**ITEM 8.01 OTHER EVENTS**

On March 17, 2008, Origen Financial, Inc. issued a press release reporting that (a) it has completed the sale of its unsecuritized loan portfolio and used the proceeds to pay off its warehouse facility and (b) its audited financial statements for the fiscal year ended December 31, 2007, which statements were included in its Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 17, 2008, contained an unqualified opinion from its independent registered public accounting firm, Grant Thornton LLP, which included an explanatory paragraph raising doubt about Origen's ability to continue as a going concern. Origen's continued operations depend on its ability to meet its existing debt obligations. Based on the intrinsic value of Origen's assets and discussions it has had with third parties about possible strategic alternatives, Origen believes it will be able to raise the additional funds it needs on a timely basis. However, there is no assurance that such funds will be available or will be available on reasonable terms.

A copy of the press release is attached as Exhibit 99.1.
