PROXY STATEMENT

**FOR ANNUAL MEETING OF STOCKHOLDERS
JUNE 11, 2008**

INFORMATION CONCERNING SOLICITATION AND VOTING

General

We are soliciting the enclosed proxy on behalf of our Board of Directors for use at our Annual Meeting of Stockholders, which we will hold on June 11, 2008, at 10:00 a.m. local time, or at any adjournment or postponement of our Annual Meeting. We have described the purposes of our Annual Meeting in both this proxy statement and in our Notice of Annual Meeting that we are sending to you along with this proxy. Our Annual Meeting will be held at our San Francisco offices, located at 1355 Sansome Street, San Francisco, California 94111. We intend to mail this proxy statement along with the proxy card on or about April 28, 2008 to all stockholders entitled to vote at our Annual Meeting.

Solicitation

We will bear the entire cost of solicitation of proxies, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information we furnish to you. We will furnish copies of solicitation materials to banks, brokerage houses, fiduciaries and custodians who hold in their names shares of our common stock which are beneficially owned by others so that they may forward the solicitation materials to the beneficial owners. We may reimburse persons who represent beneficial owners of our common stock for their costs of forwarding solicitation materials. We may supplement the original solicitation of proxies by mail by other methods such as telephone, electronic mail or personal solicitation by our directors, officers or our other employees. We will not pay additional compensation to our directors, officers or our other employees for these services.

Voting Information

Who may vote? You may vote if you owned shares of our common stock at the close of business on April 16, 2008. You may vote each share that you owned on that date on each matter presented at the meeting. As of April 16, 2008, we had 4,094,328 shares outstanding entitled to one vote per share.

What am I voting on? You are voting on:

the election of two directors for a three year term;

the ratification of Stonefield Josephson, Inc. as our independent auditors for fiscal year 2008; and

any other business a stockholder properly brings before the meeting.

What vote is required to pass an item of business? A majority of our outstanding shares of common stock entitled to vote must be present in person or represented by proxy to hold the meeting.

If you hold shares through an account with a bank or broker, the bank or broker may vote your shares on some routine matters even if you do not provide voting instructions. Brokerage firms have the authority to vote shares on routine matters for which their customers do not provide voting instructions. The election of directors and the ratification of Stonefield Josephson, Inc. as our independent auditors for fiscal year 2008 are considered routine matters. When a proposal is not routine and the brokerage firm has not received voting instructions from its

Table of Contents

customers, the brokerage firm cannot vote the shares on that proposal. Those shares are considered broker non-votes.

Proposal 1 Election of Directors

A plurality of the votes of our common stock entitled to vote and present in person or represented by proxy is required to elect a director. In the election of directors, you may vote for the director or you may withhold your vote. Withheld votes will be excluded from the vote and will have no effect on the outcome of the elections. If any nominee becomes unavailable for any reason, or if a vacancy should occur before the election, which we do not anticipate, the proxies will vote your share for another person in their discretion.

Proposal 2 Ratification of Stonefield Josephson, Inc. as Independent Auditors for Fiscal Year 2008

Ratification of the appointment of Stonefield Josephson, Inc. as our independent auditors for fiscal year 2008 requires the affirmative vote of a majority of our common stock present in person or represented by proxy at the meeting and entitled to vote on the proposal. Abstentions will count as votes against the proposal.

Unless you specify otherwise when you submit your proxy, the proxies will vote your shares of common stock for proposals 1 and 2.

How do I vote? There are three ways to vote by proxy:

by calling the toll free telephone number on the proxy;

by using the Internet; or

by returning the enclosed letter proxy in the envelope provided.

Voting Via the Internet or by Telephone

You may grant a proxy to vote your shares by means of the telephone or on the Internet. The law of Delaware, under which we are incorporated, specifically permits electronically transmitted proxies, if the proxy contains or is submitted with information from which the inspectors of election can determine that the proxy was authorized by you.

