  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 8.01 Other Events.**

On March 4, 2008, Anadarko announced that it has agreed to sell its 50-percent interest in the Peregrino field offshore Brazil and its 25-percent interest in the BP-operated Kaskida Unit in the deepwater Gulf of Mexico to StatoilHydro for cash proceeds of US \$1.8 billion at closing plus additional contingent cash consideration valued up to US \$300 million. This contingent payment is determined by applying 37.5% to 100 percent of Peregrino's production volumes for months when future ICE Brent Crude pricing exceeds the following set price thresholds:

Period	Average Threshold Price
2010-2012	\$ 88.75
2013-2020	\$ 65.15

Both pricing components will be adjusted for quality differentials. The contingency payments are due annually until such cumulative payments provide a present value of US \$300 million, discounted at 10%, from the closing date. StatoilHydro has the option to pre-pay this contingent amount. The press release announcing this transaction is included in this report as Exhibit 99.1.
