PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Ultra Clean Holdings, Inc. (the Company) was unable to file its Annual Report on Form 10-K for the year ended January 2, 2009 in a timely manner without unreasonable effort or expense because additional time is required to complete the detailed and complex financial and other disclosures in the report.

The delay in completion of the financial and other disclosures and the delay in the completion of the related audit and SOX 404 procedures are primarily due to:

1. *Compliance with SOX 404.* The Company reported a material weakness with respect to its internal controls. The new and significant workload associated with the assessment and write-up of this material weakness contributed to the Company's inability to file its Annual Report on Form 10-K in a timely manner without unreasonable effort or expense.
2. *Impairment of Goodwill and other Tangible and Intangible Assets.* The Company also booked an impairment charge in the fiscal year ended January 2, 2009. Ensuring that this was comprehensively reflected in the Annual Report on Form 10-K further contributed to the Company's inability to file its Annual Report on Form 10-K in a timely manner without unreasonable effort or expense.