The telephone and Internet voting procedures below are designed to authenticate stockholders' identities, to allow you to grant a proxy to vote your shares and to confirm that your instructions have been recorded properly. If you are granting a proxy to vote via the Internet, you should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that you will be responsible for paying.

For Shares Registered in Your Name

Stockholders of record may grant a proxy to vote shares of our common stock by using a touch-tone telephone to call **1-800-560-1965** or via the Internet by accessing the website ***www.eproxy.com/lgbt***. You will be required to enter a series of numbers that are located on your proxy card and the last four digits of your social security number or tax identification number. If voting via the Internet, you will then be asked to complete an electronic proxy card. Your votes will be generated on the computer screen and you will be prompted to submit or revise them as desired. Votes submitted by telephone or via the Internet must be received before 10:00 a.m., Pacific Time, on June 10, 2008. Submitting your proxy by telephone or via the Internet will not affect your right to vote in person should you decide to attend the Annual Meeting.

For Shares Registered in the Name of a Broker or Bank

Most beneficial owners whose stock is held in street name receive instructions for granting proxies from their banks, brokers or other agents, rather than our proxy card. A number of brokers and banks are participating in a program provided through Broadridge Investor Communication Solution (Broadridge) that offers the means to grant proxies to vote shares by means of the Internet. If your shares are held in an account with a broker or bank

Table of Contents

participating in the Broadridge program, you may go to ***www.proxyvote.com*** to grant a proxy to vote your shares by means of the Internet. Votes submitted via the Internet must be received before 10:00 a.m., Pacific Time, on June 10, 2008. Submitting your proxy via the Internet will not affect your right to vote in person should you decide to attend the Annual Meeting. A beneficial owner who wishes to vote at the meeting must have an appropriate proxy from his or her broker or bank appointing that beneficial owner as attorney-in-fact for purposes of voting the beneficially held shares at the meeting.

Can I revoke my proxy? Yes. You can revoke your proxy by:

filing with our Corporate Secretary at our principal executive office, 1355 Sansome Street, San Francisco, California 94111, a written notice of revocation or a duly executed proxy bearing a later date, or

attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

Stockholder Proposals

If you wish to submit a proposal for inclusion in our proxy statement and form of proxy for our 2009 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Commission, you must do so by December 29, 2008. If you wish to submit proposals or director nominations that are not to be included in the proxy statement and proxy, you must deliver written notice to our Corporate Secretary at 1355 Sansome Street, San Francisco, California 94111 not earlier than the close of business on February 11, 2009 and not later than the close of business on March 13, 2009. Stockholders are also advised to review our bylaws and the federal proxy rules, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

PROPOSAL 1

ELECTION OF DIRECTORS

Our restated certificate of incorporation and bylaws provide that our Board of Directors is divided into three classes, with each class having a three-year term. Only persons elected by a majority of the remaining directors may fill vacancies on our Board. A director elected by our Board to fill a vacancy in a class (including a vacancy created by an increase in the number of directors) will serve until the next election of the class for which this director has been elected and until his or her successor has been duly elected and qualified.

Our Board of Directors presently has six members and no vacancies. There are two directors in the class whose term of office expires in 2008: Phillip S. Kleweno and John E. Marcom, Jr. The Corporate Governance and Nominating Committee of our Board has nominated both Mr. Kleweno and Mr. Marcom to stand for reelection at the upcoming Annual Meeting. Mr. Kleweno is currently a director of PlanetOut who was previously appointed by our Board of Directors in February 2007 upon the recommendation of our chief executive officer made to the members of our Corporate Governance and Nominating Committee. Mr. Marcom is currently a director of PlanetOut who was previously appointed by our Board of Directors in October 2007 upon the recommendation of the Chairman of our Board of Directors made to the members of our Corporate Governance and Nominating Committee. If elected at the Annual Meeting, both Mr. Kleweno and Mr. Marcom would serve until the 2011 annual meeting and until his successor is elected and has qualified, or until his death, resignation or removal.

