more of business criteria that apply to the individual, one or more business units of the Company or a Subsidiary, or the Company as a whole, and may include one or more of the following criteria: revenue, net income, Common Stock price, shareholder return, shareholder value, economic value, earnings per share, market performance, return on assets, return on equity, earnings, operating profits, cash flow, working capital costs, new business contract values, and/or such other financial, accounting or quantitative metric determined by the Committee. A Performance Goal may, but need not be, based upon a change or an increase or positive result under a

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

particular business criterion and could include, for example, maintaining the status quo, limiting economic losses, or a relative comparison of performance to the performance of a peer group or other external or internal measure (measured, in each case, by reference to specific business criteria). A Performance Goal may include or exclude items to measure specific objectives, including, without limitation, extraordinary or other non-recurring items, acquisitions and divestitures, internal restructuring and reorganizations, accounting charges and effects of accounting changes. In interpreting Plan provisions applicable to Performance Goals and Performance Awards applicable to Awards to employees who are "covered employees" under Section 162(m) of the Code, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(2), and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals to any such "covered employee", the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Performance Awards made pursuant to this Plan shall be determined by the Committee; provided, however, that no Performance Award issued after December 31, 2004, shall include provisions that would cause the Performance Award to be subject to Section 409A.

(b) Notwithstanding anything to the contrary contained in this Plan, the following limitations shall apply to any Employee Awards made hereunder:

(i) No Participant may be granted, during any calendar year period, Employee Awards consisting of Options or SARs that are exercisable for more than 20,000 shares of Common Stock, subject to adjustment pursuant to the provisions of paragraph 15 hereof;

(ii) No Participant may be granted, during any calendar year period, Employee Awards consisting of shares of Common Stock or units denominated in such shares (other than any Employee Awards consisting of Options or SARs) covering or relating to more than 15,000 shares of Common Stock, subject to adjustment pursuant to the provisions of paragraph 15 hereof (the limitation set forth in this clause (ii), together with the limitation set forth in clause (i) above, being hereinafter collectively referred to as the "Stock Based Awards Limitations"); and

(iii) No Participant may be paid under any Employee Awards consisting of Cash Awards or any other form permitted under this Plan (other than Employee Awards consisting of Options or SARs or otherwise consisting of shares of Common Stock or units denominated in such shares) in respect of any calendar-year period an amount in excess of \$200,000.

(c) Awards shall be subject to such restrictions and other provisions relating to competition or other conduct detrimental to the Company as determined by the Committee.

9. Director Awards of Common Stock.

A-6

(a) Each Director of the Company shall be granted Director Awards in accordance with this paragraph 9 and subject to the applicable terms, conditions and limitations set forth in this Plan and the applicable Director Award Agreement. Notwithstanding anything to the contrary contained herein, Director

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

Awards shall not be made in any year in which a sufficient number of shares of Common Stock are not available to make such Awards under this Plan.

(b) On each Annual Director Award Date occurring on or after January 1, 2002 and on or before December 31, 2010, each Director shall automatically be granted a Stock Award of 300 shares of Common Stock. Each Director Award may be accompanied by a Director Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Board or Committee in its discretion, and shall be signed by the Participant to whom the Director Award is granted and may be signed by an Authorized Officer for and on behalf of the Company.

10. Payment of Awards.

(a) General. Payment of Employee Awards may be made in the form of cash or Common Stock, or a combination thereof, and may include such restrictions as the Committee shall determine, including, in the case of Common Stock, restrictions on transfer and forfeiture provisions. If payment of an Employee Award is made in the form of Restricted Stock, the Employee Award Agreement relating to such shares shall specify whether they are to be issued at the beginning or end of the Restriction Period. In the event that shares of Restricted Stock are to be issued at the beginning of the Restriction Period, the certificates evidencing such shares (to the extent that such shares are so evidenced) shall contain appropriate legends and restrictions that describe the terms and conditions of the restrictions applicable thereto. In the event that shares of Restricted Stock are to be issued at the end of the Restriction Period, the right to receive such shares shall be evidenced in such manner as the Committee may determine.

