PARTIAL DEREGISTRATION OF SHARES OF COMMON STOCK

This Post-Effective Amendment relates to File No. 333-174812, Registration Statement on Form S-8 pertaining to the registration of 3,686,614 shares of the common stock, par value \$0.0001 per share, of Spirit Airlines, Inc. (the “Registrant”), issuable under the Amended and Restated 2005 Incentive Stock Plan and the 2011 Equity Incentive Award Plan (the “2011 Plan”), which was filed with the Securities and Exchange Commission (the “SEC”) and became effective on June 9, 2011 (the “Prior Registration Statement”).

On December 16, 2014, the Registrant’s Board of Directors adopted, subject to shareholder approval, the Registrant’s 2015 Incentive Award Plan (the “2015 Plan”). On June 16, 2015, the 2015 Plan was approved by the shareholders at the Registrant’s annual meeting of shareholders. The Registrant desires to have the 3,113,878 shares of common stock to be registered under the New Registration Statement (as defined below) to be filed on even date herewith and issuable pursuant to the 2015 Plan to include a portion of the shares of common stock from the 2011 Plan whose offer and sale were registered under the Prior Registration Statement (the “Carried Forward Shares”). The Carried Forward Shares are no longer available for the grant of new awards under the 2011 Plan. The Carried Forward Shares consist of (i) 2,423,276 shares of common stock remaining available for issuance under the Prior Plan, but not underlying any outstanding stock options or other awards under the Prior Plan as of August 12, 2015, and (ii) 690,602 shares of common stock allocable to outstanding stock options or other awards under the Prior Plan as of August 12, 2015, to the extent that on or after August 12, 2015 such stock options or other awards expire, are forfeited or otherwise terminate without shares of common stock being issued. Effective immediately upon the filing of this Post-Effective Amendment to the Prior Registration Statement, the Registrant hereby deregisters the shares of common stock previously registered for offer and sale under the 2011 Plan and remaining available for future issuance under the 2011 Plan, but not underlying any outstanding stock options or other awards under the Prior Plan as of August 12, 2015. Upon the expiration, forfeiture or termination of the subject awards, the Carried Forward Shares that become available for issuance under the 2015 Plan will be deregistered from the Prior Registration Statement and will be carried forward to the New Registration Statement (as defined below). Any shares of common stock previously registered under the Prior Registration Statement and not utilized as Carried Forward Shares will remain registered under the Prior Registration Statement.

Contemporaneously with the filing of this Post-Effective Amendment to the Prior Registration Statement covering the 2011 Plan, the Registrant is filing a new Registration Statement on Form S-8 to register up to 3,113,878 Carried Forward Shares when they become eligible for issuance under the terms of the 2015 Plan as described above (the “New Registration Statement”).