Each of our directors, other than Karen Magee, qualify as independent in accordance with the published listing requirements of the Nasdaq Stock Market. The Nasdaq independence definition includes a series of objective tests, such as that the director is not our employee and has not engaged in various types of business dealings with us. In addition, as further required by the Nasdaq rules, our Board has made a subjective determination as to each

independent director that no relationships exist which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and by us with regard to each director's business and personal activities as they may relate to us and our management.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the

Table of Contents

election of each of the nominees. If either of the nominees should be unavailable for election as a result of an unexpected occurrence, the shares will be voted for the election of a substitute nominee that the Corporate Governance and Nominating Committee may propose. Each of the nominees has agreed to serve if elected, and the Corporate Governance and Nominating Committee and management have no reason to believe that either of the nominees will be unable to serve.

Board Committees And Meetings

During the fiscal year ended December 31, 2007, our Board of Directors held 22 meetings and acted by unanimous written consent once. Our Board has an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee.

During the fiscal year ended December 31, 2007, all directors attended at least 75% of the total meetings of our Board and committees on which each director served and which were held during the period the director was a director or committee member.

It is our policy that all directors are encouraged to attend our Annual Meetings of Stockholders in person. Last year, Ms. Magee and Mr. Kleweno attended the annual meeting.

Audit Committee

From January through February 2007, the Audit Committee was composed of Mr. Jesse, Rob King and Allen Morgan, each of whom was a non-employee member of our Board during the time of their service on the Audit Committee. In February 2007, when Mr. Morgan resigned from our Board and each committee of our Board on which he served, including the Audit Committee, Mr. Kleweno replaced Mr. Morgan on the Audit Committee. Mr. Kleweno is also a non-employee member of our Board. In October 2007, when Mr. King resigned from our Board and each committee of our board on which he served, including the Audit Committee, Mr. Marcom replaced Mr. King on the Audit Committee. Mr. Marcom is also a non-employee member of our Board.

Our Board has determined that each member of the Audit Committee meets the requirements for independence under the current requirements of the Nasdaq Stock Market and SEC rules and regulations. Mr. Jesse is the Chair of the Audit Committee and our Board has determined that he is the audit committee financial expert, as that term is defined under the SEC rules. The Audit Committee met 11 times during the last fiscal year and did not act by unanimous written consent. The Audit Committee has a written charter, which can be viewed on our corporate governance web page at www.planetoutinc.com under the Investor Center Corporate Governance section and was filed with our proxy statement for our 2005 annual meeting.

Table of Contents

The Audit Committee is responsible for overseeing the preparation of reports, statements or charters as may be required by the Nasdaq Stock Market or federal securities laws, as well as, among other things: (i) overseeing and monitoring (a) the integrity of our financial statements, (b) our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters, (c) our independent auditors' engagement, qualifications, independence, compensation and performance, and (d) our internal accounting and financial controls; (ii) preparing the report that SEC rules require be included in our annual proxy statement; (iii) providing our Board with the results of its monitoring and recommendations; and (iv) providing to our Board additional information and materials as it deems necessary to make our Board aware of significant financial matters that require the attention of our Board.

Compensation Committee

From January through February 2007, the Compensation Committee was composed of Mr. Colonna and Mr. Morgan, each of whom was a non-employee member of our Board during the time of their service on the Compensation Committee. In February 2007, when Mr. Morgan resigned from our Board and each committee of our Board on which he served, including the Compensation Committee, Mr. King replaced Mr. Morgan on the Compensation Committee. Mr. King was a non-employee member of our Board during the time of his service on the Compensation Committee. In October 2007, when Mr. King resigned from our Board and each committee of our board on which he served, including the Compensation Committee, our Board of Directors voted to increase the size of the Compensation Committee from two directors to three. Mr. Marcom replaced Mr. King on the Compensation Committee and Mr. Davis was appointed to the newly created seat on the Compensation Committee. Mr. Marcom and Mr. Davis are both non-employee members of our Board.