(b) Dividends and Interest. Rights to dividends or Dividend Equivalents may be extended to and made part of any Employee Award consisting of shares of Common Stock or units denominated in shares of Common Stock, subject to such terms, conditions and restrictions as the Committee may establish. The Committee may also establish rules and procedures for the crediting of interest on deferred cash payments and Dividend Equivalents for Employee Awards consisting of shares of Common Stock or units denominated in shares of Common Stock.

(c) Substitution of Awards. At the discretion of the Committee, a Participant who is an Employee may be offered an election to substitute an Employee Award for another Employee Award or Employee Awards of the same or different type.

11. Stock Option Exercise. The price at which shares of Common Stock may be purchased under an Option shall be paid in full at the time of exercise in cash or if elected by the optionee, the optionee may purchase such shares by means of tendering Common Stock or, if approved by the Committee, by surrendering another Award, including Restricted Stock, valued at Fair Market Value on the date of exercise, or any combination thereof. The Committee shall determine acceptable methods for Participants who are Employees to tender Common Stock (including by attestation of ownership) or other Employee Awards; provided that any Common Stock that is or was the subject of an Employee Award may be so tendered only if it has been held by the Participant for six months. The Committee may provide for procedures to permit the exercise or purchase of such Awards by use of the proceeds to be received from the sale of Common Stock issuable pursuant to an Employee Award. Unless otherwise provided in the applicable Award Agreement, in the event shares of Restricted Stock are tendered as consideration for the exercise of an Option, a number of the shares issued upon the exercise of the Option,

equal to the number of shares of Restricted Stock used as consideration therefor, shall be subject to the same restrictions as the Restricted Stock so submitted as well as any additional restrictions that may be imposed by the Committee.

12. Tax Withholding. The Company shall have the right to deduct applicable taxes from any Employee Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, or if later, the date of income recognition, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of taxes required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Employee Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued based on the Fair Market Value when the tax withholding is required to be made. The Committee may provide for loans, on either a short term or demand basis, from the Company to a Participant who is an Employee to permit the payment of taxes required by law.

13. Amendment, Modification, Suspension or Termination. The Board may amend, modify, suspend or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that (a) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant, and (b) no amendment or alteration of either the Plan or an Award shall be permitted that results in either the plan or the Award being subject to Section 409A and any such amendment or alteration shall be void ab initio.

14. Assignability. Except as provided below, no Award or any other benefit under this Plan shall be assignable or otherwise transferable except by will or the laws of descent and distribution or as required pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, or the rules thereunder. Notwithstanding the foregoing, the Committee may, in its discretion, authorize all or a portion of the Nonqualified Options granted to a Participant to be transferable to:

- (a) the spouse, parents, children, stepchildren, grandchildren or legal dependents of the Participant ("Immediate Family Members");
- (b) a trust or trusts solely for the benefit of the Participant and/or such Immediate Family Members, or;
- (c) a partnership or limited liability company in which the only partners or members, as applicable, are the Participant, such Immediate Family Members and/or a trust or trusts solely for the benefit of the Participant and/or such Immediate Family Members;

provided that:

- (i) there may be no consideration for any such transfer;
- (ii) the Employee Award Agreement pursuant to which such Options are granted expressly provides for transferability in a manner consistent with this paragraph 14, and

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

- (iii) subsequent transfers of transferred Options shall be prohibited except those to the Participant or individuals or entities described in clauses (a), (b) or (c) above, or by the laws of descent or distribution.

Following transfer, any such Options shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, including but not limited to, the restrictions or other provisions relating to competition or other conduct detrimental to the Company, and (ii) the obligation of the Participant for payment of taxes with respect to the exercise of such Options and the rights of the Company to withhold such taxes from the Participant or to otherwise require the Participant to satisfy all obligations for the withholding of such taxes as contemplated by paragraph 12 above. The provisions relating to the period of exercisability and expiration of the Option shall continue to be applied with respect to the original Participant, and the Options shall be exercisable by the transferee only to the extent, and for the periods, set forth in the Employee Award Agreement.