Our Board has determined that each member of the Compensation Committee meets the requirements for independence under the current requirements of the Nasdaq Stock Market and SEC rules and regulations. Each member of the Compensation Committee is an "outside director" as defined in Section 162(m) of the Internal Revenue Code of 1986 and is a "non-employee" director within the meaning of Rule 16b-3 of the rules promulgated under the Securities Exchange Act of 1934. The Compensation Committee met seven times during the last fiscal year and did not act by unanimous written consent. The Compensation Committee has a written charter, which can be viewed on our corporate governance web page at www.planetoutinc.com under the "Investor Center" Corporate Governance section.

Under its charter, the Compensation Committee has the following scope and authority:

- review, modify (as needed) and approve our overall compensation strategy and policies,

- review and approve a compensation package for, in its sole discretion, our chief executive officer and evaluate our chief executive officer's performance in light of relevant corporate performance goals and objectives,

- review and approve the corporate performance goals and objectives of our other executive officers,

- with respect to directors and executive officers, review and approve grants and awards under our stock option plans and similar programs,

- if delegated by the Board, administer our equity compensation plans with respect to all eligible participants,

- annually review and approve our organizational structure, succession plans for executive officers and programs to encourage development of individuals to assume positions of higher responsibility,

- prepare and review any report required by SEC rules and regulations to be included in the proxy statement, and

review, discuss and assess its own performance.

When reviewing our overall compensation strategy and policies, the Compensation Committee reviews performance goals and objectives relating to compensation, reviews and advises the Board concerning regional and industry-wide compensation practices and trends to assess the adequacy and competitiveness of our executive

Table of Contents

compensation programs among comparable companies in our industry, and reviews the terms of any employment agreement, severance agreement and change of control protections for our executive officers.

The Compensation Committee has the ability to delegate its authority to administer equity compensation plans as it determines is appropriate. The Compensation Committee has delegated to our Chief Executive Officer the authority to make grants of up to 1,000 stock options and up to 400 shares of restricted stock to non-executive employees and consultants.

The chief executive officer and the chief financial officer may attend any meeting of the Compensation Committee unless the Compensation Committee determines that there are portions of the meetings where her, his or their presence would be inappropriate. With respect to other executive officers, the Compensation Committee considers recommendations from the chief executive officer regarding total compensation for executive officers. Those recommendations include salary increases or target incentive award opportunities, based on her evaluation of their performance, job responsibilities, and leadership roles within the company. While the Compensation Committee considers these recommendations for the chief executive officer's direct reports, the committee does not delegate authority for compensation decisions relating to the chief executive officer and the other executive officers as determined by the committee and the full Board of Directors.

Corporate Governance and Nominating Committee

From January through February 2007, the Corporate Governance and Nominating Committee was composed of Mr. Jesse and Mr. Morgan, each of whom was a non-employee member of our Board during the time of their service on the Corporate Governance and Nominating Committee. In February 2007, when Mr. Morgan resigned from our Board and each committee of our Board on which he served, including the Corporate Governance and Nominating Committee, Mr. Kleweno replaced Mr. Morgan on the Corporate Governance and Nominating Committee. Mr. Kleweno is a non-employee member of our Board. In October 2007, our Board of Directors voted to increase the size of the Corporate Governance and Nominating Committee from two directors to three. Mr. Davis was appointed to the newly created seat on the Corporate Governance and Nominating Committee. Mr. Davis is a non-employee member of our Board.

Our Board has determined that each member of the Corporate Governance and Nominating Committee meets the requirements for independence under the current requirements of the Nasdaq Stock Market and SEC rules and regulations. The Corporate Governance and Nominating Committee met four times during the last fiscal year and did not act by unanimous written consent. The Corporate Governance and Nominating Committee has a written charter, which can be viewed on our corporate governance web page at www.planetoutinc.com under the Investor Center Corporate Governance section.

The Corporate Governance and Nominating Committee is responsible for, among other things: (i) reviewing Board structure, composition and practices, and making recommendations on these matters to our Board; (ii) reviewing, soliciting and making recommendations to our Board and stockholders with respect to candidates for election to our Board; (iii) overseeing compliance with our Code of Conduct and Ethics; and (iv) overseeing compliance with corporate governance requirements.

Our bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to our Board at our annual meeting of stockholders. To date, we have not received any suggestions from stockholders that the Corporate Governance and Nominating Committee consider a candidate for inclusion among the slate of nominees presented at our annual meeting of stockholders. The Corporate Governance and Nominating Committee will consider qualified candidates for director suggested by stockholders. Stockholders can suggest candidates by writing to the attention of our Corporate Secretary at 1355 Sansome Street, San Francisco, CA 94111.

We will forward suggestions that we receive to the Corporate Governance and Nominating Committee for further review and consideration. Stockholder suggestions are encouraged to be submitted to our Corporate Secretary at least six months prior to the one-year anniversary of the Annual Meeting, to ensure time for meaningful consideration. See also the [Stockholder Proposals](#) section for applicable deadlines.

Although the Corporate Governance and Nominating Committee has not formally adopted minimum criteria for director nominees, the Committee does seek to ensure that the members of our Board possess both exemplary

Table of Contents

professional and personal ethics and values and an in-depth understanding of our business and industry. The Corporate Governance and Nominating Committee also believes in the value of professional diversity among members of our Board, and it feels that it is appropriate for members of our senior management to participate as members of our Board. The Corporate Governance and Nominating Committee requires that at least one member of our Board qualify as an audit committee financial expert as defined by SEC rules, and that a majority of the members of our Board meet the definition of independence under the Nasdaq Stock Market rules.

The Corporate Governance and Nominating Committee identifies nominees for the class of directors being elected at each annual meeting of stockholders by first evaluating the current members of the class of directors willing to continue in service. Current members of our Board with skills and experience that are relevant to our business and who are willing to continue to serve on our Board are considered for re-nomination, balancing the value of continuity of service by existing members of our Board with the benefits of bringing on members with new perspectives. If any member of a class of directors does not wish to continue in service or if the Corporate Governance and Nominating Committee decides not to re-nominate a member of the class of directors for reelection, the Corporate Governance and Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria above.

Code of Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our chief executive officer and senior financial officers, including our chief financial officer and controller, as well as all employees and directors. The Code of Business Conduct and Ethics can be viewed on our corporate governance web page at www.planetoutinc.com under the Investor Center Corporate Governance section. To the extent permitted by Nasdaq Stock Market rules, we intend to disclose any amendments to, or waivers from, the Code provisions applicable to our chief executive officer and senior financial officers, including our chief financial officer and controller, or with respect to the required elements of the Code on our corporate governance web page at www.planetoutinc.com under the Investor Center Corporate Governance section.

Communications with our Board of Directors

If you wish to communicate with our Board of Directors or with the independent directors as a group, you may send your communication in writing to our Corporate Secretary at 1355 Sansome Street, San Francisco, California 94111. You must include your name and address and indicate whether you are a stockholder of the company. PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors has selected Stonefield Josephson, Inc. (Stonefield) as our independent auditors for the fiscal year ending December 31, 2008 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Stonefield has served as our independent auditors since fiscal year 2005. Representatives of Stonefield are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor other governing documents nor law require stockholder ratification of the selection of Stonefield as our independent auditors. However, our Board is submitting the selection of Stonefield to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, our Board will reconsider whether or not to retain that firm. Even if the selection is ratified, our Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in our and our stockholders' best interests.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Stonefield.