The Committee may prescribe and include in applicable Award Agreements other restrictions on transfer. Any attempted assignment of an Award or any other benefit under this Plan in violation of this paragraph 14 shall be null and void.

15. Adjustments.

(a) The existence of outstanding Awards shall not affect in any manner the right or power of the Company or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the capital stock of the Company or its business or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the Common Stock) or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

(b) In the event of any subdivision or consolidation of outstanding shares of Common Stock, declaration of a dividend payable in shares of Common Stock or other stock split, then (i) the number of shares of Common Stock reserved under this Plan, (ii) the number of shares of Common Stock covered by outstanding Awards in the form of Common Stock or units denominated in Common stock, (iii) the exercise or other price in respect of such Awards, (iv) the appropriate Fair Market Value and other price determinations for such Awards, (v) the number of shares of Common Stock automatically granted pursuant to paragraph 9 hereof, and (vi) the Stock Based Awards Limitations shall each be proportionately adjusted by the Board to reflect such transaction. In the event of any other recapitalization or capital reorganization of the Company, any consolidation or merger of the Company with another corporation or entity, the adoption by the Company of any plan of exchange affecting the Common Stock or any distribution to holders of Common Stock of securities or property (other than normal cash dividends or dividends payable in Common Stock), the Board or Committee shall make appropriate adjustments to (i) the number of shares of Common Stock covered by Awards in the form of Common Stock or units denominated in Common Stock, (ii) the exercise or other price in respect of such Awards, (iii) the appropriate Fair Market Value and other price determinations for such Awards, (iv) the number of shares of Common Stock automatically granted pursuant to paragraph 9 hereof and (v) the Stock Based Awards Limitations to give effect to such transaction shall each be proportionately adjusted by the Board to reflect such transaction; provided that such adjustments shall only be such as are necessary to maintain the proportionate interest of the holders of the Awards and preserve, without exceeding the value of such Awards. In the event of a

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board shall be authorized to issue or assume Awards by means of substitution of new Awards, as appropriate, for previously issued Awards or

A-9

an assumption of previously issued Awards as part of such adjustment. The preceding sentence shall be applied in a manner that does not cause any of the Awards to be treated as a liability for financial statement purposes pursuant to Financial Accounting Standards Board Number 123R.

16. Restrictions. No Common Stock or other form of payment shall be issued with respect to any Award unless the Company shall be satisfied based on the advice of its counsel that such issuance will be in compliance with applicable federal and state securities laws. It is the intent of the Company that this Plan comply with Rule 16b-3 with respect to persons subject to Section 16 of the Exchange Act unless otherwise provided herein or in an Award Agreement, that any ambiguities or inconsistencies in the construction of this Plan be interpreted to give effect to such intention, and that if any provision of this Plan is found not to be in compliance with Rule 16b-3, such provision shall be null and void to the extent required to permit this Plan to comply with Rule 16b-3. Certificates evidencing shares of Common Stock certificates delivered under this Plan (to the extent that such shares are so evidenced) may be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or transaction reporting system upon which the Common Stock is then listed or to which it is admitted for quotation and any applicable federal or state securities law. The Committee may cause a legend or legends to be placed upon such certificates (if any) to make appropriate reference to such restrictions. Any Award Agreement may include representations, warranties and agreements by the Participant that the Committee deems appropriate to establish that an exemption from registration is available under any applicable securities law.

17. Unfunded Plan. Insofar as it provides for Awards of cash, Common Stock or rights thereto, this Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are entitled to cash, Common Stock or rights thereto under this Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by cash, Common Stock or rights thereto, nor shall this Plan be construed as providing for such segregation, nor shall the Company, the Board or the Committee be deemed to be a trustee of any cash, Common Stock or rights thereto to be granted under this Plan. Any liability or obligation of the Company to any Participant with respect to an Award of cash, Common Stock or rights thereto under this Plan shall be based solely upon any contractual obligations that may be created by this Plan and any Award Agreement, and no such liability or obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Board or the Committee shall be required to give any security bond for the performance of any obligation that may be created by this Plan.

18. Governing Law. This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Code or the securities laws of the United States, shall be governed by and construed in accordance with the laws of the State of Michigan.