Employment Agreements

Karen Magee: Since 2003, Ms. Magee has served on our Board of Directors as a non-employee director and on July 1, 2006, she began her tenure as our Chief Executive Officer. The terms of her employment with us are set forth in her employment agreement dated June 20, 2006, as amended on June 28, 2007. In 2006, pursuant to Ms. Magee's employment agreement, as an inducement to accept the Chief Executive Officer position, she was awarded 9,000 shares of restricted stock, which vest in four equal annual installments and are otherwise subject to all of the terms and conditions of our stockholder-approved equity incentive plan. The June 28, 2007 amendment to Ms. Magee's employment agreement fixed the term of her employment agreement through June 30, 2010, granted her 30,000 shares of restricted stock, vesting annually over a three-year period, for purposes of retention and additional incentive and provided that any merit-based increases to which Ms. Magee was entitled in 2007 would be paid in shares of restricted stock rather than in cash. Ms. Magee's base salary in 2007 was \$390,000. She is generally eligible for an annual incentive bonus at a target level of 40% of her base salary based on the achievement of certain individual and performance goals. In 2007, no specific goals were set and no incentive bonus was earned. For 2007, Ms. Magee's bonus was guaranteed at 70% of the target level of her annual incentive bonus. The bonus earned for 2007 was \$109,200 and will be paid in 2008 in accordance with the terms of Ms. Magee's employment agreement. Pursuant to the terms of her employment agreement, Ms. Magee also was reimbursed \$178,125 for moving-related expenses. Ms. Magee is eligible for paid time off in accordance with our standard policy, is eligible to participate in all of our employee benefit plans in accordance with the terms and conditions of those plans and is eligible for a paid parking space.

Ms. Magee is eligible to receive certain severance and change in control benefits that are described on page 21 of this Proxy Statement.

Daniel E. Steimle: On September 17, 2007, we retained the services of Daniel E. Steimle, our Interim Chief Financial Officer, through an executive services firm. Pursuant to our agreement with the executive services firm, we pay Mr. Steimle \$23,800 per month in salary, but he is not entitled to receive any bonuses or equity incentive grants in connection with his provision of services as our Interim Chief Financial Officer. Mr. Steimle is, however, eligible for a paid parking space. The executive services firm also receives specified consideration as Mr. Steimle performs services for us.

Mr. Steimle is eligible to receive certain retention benefits that are described on page 21 of this Proxy Statement.

William Bain: On February 14, 2007, William Bain was hired as our Chief Technology Officer. The terms of his employment with us are set forth in his employment agreement. Pursuant to his employment agreement, Mr. Bain's base salary is \$250,000 and he is eligible for and received a one-time signing bonus of \$25,000. Mr. Bain is also eligible for and received, in February 2008, a one-time incentive bonus of \$75,000 on the first anniversary of his employment with us. Mr. Bain is also eligible to receive an annual incentive bonus based on criteria established in advance by our chief executive officer and Board of Directors. However, in 2007 no such criteria were established and no such annual incentive bonus, other than the one-time incentive bonus discussed previously, was earned. On March 13, 2007, pursuant to his employment agreement, Mr. Bain also received a grant of 5,000 shares of restricted stock which vest annually over a two-year period on the anniversary of his employment with us. Mr. Bain is also eligible to participate in all of our employee benefit plans in accordance with the terms and conditions those plans and is eligible for a paid parking space.

Mr. Bain is eligible to receive certain severance, retention and change in control benefits that are described on pages 21-22 of this Proxy Statement.

Former Executive Officers

In 2007, our President and Chief Operating Officer and our Chief Financial Officer both left their employment with us. Pursuant to a severance and release agreement entered into in connection with the termination of his employment, our former President and Chief Operating officer received certain severance payments and other benefits.

Jeffrey T. Soukup: Mr. Soukup, our former President and Chief Operating Officer, terminated employment with us on April 13, 2007. Through that date, he received his base salary and was eligible for paid time off in accordance with our standard policy, was eligible to participate in all of our employee benefit plans in accordance with the terms and conditions of those plans, was eligible to use personal life insurance and disability insurance to cover the approximate difference between our company-sponsored plan maximums and his base salary up to a cost of \$100 per month for life insurance and \$150 per month for disability insurance and was eligible for a paid parking space. Mr. Soukup was generally eligible for an annual incentive bonus at a target level equal to a minimum of 30% of his base salary based on the achievement of certain individual and corporate performance goals. However, in 2007 no performance goals were set and no performance bonus was earned. In connection with a separation and release agreement, Mr. Soukup received \$270,000 in severance payments in 2007, representing eight months of his base salary, and a \$50,000 one-time payment. Pursuant to the separation and release agreement, the vesting of Mr. Soukup's unvested outstanding restricted stock and stock option awards was also accelerated such that he became vested in an additional number of shares subject to such restricted stock or stock option awards as if he had provided us with an additional twelve months of service. We are also paying the COBRA premiums for Mr. Soukup and his partner through May 1, 2008. Mr. Soukup remains subject to his proprietary information and inventions agreement with the company.

Daniel J. Miller: Mr. Miller, our former Chief Financial Officer, resigned effective September 28, 2007. Through that date, he received his base salary and standard employee benefits. Mr. Miller also received a one-time performance-based grant of 2,500 shares of restricted stock which were fully-vested as of September 28, 2007, the date of grant. Mr. Miller received no severance or other benefits in connection with the termination of his employment. The terms of his employment with us were governed by his employment agreement. Mr. Miller's base salary on his start date in February 2006 was \$200,000 and was increased to \$235,000 in July 2006. Mr. Miller also was generally eligible for an annual incentive bonus based on the achievement of certain individual and corporate performance goals. In 2006, however, no goals were set and no bonus was earned.

Also in 2006, the Compensation Committee, pursuant to his employment agreement, awarded Mr. Miller a stock option to purchase 3,200 shares of our common stock, which vests over four years (25% of the shares vest on the first anniversary of the date of grant and 1/48th of shares vested monthly thereafter through the date of his departure) and was otherwise subject to the all of the terms and conditions of our stockholder-approved equity incentive plan. This option expired unexercised after Mr. Miller's departure. In July 2006, the Compensation Committee awarded Mr. Miller a grant of 500 shares of restricted stock, which vested on February 15, 2007. In addition, Mr. Miller was eligible for paid time off in accordance with our standard policy, with his initial accrual at the rate of 25 days per year. Mr. Miller was eligible to participate in all of our employee benefit plans in accordance with the terms and conditions of those plans and was eligible for a paid parking space.

Additional Information Related to Equity Compensation.

During 2007, none of the stock options granted to the named executive officers was repriced and none of the stock options or restricted stock awards was materially modified except for the acceleration of vesting of Mr. Soukup's stock award in connection with his separation with his separation and release agreement. All stock options and restricted stock awards are granted pursuant to the terms and conditions of our stockholder approved equity incentive plan.

We use equity incentives, including stock options and restricted stock, as a vehicle to reward and retain named executive officers. Our philosophy in granting equity incentives is to encourage ownership of our stock as a means to align the interests of executives and stockholders. We believe that stock-based equity grants reinforce a long-term interest in our overall performance and encourage our named executive officers to manage our business with a view toward maximizing long-term stockholder value. The equity incentives we provide to our named executive officers include a mix of stock options and restricted stock.

In accordance with our stockholder-approved equity incentive plan, stock options are granted with an exercise price equal to 100% of the closing market price of our stock on the date of grant, and thus provide compensation to the named executive officer only to the extent that the market price of the stock increases between the date of grant and the date the option is exercised. The date of grant of each stock option is the date the Compensation Committee meets in person or by telephone to approve the grant. Generally, stock options granted to the named executive officers vest over a four-year period. Restricted stock awards generally vest quarterly or annually over a three-year or four-year period.

Severance and Change of Control Agreements

If Ms. Magee's employment is terminated for any reason other than cause or permanent disability, or if she is constructively terminated, then, subject to signing a release of any claims she may have against PlanetOut, she will be entitled to continued payment of her then current base salary for twelve months, an amount equal to the average of her last two annual incentive bonuses paid during the 24 months prior to her termination of employment (paid ratably over twelve months), twelve months of accelerated vesting of her then unvested stock options and restricted stock awards, and if she elects COBRA continuation coverage after termination of employment, we will reimburse her for premium payments for up to twelve months. If Ms. Magee is terminated within 16 months following a change of control of PlanetOut for any reason (including constructive termination) other than cause or permanent disability, subject to signing a release, she will be entitled to receive continued payment of her then current base salary for a period of 24 months, an amount equal to two times her average bonus (paid ratably over 24 months), 24 months of accelerated vesting of her then unvested stock options and restricted stock awards, and if she elects COBRA continuation coverage after termination of employment, we will reimburse her for premium payments for up to 24 months.

We engage the services of Mr. Steimle, our Interim Chief Financial Officer, pursuant to an agreement with an executive services firm. We may terminate the agreement with the executive services firm at any time, with or without cause, on 30 days written notice. Mr. Steimle is entitled to receive continued payment of his then current base salary for the 30 day notice period, whether or not he performed services during the 30 day notice period. Mr. Steimle also participates in the retention portion of the severance and retention plan our Board of Directors adopted on January 11, 2008 in order to provide certain employees with an incentive to remain committed to us while we evaluate our strategic alternatives. Pursuant to this plan, Mr. Steimle is eligible to receive a payment of \$100,000 if he continues to provide services to us through December 31, 2008 or a pro-rata portion of \$100,000 if he is terminated without cause prior to December 31, 2008 and signs a release of any claims he may have against us. The pro-rata portion would be calculated by multiplying \$100,000 by a fraction, the numerator of which is the number of Mr. Steimle's full five-day work weeks of providing services to us in calendar year 2008 as of the date of his termination without cause, and the denominator of which is 52. A portion of this retention payment will be payable to the executive services firm through which we engage Mr. Steimle's services.

If Mr. Bain's employment is terminated for any reason other than cause or permanent disability, or if he is constructively terminated, then, subject to signing a release of any claims he may have against PlanetOut, he will be

Table of Contents

entitled to continued payment of his then current base salary for nine months, nine months of accelerated vesting of his then unvested stock options and restricted stock awards, and if he elects COBRA continuation coverage after termination of employment, we will reimburse him for premium payments for up to nine months. If Mr. Bain is terminated within 16 months following a change of control of PlanetOut for any reason (including constructive termination) other than cause or permanent disability, subject to signing a release, he will be entitled to receive continued payment of his then current base salary for a period of twelve months, accelerated vesting of his stock options or restricted stock awards so that they are fully vested, and if he elects COBRA continuation coverage after termination of employment, we will reimburse his for premium payments for twelve months. Mr. Bain also participates in the retention portion of the severance and retention plan our Board of Directors adopted on January 11, 2008 in order to provide certain employees with an incentive to remain committed to us while we evaluate our strategic alternatives. Pursuant to this plan, Mr. Bain is eligible to receive a payment of \$50,000 if he remains employed with us through December 31, 2008 or a pro-rata portion of \$50,000 if he is terminated without cause prior to December 31, 2008 and signs a release of any claims he may have against us. The pro-rata portion would be calculated by multiplying \$50,000 by a fraction, the numerator of which is the number of Mr. Bain's full five-day work weeks of employment with us in calendar year 2008 as of the date of his termination without cause, and the denominator of which is 52.

Mr. Soukup's employment terminated April 13, 2007 and he signed a release of any claims he may have had against PlanetOut. Pursuant to the release, Mr. Soukup received payment equivalent to eight months of his final base salary, a payment of \$50,000, twelve months of accelerated vesting of his then unvested stock options or other equity securities, and payment of his and his partner's premiums under COBRA for twelve months.

Mr. Miller voluntarily terminated his employment on September 28, 2007 and received no severance payments.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are PlanetOut stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker or direct your written request to: Investor Relations, PlanetOut Inc., 1355 Sansome Street, San Francisco, California 94111, or contact our Investor Relations department at (415) 834-6340. We will promptly deliver upon written or oral request a separate copy of the annual report or proxy statement to a security holder at a shared address to which a single copy of the document was delivered. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.
